SHORT-TERM/OPEN ENTRY CLASSES

Regularly scheduled classes meeting less than the full length of the term, or self-paced classes in which students may enroll at various times throughout the semester. Short-term start/end dates can be viewed by clicking on the meeting information link in the section. Look for specific add and drop dates of a course on the College of the Desert homepage-titled Course Deadlines or contact the Admissions Office at enrolls@collegeofthedesert.edu.

Printing your Class Schedule: Your Class Schedule can be viewed in Self-Service in the Student Planning tile. This will include your Academic Program. You may print according to your device - there is no print button. To pay or make payments in Self-Service, click on the Finance tile, then Student Finance for the various options available.

Notice of Disclaimer

Every reasonable effort has been made to determine that everything stated in this schedule of classes is accurate. Because this publication must be prepared well in advance of the period of time it covers, changes in some programs inevitably will occur.

Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Desert Community College District of College of the Desert, and in addition, some courses or programs that are offered may have been canceled because of insufficient enrollment or because of elimination or reduction in programs or because of any other reason considered sufficient by the College Superintendent/President or designee.

Open enrollment policy: Unless specifically exempted by statute, every course, course section, or class which is to be reported for state apportionment, is open for enrollment, and participation by any person who has been admitted to the College and who meets the student success requirements.

College of the Desert

is a two-year California State Community College with an enrollment of approximately 10,600 students per semester. More than 150 Associate degrees and certificate programs are offered.

Students may attend classes in Palm Desert, or off-campus at our East Valley sites in Indio, Mecca/Thermal or Coachella; at our West Valley locations - Palm Springs, and Desert Hot Springs, or through our “distance education” over the Internet.

The College first opened classes in 1962 and remains committed to providing high quality education to students in academic transfer, vocational and occupational, and high school completion programs, as well as basic skills education. All students who are high school graduates, or 18 years of age or older, and no longer enrolled in high school, are eligible to attend.

Located in the desert climate of the beautiful Coachella Valley, the Palm Desert Campus and East and West Valley locations offer enjoyable, educational experiences in year-round sunshine amidst palm trees and warm breezes.

Please contact us if we may be of assistance in your planning at (760) 346-8041.

Enrollment Fee Deadline for Fall 2023

- Students are responsible for their tuition and fees. It is important for students to drop themselves by appropriate deadlines.
- Students registering on or after August 25 must pay enrollment fees prior to the last day to drop a course. A financial hold will be placed on all student records that have an outstanding balance for the term that will prevent subsequent registration until paid.
- Drops for non-payment will not be processed once courses begin. Drops for non-payment will not be processed once term begins.
- Students enrolled in courses they do not attend are responsible for enrollment fees and final grades if not dropped by the applicable course deadline. Students that have been awarded financial aid will not be dropped for non-payment.
- Petitions to drop past the deadline, or for refunds of courses not dropped by the deadline, will not be accepted if student fails to drop a course by the deadline.

PAYMENT PLAN OPTION

College of the Desert offers an optional payment plan to assist with the payment of enrollment fees. Please note there is a \$20 nonrefundable enrollment fee per semester for this service. For more information on the payment plan, please go to collegeofthedesert.edu Self Service, Finance.

Please note: Students are responsible for their class schedules and fee payments. Please check the accuracy of your class schedule by going to collegeofthedesert.edu Go to MyCOD, then Self Service.

The following terms are used throughout this Schedule of classes.

SECT/SYNONYM (in Web Advisor) - SECTION NUMBER:

Every class is identified by a 4-digit section number. This number is critical to correctly register in the section you have selected.

COURSE - COURSE CODE - The course code identifies the department and course level.

TITLE - COURSE TITLE - The course title is the descriptive name of the course.

U - UNITS - This is the number of credit units that will be earned by successfully completing the course.

SHORT-TERM CLASSES - Short-term classes are noted throughout the schedule with starting (First Meeting:) and ending dates (Last Meeting:) listed under the class title in **bold print**. Registration deadline dates for these classes will differ from the published deadlines for full-term classes.

CROSS-LISTED or EQUIVALENT SECTIONS - One or more like courses scheduled at the same time. Enrollments of all cross-listed courses are considered by the registration system, possibly showing "course is filled" when it seems there are available seats.

CLASS SECTIONS IN BOLD PRINT - Evening classes, beginning at 4:00 p.m. or later, are indicated in **bold print**.

TBA TIME - If hours are shown as 2.3 HOURS TBA, then 2 hours and 5 minutes weekly are required (usually lab) and are TO BE ARRANGED by the student during the time the appropriate lab facility is open.

