

## 2016–2017 Catalog Addendum 3

January 2017

The College of the Desert Catalog Addendum represents course and program revisions made since the last publication of the Catalog. Included in this Addendum are modified certificates and degrees. These changes replace what is printed in the current Catalog and are effective as of the Spring 2017. Instructions for understanding this addendum are as follows: underline indicates new material, ~~strikethrough~~ indicates a deletion.

PROGRAM REVISIONS effective Spring 2017

**ADVANCED TRANSPORTATION TECHNOLOGIES A.S. DEGREE  
for Employment Preparation**

This course of study equips the student with a range of knowledge and skills necessary to perform the duties of an entry level alternative fuels technician with a well-rounded background of the major vehicle systems. Completers will have met the current standards of the National Automotive Technicians Education Foundation (NATEF) related to: A6-Electrical/Electronic, A8-Engine Performance as well as a solid understanding of alternative fuels such as: Compressed Natural Gas (CNG) and hybrid/electric vehicles. Those completing this degree will have the requisite depth of advanced transportation knowledge and skills and the breadth of the general education which will accelerate their progress toward achieving their career goals in the advanced transportation industry.

Douglas Redman (760) 776-7390; [dredman@collegeofthedesert.edu](mailto:dredman@collegeofthedesert.edu)

**Required Courses:**

AUTO-010	Intro Automotive Technology .....	4.0
AUTO-011B	Auto Electronics/Electrical Systems .....	4.0
AUTO-011C	Adv. Auto Electrical Systems.....	5.0
AUTO-014A	Auto Engine Management .....	4.0
AUTO-021A	Auto Diagnosis & Troubleshooting .....	2.0
AUTO-040D	CNG/LPG Diagnosis & Repair .....	5.5
AUTO-043A	Hybrid, Fuel-Cell & Electric Tech .....	3.0
AUTO-045A	Intro to Alternative Fuel Vehicles .....	2.0
AUTO-092A	Bio-diesel Char., Use & Production .....	2.0
AUTO-095A*	Automotive Work Experience .....	2.0
AUTO-099	Auto/Advanced Transportation Summation .....	1.0

**Electives - 8 units from the following:**

AUTO-014B	Advanced Engine Management .....	5
AUTO-016	Manual Drive Train & Axles .....	4
AUTO-017	Auto Transmissions & Transaxles .....	4
AUTO-018	Auto Heating & Air Conditioning .....	4
<b>DELETE</b> AUTO-030A	<del>Consumer Auto Technology .....</del>	<del>3</del>
AUTO-041	CNG/LPG Conversion/Installation .....	3
AUTO-054C	Basic & Advanced Clean Air Car Course .....	7
AUTO-095A*	Automotive Work Experience (1 - 2 units in addition to required) .....	1-8
ACR-060	Air Conditioning/Refrigeration I .....	3
ACR-064	Air Cond/Refrigeration Electricity I .....	3
BUMA-094	Business Communications .....	3
WELD-010	Oxy-Acetylene Gas Welding .....	3
Required Courses	.....	42.5
COD General Education Pattern	.....	18.0
Kinesiology Activities	.....	2.0

**DEGREE TOTAL** ..... **62.5**

\* For extenuating circumstances, as deemed by the automotive advisor, work experience may be fulfilled through a special shop project or an appropriate elective.

**ARCHITECTURE TECHNOLOGY A.S. DEGREE for Employment Preparation**

The Architectural Technology Associate of Science degree is intended to prepare students with a broad perspective of Architecture, design and local general education requirements to utilize in gaining employment in Architecture or any of the related fields in the building industry where they will be involved to produce plans, but may also contribute in the design and construction administration of various building typologies. Individuals completing this degree may also choose to continue their education toward a baccalaureate, or advanced degree in Architecture or related majors.

**Advisor:** Bert Bitanga (760) 776-7236; [dbitanga@collegeofthedesert.edu](mailto:dbitanga@collegeofthedesert.edu)

## AUTOMOTIVE TECHNOLOGY A.S. DEGREE for Employment Preparation

This course of study equips the student with a range of knowledge and skills necessary to perform the duties of an entry level automotive technician with a well-rounded background of the major vehicle systems. Completers will have met the current standards of the National Automotive Technicians Education Foundation (NATEF) related to: A1-Engine Repair, A4-Steering & Suspension, A5-Brakes, A6-Electrical/Electronic, A8-Engine Performance and 6 additional units of automotive electives. Those completing this degree will have the requisite depth of automotive knowledge and skills and the breadth of the general education which will accelerate their progress toward achieving their career goals in the automotive industry.

