Short-Term/Open Entry Classes

Regularly scheduled classes meeting less than the full length of the term, or self-paced classes in which students may enroll at various times throughout the semester. Short-term start/end dates are printed below each short-term section in the Class Schedule. For last day to add, drop, and other course information, click on the Section Name and Title of the course you are choosing in WebAdvisor. On the next screen, Section Information will appear with details of important dates you may need, or telephone the Admissions Office at (760) 773-2516.

Printing your Class Schedule: From WebAdvisor select "My Class Schedule" from the Academic Profile section or "Registration Statement" from the Registration section. The Registration includes your academic program, classes added and dropped, and includes payments made, outstanding balance due.

Notice of Disclaimer

Every reasonable effort has been made to determine that everything stated in this schedule of classes is accurate. Because this publication must be prepared well in advance of the period of time it covers, changes in some programs inevitably will occur. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Desert Community College District of College of the Desert, and in addition, some courses or programs that are offered may have been canceled because of insufficient enrollment or because of elimination or reduction in programs or because of any other reason considered sufficient by the College Superintendent/President or designee.

Open enrollment policy: Unless specifically exempted by statute, every course, course section, or class which is to be reported for state apportionment, is open for enrollment, and participation by any person who has been admitted to the College and who meets the student success requirements.

Welcome Roadrunners!

We are so glad to have you join our family of students, faculty and staff here at College of the Desert. The 2023 spring semester promises to be one of learning, exploration, and flexibility for all students – those new to the campus and those who are returning.

We urge you to embrace your academic experience at College of the Desert. This is your path; you have created it and will soon step onto the campus or online to put your journey into motion. Our team is committed to joining you on your unique journey, from professors in the classroom to counselors and advisors who are waiting in the wings, ready to be a resource for you.

Numerous avenues of support are available to help you reach your goals, including academic assistance, scholarships and financial aid, Veterans and foster youth services and disabled students programs. We invest in these services because we know that our students need a balanced approach to academics.

College of the Desert also understands the need for a flexible approach to education. As our team worked to design the best class offerings for the 2022-23 academic year, we placed a high value on providing excellent classes at many various times at each of our campuses, with the option of attending online, in-person or a combination of both.

In addition to academics and support services, College of the Desert offers numerous extracurricular activities such as clubs, volunteering, performing arts and athletics. Participation in these additional offerings will enrich your college experience and provide a sense of connectedness.

We look forward to seeing you at College of the Desert and helping you create your tomorrow!

College of the Desert

is a two-year California State community college with an enrollment of approximately 10,600 students per semester. More than 150 Associate degrees and certificate programs are offered.

Students may attend classes in Palm Desert, or off-campus at our East Valley sites in Indio, Mecca or Coachella, at our West Valley locations - Palm Springs, and Desert Hot Springs, or through our “distance education” over the Internet.

The College first opened classes in 1962 and remains committed to providing high-quality education to students in academic transfer, vocational and occupational, and high school completion programs, as well as basic skills education. All students who are high school graduates, or 18 years of age or older and no longer enrolled in high school, are eligible to attend.

Located in the desert climate of the beautiful Coachella Valley, the Palm Desert Campus and East and West Valley locations offer enjoyable educational experiences in year-round sunshine amidst palm trees and warm breezes.

Please contact us if we may be of assistance in your planning.

Mission Statement

College of the Desert provides excellent educational programs in basic skills, career and technical education, certificate, transfer preparation, associate degrees, noncredit and distance education, which are continuously evaluated and improved.

Our programs and services contribute to the success, learning and achievement of our diverse students and the vitality of the Desert Community College District, surrounding areas and beyond.

Values

College of the Desert is a learning-centered institution that values:

Student Success: Student learning and growth are central to all we do.

Diversity & Inclusion: We embrace the diversity of our community and uphold the dignity and worth of the individual.

Integrity: We are open, honest and reliable.

Respect: We value the thoughts, words, and actions of our students, colleagues, and community.

Dedication: Our faculty, staff and administrators are responsible leaders who effectively implement programs in support of student learning and efficient college operations.

Professionalism: We are current in our areas of expertise and embody high standards of conduct.

Communication: We communicate with authenticity in pursuit of broad understanding, effective dialog, and inclusive decision-making.

Lifelong Learning: Learning is essential to living, for our students, faculty and staff.

REFUND POLICY

Refund deadlines vary for classes during each term. To qualify for a refund, a student must officially withdraw from the class by the refund deadline date on page 1.

Refunds, less a \$10.00 processing fee, will be processed automatically beginning March 6th and will either be mailed to the student's address on file with Admissions and Records, or returned as a credit to the credit card from which fees were originally paid. See refund policy in the course catalog for more information. Refunds of less than \$10 will not be processed and must be requested in person from the Bursar's Office.

REFUND DEADLINES

A community college district shall not refund any enrollment fee paid by a student for program changes made after the first two weeks of instruction for a primary term-length course, or after the 10 percent point of the length of the course for a short-term course, unless the program change is a result of action by the district to cancel or reschedule a class or to drop a student pursuant to subdivision (l) of section 55003 where the student fails to meet a prerequisite.

Enrollment, Health and Non-Resident Tuition Fees..... Refundable if dropped on or before February 6th.
 Student Representation Fee, Student ID Card Fee..... Refundable if student completely withdraws by February 6th.
 By 10% point of length of class, for short-term classes.

RETURNED CHECK SERVICE CHARGE

Checks returned for non-sufficient funds or "Stop Payments" will be charged a \$25.00 service fee. There will be a hold put on your records and your enrollment at College of the Desert, and your credit may be affected.

