43500 Monterey Ave.
Palm Desert, CA 92260
(760) 346-8041
www.collegeofthedesert.edu

Accredited by the Accrediting Commission for Community and Junior Colleges and approved by the California State Department of Education.
College of the Desert is one of the 109 community colleges in California and a vital part of the world's largest system of higher education.
As President, I am pleased to invite you to attend College of the Desert. We have a proud history at this institution built on the strength of our educational offerings and our commitment to student success. When you enroll at COD, you will embark on an exciting journey, one that will change your life. We understand how important this journey is and have developed a comprehensive student program to address your needs.

At College of the Desert, we are devoted to your success. We’re there for you no matter what your goal, whether it’s general education leading to a transfer to a four-year college or university, a vocational certificate, the development of basic skills, personal improvement or a self-guided program of lifelong learning.

We accommodate personal circumstances and welcome students who are working while raising children and juggling family responsibilities, as well as older returning students who are in pursuit of their personal learning goals. We’re affordable and offer excellent financial aid programs to those in need.

COD is home to a wonderful faculty of caring and talented professionals who take a personal interest in the academic and personal success of every student. That’s why we’re here. Welcome to College of the Desert!
The members of the Board of Trustees are elected by the people of the Desert Community College District for a term of four years. The Student Trustee is elected annually by students.

April 30 ......................... LAST DAY TO DROP

May 19 - May 25 .................. Final Exams
May 25 ......................... Last day to Request a Refund
(course must have been dropped by February 05)
May 25 ......................... Last Day of Spring Semester
May 25 ......................... Graduation Ceremonies
May 28 ......................... Memorial Day HOLIDAY/College closed
General Education Philosophy

Courses that are designated to fulfill the general education and depth requirements shall meet the following philosophy.

The awarding of an associate's degree is intended to represent more than an accumulation of units. It is to symbolize a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights. Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics, to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems, and to develop the capacity for self-understanding.

In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

Central to an associate's degree, general education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture, and the society in which they live. Most important, general education should lead to better understanding.
Chapter 1 - General Information

COMMITMENT TO QUALITY EDUCATION

ACADEMIC TRANSFER PROGRAMS
The Desert Community College District (DCCD) believes that academic transfer programs are essential to the community and must provide general education and pre-major curricula that will meet or exceed the lower division requirements articulated with four-year institutions. The District is committed to an overall effort to fulfill academic transfer requirements by concentrating on the development of a comprehensive instructional environment.

OCCUPATIONAL AND VOCATIONAL EDUCATION
To meet the changing economic, technological, and environmental needs of the community, the DCCD will identify regional employment training needs and provide degree and certificate programs which prepare students for these career opportunities. These programs will train, retrain, and upgrade student career skills through existing occupational/vocational and general education programs as well as partnerships and contractual education with the private sector and public agencies.

BASIC SKILLS
The DCCD believes that basic skills education is critical to an individual’s well-being in a demanding society. Therefore, the District will provide comprehensive basic skills programs to support academic, occupational/vocational, developmental, and community education.

MARKETING
The DCCD will aggressively and effectively promote all District programs and services to increase public awareness of educational opportunities, fulfill the mission of the District, and encourage measured growth.

ORGANIZATION
The DCCD recognizes the need for a well-defined organizational system that supports the interrelationship and participation of all institutional elements, enhances opportunities for consideration of matters common to the District and its environment, and provides methods for timely response to District-wide needs.

PLANNING
The DCCD has established within its organizational structure a planned, systematic procedure designed to evaluate and improve the quality of its programs continuously and facilitate the creation of innovative programs and the expansion of existing programs that meet community needs.

RESOURCES
The DCCD believes that all resources must aid the District in fulfilling the mission of providing comprehensive educational opportunities to the community and that all resource allocation must be devoted to existing or newly developed programs compatible with the approved Mission Statement. Further, the District is dedicated to the principle that we must be accountable to our constituents in the use of resources to demonstrate accomplishment of student outcomes consistent with our mission. Resource allocations must reflect our commitment to equal opportunity so that all members of our community have access to their benefits.

HISTORY OF THE COLLEGE
In 1958, voters approved formation of a college district in the Coachella Valley in a landslide vote that created a local two-year college. It was the culmination of 10 years of study and planning by the governing boards of the Palm Springs and Coachella Valley Unified School Districts and the State Department of Education.

College of the Desert was established on April 15 of that year, when the initial five-member Board of Trustees was elected. On July 1, the members were seated and the new District began to function. COD got its name from a Palm Springs teenager, Douglas Crocker, who won a “Name the College” contest sponsored by the district and local newspapers.