**Advisors:** Dorothy Anderson (760) 776-7368; [doanderson@collegeofthedesert.edu](mailto:doanderson@collegeofthedesert.edu)  
Douglas Redman (760) 776-7390; [dredman@collegeofthedesert.edu](mailto:dredman@collegeofthedesert.edu)

### Required Courses:

AUTO-054C	Basic & Adv Clean Air Car Course .....	7
AUTO-095A*	Automotive Work Experience (1 - 2 units in addition to required) .....	1-8
ACR-060	Air Conditioning/Refrigeration I .....	3
ACR-064	Air Cond/Refrigeration Electricity I .....	3
WELD-010	Oxy-Acetylene Gas Welding .....	3
Required Courses .....		43
COD General Education Pattern .....		18
Kinesiology Activities .....		2
<b>DEGREE TOTAL .....</b>		<b>63</b>

\* For extenuating circumstances, as deemed by the automotive advisor, work experience may be fulfilled through a special shop project or an appropriate elective.

## AUTOMOTIVE AIR CONDITIONING CERTIFICATE OF ACHIEVEMENT

This course of study equips the student with a range of knowledge and skills necessary to perform the duties of an entry level Heating Ventilation & Air Conditioning (HVAC) automotive technician. Completers will have met the current standards of the National Automotive Technicians Education Foundation (NATEF) related to A7 Heating & Air Conditioning. Those completing this certificate may continue on toward an Associate of Science degree in Automotive or Advanced Transportation.

**Advisors:** Dorothy Anderson (760) 776-7368; [doanderson@collegeofthedesert.edu](mailto:doanderson@collegeofthedesert.edu)  
 Douglas Redman (760) 776-7390; [dredman@collegeofthedesert.edu](mailto:dredman@collegeofthedesert.edu)

**Required Courses:**

AUTO-010	Intro Automotive Technology .....	4
AUTO-011B	Auto Electronics & Electrical Systems .....	4
AUTO-018	Auto Heating & Air Conditioning .....	4
AUTO-095A*	Automotive Work Experience .....	2

**Electives - 4 units from the following:**

AUTO-013A	Auto Braking Systems .....	4
AUTO-014A	Auto Engine Management .....	4
AUTO-014B	Advanced Engine Management .....	5
AUTO-016	Manual Drive Train & Axles .....	4
AUTO-017	Auto Transmissions & Transaxles .....	4
AUTO-021A	Auto Diagnosis & Troubleshooting .....	2
<b>DELETE</b> AUTO-030A	<del>Consumer Auto Technology .....</del>	<del>3</del>
AUTO-043A	Hybrid, Fuel-Cell & Electric Tech .....	3
AUTO-054C	Basic & Adv Clean Air Car Course .....	7
AUTO-095A*	Auto Work Experience (1-2 units in addition to required) .....	1-8
ACR-060	Air Conditioning/Refrigeration I .....	3
ACR-064	Air Cond/Refrigeration Electricity I .....	3
WELD-010	Oxy-Acetylene Gas Welding .....	3
<b>CERTIFICATE TOTAL .....</b>		<b>18</b>

\* For extenuating circumstances, as deemed by the automotive advisor, work experience may be fulfilled through a special shop project or an appropriate elective.

## STEERING, SUSPENSION AND ALIGNMENT CERTIFICATE OF ACHIEVEMENT

This course of study equips the student with a range of knowledge and skills necessary to perform the duties of an entry level Steering & Suspension automotive technician. Completers will have met the current standards of the National Automotive Technicians Education Foundation (NATEF) related to A4 Steering & Suspension. Those completing this certificate may continue on toward an Associate of Science degree in Automotive or Advanced Transportation.

**Advisors:** Dorothy Anderson (760) 776-7368; [doanderson@collegeofthedesert.edu](mailto:doanderson@collegeofthedesert.edu)

WELD-010	Oxy-Acetylene Gas Welding .....	3
<b>CERTIFICATE TOTAL</b> .....		<b>18</b>

\* For extenuating circumstances, as deemed by the automotive advisor, work experience may be fulfilled through a special shop project or an appropriate elective.

## COMPUTER INFORMATION SYSTEMS CERTIFICATE OF ACHIEVEMENT

Computer information systems (CIS) is the study of the tools and techniques used to effectively and efficiently transform raw data into useful information.

Career paths chosen by students pursuing certificate in CIS commonly include office administration, general business, web design, software installation and maintenance, electronic bookkeeping, and customer support.