Enrollment Fee Deadline for Spring 2023

- Students are responsible for their tuition and fees. It is important for students to drop themselves by appropriate deadlines.
- Students registering on or after January 30th, must pay enrollment fees prior to the last day to drop a course. A financial hold will be placed on all student records that have an outstanding balance for the term that will prevent subsequent registration until paid.
- Drops for non-payment will not be processed once courses begin. Drops for non-payment will not be processed once the term begins.
- Students enrolled in courses they do not attend are responsible for enrollment fees and final grades if not dropped by applicable course deadline. If you have been awarded financial aid, you will not be dropped for non-payment.
- Petitions to drop past the deadline, or for refunds of courses not dropped by the deadline, will not be accepted if student fails to drop a course by the deadline.

Payment Plan Option

College of the Desert offers an optional payment plan to assist with the payment of enrollment fees. Please note there is a \$20 administrative processing fee per semester for this service. For more information on the payment plan, please go to collegeofthedesert.edu **Student Services, Bursar, Fees, Payments - Payment plan.**

Please note: Students are responsible for their class schedules and fee payments. Please check the accuracy of your class schedule by going to collegeofthedesert.edu. Go to WebAdvisor, then "Academic Profile", then "My Class Schedule".

The following terms are used throughout this Schedule of classes.

SECT/SYNONYM (in WebAdvisor) - SECTION NUMBER: Every class is identified by a 4-digit section number. This number is critical to correctly register in the section you have selected.

COURSE - COURSE CODE: The course code identifies the department and course level.

TITLE - COURSE TITLE: The course title is the descriptive name of the course.

U - UNITS: This is the number of credit units that will be earned by successfully completing the course.

SHORT-TERM CLASSES - Short-term classes are noted throughout the schedule with starting (First Meeting:) and ending dates (Last Meeting:) listed under the class title in bold print. Registration deadline dates for these classes will differ from the published deadlines for full-term classes.

CROSS-LISTED or EQUIVALENT SECTIONS - One or more like courses scheduled at the same time. Enrollments of all cross-listed courses are considered by the registration system, possibly showing "course is filled" when it seems there are available seats.

TBA TIME - If hours are shown as 2.3 HOURS TBA, then 2 hours and 5 minutes weekly are required (usually lab) and are TO BE ARRANGED by the student during the time the appropriate lab facility is open.

Days -	Meeting Days:
M	MONDAY
MW	MONDAY & WEDNESDAY
T	TUESDAY
TR	TUESDAY & THURSDAY
W	WEDNESDAY
R or Th	THURSDAY
F	FRIDAY
S	SATURDAY
SU	SUNDAY
MTWR	MONDAY through THURSDAY
MTWRF	MONDAY through FRIDAY

CLASS MEETINGS - It is important that students attend the first class meeting, whether or not it is designated as a lecture or a lab, of each course in which they are enrolled.

CLASS SECTIONS IN BOLD PRINT - Evening classes beginning at 4:00 p.m. are indicated in bold print.

IGETC courses in this schedule are printed in color, and the IGETC requirement satisfied by each course is listed along with each course prerequisite.

The symbol (▶) in front of a section number (▶2315) denotes an off-campus class.

DEPARTMENT OF PUBLIC SAFETY 760 341-2111 or EXT 2111

24 Hour Service located in South Annex 16 (south west corner of the COD campus, near the McCallum Theater).

Public Safety officers are on duty 24 hours a day, 7 days a week. If you need assistance or wish to report a crime, please call the Public Safety number. On campus call 2111, off campus or on a cell phone, call 760 341-2111. The office is located in the South Annex, room 16. If the office is locked, you may contact the on duty Public Safety Officer via phone or by using the call box next to the office door. If you press the call button, it will call the on duty officer via their cell phone.

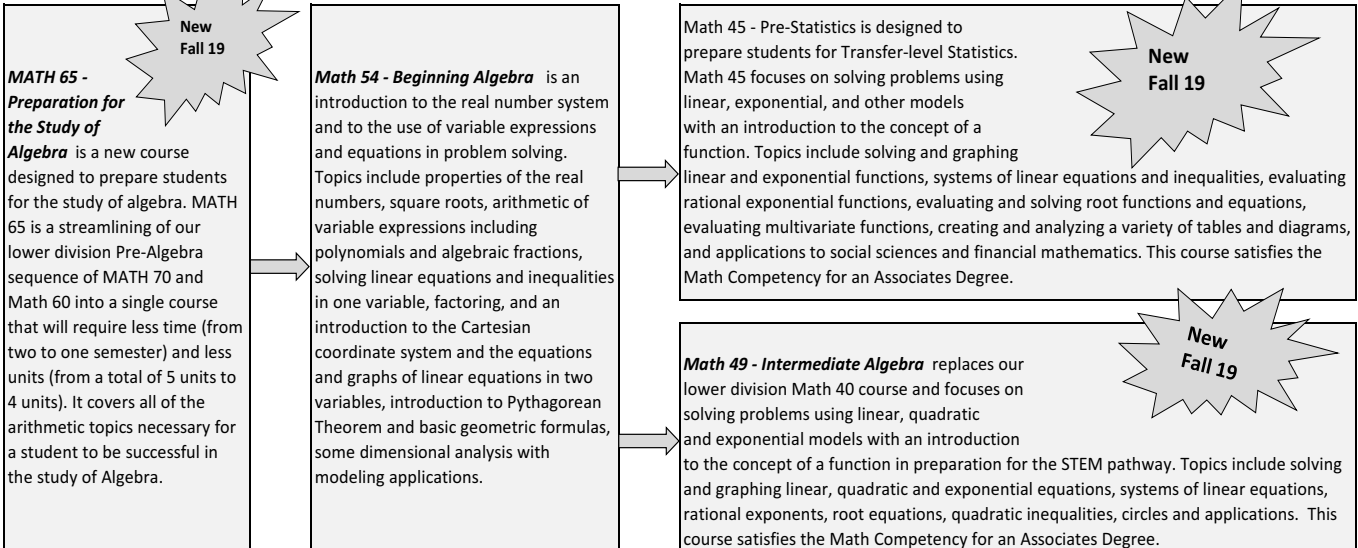

If an emergency exists that is severe or life threatening, call (911), then the Department of Public Safety. If you have questions about the Department, stop in the office and your questions can be answered.