After three years of study and planning, contracts were let in 1961 for the construction of nine buildings on 160 acres at Monterey Avenue and Avenue 44 (now Fred Waring Drive) in Palm Desert. The buildings had been funded in 1959 by a bond issue of $3.5 million, and COD’s first students arrived in the Fall of 1962.

COD received its first accreditation on October 14, 1963. In 1964, voters in the Coachella Valley approved a new $2 million bond issue to complete the first phase of COD
construction. Within four years, construction was completed on the Library (now the Hilb Student Center), the Gymnasium, and the Agricultural Science, Agricultural Technology, Nursing and Engineering buildings.

In 1966, residents of the high desert voted to join the college district and the Copper Mountain Campus got its start. Copper Mountain would become a separate district in 1999.

Other significant years in COD’s history include:

1973: Dr. Fern Stout succeeded Dr. Roy McCall and became the second Superintendent/President of the community college district.

1984: COD’s agreement permitting the McCallum Theatre to build on the college campus on the corner of Monterey Avenue and Fred Waring Drive came to fruition when the showcase civic theater opened. The long-range agreement called for partial College use of the facility for campus musical productions put on by the Performing Arts division, as well as events such as COD commencement exercises.

1986: COD began to offer programs related to golf course management and maintenance. The Coachella Valley Campus of California State University, San Bernardino, opened on the COD campus, allowing students to complete upper division courses in the Coachella Valley. The district appointed its third Superintendent/President, Dr. David George.

1988: the Board of Trustees changed the name of the Coachella Valley Community College District to Desert Community College District. At Indio High School, the college began offering classes as part of a planned Eastern Valley Center.

1991: The Child Development Resource and Training Center opened, offering affordable child care to students, staff, faculty and the public, and training in child care careers. In 2002, it was renamed the McCarthy Family Child Development and Training Center.

1992: The Energy Technology Training Center was opened. The Center is today recognized as a national leader in alternative fuel training and is a model for nine other community college alternative fuel training programs throughout California.

1994: Construction began on a new library, a unique city-county-college facility in which the new building would house Palm Desert City and Riverside County public libraries as well as the College library.

1996: The Multi-Agency Library opened. The Dining Hall was renovated. Dr. William R. Kroonen became COD’s fourth Superintendent/President.

1998: The former college library was remodeled as a student center and renamed the Hilb Center in honor of its benefactors, Jeane and Justin Hilb. The original Lecture Hall was renovated and renamed the Carol L. Meier Lecture Hall. The Faculty Resource Center opened.

1999: Theater One, the campus theater, was rededicated in honor of Bob and wife “Mike” Pollock. The Pollock Theater’s first performance was an original play by the Hollywood screenwriting couple. Groundbreaking ceremonies were held to begin construction of Math and Social Sciences buildings on the Palm Desert campus.

2001: Trustees selected Dr. Maria Sheehan to be COD’s fifth Superintendent/President. Dedication ceremonies were held for the new Math and Social Sciences buildings, the first new classrooms in three decades. The satellite Eastern Valley Center opened in Indio with some 1,800 students.

2003: The Marks Center for the Arts opened with galleries named for its benefactors, Don and Peggy Cravens, Bob and Barbara Leberman, and the COD Alumni Association. The old foundry, closed for a decade, was rebuilt with private donations. A new academic calendar went into effect shortening semesters from 18 to 16 weeks while class times were expanded.

2004: In March, voters in the Desert Community College District voted overwhelmingly to authorize the sale of bonds, enabling the college to renovate its 40-year-old campus and expand for future growth. The bond issue totaled $346.5 million.

2006: Artist’s renderings were released showing two proposed new buildings, Nursing and Health Sciences and the Public Safety Academy. Planning continued on other projects, a Multi-Purpose Classroom Building, an Alumni Center, and the Learning Commons. All three will be built concurrently, with groundbreakings tentatively scheduled during 2008.
OFF-CAMPUS LOCATIONS

EASTERN VALLEY CENTER
The Eastern Valley Center houses and coordinates an off-campus satellite educational program in order to make core academic courses as well as non-credit classes more accessible to residents of the eastern Coachella Valley. Located at 44-199 Monroe Street in Indio, the Center offers day and evening classes, as well as limited counseling, assessment testing, registration, and referral services. Additional evening classes are also held at Coachella Valley High School.

The Eastern Valley Center staff is committed to offering a wide array of courses and providing student and faculty support at all satellite locations. Please refer to the current Schedule of Classes for starting dates and meeting times. For further information, please call the office of the Dean of Off-Campus Programs at (760) 776-7200.