Days -	Meeting Days:
M	MONDAY
MW	MONDAY & WEDNESDAY
T	TUESDAY
TR	TUESDAY & THURSDAY
W	WEDNESDAY
R or Th	THURSDAY
F	FRIDAY
S	SATURDAY
SU	SUNDAY
MTWR	MONDAY through THURSDAY
MTWRF	MONDAY through FRIDAY

CLASS MEETINGS - It is important that students attend the first class meeting, whether or not it is designated as a lecture or a lab, of each course in which they are enrolled.

IGETC courses in this schedule are printed in color, and the IGETC requirement satisfied by each course is listed along with each course prerequisites.

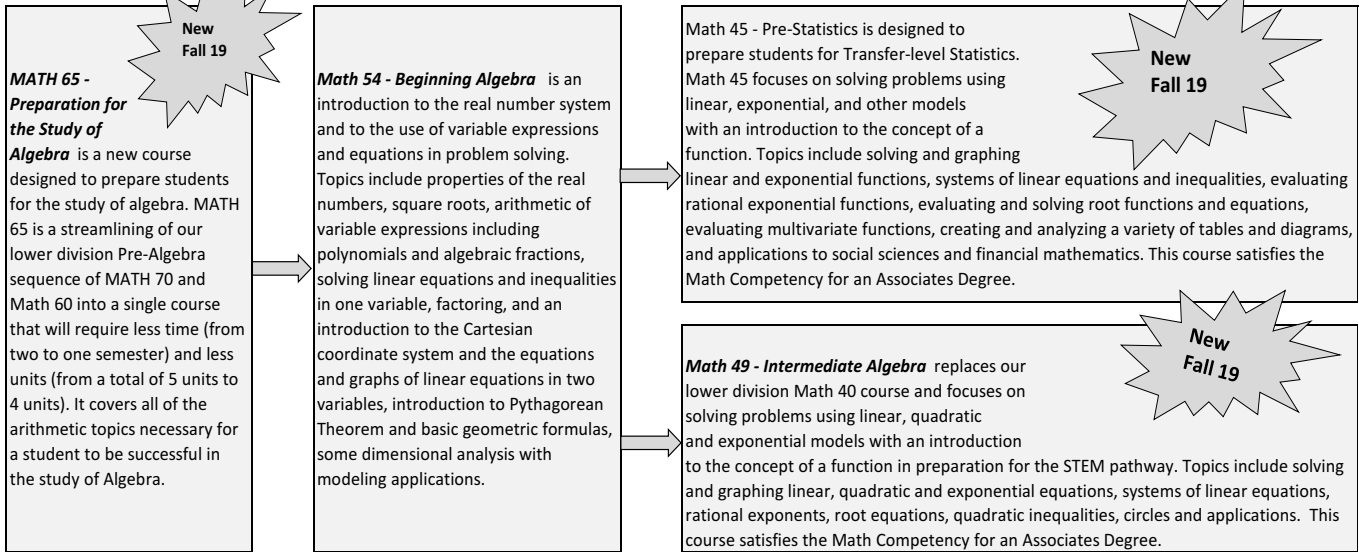

The symbol (▶) in front of a section number (▶2315) denotes an off-campus class.

Assembly Bill (AB) 705

The State of California has enacted a new law affecting community college students. Assembly Bill 705 requires colleges to maximize the probability that students will complete transfer-level English and math within one year. The assessment test for English and math will no longer be administered and all students can now directly enroll in transfer-level English and math courses.