Assembly Bill (AB) 705

The State of California has enacted a new law affecting community college students. Assembly Bill 705 requires colleges to maximize the probability that students will complete transfer-level English and math within one year. The assessment test for English and math will no longer be administered and all students can now directly enroll in transfer-level English and math courses.

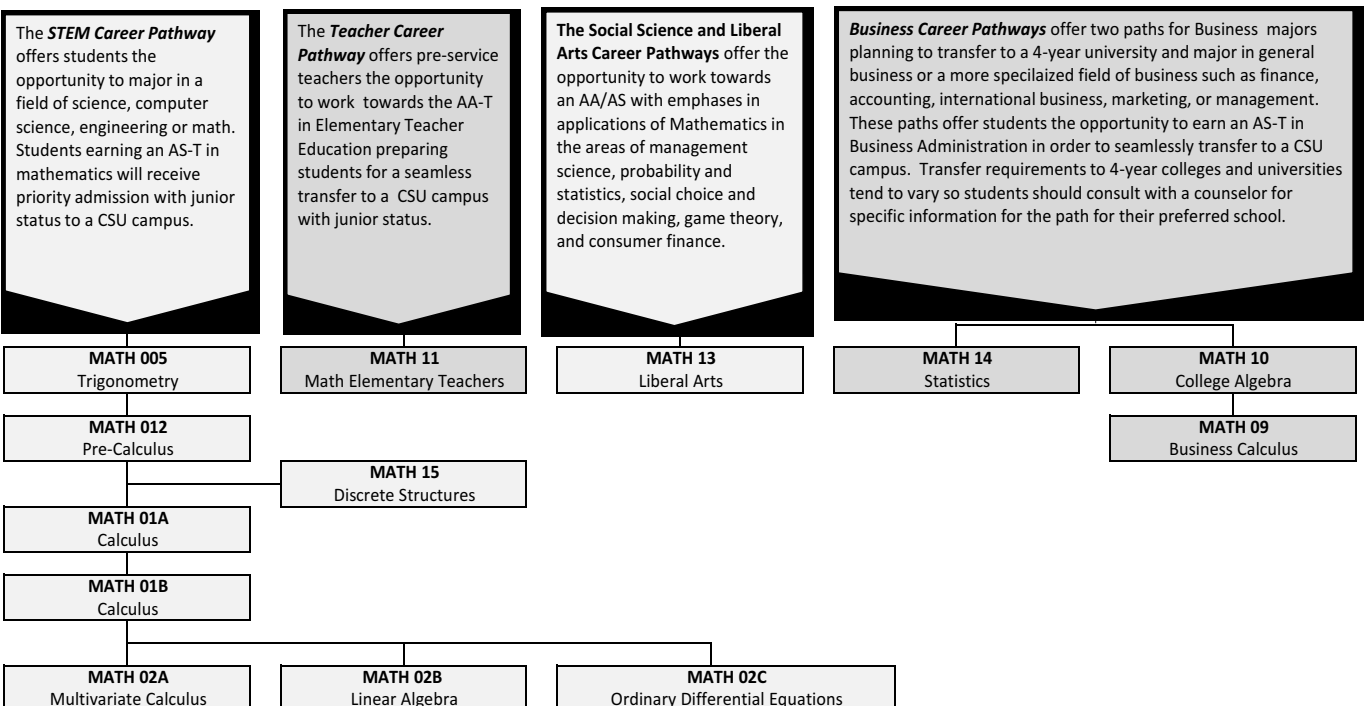

We recommend that you speak with a counselor before registration. Counselors can provide a multiple measures review of your preparation for transfer-level work. Counselors can also inform you about the particular courses that are required to meet your goal. Below is a description of the math courses and math sequences offered at College of the Desert.

Course Sequence for the Preparation of Transfer-level Math

Transfer-level Math for the Pathways

We recommend that you speak with a counselor before registering in a transfer-level math course. Counselors can provide a multiple measures review of your preparation for transfer-level work. Counselors can also inform you about the particular courses that are required to meet your goal. Below is a description of math courses

1. **Full-term** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class in the same room as the regularly scheduled class location.

2. **Short-term** classes meet as regularly scheduled during final exam week. The final exam is held at the last class meeting.

3. **Off-Site day and night** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class.

4. **West Valley Off-Site** classes meet only once during final exam week, at the first regularly scheduled class starting time, for a two-hour exam.

5. **Saturday classes** meet as regularly scheduled during final exam week. The final exam is given during the last class meeting on May 20.

6. **Nursing/Health Sciences** exams are scheduled by the Health Sciences.

7. All students are expected to complete a final examination for all their registered courses as assigned by their instructor. All examinations will, so far as practicable, be conducted in writing and a maximum time will be assigned before each examination. Students are required to take the final examination at the appointed time and place. Students who are in need of special accommodations should arrange this with their instructor well in advance of taking the final exam.

Students who miss a final exam due to unforeseen circumstances, such as a sudden illness, should provide documented evidence to the instructor if the student is seeking a make-up exam. Any challenge or exception to this policy must be approved by the Vice President, Student Services or the Vice President's designated representative.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

The pLEDGE program provides 2022 high school graduates (or equivalent) from the Coachella Valley with free tuition and fees at College of the Desert!