EVC AA DEGREE
Beginning each fall, COD offers a two-year package of courses at EVC which enables students to complete an AA in liberal arts and also satisfies the CSU transfer requirements. The package is available to students who are eligible to take college-level English (ENG-001A) and math (MATH-040).

WESTERN VALLEY CLASSES
In order to provide local access to college classes for students living in the greater Palm Springs area, College of the Desert offers a wide variety of evening credit courses at Palm Springs High School.

Please refer to the current Schedule of Classes, or visit the college website at www.collegeofthedesert.edu for starting dates and meeting times of Western Valley classes. For further information, please call the office of the Dean of Off-Campus Programs at (760) 776-7200.

ACCRREDITATION
College of the Desert is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

ORGANIZATION OF THE COLLEGE
The chief administrator of the District is the Superintendent/President, who is also the chief administrative officer of the college. The Superintendent/President serves as the Secretary to the Board.

The Assistant Superintendent/Vice President of Administrative Services functions as the chief financial officer of the college and assistant to the President. He directs the development and administration of the college’s budgeting process. Human Resources and Campus Safety are under the supervision of the Vice President of Human Resources and Employee Relations.

The Vice President of Instruction is the chief academic officer of the college responsible for academic divisions, the college library, instructional support services, institutional research, and off-campus programs. Each division is under the supervision of a Dean who is responsible for coordinating the departments within that division. Career programs are coordinated with cooperation from advisory committees, consisting of representatives from business and industry. Divisions include Applied Science and Business; the Center for Training and Development; Communication; Health Sciences and Early Childhood Education; Math and Science; Off-Campus Programs; Physical Education and Athletics; and Social Sciences and Arts.

Student Services is divided into two areas each supervised by a Dean under the direction of the Vice President of Student Services plus two offices that report directly to the Vice President. The Dean of Student Support Programs and Services is responsible for Counseling, Matriculation, and Articulation services; the Academic Skills Centers; the Tutoring Center; Extended Opportunity Programs and Services (EOPS) and Cooperative Agencies Resources for
Education (CARE); the International Education Program and Intensive English Academy; the federal TRIO Programs; Student Activities and Government; and the Career and Transfer Center. The Dean of Enrollment Services is responsible for Admissions, Records, Registration, Graduation, Financial Aid, Scholarships, the Veterans’ Program, CalWorks, Student Employment, and Fee Collection. Student Health Services, and Disabled Students Programs & Services report directly to the Vice President of Student Services.

The Board of Trustees has ultimate responsibility for the integrity, quality, and fiscal stability of the District.

SUPPORTING ORGANIZATIONS

ALUMNI ASSOCIATION

College of the Desert Alumni Association was chartered in 1983. The mission goals of the Association are to provide information regarding the College to the communities of the College District. The Association provides activities wherein alumni, students, staff and members of the community can participate. The Association provides recognition of former students, graduates, community leaders, faculty and staff through the annual Hall of Fame dinner.

Annually, the Alumni Association budgets over $250,000 in scholarships and student financial aid, which are awarded to college, high school and middle school students.

The Alumni Scholarship Endowment Fund now totals in excess of $600,000. The Alumni Association Academic Enrichment Endowment Fund of $1,000,000 has been completed. The Alumni Association operates the popular, year round, Street Fair. Membership is open to alumni, students, staff, and the community. For more information call (760) 773-0062.

COLLEGE OF THE DESERT FOUNDATION AUXILIARY

Members serve as goodwill ambassadors and organize special events for the College. Membership dues have been set at $35 per year or $350 for a life membership. The Foundation Auxiliary annually provides financial support to a wide variety of College programs. For more information call (760) 346-3363.

COD SCHOLARSHIPS

College of the Desert’s supporting organizations provide scholarships to a large number of students annually. A partial list of the scholarships, donors, or funding follows.