Even students who choose not to major in CIS find that coursework in the field can improve their ability to think analytically, solve problems, organize thoughts and information, and utilize new technology more efficiently and effectively.

Our discussions with industry representatives indicate that in today's world employers expect and demand a certain minimum of computer skills as a given, much as they expect an employee to be able to read, write, and use basic math. College of the Desert's CIS curriculum includes course offerings that provide a general overview of the discipline, as well as courses dealing with more advanced software concepts, and tools used in the business environment.

The College offers appropriate certificates and degrees in computer information systems. In addition to the immediate employment benefits of certificates and associate degrees, coursework at College of the Desert prepares the way for further study at the Baccalaureate level within the California State Universities and University of California systems, and other colleges nationwide.

**Advisor:** Felix Marhuenda-Donate (760) 773-2523; [fmarhuenda@collegeofthedesert.edu](mailto:fmarhuenda@collegeofthedesert.edu)

**Required Courses: 5-6 units:**

CIS-006	Business Research .....	1
<del>or</del> LIS-001	An Intro to Basic Research Skills (2)	
CIS-010	Computer Literacy .....	4

**Computer Applications - Select 14 units from the following:**

<b>ADD</b>	CIS-003	Introduction to Microsoft Word .....	1
<b>ADD</b>	CIS-004	PowerPoint .....	1

CIS-005*	Computer Survival Skills .....	2
CIS-011	Current Topics/Technology .....	3

	<b>CERTIFICATE TOTAL .....</b>		<b>28</b>

## EMERGENCY MEDICAL CARE CERTIFICATE OF ACHIEVEMENT

The Emergency Medical Care (EMC) Certificate of Achievement is designed to offer a full range of both required and elective courses that prepare students for immediate entry into the emergency medical care field. The certificate is structured to ensure gradual, systematic and comprehensive attainment of the practical knowledge, skills and abilities desired by both private and public organizations. It also provides an excellent foundation from which to pursue both paramedic and related degree programs.

Although job ready EMT certification is the overriding goal of the program, the courses offered take into account that many students experience significant difficulty in satisfactorily completing the core 6 unit EMT course without additional preparation. Therefore, a more fundamental 3 unit Emergency Medical Responder (EMR) course is provided as a prerequisite to the 6 unit EMT course, as well as a required Medical Terminology course. A basic anatomy and physiology course (*Your Living Body*) is also offered as an advisory to EMR in the list of electives. The certificate also assists both students and emergency medical care providers by offering an ambulance operations course that provides both operator information and driving skills training. Additionally, the certificate addresses today's communication/information and interpersonal relations work place needs by offering a variety of other highly relevant elective courses.

**Advisor:** Neil Lingle (760) 346-8041 ext 3083; [nlingle@collegeofthedesert.edu](mailto:nlingle@collegeofthedesert.edu)

### Required Courses:

\*EMT-080 is a prerequisite for EMT-084.  
 \*HS-062 is an advisory for EMT-080

## ENVIRONMENTAL SCIENCE A.S. DEGREE and Transfer Preparation

This program is designed for students who are interested in solving environmental problems from an interdisciplinary approach. This set of courses prepares the student to transfer to four-year institutions where they can choose a specialized track that could include many disciplines. For example, depending on the transfer institution selected, choices include Natural Resources Management, Climate Change, Soil and Biogeochemistry and many others. It is very important to consult an advisor and review transfer institution requirements.

## FIRE TECHNOLOGY A.S. DEGREE for Employment Preparation

Fire technology is the study of the organization and function of fire prevention and suppression techniques; fire behavior and combustion, fire chemistry, extinguishing agents, hazardous and toxic material; fire protection systems; fire command and fire management (supervision).

Career paths chosen by students pursuing an undergraduate and/or baccalaureate degree in fire technology commonly include firefighter, fire engineer, paramedic, forest service worker, health and safety officer, fire prevention specialist, fire inspector, fire investigator, fire protection engineer and hazardous materials specialist.

College of the Desert's Fire Technology curriculum includes course offerings that provide a general overview of fire service disciplines, as well as specific courses in fire suppression, fire tactics and strategy, fire prevention, design and operation of fire detection and alarm systems, hazardous materials, fire protection building design and construction. In addition, Fire Service Training & Education Program (FSTEP) and California Fire Service Training & Education System (CFSTES) courses through the California State Fire Marshal's office are offered in this program.

College of the Desert is recognized by the California State Fire Marshal as an Accredited Regional Training Program offering a Firefighter 1 Basic Training Academy. The objective for this program is to develop teamwork, skills, attitudes and public service commitment necessary for employment in the fire service. Completion of this certificate satisfies the manipulative and academic training requirements as established by the California State Fire Marshal. Additional information on this program is available on the Public Safety Academy's website at collegeofthedesert.edu.