Participating students must complete the EDGE program over Winter Intersession. Students interested in taking EDGE courses will enroll in MATH-300 or SOC-300, COUN-300, and ENGLISH-300 via their self-service student portal.

pLEDGE students must also have a completed Financial Aid file, commit to full time enrollment while maintaining good academic standing, participate in career preparation workshops, and complete community service.

For more information, please contact the pLEDGE office at (760) 636-7970 or edge@collegeofthedesert.edu

INTERSESSION 23

Interession Start and End Dates

All Interession classes begin Wednesday, January 4 and end Wednesday, January 25 unless otherwise noted. Students will complete 1/15 of the course each day, making attendance at all meetings essential for success.

Classes during the Winter Interession will be offered face to face, online, either fully online, asynchronously, or with meetings via Canvas ZOOM, synchronously. Synchronous meetings occur at the same time and day as designated in this class schedule.

Be sure to check the start and end date, and drop deadlines that apply to each class you select.

BEEPS

During Winter Interession, there will be no dining services available on campus.

Watch for the opening of BEEPS on January 30th for the Spring term.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

What Is Work Experience?

A course that allows students to apply their education to the real world. Students create and accomplish three measurable learning objectives that are new and/or expanded responsibilities at their workplace. This ultimately empowers students to become better employees, work on new projects, add to their resume, and enhance their job skills. All students who currently work, volunteer, intern, or that have a student worker or federal work study position are eligible. Units earned are transferrable to the CSU system and the class fits easily into the student's work and school schedule. Students may enroll in General Work Experience or an Occupational course.

General Work Experience (WEG – 095A)

Students may enroll in **General Work Experience (WEG – 095A)** if the student's current position **does not** relate to their occupational/educational goal. Students can earn **1 - 6 units** of General Work Experience per semester (if hour requirement is met, see below). All General sections will be listed under Work Experience.

Occupational Work Experience (XXX – 095A)

Students may enroll in an Occupational course if their current position **does** relate to their educational/occupational goal. Occupational courses vary depending on students major and are listed under the corresponding academic program as **(XXX – 095A)**, i.e. CIS-095A, BUMA-095A, FIRE-095A, etc. Students may earn 1-8 units in any occupational work experience course (if hour requirement is met, see below). Additional occupational courses may be available if not listed on WebAdvisor.

Note to Students: Use the chart below to help you pre-determine up to how many units you may qualify to earn based on the number of hours you will complete. You must **manually** enter the number of units via WebAdvisor if you are enrolling in more than one (1) unit (see image on next page). There are no exceptions to the minimum hour requirements for paid or unpaid positions.

(75 hours per unit required if the position is paid or 60 hours per unit if unpaid)

Available Sessions:

16 Week Session (full semester) January 30 - May 26, 2023

12 Week Session (late starting) February 27 - May 26, 2023

How to Get Started in a Work Experience Class:

1. Student must have a job, internship, volunteer, student worker, or federal work study position to enroll.
2. Determine the number of units to enroll in (based on the hours you work, see chart on previous page).
3. Determine which course you will be enrolling in: General or an Occupational course (see description on previous page). If you need further assistance, contact the Work Experience Office before enrolling.
4. Enroll via WebAdvisor:

Note: WebAdvisor defaults to one (1) unit. If you are enrolling in more than one unit, you must **manually** change the number of units using the guide below.
5. Check CANVAS by the first day of class to complete required forms and get started on the course.

Accounting

The Bureau of Labor Statistics projects that 166,700 new accounting and auditing jobs will open up by 2022. This means the demand for well-educated accounting professionals will increase over 13 percent between now and then. Organizations large to small, domestic or global require financial guidance from professionals with accounting knowledge who can prepare, analyze, verify, and communicate financial information.

Most students don't realize the variety of accounting jobs the profession has to offer. Whereas, Forensic Accountants merge accounting with investigative legal work, Public Accountants are tasked with accounting, auditing, taxes, and consulting. Management Accountants work with decision makers within a company, and Non-Profit/Government Accountants are employed by various public agencies.

At College of the Desert students interested in pursuing a career in accounting can earn either a Certificate of Achievement in Accounting, an A.S. degree in accounting for employment preparation, or both, providing students with the skills necessary for employment or advancement in the accounting profession.

Additionally, students can earn a Bachelor's Degree without ever leaving the desert! Just complete the transfer AA Business Degree at COD and then finish the upper division accounting program at the Palm Desert campus of CSUSB.

Certificate Programs

Several certificate programs, as well as degree programs, are offered by the School of Applied Sciences and Business. Students are encouraged to meet with a member of the School's faculty to discuss certificate and/or degree programs prior to registration. It is also helpful for students to review available programs listed in the current College of the Desert Catalog.

Entomology AGPS-002

Choose Entomology to fulfill your IGETC General Education Life Science (with lab) requirement.

Learn about the fascinating world of insects and make a teaching collection of your own! Great for teachers, naturalists, docents, and students interested in natural history - and counts toward the Desert Naturalist Certificate and fulfills IGETC requirements for both UC and CSU. Offered in Spring semester only. Instructor K. Leuschner.

AIR CONDITIONING HVAC

The Air Conditioning/HVAC program is a well established curriculum and has long served the desert community by providing highly trained individuals to work in various businesses throughout the Coachella Valley. The program offers a Certificate and Associate of Science degree for employment preparation that is designed to provide a wide range of courses in order to best serve student needs. In addition, required courses listed in this schedule are derived from the collaboration and dedicated efforts of members of a Technical Advisory Committee and other individuals' experiences in the specific occupational areas.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

ACR - ANTH 31

Anthropology

Are you interested in biology AND humans?

Check out ANTH-001!

Have you ever wondered why we humans are the way we are? Want to learn more about human origins and evolution? Learn about your fellow primates including monkeys and apes. Curious about how humans walk on two feet and about human nutrition?