- John Arthur Memorial Scholarship for Economics Majors
- Auto Department
- Bighorn Scholarships
- Coeta & Donald Barker Scholarship Fund for Nursing Majors
- D. Gail Brumwell Perpetual Scholarship Fund
- Dr. Reynaldo J. Carreon Perpetual Endowment Scholarship Fund
- Liz Chapman Memorial Scholarship Fund for Cheerleaders
- Mary Codd Memorial Scholarship
- COD Alumni Association Scholarship Fund
- COD Community Memorial Scholarship Fund in memory of the following individuals:
  - Eugenie Bolz
  - Robert and Mary Ellen Bronski
  - Alfred and Viola Hart
  - Bob Hope Desert Classic
  - Hal Kapp and Ted Smith
  - Mildred LaGrasse
  - Alice Marble
  - Pearl McManus
  - Edward Rafferty
  - Myrne Shepherd
• COD Faculty Womens Club Scholarship Fund
• COD Founding Leaders/Instructors Memorial Scholarship in memory of the following individuals:
  * George Goodwin
  * Viola H. and Roy W. Mallery
  * Jean Masters
  * Dr. Roy C. and Velma McCall
  * Donald Mitchell
  * Helen Staley
• COD French Club Scholarship
• COD Memorial Scholarship for Music Majors in memory of the following individuals:
  * Dorothy Arnold
  * Stacy Carpenter
  * Beatrice Marx
  * Peter Marx
  * F. X. McDonald and Vin Riley
  * Maude Stoner
  * Madge Wilson
• COD Memorial Scholarship for Nursing Majors in memory of the following individuals:
  * Shirley Clark
  * Robert Jordan
  * Joan Maybee
  * Sarah Sompolinski and Geraldine Krippes
  * Betty Lee Speakman
• COD Student Memorial Scholarship in memory of the following individuals:
  * Jerry Codekas
  * Thomas A. Davis
  * F. Hansen
  * Keith Johnson
  * Stacy Ann Simmons
  * Ryan Weggenman
• Culinary Arts Scholarship Fund
• Desert Healthcare District
• Nathaniel and Valerie Dumont Foundation Scholarship Endowment Fund
• Peter William Dykema Memorial Scholarship for Music Majors
• Endowment for Student Transfer Success
• Dr. Ward and Pat Fredericks Scholarship Fund
• Kathy Goff Memorial Scholarship Endowment Fund for Music Majors
• Dorothy Grant Memorial Scholarship Endowment Fund
• Jack Greenberg Memorial Nursing Fund
• Skip Haynes Memorial Scholarship for Alternative Energy Programs
• Bruno Hirsch Memorial Scholarship Fund
• Ray House Scholarship Fund
• Joseph B. Iantorno/Street Fair Scholarship for Education Majors
• Indian Wells Rotary Scholarship Fund
• JFK Memorial Hospital Auxiliary Scholarship
• Kenneth Kern/Edna O’Reilly Memorial Scholarship Fund for Nursing Majors
• William and Paula Kroonen Endowment for International Students
• Dr. Richard S. Lane Memorial Scholarship
• Kathleen A. Little Memorial Scholarship
• Lawrence T. Little Memorial Scholarship
• Edeltraud McCarthy Scholarship for the Advancement of Science and Engineering
• McCarthy Family Endowment for Child Development
• Edgar McCoubrey Scholarship Fund
• Donna McLain Physical Education Scholarship for Disabled Students
• Herb Meinert Memorial Scholarship Fund
• Kim Miltenberger Memorial Scholarship
• Constance Monica Memorial Scholarship
• Matteo Monica II Memorial Scholarship
• Jack and Georgia Morris Scholarship Fund
• Jon Pierre Morris Memorial Scholarship Fund
• Lenore H. Morris Scholarship Fund
• Lluella Morey Murphey Foundation Scholarship Fund
• Olaf Nordland Memorial Scholarship
• Joyce Norton Memorial Art Scholarship
• Palm Desert Woman’s Club
• Arnold Palmer Scholarship Fund for Golf Majors
• Rancho Mirage Women’s Club Scholarship Fund
• Grace Schallies/Soroptimist Club Scholarship
• Al Shoopman Memorial Fund for Culinary Arts
• Stephen W. Simonsen Memorial Scholarship
• Mrs. Nell M. H. Smith Endowment Fund
• Helena L. Stansbury Memorial Fund
• Norman Sternlieb Fund for Nursing Majors
• Kathleen Stocking Fellowship
• Jackie Story Scholarship Fund
• Jackie Suitt Scholarship Fund
• Marianne Timmins Endowment Fund
- University Club of the Desert Scholarship Program
- Nina Vairo Endowment Scholarship Fund for Nursing Majors
- Joseph Vierra Memorial Sports Scholarship Fund
- Neil F. Wakley and Victor DiPietro Scholarship Fund
- Thomas Walts Scholarship Fund
- Patricia Wilson Memorial Scholarship
- Wolper Nursing Scholarship

In addition to the scholarship programs listed, College of the Desert is fortunate to assist in the coordination and delivery of a number of outside or private scholarship awards from various civic groups, clubs and agencies. Potential donors or scholarship committee chairpersons are encouraged to contact the Financial Aid Office if assistance is needed in establishing or implementing a private scholarship program. For more information call (760) 773-2532.

**PRESIDENT’S CIRCLE AND TRUSTEE PARTNERS**

The primary purpose of the President’s Circle is to support excellence in education and to encourage greater individual involvement with the College.