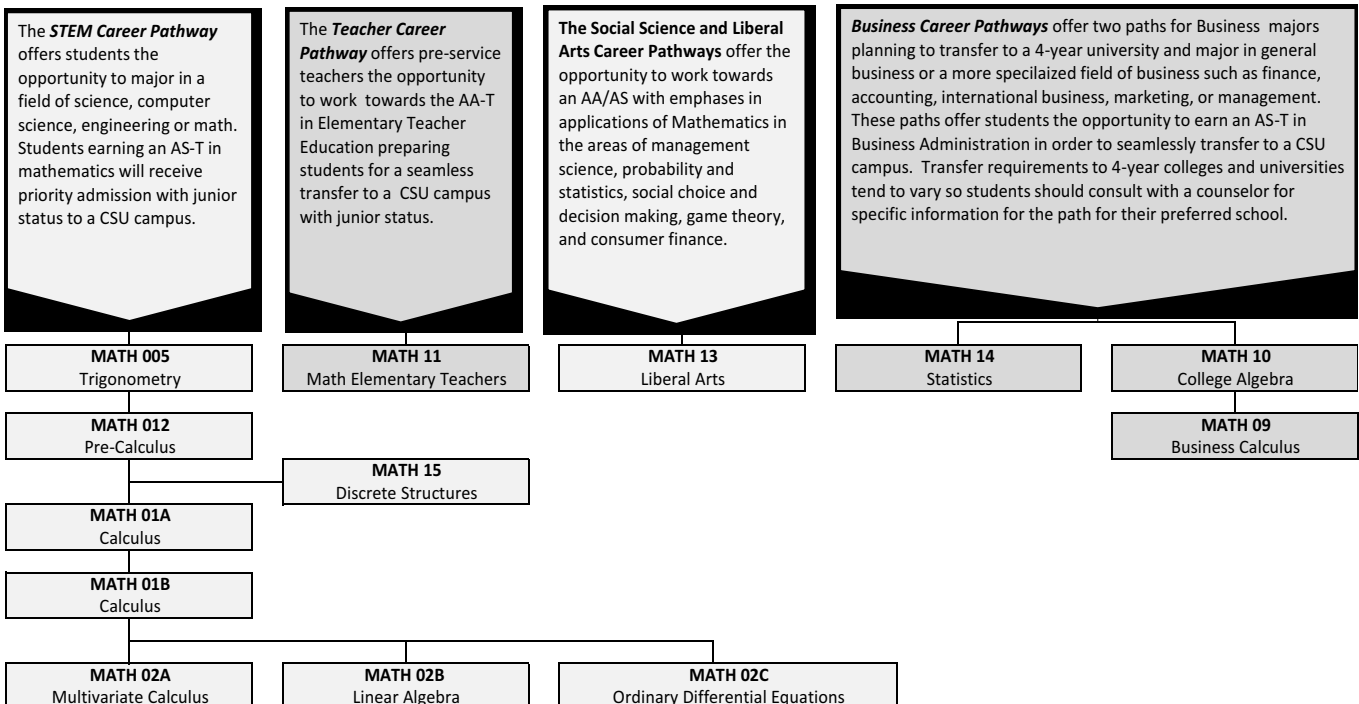

We recommend that you speak with a counselor before registration. Counselors can provide a multiple measures review of your preparation for transfer-level work. Counselors can also inform you about the particular courses that are required to meet your goal. Below is a description of the math courses and math sequences offered at College of the Desert.

Student Registration is Changing

College of the Desert is transitioning from WebAdvisor to Self-Service for online student access. **Beginning Summer 2023**, students will use Self-Service to add/drop courses, add themselves to waitlists, and utilize the add authorization process to enroll in closed courses. Important information on Self-Service has been placed in the student portal.

Students will still register according to their registration priority in the student planning area of Self-Service. An instructional video can be found on the student portal.

Using the waitlist feature allows students to be automatically enrolled if an open seat becomes available and the student meets all registration requirements. Students will be able to add themselves to a waitlist for courses that they are not already enrolled in. For example, if you would like to waitlist for a course, you cannot be enrolled in a different section of that course.

Add Codes were previously used via WebAdvisor to enroll in courses that are at capacity or when the course session has already started. The add code process is being replaced with Add Authorization via Self-Service to add a course during the *Add Authorization period*.

In Self-Service, once the student receives instructor approval to add a course the authorized section will have a blue “Authorized for Add” flag on their schedule. When a student receives instructor approval via Self-Service to add a course, the student will need to click the Register button to finish registering. Registration will process assuming all prerequisites and holds have been cleared.

Also, students should make sure to drop a course they have decided not to attend. Faculty are no longer required to drop during the semester. Not dropping a course will result in an FW grade.

1. **Full-term** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class in the same room as the regularly scheduled class location.

2. **Short-term** classes meet as regularly scheduled during final exam week. The final exam is held at the last class meeting.

3. **Off-Site day and night** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class.

4. **West Valley Off-Site** classes meet only once during final exam week, at the first regularly scheduled class starting time, for a two-hour exam.

5. **Saturday classes** meet as regularly scheduled during final exam week. The final exam is given during the last class meeting on Dec 9.

6. **Nursing/Health Sciences** exams are scheduled by Health Sciences.

7. All students are expected to complete a final examination for all their registered courses as assigned by their instructor. All examinations will, so far as practicable, be conducted in writing and a maximum time will be assigned before each examination. Students are required to take the final examination at the appointed time and place. Students who are in need of special accommodations should arrange this with their instructor well in advance of taking the final exam.

Students who miss a final exam due to unforeseen circumstances, such as a sudden illness, should provide documented evidence to the instructor if the student is seeking a make-up exam. Any challenge or exception to this policy must be approved by the Vice President, Student Services or the Vice President's designated representative.

What Is Work Experience?