Do you want to fulfill your science GE requirement, not requiring a lab? Take a look at this interesting class.

Anthropology of Religion, Magic, Witchcraft, and Healing

Check out ANTH-007!

This course is an exciting and fascinating introduction to the anthropological study of religion, and examines the way religion is lived and practiced in diverse cultures, and the role of religious beliefs in human experiences of health and healing.

Why are people religious? What roles do religion and religious beliefs play in health and wellness?

ACT - ARCH 33

Applied Construction Technology

Students completing the certificate or degree requirements for the Applied Construction Technology curriculum will gain proficiency in basic residential construction techniques in conformance with the most current building codes.

Competencies are assessed regularly by student performance in both the classroom and hands-on in the construction technology laboratory.

Architecture Environmental Design Programs

Architecture/Environmental Design programs have a common objective - to help prepare students to understand issues related to the betterment of the human physical environment. This format is accomplished by interrelated courses in Architecture, Building Inspection Technology, Construction Management, Landscape Design, and Drafting/CAD. These courses and programs endeavor to give students a technical background, a set of social values, and a range of occupational skills, which result in creative expression.

Should I take an Astronomy class? And if so, which one?

Have you ever wondered why and how the planets orbit around the sun? Have you thought about black holes and time travel? If so, then Descriptive Astronomy, A-001 or A-002 will give you an opportunity to learn the answers to all these questions, plus learn how COD's state of the art, remotely operated 1-meter telescope at the Mary Reagan Observatory works.

Both A-001 and A-002 fulfill the natural science elective and will transfer to the UCs and Cal States. The only difference is A-002 is a (4) unit class that includes a laboratory component, while A-001 is a (3) unit lecture only class. Also, if you need a natural science elective with a lab, A-002 fills that requirement.

In addition to a natural science elective, these courses are also worthwhile for science majors who plan to pursue a career in Physics, Astronomy, Astrophysics or Space Science.

Introduction to Auto Technology AUTO-010

For those interested in pursuing a certificate or degree in Automotive or Advanced Transportation: this is the first course you need. (CSU transferable as elective).

Automotive Electronics and Electrical Systems AUTO-011B

This course focuses on the foundational automotive electrical components and systems including: batteries, starting systems and charging systems with an emphasis on troubleshooting, diagnosis and repair of common electrical system malfunctions.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

BI 007: Biology of Mammals and

BI 007L: Biology of Mammals, Lab

The characteristics of mammals is briefly covered in Biology (BI 004) and Biology of Organisms (BI 006). Biology of Mammals (BI 007) covers all the major orders of mammals in depth, as well as their anatomy and physiology, ecology, evolution, distribution, domestication, and conservation.

The lecture and lab are designed to fulfill the natural science elective (same as BI 004) and have been accepted for transfer to the UCs and Cal States. This is the only biology course offered in the science department in which the lecture and lab are two separate courses, so that if students need only one or the other, they can be accommodated.

In addition to a natural science elective, these courses can also be taken by science majors who have fulfilled their biology requirements (BI 005 and BI 006) and want to take more biology while waiting to fulfill the rest of their science requirements (chemistry, math, physics, etc.).

Biology Facts

- BI-005 & BI-006 are articulated with UC Riverside as UCR's BIOL 5A, 5B and 5C, if both BI-005 and BI-006 are taken at COD.
- BI-005 is not a prerequisite to BI-006; you may take them in any order.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Why major in Business Administration?

An Associate's degree in business administration prepares graduates to begin or advance their careers in the business world. It can also be a major step towards completing a bachelor's degree. Careers in Business Administration cover a wide range of interests including general management, hospitality management, accounting, marketing, office administration, retail sales, and entrepreneurship.

Why choose the Retail Management Certificate?

The Retail Management Certificate can be completed in as little as one year and will provide you with the valuable skills needed to start or advance your career in the exciting retail industry. Whether you are new to retail or already work in retail, the Retail Management Certificate can be the difference that gets you the position or promotion you are seeking. Plus, the program is designed to meet the needs of the retail industry and is endorsed by leading retailers across the nation, including partner companies of the Western Association of Food Chains and the Food Marketing Institute.

Why choose the Human Resource Generalist Certificate?

This certificate will provide you with a thorough grounding of up-to-date human resource practices at the technical, operational, and strategic management levels. Whether you have HR experience or just want to build your career, our Human Resource Generalist Certificate is designed to prepare you for success.

Canvas

College of the Desert's online program utilizes the Canvas learning management system software. Online classes are offered over the Internet in a variety of discipline areas, as indicated under the specific course listings in the Schedule of Classes provided each semester. Online courses are as transferable as regularly scheduled classes, have the same prerequisites as traditional face-to-face courses, and uphold identical standards of academic quality.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via email, electronic bulletin boards, and chatrooms. Individual classes may have additional prerequisites as specified in their online syllabi.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Canvas

College of the Desert's online program utilizes the Canvas learning management system software. Online classes are offered over the Internet in a variety of discipline areas, as indicated under the specific course listings in the Schedule of Classes provided each semester. Online courses are as transferable as regularly scheduled classes, have the same prerequisites as traditional face-to-face courses, and uphold identical standards of academic quality.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via email, electronic bulletin boards, and chatrooms. Individual classes may have additional prerequisites as specified in their online syllabi.

Intercultural Communication COMM 017

COMM 017 focuses on the communication behaviors and values common to all cultures, and on the differences that insulate and divide people of one culture from others. This course leads to a better understanding of traditions, increased appreciation of behavioral variations, and an awareness of more effective methods of communication. Offered in Spring as fully online.

Advisory: ENG-001A
IGETC: 1C

Spring classes are being held in person, synchronously via Canvas ZOOM, asynchronously or a hybrid combination.

Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

See page 11 for a complete definition of each modality offered this Spring.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center provides in-person and online tutoring for all COD students. Please review website schedules for accurate live service hours at all TASC labs.

College of the Desert provides students with access to after hours online tutoring services with Smarthinking. With Smarthinking, students can chat with a live tutor up to 24 hours a day from ANY internet connection.

Local TASC tutors are available to work with you in a wide range of subjects including writing (English, or for any course), math (basic math through Calculus II), accounting, statistics, finance, economics, biology, nursing and allied health, physics, chemistry, office applications, and Spanish. You can also submit completed drafts of your writing assignments from any course to Smarthinking's Writing Center for a tutor to review. The tutor will provide you with detailed, personalized feedback about your paper, typically within 24 hours. Students can access virtual services online through the Canvas main menu, or visit a local TASC lab. See website for specific site schedules.

COD Is A Smoke Free Campus

College of the Desert and all of its campuses are now smoke and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

DDP 113 examines the history, theory and mechanisms through which content creators, designers, artists, photographers and other socially-conscious activists put their professional skills in service to an idea of social justice. In this course, instead of selling shoes, students will explore design as a catalyst for social change with a focus on marrying design to activism, and examine established methodologies for developing and fostering a successful call to action. Through lectures, in-class activities, and critiques, students learn the role design and designers play in social activism, as well as strategies for research, ideation, prototyping, and testing design solutions. This course is open to all levels, though a very basic familiarity with Adobe CC (or equivalent software) is useful.

**DISABLED STUDENTS
PROGRAMS & SERVICES
(DSPS) 760 773-2534**

DSPS at College of the Desert is committed to providing students with documented disabilities equal access to a community college education. Through the utilization of specialized instructional programs and disability related support services, DSPS encourages and fosters independence and assists students in attaining their educational and vocational goals.

DSPS course offerings will vary each semester. DSPS instructional support trainings are offered through the High Tech Center. The High Tech Center provides students access to adaptive hardware and software to support their academic needs.

WorkAbility III is a jointly funded program between the State Department of Rehabilitation and California Community Colleges to assist students/clients with disabilities in job placement.

Adapted Kinesiology classes are offered during some terms for students with disabilities. Adapted courses can include: Tennis, Badminton, Golf, Yoga, Physical Activity (weight training and fitness), and Fitness Aquatics.

Emergency Medical Technician

An Emergency Medical Technician (EMT) is an emergency responder trained to provide emergency medical care to the critically ill and injured. Depending on where they work, EMTs may be solely responsible for the treatment and transportation of their patients.

EMT 084 provides students with the medical knowledge and skills to become an EMT. Competencies are assessed regularly by student performance in the classroom, in the hands on skills lab and during the clinical and field internship.

Students successfully completing the course will be eligible to take the National Registry Emergency Medical Technician exam and become a nationally certified EMT.

This course meets the EMT prerequisite for the Basic Firefighter Academy.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

English As A Second Language Credit (ESL)

Communicate with confidence and sophistication when writing or speaking. The credit ESL program offers classes in pronunciation, reading, writing, and grammar.

- **ESL 53** enables non native speakers of English to gain confidence and pronunciation accuracy in speaking. Students will practice and develop their overall English listening and speaking proficiency and focus on specific areas of pronunciation difficulty in leading group discussions and giving speeches in college and the workplace.
- **ESL 70/70A** teaches non native English speaking students academic reading and writing skills in preparation for transfer and associate-degree classes by focusing on basic essay structure, beginning research skills, and critical reading strategies with integrated practice and reinforcement in writing and reading.
- **ESL 71/71A** teaches non native English speaking students writing and reading academic texts in preparation for transfer and associate-degree classes.

English As A Second Language Credit (ESL)

The English as a Second Language Credit Program maintains the same high standards and content level as the English curriculum in the School of Communication and Humanities. All of the ESL instructors are specially trained to teach English as a Second Language. Students are advised to take the assessment test for proper advising and placement.

Students new to the ESL Credit Program should not attempt to select or register in courses without the assistance of a program faculty or counselor.

Adult Basic Education (ABE) and English as a Second Language (ESLN) Registration

Registration for returning ABE or ESLN students will begin: 12/02/22

Registration for new ABE or ESLN students will begin: 12/13/22

Please visit the College of the Desert Admissions webpage and click on the ESLN and ABE Registration link for details.

**English As A
Second Language
Non-Credit (ESLN)**

The English as a Second Language Non Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Registration is on an open entry, space available basis. Please call 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios determinarán el nivel en que se le coloque.

Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información, llamar al 776-7348.

**Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

Introduction to Film FILM-001

See some of the best movies ever made, and discuss the art and craft of filmmaking. Learn new ways to appreciate and enjoy one of the world's most popular forms of artistic entertainment.

FILM-001 will be taught in person, and asynchronously online in 16 week, 12 week and 8 week sessions.

Certificate of Achievement of Basic Film Production and the new Associates Degree in Film Production

Film Program students may choose elective courses from Music, Digital Design Production, Mass Communications, Journalism, Art and Business that allow them to apply their Film Production skills in areas such as marketing and small business (BUMA 027 and 028), video journalism (J 003A), mass media (MC 001) and art (ART 031), and to study more specialized areas of Film Production, including sound editing/mixing (MUS 078A) and video effects (DDP 121). These classes and others satisfy elective requirements of these new programs.

76 FILM - FIRE

Film Program students, did you know?

Digital Design Production and Theatre Arts offer Film Program students required courses for advanced Film Production study. In DDP-120 Video Post Production, film students build on the film editing skills learned in RTV-010A/FILM-002A Film Production I, and RTV-011A/FILM-002B Film Production II, using Adobe Premiere to explore the synthesis of video, audio, graphics, photography and animation to complete the film storytelling process by composing compellingly edited movie stories. TA-010 Introduction to Design & Production introduces Film students to the theory and practice of production design, providing them with the tools and processes needed to create a film's visual style to express the story's mood, tone and meaning. DDP-120 and TA-010 satisfy requirements of the new Associates Degree in Film Production.