The Circle is composed of concerned citizens who make an annual contribution of $1,000 or more to the Foundation. A onetime gift of $10,000 or more entitles a donor to lifetime membership. The Trustee Partners is the title given to generous donors who contribute $5,000 annually. For more information call (760) 773-2561.

**FRIENDS OF THE LIBRARY**

The Friends of the Library is a dedicated group that support the College’s Palm Desert Campus library. The Desert Collection Bibliography, focusing on the uniqueness of the region, is regularly updated by the Friends with new and rare books. For more information about Friends of the Library call (760) 776-7299.
OPEN ACCESS

To satisfy the educational needs of all the people within the College District, College of the Desert provides an “open door,” admitting anyone 18 years of age or older who can profit from instruction and is no longer enrolled in high school. The resulting diverse student body encompasses a wide range in abilities, backgrounds, ages, economic status, and ethnic groups.

To serve the educational and personal needs of a diverse population there must be a commitment to the concept that educational institutions exist for the purpose of assisting the individual student in the learning process. All programs, services, and facilities are directed toward the development of the student.

Student Services performs an essential and vital function to the overall educational program. One of the most important responsibilities of a comprehensive student services program is to provide every possible aid to each student.

MATRICULATION PROCESS

Matriculation is a partnership between College of the Desert and the student. Its purpose is to assist students in selecting, planning and achieving their educational and career goals. In this partnership, the college offers such services as admissions; assessment of basic skills and career interests; new student orientation; counseling; advising; and follow-up of student progress. In turn, students are expected to take responsibility for their education by attending orientation, working with a counselor to identify educational goals and objectives, attending classes and completing assignments, and using support services as needed.

All new students who are attending College of the Desert for the first time must complete the following matriculation process:

1. Admissions

The COD admissions application is available online at www.cccapply.org and must be completed by all students intending to enroll at College of the Desert. (Please note: all new students are required to attend an orientation session where they will receive counseling assistance to register for classes.)

2. Assessment

All new students are required to complete basic skills assessment exams in English, reading and mathematics. The assessments will help the students, with the assistance of a counselor, to determine the student’s appropriate skill level when developing a student education plan. Test dates and times can be obtained by visiting the Assessment Center, located in the Academic Skills Center (Building E), or by calling (760) 776-7413.

3. Orientation

Orientation services are available to all students and are required of all new students. At orientation, students will receive academic planning assistance, information about college policies, and a review of student rights and responsibilities. Students can enroll for orientation online. Information on how to register for orientation will be provided by the Admissions & Records office.

4. Counseling Services

All matriculating students must meet with a counselor prior to beginning classes for the purpose of developing a student education plan. Recent high school graduates should bring a copy of their high school transcripts to their counseling session. Most new students will see a counselor on the same day as their assigned orientation session.

5. Follow-up

Students who seek new educational goals or experience academic difficulty are referred to counseling and/or the appropriate academic and student support services for assistance. Students may be instructed to attend a group workshop and/or meet with a counselor for guidance and assistance.

Returning students are not required to re-submit an online application each year; however, students who had applied to the College over a year ago, but never attended classes and former COD students who have had a break in attendance of over one year must complete a new online application upon their return. These students will not be required to retake the Assessment or attend Orientation if these steps had previously been completed. For more information, please contact the Admissions & Records office or consult with a counselor in the COD Counseling Center.
MATRICULATION EXEMPTIONS
Students can elect not to participate or be exempt from all or most of the matriculation components if they meet the following criteria:

- Student has completed an associate's degree or higher
- Student satisfies at least two of the following:
  - Has identified a goal of upgrading their job skills only
  - Has enrolled for fewer than 12 units
  - Has concurrently enrolled in another postsecondary institution
  - Has declared no degree or occupational objective

Students wishing to challenge any part or all of the matriculation process (orientation, assessment, and/or counseling) must meet with the Matriculation Director or designated representative to discuss the reason and rationale for the challenge and provide documentation to the Director which supports the challenge. If you would like more information to determine your eligibility for an exemption, please contact the Counseling Center at (760) 773-2520.

SUPPLEMENTAL APPLICATION - NURSING PROGRAM
Because of departmental requirements or enrollment limitations for Nursing, this department established screening procedures and a supplemental application for their candidates. Information regarding this application is available at: www.collegeofthedesert.edu/Students/AcademicsPrograms/healthsciences.

ELIGIBILITY FOR ADMISSION

HIGH SCHOOL GRADUATES
Students who have high school diplomas as recognized by the State of California are eligible for admission to College of the Desert and enrollment in any course for which they meet qualifications. Certain two-year programs have special admission requirements. Students who successfully complete the California High School Proficiency Examination or GED also are eligible. Proof may be required.

