

How to Redirect your MyCod.us Email Messages to Your Email Account

1. After you sign in to your account, click **Options**.

2. Select **Forward your mail using Inbox rules** from the **Shortcuts to other things you can do** menu.

3. Select **New** to create a rule.
4. Under **When the message arrives**, and select **Apply to all messages**.
5. Under **Do the following**, select **Redirect the message to**.
6. In the **Address Book** window, double-click the address you want your mail redirected to. If the address you want doesn't appear, you can enter the e-mail address in the **To** field.
7. Click **OK** to save your selections and return to the **New Inbox Rule** window.
8. Click **Save** to save your rule and return to the **Inbox Rules** tab.