A course that allows students to apply their education to the real world. Students create and accomplish three measurable learning objectives that are new and/or expanded responsibilities at their workplace. This ultimately empowers students to become better employees, work on new projects, add to their resume, and enhance their job skills. All students who currently work, volunteer, intern, or that have a student worker or federal work-study position are eligible. Units earned are transferrable to the CSU system and the class fits easily into the student's work and school schedule. Students may enroll in General Work Experience or an Occupational course

General Work Experience (WEG-095A)

Students may enroll in **General Work Experience (WEG – 095A)** if the student's current position **does not** relate to their occupational/educational goal. Students can earn **1 - 6 units** of General Work Experience per semester (if hour requirement is met, see below). All General sections will be listed under Work Experience.

Occupational Work Experience (XXX-095A)

Students may enroll in an Occupational course if their current position **does** relate to their educational/occupational goal. Occupational courses vary depending on student's major and are listed under the corresponding academic program as (XXX – 095A), i.e. CIS-095A, BUMA-095A, FIRE-095A, etc. Students may earn **1 - 8 units** in any occupational work experience course (if hour requirement is met, see below). Additional occupational courses may be available if not listed on Self Service.

Note to Students: Use the chart below to help you pre-determine up to how many units you may qualify to earn based on the number of hours you will complete. You must **manually** enter the number of units via Self Service if you are enrolling in more than one (1) unit (see image on next page). There are no exceptions to the minimum hour requirements for paid or unpaid positions.

(75 hours per unit required if the position is paid, or 60 hours per unit if unpaid)

Available Sessions:

- 16 Week Session (full semester) August 25 - December 15, 2023
- 12 Week Session (late starting) September 25 - December 15, 2023

How to Get Started in a Work Experience Class:

1. Student must have a job, internship, volunteer, student worker, or federal work study position to enroll.
2. Determine the number of units to enroll in (based on the hours you work, see chart on previous page).
3. Determine which course you will be enrolling in: General or an Occupational course (see description on previous page). If you need further assistance, contact the Work Experience Office before enrolling.
4. Enroll via Self Service:
 - ***Note:** Self Service defaults to one (1) unit. If you are enrolling in more than one unit, you must **manually** change the number of units using the guide below.
5. Check CANVAS by the first day of class to complete required forms and get started on the course.

Accounting

Do you know that Al Capone was caught by an accountant?

That's right; it actually wasn't Elliot Ness or his legendary team the "Untouchables" that brought the famous mobster to justice. It was a forensic accountant with the U.S. Treasury Department who put together the case for tax evasion that landed the bad guy behind bars.

Most students don't realize the variety of accounting jobs the profession has to offer. For instance, Forensic Accountants merge accounting with investigative legal work, Public Accountants are tasked with accounting, auditing, taxes, and consulting for both business and individuals, Management Accountants provide financial information to decision makers within a company, and Non-Profit/Government Accountants are employed by various public agencies to administer and maintain their financial records.

At College of the Desert students interested in pursuing a career in accounting can earn a Certificate of Achievement in Accounting or an Associate of Science Degree in Accounting. Our accounting program is designed to provide students with the knowledge and skills necessary for employment or advancement in the accounting profession.

Additionally, students can earn a Bachelor's Degree without ever leaving the desert!

Just complete the transfer AA Business Degree at COD and then finish the upper division accounting program at the Palm Desert campus of CSUSB.

Who knows? Maybe you will catch the next Al Capone!

Adult Basic Education (ABE) and English As A Second Language (ESLN) Registration

Registration for returning ABE students will begin on 5/8/23.

Registration for new ABE students will begin on 5/17/23.

Registration for all ESLN courses will begin:

- Current ESLN students: 5/8/23

- New ESLN students: 5/17/23

Please visit the College of the Desert Admissions webpage and click on the Adult Basic Education Registration link or the English As A Second Language link for details.

Looking for Administration of Justice classes?

AJ classes are now listed under Criminal Justice (CJ).

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

18 AGR- AGPS

Tutoring and Academic Skills Center (TASC)

Tutoring and Academic Skills Center (TASC) supports independent study habits and sustainable learning for all students at College of the Desert. This is accomplished by providing resources that empower individuals to take charge of their goals. TASC labs can be found at all major sites for College of the Desert.

TASC resources include:

- Peer tutors for general subjects
- Tutor and staff support with writing and math
- Computer lab space for coursework and research
- 24/7 Online tutoring access (with synchronous subjects) through Smarthinking
- Helpful, friendly staff

When students access tutoring for TASC, they are automatically enrolled in ASC 300, Supervised Tutoring. This is an open entry/open exit course where COD students with learning needs in academic subjects receive drop-in tutoring, small group instruction, and computer assisted or mediated instruction that supplements classroom instruction. Registration is accomplished automatically.

**AIR CONDITIONING
HVAC**

The Air Conditioning/HVAC program is a well established curriculum and has long served the desert community by providing highly trained individuals to work in various businesses throughout the Coachella Valley. The program offers a Certificate and Associate of Science degree for employment preparation that is designed to provide a wide range of courses in order to best serve student needs.