NON-GRADUATES OF HIGH SCHOOL
Non-graduates, eighteen years of age or older, who can profit from instruction and are no longer enrolled in high school, are eligible for admission. For those who are interested, the Adult Basic Education program provides an alternative way to complete high school graduation requirements. Contact should be made with the Center for Training and Development, located in the Central Annex on the east side of the campus, or call (760) 773-2545.

SPECIAL FULL-TIME STUDENTS
GRADES K - 12
Public school students who can benefit from advanced scholastic or vocational study may be admitted to College of the Desert. Special full-time students must fulfill admission procedures as prescribed for matriculated students. Admission is to be based upon students' readiness for advanced scholastic or vocational study. The college reserves the authority to validate students' readiness.

Students seeking special full-time student admission must have the approval of the governing board of the school district in which they are enrolled and the consent of their parents. In cases where students are not enrolled in public school, the parents or legal guardians are to petition directly to the college for admission. The application can be downloaded at: www.collegeofthedesert.edu/Students/admissions.

Special full-time students are to receive credit for course work completed in the same manner as regularly enrolled students. Such students are subject to tuition and fees.

SPECIAL PART-TIME STUDENTS
GRADES K - 12
Special admission may be considered for students in grades K-12 who excel in academic areas and are seeking advanced education that is not part of the elementary or secondary school curricula. Admission for vocational courses also may be granted. These options are not provided to enable students to decrease the amount of time to graduate from high school, to provide an alternative for those who have been suspended, or to substitute for home study course work. Specific application procedures must be followed. Instructions and forms may be obtained from the COD Admissions and Records Office or the high school office.
Students seeking Special Part-time Student Admission must have the approval of the school they attend and have the consent of their parents. Such students must have exhausted the course work at their school of attendance. Admission is limited to no more than five percent of students who have completed a particular grade level at each school immediately prior to a summer session. The application can be downloaded at: www.collegeofthedesert.edu/Students/admissions.

Special part-time students are to receive credit for course work completed in the same manner as regularly enrolled students. Such students are subject to tuition and fees and are not eligible for financial aid, with the exception of the Board of Governors Waiver, forms A or B.

PROBATIONARY TRANSFER STUDENTS
Applicants whose scholastic achievement at another college represents less than a “C” average may be admitted for a restricted academic program. Satisfactory performance in this work may allow admission to subsequent semesters. Admission on probation is a privilege granted, not a right of the applicant.

INTERNATIONAL STUDENTS with F-1 VISAS
College of the Desert welcomes applications from international students and offers a full-service International Student Program to support students throughout their studies. In order to be considered for admission, international students must submit the International Student Application packet. (International students cannot apply through cccapply). In addition to the application, applicants must submit proof of adequate funding for studies at COD and verification of high school/secondary school graduation. Bank and high school/secondary school information must be submitted with an official English translation. Applicants must also submit a TOEFL score of 400 (on the paper-based test) or 97 (on the computer-based test). Students with TOEFL scores between 400-450/97-133 should expect to take ESL (English as a Second Language) courses during their first semester at COD. The application deadline for the fall semester is July 15 and the deadline for the spring semester is December 15.

All international students must purchase the COD health insurance plan; we are not able to accept other health insurance carriers. International students are required to enroll for a minimum of 12 units each semester and must pay foreign student tuition.

INTENSIVE ENGLISH ACADEMY
Students wishing to study at the Intensive English Academy (IEA) may also apply using the International Student Application. Students applying for the IEA do not need to submit a TOEFL score. Students can choose from 8-week and 16-week programs at the IEA. The IEA is offered on a full-time basis and offers various entry dates throughout the year. International students in the IEA will benefit from 30 hours per week of English instruction in both the classroom and language lab. Students at the IEA must purchase the COD health insurance plan; we are not able to accept other health insurance carriers.

For more information and an International Student Application, please visit the International Education Program website at: www.collegeofthedesert.edu/international or contact us at: International Student Office, 43-500 Monterey Avenue, Palm Desert, California 92260; by email: cdelgado@collegeofthedesert.edu; by telephone: 001-760-776-7205; or by fax: 001-760-862-1361.

RESIDENCY REQUIREMENTS
The following is a summary of College of the Desert’s residence rules and their exceptions. For more detailed information, please visit the Admissions and Records Office.