Students earning an associate's degree in Fire Technology may pursue positions as a firefighter, paramedic or firefighter/EMT or may choose to continue their study in fire technology or fire service toward a bachelor's degree.

## FIRE TECHNOLOGY CERTIFICATE OF ACHIEVEMENT

Fire technology is the study of the organization and function of fire prevention and suppression techniques; fire behavior, combustible materials, extinguishing agents, hazardous and toxic material; fire protection techniques and systems; fire command and fire management (supervision).

The certificate of achievement is designed to provide students with skills necessary for employment or advancement as an entry level firefighter. Students earning the certificate may also choose to continue their study toward an associate or baccalaureate degree in the field.

Past recipients of the COD Certificate of Achievement in Fire Technology have obtained positions as firefighter, firefighter/EMT and paramedic.

This program follows the Fire and Emergency Services Higher Education (FESHE) model from the National Fire Academy in Emmitsburg, Maryland and is a component of accreditation from the California State Fire Marshal.

## GOLF MANAGEMENT A.A. DEGREE for Employment Preparation

Golf management is the study of all aspects pertaining to the operation and the responsibilities of the golf professional in managing a public or private golf facility. Career paths chosen by students pursuing undergraduate studies in golf management commonly include marketing and management as part of their work load. Even students who choose not to major in golf management find that coursework in the field can improve their ability to clearly articulate relating to problem solving.

College of the Desert's golf management curriculum includes course offerings that provide a general overview of the discipline, as well as hands-on training that can be measured for industry needs and standards.

Students pursuing an Associate Degree in Golf Management may opt for entry level positions as apprentice PGA professionals or may choose to continue their studies in the discipline toward a bachelors or graduate degree. Generally starting into middle management in this industry is the outcome from the continuing education.

## A.A. IN KINESIOLOGY FOR TRANSFER DEGREE (AA-T)

The Kinesiology program will stimulate learning and necessary skills for the different options of study in the practical field of kinesiology. After completion of the **Associate in Arts in Kinesiology for Transfer**, also called the Kinesiology AA-T Degree, the students' knowledge will be diverse in topics such as health and fitness, sports management, personal training, pedagogy, motor development and learning, physiology of exercise, athletic training, and pre-physical therapy. Students who complete the Kinesiology AA-T will receive "priority admission with junior status to the California State University system."

The Kinesiology AA-T Degree requires students to complete 60 CSU transferable units including completion of CSU GE or IGETC and 21-25 units in the major with a cumulative GPA of 2.0 or better. Title 5 requires that students must earn a "C" or better in all courses required for the major or area of emphasis. There are no additional graduation requirements. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

**Advisors:** Wendy Ansley (760) 776-7203; [wansley@collegeofthedesert.edu](mailto:wansley@collegeofthedesert.edu)

**Required Core: (15 units)**

	KINE-008	Introduction to Kinesiology .....	3
	BI-013	Human Anatomy and Physiology I .....	4
	BI-014	Human Anatomy and Physiology II .....	5

Movement-Based Courses .....

Select a maximum of one (1) course from any three (3) of the following areas, minimum three units:

• ***Aquatics (1 unit)***

- Add** [KINE-046, Endurance Training \(Running/Swimming/Cardio-Respiratory\)](#)
- [KINE-082, Swimming](#)
- Add** [KINE-083, Swimming & Running for Triathletes](#)
- Add** [KINE-084, Aquatic Crosstraining](#)
- Add** [KINE-093, Water Fitness](#)

• **Combatives (1 unit)**

KINE-077, Self-Defense/Martial Arts

KINE-078, Self-Defense/Fitness

• **Dance (1 unit)**

KINE-051, Dance, Aerobic

Add KINE-053, Dance, Jazz

Add KINE-056, Dance, Ballet

• **Fitness (1 unit)**

Add KINE-040, Aerobics, Total Body Fitness

Add KINE-041, Core Conditioning

Add KINE-046, Endurance Training (Running/Swimming/Cardio-Respiratory)