COD's Film Program offers certificates and degrees designed to prepare you to work in film and video production or use your skills in other industries. Courses include Screenwriting, Film Production I, II and III, Cinematography, and Acting for the Camera.

Fire Technology

College of the Desert offers courses in the Fire Technology field that will count toward a certificate or Associate in Science Degree. These courses are designed for students that plan to transfer to a four-year institution, gain employment in the Fire Technology field or as a refresher for those currently employed in some area of Fire Technology. The approved list of courses include those accredited by the California Fire Service Training and Educational System for State Board of Fire Technology certification.

Basic Firefighter Academy BFFA 063B

BFFA-063B (Basic Firefighter Academy Part 2) is the second required course of a sequential two semester accredited SFM Basic Firefighter Academy designed to provide fire cadets with a basic knowledge of fire service operations and the entry level skills required by most fire departments.

Successful completion of both BFFA 63A and BFFA 63B are required to meet the minimum requirements as mandated by the California State Fire Marshal.

See course catalog for full course description.

Additional information may be obtained by contacting the Fire Academy Coordinator at (760) 458-8147.

G 010 : The Earth Sciences and G 001: Physical Geology

The Earth Sciences (G-010) is intended for students with a strong science background. This rigorous, fast-paced course is a survey of astronomy, meteorology, climatology, oceanography, and geology.

Physical Geology (G-001) serves as an introduction to the field for majors and those looking to fulfill their general education requirement. Subject matter for this course includes Earth materials and processes such as minerals, rocks, plate tectonics, earthquakes, and volcanoes.

The lecture and lab for both courses are designed to fulfill the natural science elective and have been accepted for transfer to the UC and CSU systems in addition to meeting the requirements of IGETC.

Due to the demanding course load of The Earth Sciences (G-010), the Physical Geology (G-001) may be a better option unless G-010 is required for certificate or degree completion.

Global Studies GS-011 Global Issues

GS-011 is one of two core courses for the new Interdisciplinary Global Studies AA-T degree! It also fulfills GE requirements for CSU & UC.

Approach the study of transnational issues, such as economic development, human rights and environmental problems. Offered as Hyflex.

Golf Management

Interested in joining the eighty-four-billion-dollar golf industry? Take classes in the Golf Management Program at COD, where you can build the skills and knowledge necessary to become a golf professional running the day to day golf operation at one of the Coachella Valley golf courses.

Learn how to teach golf and give lessons that will improve the golf games of your own students, and work on the fundamentals of your golf swing. Find your niche in a wonderful career where your work will feel like play and receive hands on training from PGA Certified Professionals.

Golf management is the study of all aspects pertaining to the operation and the responsibilities of the golf professional in managing a public or private golf facility. Career paths chosen by students pursuing Associate of Arts Degree in Golf Management commonly include assistant golf professionals, head golf professionals, teaching professionals, as well as merchandising and membership sales at public and private facilities. Learn the foundations that will help you on your journey to becoming a PGA Professional.

General Nutrition

HS-013

General Nutrition is a study of the chemical composition of foods and how the body utilizes those foods. How does good nutrition and diet relate to physical and mental health? These are just some of the topics covered. Students learn valuable consumer information, including how to read food labels and use the USDA Food Guide. Students will explore personal lifestyle habits and evaluate how closely they meet the newest Dietary Guidelines for Americans.

General Nutrition is a class you can't live healthy without taking.

Offered in person in Palm Desert and Indio and asynchronously online.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Chaparral Newspaper J-004A, B & C

Join The Chaparral news team! Working for College of the Desert's student newspaper is an invaluable experience if you are looking to build a professional portfolio.

Students enrolled in J-004A, J-004B, or J-004C report, write and publish a print and online newspaper involving multimedia reporting, photojournalism, digital design, social media and advertising. Staff can also contribute to daily news updates on COD Roadrunner Radio. Students enrolled cover a variety of local and campus events from elections to protests, sports, musicals and even concerts. Working at The Chaparral is an excellent opportunity to make career connections and new friends. Former staff members have written for The Desert Sun, Palm Springs Life and KESQ News Channel 3.

The Chaparral has been the student voice of College of the Desert since 1962. You can visit the online newspaper at www.thechaparral.net.

Kinesiology

Kinesiology is the scientific study of human movement, including anatomy and physiology, exercise science, pedagogy, pre-physical therapy, health and fitness.

Kinesiology Requirements

Two units from Kinesiology (KINE), Recreation (RE), or Varsity (VSM, VSW) are required to earn a degree from College of the Desert.

Note: If KINE-010 is used to fulfill COD General Education Area C2 or C5, it may not be used to fulfill this requirement.

Move to Smoke Free Campuses

College of the Desert and all of its campuses are now smoke and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

Physical Therapy
Assistant program
starting in Summer
2023**

Apply now for College of the Desert's first-ever summer 2023 cohort for the Physical Therapist Assistant Program, which will prepare students for a career working in Physical Therapy.

To learn more and apply, visit the program website:

https://www.collegeofthedesert.edu/_/physic.../default.php

For questions about the application process or the program, contact Matthew Wilson, Program Director at mawilson@collegeofthedesert.edu

Accreditation:
Graduation from a physical therapist assistant education program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave., Suite 100, Alexandria, Virginia 22305-3085; phone: 703.706.3245; accreditation@apta.org is necessary for eligibility to sit for the licensure examination, which is required in all states.