- Each person applying for admission or enrolled in a California community college is classified as either a “resident” or a “nonresident.”
- A “resident” is defined as a citizen of the United States or an individual holding status which allows him or her to establish residency in the United States, who has proof of physical presence in the State of California for one year and who presents evidence of intention to make California his or her permanent home. Dates on any documentary evidence should correspond to dates of physical presence in California.
- A “nonresident” is a person who does not meet the residency requirements of the State of California or who is a citizen of a foreign country and holds only temporary status in the U.S.
- A student classified as a resident will be admitted to the College without tuition.
A student classified as a nonresident is required to pay a tuition fee. See Schedule of Classes for the current fee.

A nonresident continuing student requesting reclassification to resident status must submit a petition for change of residency status, show proof of financial independence, and present evidence of intent to establish California as his or her place of residence. The petition can be downloaded at: www.collegeofthedesert.edu/residency

RESIDENCE OF AN ADULT

A student who is 19 years of age or older and who has maintained a home in California continuously for the last two years shall be presumed to have the intent to make California his or her home.

A student under 19 years of age shall be presumed to have the intent to make California his or her home if both the student and his or her parent(s) have maintained a home in California continuously for the last two years.

A student who is 19 years of age or older applying for admission with less than two years, but more than one year, of residence in California should be prepared to show proof of residence.

No one factor determines residency. The following factors are called “indices of intent.” They, along with a person’s presence in California, and documented financial independence are among the factors in determining California residency:

- Continuously occupying rented or leased property in California;
- Registering to vote and voting in California;
- Holding a California state license for professional practice;
- Paying California state income tax as a resident;
- Possessing California motor vehicle license plates;
- Possessing a California driver’s license or a California Identification Card;
- Maintaining a permanent military address or home of record in California while in the armed forces;
- Establishing and maintaining active California bank accounts; and
- Petitioning for a divorce in California.

Dates on documents must correspond with physical presence of one year and one day.

RESIDENCE OF A MINOR

Unmarried minors (those younger than 18 years of age) are, by law, incapable of establishing their own residences, notwithstanding their physical presence within California. The Admissions Office will use the following guidelines for determining a minor’s residence:

- A minor’s residence is the residence of the parent with whom the minor is living;
- If the minor is not living with either parent, then the residence of the parent with whom the minor last lived will be the residence of the minor.

When the residence of a minor student is derived from the parent, the durational requirement (one year in California) must be met by the parent, but is not required of the student.

A minor whose parents are not living and who does not have a legal guardian may establish his or her own residence.

EXCEPTIONS

Exceptions to the above guidelines will be made under certain circumstances. If a student would otherwise be classified as a nonresident, but fits within one of the following exceptions, he or she may be granted resident classification provided he or she has resided in California for one year with the intent of establishing residence (documentation required):

- A student who was not an adult for more than one year before the start of the semester may add the amount of time lived in California prior to his or her eighteenth birthday (provided the student’s parent was a California resident during the period), if any, to the length of residence in California since that date to obtain the durational requirement of one year;
- An adult alien who is in the process of adjusting his/her status to a permanent resident or who has been lawfully admitted as a permanent resident for one year and one day prior to the beginning date of the semester (documentation required) and who has resided in California for one year;
- A student 19 years of age or older who can document refugee or asylee status with the Immigration and Naturalization Service (INS) (dated one year and one day prior to the beginning date of the semester) and who has resided in California for one year (students younger than 19 years of age should review the first item above);
An adult alien who is in the process of adjusting visa status to, or possesses one of the following visas: A, E, G, H-1, I, K, L, O-1, R, or T dated at least one year and one day prior to the beginning date of the semester and who meets California residence criteria;

A student who is a minor (under the age of 18) and who, immediately before enrolling at a California educational institution, has lived with and was under the continuous direct care and control for at least two years of any adult or adults (other than a parent) who had established residence in California at least one year and one day prior to beginning date of the semester (documentation required).

For more information regarding residence classification, exceptions, and examples of evidence showing intent, please contact the Admissions and Records Office.

TRANSFERRING CREDIT to COLLEGE of the DESERT

CREDIT BY EXAMINATION

Granting unit credit by examination for a course is based on the principle that previous experience, training, or instruction is the equivalent of a specific course taught by the College. If an examination shows that the student possesses adequate equivalency and mastery of the subject, credit is granted.

A student seeking credit by examination will receive a letter grade (A, B, C, D, F, NC, CR) and grade points in the same way as if enrolled in a regular course. A student may challenge a course only once. Credit earned according to this policy shall not count toward determination of eligibility for veteran’s benefits. Credit by examination is possible in selected courses only. Contact the appropriate academic division office for additional information.

Exceptions to the above may be made when necessary to meet provisions of California state law or the rules and regulations of state agencies governing programs of the California Community Colleges.