In addition, required courses listed in this schedule are derived from the collaboration and dedicated efforts of members of a Technical Advisory Committee and other individuals experienced in the specific occupational areas.

Several certificate programs, as well as degree programs, are offered by the School of Applied Sciences and Business. Students are encouraged to meet with a member of the School's faculty to discuss certificate and/or degree programs prior to registration. It is also helpful for students to review available programs listed in the current College of the Desert Catalog.

Anthropology

Are you interested in biology AND humans?

Check out ANTH-001!

Have you ever wondered why we humans are the way we are? Want to learn more about human origins and evolution? Learn about your fellow primates including monkeys and apes. Curious about how humans walk on two feet and about human nutrition. Do you want to fulfill your science GE requirement, not requiring a lab? Take a look at these interesting classes.

Anthropology of Religion, Magic, Witchcraft, and Healing

Check out ANTH-007!

This course is an exciting and fascinating introduction to the anthropological study of religion, and examines the way religion is lived and practiced in diverse cultures, and the role of religious beliefs in human experiences of health and healing.

Why are people religious? What roles do religion and religious beliefs play in health and wellness?

Applications and Information Systems (AIS)

Looking for Computer Information Systems applications courses?

COD now offers the Business Information Worker certificates under the new name of Applications and Information System (AIS). Check out the 2023-2024 catalog for the new certificates you can earn in AIS, as well as all the new CIS programs in Cyber Security.

BIW Certificates

Applications and Information Systems (AIS) courses lay the foundation for careers in medical, marketing, and law office positions. COD now has certificates to polish your resume and skills!

Fall classes are being held in person, synchronously via Canvas, or asynchronously.

Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

Architecture/ Environmental Design Programs

Architecture/
Environmental Design programs have a common objective - to help prepare students to understand issues related to the betterment of the human physical environment. This format is accomplished by interrelated courses in Architecture, Applied Construction Technology, Landscape Design, Drafting/CAD, and Building Inspection Technology. These courses and programs endeavor to give students a technical background, a set of social values, and a range of occupational skills, which result in creative expression.

Applied Construction Technology

Students completing the certificate or degree requirements for the Applied Construction Technology curriculum will gain proficiency in basic residential construction techniques in conformance with the most current building codes. Competencies are assessed regularly by student performance in both the classroom and hands-on in the construction technology laboratory.

ART 25

ART 31/DDP-131 DIGITAL PHOTOGRAPHY

These courses provide an introduction to the tools, materials and techniques of digital photography. Students learn to capture images using a digital camera. Topics include the use of digital interfaces, printers and file formats, as well as the preparation of images for web use. A digital camera of at least 5 or 6 megapixels is required.

Wednesday

5:30 p.m. - 8:30 p.m.

To complete lab hours seven Saturday trips to locations around the valley will be required.

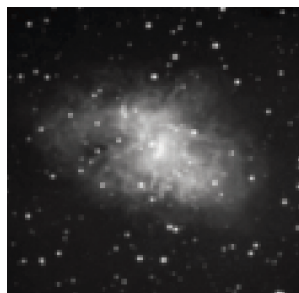

WebAdvisor or Self Service?

College of the Desert will be transitioning in Fall to a new way of finding your schedule of classes.

Both WebAdvisor and Self Service will be available for Fall registration.

Watch the COD website for more details.

Should I take an Astronomy class, and if so, which one?

Have you ever wondered why and how the planets orbit around the sun? Have you thought about black holes and time travel? If so, then Descriptive Astronomy, A-001 or A-002 will give you an opportunity to learn the answers to all these questions plus learn how COD's state of the art, remotely operated 1-meter telescope at the Mary Reagan Observatory works.

Both A-001 and A-002 fulfill the natural science elective and will transfer to the UCs and Cal States. The only difference is A-002 is a (4) unit class that includes a laboratory component while A-001 is (3) unit lecture only class. Also, if you need a natural science elective with a lab, A-002 fills that requirement.

In addition to a natural science elective, these courses are also worthwhile for science majors who plan to pursue a career in Physics, Astronomy, Astrophysics or Space Science.

BI 007 Biology of Mammals and BI 007L Biology of Mammals Lab

BI 007, Biology of Mammals, has been approved for use as a natural science general requirement by the UCs and Cal States.

Lecture and lab are two separate courses so if only lecture is required, the lab does not have to be taken. To take the lab, the lecture has to be currently or previously taken.

For science majors, It provides an additional biology course after completing BI 005 and BI 006.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Did You Know?