College of the Desert is seeking accreditation of a new physical therapist assistant education program from CAPTE. The program is planning to submit an Application for Candidacy, which is the formal application required in the pre-accreditation stage, on 12/01/2022. Submission of this document does not assure that the program will be granted Candidate for Accreditation status. Achievement of Candidate for Accreditation status is required prior to implementation of the technical phase of the program; therefore, no students may be enrolled in technical courses until Candidate for Accreditation status has been achieved. Further, though achievement of Candidate for Accreditation status signifies satisfactory progress toward accreditation, it does not assure that the program will be granted accreditation.

Interested in Music?

Did you know College of the Desert offers a variety of music courses for all interests?

Have you ever wanted to learn how to play piano (MUS-021A), or Jazz/Rock Guitar (MUS-050A) or join a Symphonic Band (MUS-033)? If so, enroll this Spring.

Singers are offered the choice of Voice (MUS-022A or MUS-023A), Jazz Ensembles (MUS-028) or Chamber Singers (MUS-031).

See details in this class schedule for times and days.

College of the Desert
presents:
Man of La Mancha

by Dale Wasserman
Music by Mitch Leigh
Lyrics by Joe Darion

Inspired by Miguel de Cervantes' seventeenth-century masterpiece Don Quixote, *MAN OF LA MANCHA* is one of the most successful musicals in Broadway history. Powerful, brutal, hilarious, and heartbreaking, *MAN OF LA MANCHA* celebrates the perseverance of a dying old man who refuses to relinquish his ideals or his passion.

Performances at the
McCallum Theater in
Palm Desert
May 5, 6, 7, 2023.

IGETC courses in this schedule of classes are printed in color, and the IGETC requirement satisfied by each course is listed along with course prerequisites.

PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences who are in a clinical program are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons, such as drug/alcohol abuse, inappropriate social or emotional behavior or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Malpractice insurance is \$10.00 per semester (maximum \$20.00 per year), payable at time of registration.

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center provides in-person and online tutoring for all COD students. Please review website schedules for accurate live service hours at all TASC labs.

College of the Desert provides students with access to after hours online tutoring services with Smarthinking. With Smarthinking, students can chat with a live tutor up to 24 hours a day from ANY internet connection.

Local TASC tutors are available to work with you in a wide range of subjects including writing (English, or for any course), math (basic math through Calculus II), accounting, statistics, finance, economics, biology, nursing and allied health, physics, chemistry, office applications, and Spanish. You can also submit completed drafts of your writing assignments from any course to Smarthinking's Writing Center for a tutor to review. The tutor will provide you with detailed, personalized feedback about your paper, typically within 24 hours. Students can access virtual services online through the Canvas main menu, or visit a local TASC lab. See website for specific site schedules.

Go to this web site to sign up!

100 PHIL- PHYS

Physics Program

PH 001 "Introductory Physics" is designed for Liberal Studies transfer majors (K-5 teachers), and also to satisfy the General Education requirement in the Physical Sciences area. The math prerequisite is MATH-054. PH 001 is offered every semester.

PH-003A, PH-003B, PH-003C "Engineering Physics" is a three semester calculus-based physics sequence for scientists and engineers, including those entering the computer fields. The Math prerequisite for PH 003A is MATH 001A, and for PH-003B the Math prerequisite is MATH-001B.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

What Spanish Courses to Take

The following information will help you select the Spanish course you need to take according to your proficiency level.

Spanish as a Foreign Language Track

A student can take Spanish as a Foreign Language if he/she is a native speaker of English or another foreign language. If a student has never taken Spanish, he/she must be enrolled in SPAN 001-Elementary Spanish I (5 units). If a student has taken 1, 2, or more years of Spanish in high school or another institution, he/she may take the Spanish placement exam to determine his/her proficiency level. He/she may be placed in SPAN 002-Elementary Spanish II (5 units),

Spanish for Heritage Speakers Track

A student can be considered as a heritage speaker of Spanish if Spanish and English are spoken at home and/or Spanish is spoken very often. If a student can ask and answer questions orally in Spanish but he/she does not know how to read and write in Spanish, he/she must be enrolled in SPAN 021-Spanish for Heritage Speakers I (5 units). If a student can ask and answer questions orally in Spanish and have basic knowledge of how to read and write in Spanish, he/she must be enrolled in SPAN 022-Spanish for Heritage Speakers II (5 units).

Spanish Placement Test

To ensure the correct placement in a Spanish course, students can self-enroll in the Spanish Placement Test on CANVAS on Nov. 18, 12:00 pm-1:00 pm & 6:00-7:00 pm, Dec. 5, 12:00 pm-1:00 pm & 4:00-5:00 pm, Dec. 16, 12:00 pm-1:00 pm & 4:00-5:00 pm, Jan. 27, 10:00 am-12:00 pm & 5:00 - 7:00 pm, Jan. 30, 5:00 - 7:00 pm, Feb. 1st, 5:00 - 7:00 pm, Feb. 3, 12:00 pm-1:00 pm. PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences who are in a clinical program are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons, such as drug/alcohol abuse, inappropriate social or emotional behavior or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice. Malpractice insurance is \$10.00 per semester (maximum \$20.00 per year), payable at time of registration.

INDIO 111

EARLY CHILDHOOD EDUCATION Fast Track

Complete four core courses in one semester toward an Associate Teacher Permit and/or Certificate.

Concentrate on one or two classes at a time.

1st Semester FAST TRACK

Take four 4 week classes in Hyflex mode in Indio.

2nd Semester FAST TRACK

Take three classes at the Palm Desert campus or synchronously via ZOOM.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

English As A Second Language Non-Credit (ESLN)

The English as a Second Language Non Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Registration is on an open entry, space available basis. Please call 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios determinarán el nivel en que se le coloque.

Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información, llamar al 776-7348.

**Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

COD Is A Smoke Free Campus

College of the Desert and all of its campuses are now smoke and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.