Add KINE-047, Body Sculpt & Tone

KINE-068, Jogging, Powerwalking and Running

Add KINE-071, Kickboxing Aerobics

Add KINE-072, Pilates Mat Work

Add KINE-073, Pilates for Dance

Add KINE-083, Swimming & Running for Triathletes

Add KINE-094, Personal Fitness

KINE-096, Weight Training

KINE-098, Yoga

Add KINE-099, Power Yoga

• **Individual Sports (1 unit)**

KINE-043, Badminton

KINE-057, Fencing

KINE-062, Golf

Add KINE-063, Golf: The Short Game

KINE-086, Tennis

• **Team Sports (1 unit)**

KINE-045, Basketball

KINE-079, Soccer

Delete ~~KINE-080, Softball~~

KINE-091, Volleyball

**List A: Select two courses from the following ..... 6-8**

KINE-001, First Aid and Safety (3)

PH-002A, College Physics (4)

SOC-003, Fundamental of Statistics (3)

**Or** MATH-014, Statistical Methods (4)

Required Subtotal ..... 21-25

CSU General Education or IGETC Pattern ..... 37-39

Transferable Electives\* (as needed to reach 60 transferable units)

**DEGREE TOTAL ..... 60**

<sup>1</sup> Units for the major may be double counted for CSU GE or IGETC, confer with Counselor.

<sup>2</sup> Elective units to reach 60-unit total must be CSU transferable, confer with Counselor.

## A.S. IN MATHEMATICS FOR TRANSFER DEGREE (AS-T)

The Associate in Science in Mathematics for Transfer, also called the Mathematics AS-T, provides student with sufficient understanding of mathematical concepts, skills and application to attain upper division status in mathematics within the CSU system. This degree is intended for students who are interested in the theory of mathematics and are planning on transferring to a CSU and majoring in Mathematics, Physics, Engineering, Computer Science or Statistics. Students who complete the Mathematics AS-T will receive “priority admission with junior status to the California State University system.”

This Mathematics AS-T degree requires students to meet both of the following requirements:

- (1) Completion of 60 semester units that are eligible for transfer to the California State University, including both of the following:
  - The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-B).
  - A minimum of 18 semester units in a major or area of emphasis. All courses in the major or area of emphasis must be completed with a grade of "C" or better.
- (2) Obtainment of a minimum grade point average of 2.0.

There are no additional graduation requirements. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

**Required Core:**

MATH-001A	Calculus .....	5	4
MATH-001B	Calculus .....	5	4
MATH-002A	Multivariate Calculus .....	5	4
PH-004A3A	Engineering Physics .....	5	4
<i>One course from the following.....</i>			4
MATH-002B	Linear Algebra (4)		
MATH-002C	Ordinary Differential Equations (4)		
Required Subtotal .....	24		20
CSU General Education or IGETC Pattern* .....			37-39
Transferable Electives* (as needed to reach 60 transferable units)			
<b>DEGREE TOTAL .....</b>			<b>60</b>

<sup>1</sup> Units for the major may be double counted for CSU GE or IGETC, confer with Counselor.

<sup>2</sup> Elective units to reach 60-unit total must be CSU transferable, confer with Counselor.

## A.A. IN POLITICAL SCIENCE FOR TRANSFER DEGREE (AA-T)

Political Science is the scientific study of politics, structure of governments at the national, state and local levels, policy making and policy makers. As such, it encompasses a wide range of interdisciplinary subjects, including economics, history, law, and philosophy. One major concern of political science is educating each generation to how democracy works, what are its benefits relative to other governmental systems. Lacking such knowledge can threaten our very existence since democracy is dependent upon a well-informed and civic-minded citizenry. This degree is an excellent general preparation for careers in conflict resolution, criminal justice, diplomacy, civil service, education, elections, journalism, the practice of law, public administration and public policy, public service, and research.

The Associate in Arts in Political Science for Transfer Degree, also called the Political Science AA-T Degree, prepares students to transfer to CSU campuses that offer bachelor’s degrees in Political Science. Students earning the Political Science AA-T Degree will be granted priority for admission as a Political Science major to a CSU, but not to a particular campus. This degree requires students to complete 60 CSU transferable units including completion of CSU GE or IGETC and 18-19 units in the major with a cumulative GPA of 2.0 or better. Title 5 requires that students earn a grade of “C” or better in all courses required for the major or area of emphasis. There are no additional graduation requirements. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

## REAL ESTATE DEVELOPMENT CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Real Estate Development is designed to serve students seeking either to enter or enhance their careers in the Real Estate profession. The courses in the certificate program will provide the foundational knowledge for a person to enter the profession of Real Estate as a developer, manager or investor.

Career paths chosen by students pursuing undergraduate studies in real estate development include small business owners, residential or commercial real estate developers, construction managers and members of the trades. The student usually enters the real development field from the construction industry and advances either in a corporate or private pathway to management or entrepreneurship.