BI 005 Molecular & Cell Biology

and

BI 006 Biology of Organisms

are offered in the Fall and Spring

BI 005 & BI 006 are now articulated with UC Riverside as UCR's BIOL 5A, 5B & 5C if both BI 005 & BI 006 are taken at COD. BI 005 is not a prerequisite to BI 006; you may take them in any order.

COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

Did You Know?

Beginning in Fall 2023 CH-004 is becoming CH-007. Students who have already taken CH-004 will be allowed to register for BI-014, BI-015 and CH-005 and do not need to take CH-007.

Why major in Business Administration?

An Associate's degree in business administration prepares graduates to begin or advance their careers in the business world. It can also be a major step towards completing a bachelor's degree. Careers in Business Administration cover a wide range of interests including general management, hospitality management, accounting, marketing, office administration, retail sales, and entrepreneurship.

Why choose the Retail Management Certificate?

The Retail Management Certificate can be completed in as little as one year and will provide you with the valuable skills needed to start or advance your career in the exciting retail industry. Whether you are new to retail or already work in retail, the Retail Management Certificate can be the difference that gets you the position or promotion you are seeking. Plus, the program is designed to meet the needs of the retail industry and is endorsed by leading retailers across the nation, including partner companies of the Western Association of Food Chains and the Food Marketing Institute.

Why choose the Human Resource Generalist Certificate?

This certificate will provide you with a thorough grounding of up-to-date human resource practices at the technical, operational, and strategic management levels. Whether you have HR experience or just want to build your career, our Human Resource Generalist Certificate is designed to prepare you for success.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

Fully Online Course

(FULLONLN)

A Fully Online Course is delivered exclusively over the internet using Canvas. There are no class meetings on campus and all assignments and examinations are submitted online in an asynchronous manner. You must have ready access to a computer with Internet. Students enrolled in an online course should possess apt computer skills.

Proctored Online Course

(PROCONLN)

All assignments and examinations in a Proctored Online Course will be submitted online in an asynchronous manner, but you will be required to take tests at a proctoring facility. Your instructor will provide proctoring accommodations at COD. Off-site proctoring services could be available at the discretion of the instructor. Contact the individual instructor to learn more about their off-site proctoring policy. You must have ready access to a computer with Internet. Students enrolled in an online course should possess apt computer skills.

Hybrid Course

(HYBRID)

Hybrid Courses meet both on campus and online. A portion of the traditional face-to-face on campus meetings are replaced with online activities. The schedule of classes will indicate the times and dates of the meetings you are required to attend. Access to a computer with Internet access is required.

Web Enhanced Course

Web Enhanced Courses are traditional face-to-face classes that make routine use of the Canvas system. These courses hold all their meetings on campus. The instructor will post required course materials and/or activities online and may require assignments be turned in online. Access to a computer with Internet access is required.

Canvas

College of the Desert's online program utilizes the Canvas learning management system software. Online classes are offered over the Internet in a variety of discipline areas, as indicated under the specific course listings in the Schedule of Classes provided each semester. Online courses are as transferable as regularly scheduled classes, have the same prerequisites as traditional face-to-face courses, and uphold identical standards of academic quality.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via email, electronic bulletin boards, and chatrooms. Individual classes may have additional prerequisites as specified in their online syllabi.

DISABLED STUDENTS ' PROGRAMS & SERVICES (DSPS) 760 773-2534

DSPS at College of the Desert is committed to providing students with documented disabilities equal access to a community college education. Through the utilization of specialized instructional programs and disability related support services, DSPS encourages and fosters independence and assists students in attaining their educational and vocational goals.

DSPS course offerings will vary each semester. DSPS instructional support trainings and lab assistance are offered both virtually and in person through the High Tech Center. The High Tech Center provides students access to adaptive hardware and software to support their academic needs.

WorkAbility III is a jointly funded program between the State Department of Rehabilitation and California Community Colleges to assist students/clients with disabilities in job placement.

Adapted Kinesiology classes are offered during some terms for students with disabilities. Adapted courses can include: Tennis, Badminton, Golf, Yoga, Physical Activity (weight training and fitness), and Fitness Aquatics.

Tutoring and Academic Skills Center (TASC)

Tutoring and Academic Skills Center features online tutoring for all COD students. Please review website schedules for accurate live service hours at all TASC labs.

College of the Desert provides students with access to online tutoring services from Smarthinking. With Smarthinking, students can chat with a live tutor up to 24 hours a day from ANY internet connection.

Tutors are available to work with you in a wide range of subjects including writing (English, or for any course), math (basic math through Calculus II), accounting, statistics, finance, economics, biology, nursing and allied health, physics, chemistry, office applications, and Spanish. You can also submit completed drafts of your writing assignments from any course to Smarthinking's Writing Center for a tutor to review. The tutor will provide you with detailed, personalized feedback about your paper, typically within 24 hours.

BESP and ESYS

Choosing Building and Energy Systems Professional (BESP) as your major allows you to earn multiple certificates in the Energy, Construction and Utilities (ECU) sector. Careers in Air Conditioning-Refrigeration, Building Inspection, Construction Technology, Solar Technology, and many other ECU fields while building toward your AS degree. Contact Faculty Advisors Ramiro Galicia (760) 674-7833 or George Brown (760) 568-3238 to find out about this exciting field of study.

Fall classes are being held in person, synchronously via Canvas, or asynchronously.

Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

56 ENGL

The pEDGE program provides 2023 high school graduates (or equivalent) from the Coachella Valley with two full years of tuition and fees at College of the Desert!

Participating students must complete three required EDGE courses to prepare for college and college-level coursework. Students will enroll in the following three non-credit courses via self-service in order to be eligible for pEDGE: English EDGE (ENG-300), Math/Statistics EDGE (MATH-300 or SOC-300), and Student Development EDGE (COUN-300).

Students must also have a completed Financial Aid file, commit to full time enrollment, maintain good academic standing and participate in career preparation and community service. For more information, please contact the pEDGE office at (760) 636-7970 or edge@collegeofthedesert.edu

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

English As A Second Language Non-Credit (ESLN)

The English as a Second Language Non-Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory as needed.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Students may register in person for all ESLN classes. Registration is on an open entry, space available basis. Please call (760) 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios se determinará el nivel en que se le coloque. Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información llamar al (760) 776-7348.

** Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

Internationalize Your COD Experience!

College of the Desert students have the opportunity to earn transferrable units while living and learning overseas.

Opportunities include fall and spring semester-length programs and short winter and summer term options. A variety of subjects and destinations are possible, including countries like Japan, Spain, and the United Kingdom.

COD's International Education Program also offers students opportunities to become leaders and mentors for the college's international students. It's a great way to make new friends, develop leadership skills, and learn about other cultures.

For more information, contact the International Education Program at iep@collegeofthedesert.edu

**Ethnic Studies
new in Fall**

Ethnic Studies is the interdisciplinary study of race and racism utilizing intersectional, comparative, relational, and transnational approaches that focus on the histories, experiences, cultures, and struggles of historically minoritized ethno-racial groups in the United States.

The field focuses primarily on Indigenous/Native American studies, Black/African American studies, Latinx/Chicanx studies, and Asian American/Pacific Islander studies, while also engaging in analysis of other racialized ethnic groups in the U.S.

Ethnic Studies also investigates how race and ethnicity intersect with class, gender, ability, and sexuality in order to help students develop a critical understanding of the complex and intersecting historical struggles and movements for social transformation, resistance, and liberation in the U.S. and beyond.

G 010 : The Earth Sciences and G 001: Physical Geology

The Earth Sciences (G-010) is intended for students with a strong science background. This rigorous, fast-paced course is a survey of astronomy, meteorology, climatology, oceanography, and geology.

Physical Geology (G-001) serves as an introduction to the field for majors and those looking to fulfill their general education requirement. Subject matter for this course includes Earth materials and processes such as minerals, rocks, plate tectonics, earthquakes, and volcanoes.

The lecture and lab for both courses are designed to fulfill the natural science elective and have been accepted for transfer to the UC and CSU systems in addition to meeting the requirements of IGETC.

Due to the demanding course load of The Earth Sciences (G-010), the Physical Geology (G-001) may be a better option unless G-010 is required for certificate or degree completion.

GS 010

Introduction to Globalization

Students pursuing a degree in Global Studies will acquire a broad knowledge of the interdisciplinary field of global studies. Students will understand the impact of globalization on politics, culture, and economics. They will also assess key global issues, including but not limited to, the environment, human needs, human rights, population growth and migration, economic development, and global governance.

Golf Management

Interested in joining the eighty-four-billion-dollar golf industry? Take classes in the Golf Management Program at COD, where you can build the skills and knowledge necessary to become a golf professional running the day to day golf operation at one of the Coachella Valley golf courses.

Learn how to teach golf and give lessons that will improve the golf games of your own students, and work on the fundamentals of your golf swing. Find your niche in a wonderful career where your work will feel like play and receive hands on training from PGA Certified Professionals.

Golf management is the study of all aspects pertaining to the operation and the responsibilities of the golf professional in managing a public or private golf facility. Career paths chosen by students pursuing Associate of Arts Degree in Golf Management commonly include assistant golf professionals, head golf professionals, teaching professionals, as well as merchandising and membership sales at public and private facilities. Learn the foundations that will help you on your journey to becoming a PGA Professional.

**General Nutrition
HS-013
You Are

PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Malpractice insurance is \$10.00 per semester (maximum \$20.00 per year), payable at time of registration.

PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Malpractice insurance is \$10.00 per semester (maximum \$20.00 per year), payable at time of registration.

COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

New Physical Therapist Assistant program

Applications for the cohort starting in the Summer of 2024 will be opening during the Fall 2023 semester.

To learn more and apply, visit the program website: <https://www.collegeofthedesert.edu/.../physic.../default.php>.

For questions about the application process or the program, contact Dr. Matthew Wilson, Program Director at mawilson@collegeofthedesert.edu

Accreditation status as of 4/10/23: (For current accreditation status please visit the program website). Graduation from a physical therapist assistant education program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave., Suite 100, Alexandria, Virginia 22305-3085; phone; 703-706-3245; accreditation@apta.org is necessary for eligibility to sit for the licensure examination, which is required in all states.

College of the Desert is seeking accreditation of a new physical therapist assistant education program from CAPTE. On 12/01/22, the program submitted an Application for Candidacy, which is the formal application required in the pre-accreditation stage. Submission of this document does not assure that the program will be granted Candidate for Accreditation status. Achievement of Candidate for Accreditation status is required prior to implementation of the technical phase of the program; therefore, no students may be enrolled in technical courses until Candidate for Accreditation status has been achieved. Further, though achievement of Candidate for Accreditation status signifies satisfactory progress toward accreditation, it does not assure that the program will be granted accreditation.

Physics Program

PH 001 "Introductory Physics" is designed for Liberal Studies transfer majors (K-5 teachers), and also to satisfy the General Education requirement in the Physical Sciences area. The math prerequisite is MATH-054. PH 001 is offered every semester.

PH-003A, PH-003B, PH-003C "Engineering Physics" is a three semester calculus-based physics sequence for scientists and engineers, including those entering the computer fields. The Math prerequisite for PH 003A is MATH 001A, and for PH-003B the Math prerequisite is MATH-001B.

Fall classes are being held in person, synchronously via Canvas, or asynchronously.

Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

Real Estate Development

The Real Estate Development Certificate is designed to serve students seeking to enter or enhance their careers in the Real Estate profession. The courses in the certificate program provide the foundational knowledge for the profession of Real Estate as a developer, manager or investor. Career paths chosen by students pursuing undergraduate studies in real estate development include small business owners, residential real estate developers, commercial real estate developers, construction managers and members of the trades advancing either in a corporate or private pathway to management or entrepreneurship.

What Spanish Courses to Take

The following information will help you select the Spanish course you need to take according to your proficiency level.

Spanish as a Foreign Language Track

A student can take Spanish as a Foreign Language if he/she is a native speaker of English or another foreign language. If a student has never taken Spanish, he/she must be enrolled in SPAN 001-Elementary Spanish I (5 units). If a student has taken 1, 2, or more years of Spanish in high school or another institution, he/she may take the Spanish placement exam to determine his/her proficiency level. He/she may be placed in SPAN 002-Elementary Spanish II (5 units), SPAN 003-Intermediate Spanish I (4 units), or SPAN 004 - Intermediate Spanish II (4 units).

Spanish for Heritage Speakers Track

A student can be considered as a heritage speaker of Spanish if Spanish and English are spoken at home and/or Spanish is spoken very often. If a student can ask and answer questions orally in Spanish but he/she does not know how to read and write in Spanish, he/she must be enrolled in SPAN 021-Spanish for Heritage Speakers I (5 units). If a student can ask and answer questions orally in Spanish and have basic knowledge of how to read and write in Spanish, he/she must be enrolled in SPAN 022-Spanish for Heritage Speakers II (5 units).

PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Malpractice insurance is \$10.00 per semester (maximum \$20.00 per year), payable at time of registration.

English As A Second Language Non-Credit (ESLN)

The English as a Second Language Non-Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory as needed.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Students may register in person for all ESLN classes. Registration is on an open entry, space available basis. Please call (760) 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios se determinará el nivel en que se le coloque. Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información llamar al (760) 776-7348.

** Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

Adult Basic Education (ABE) and English As A Second Language (ESLN) Registration

Registration for returning ABE students will begin on 5/8/23.

Registration for new ABE students will begin on 5/17/23.

Registration for all ESLN courses will begin:

- Current ESLN students: 5/8/23
- New ESLN students: 5/17/23

Please visit the College of the Desert Admissions webpage and click on the Adult Basic Education Registration link or the English As A Second Language link for details.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

WebAdvisor or Self Service?

College of the Desert will be transitioning in Fall to a new way of finding your schedule of classes.

Both WebAdvisor and Self Service will be available for Fall registration.

Watch the COD website for more details.