Credit by examination may be granted only to a student who (1) is currently enrolled in at least one course in the College, (2) has completed at least 12 units in residence, (3) is not on academic probation, (4) has submitted transcripts of all previous course work, (5) has not earned college credit in more advanced subject matter, and (6) has not received a grade (A, B, C, D, F, CR, NC), or equivalent, in the course for which he or she is seeking credit by examination at this or any other educational institution.

Under the Credit by Examination policy, a student may challenge no more than 10 units towards an Associate Degree or a Certificate of Achievement (an exception is allowed for VN students who are challenging the first semester of the ADN program). Unit credit granted by examination to a student shall not count towards the minimum of 12 units required for residency.

Students interested in Credit by Examination should select a specific course for which they believe they have sufficient knowledge, and then contact the Division Office to determine the possibility of challenging the course and to obtain information regarding the requirements for successful challenge. The Credit by Exam form to initiate the formal approval process may then be obtained from the Admissions and Records Office. Payment of a nonrefundable fee of $25.00 is required at that time. The request must be approved by the midpoint of the semester, and the examination must be given prior to the last day of the final examination period.

CREDIT FOR COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

A maximum of 30 semester units of credit is given for CLEP (College Level Examination Program) with scores at the 50th percentile or higher. Credit is not awarded for English composition. Official results of CLEP exams must be submitted to the Admissions and Records Office. CLEP exams are not offered on campus. The University of California does not offer credit for CLEP exams and California State University grants limited credit only. For further information see a counselor.

CREDIT FROM HIGH SCHOOLS and REGIONAL OCCUPATIONAL PROGRAMS

College of the Desert maintains course articulation agreements in cooperation with high schools and Regional Occupational Programs (ROP) within the college district. Credits by examination or prerequisite course waiver may be earned by high school and ROP students, thereby assisting students in a smooth transition from secondary to postsecondary levels without experiencing delays or duplication of learning. Credit may be granted in the following areas: Mathematics, Business Accounting, Drafting, Health Science, Automotive Technology, Early Childhood Education.

For complete information, contact your high school, ROP, college counselor or articulation officer.
Chapter 2 - Admissions and Registration Procedures

CREDIT FOR CEEB ADVANCED PLACEMENT EXAMINATIONS

College of the Desert grants credit for scores of 3 or higher on the Advanced Placement Examinations of the College Entrance Examination Board (CEEB). Such credit may apply toward requirements for COD degrees and for transfer programs to both the California State University and University of California systems. The CSU and UC campuses determine what courses and credits are awarded on their campus. Please see a counselor for additional information.

High School students who intend to participate in this program should make the necessary arrangements with their high schools. Students should request that their test scores be sent to College of the Desert at the time they take the Advanced Placement Examinations. To apply for credit for advanced placement, students should contact the Admissions and Records Office.

**Note:** College of the Desert does not have comparable courses for all courses listed above.
CREDIT FOR MILITARY SERVICE SCHOOLS

College of the Desert may award college credit for certain military training, experiences and coursework. This credit is based on recommendations from the “American Council of Education: Guide to Evaluation of Educational Experiences in the Armed Forces.”

Credit will be granted for those training courses substantially similar to coursework offered by College of the Desert. Usually credit earned is not transferable but may be applicable to some of the occupational degrees available at College of the Desert. Up to 4 units of PE credit may be transferable to the CSU and UC systems.

Veterans must have completed 12 units at College of the Desert (unless presently receiving V.A. benefits) before requesting the military credit evaluation.

Students must request official copies of either their AARTS (Army), SMART (Navy/Marine Corps) or CCAF (Air Force) transcripts. If these are not available, then their DD-214 form will be used for credit evaluations. Please contact the COD Veterans Office for information regarding this process.

TRANSFER OF CREDIT FROM OTHER COLLEGES

All transcripts from other colleges must be on file at the Admissions Office prior to or along with submission of a “Request for Evaluation.” All lower-division credit units earned at other regionally accredited institutions will be evaluated for meeting degree or certificate requirements at COD.

Courses, units, and grades transferred from other colleges and universities must meet the standards of the Western Association of Schools and Colleges Accrediting Association.

FOREIGN TRANSCRIPT EVALUATIONS

Students entering COD, who have earned university/college credits in foreign countries, and believe the courses are comparable to those offered at College of the Desert, can obtain information about foreign transcript evaluation and application forms for foreign transcript/credential evaluation services from the International Student Office or the Evaluation Specialist.

REGISTERING IN CLASSES

Registration at COD can be completed via Web Advisor or by the telephone registration system; these tools enable students to initially register and make changes to their schedules from their home, office, or anywhere they have access to a computer or telephone. Registration policies and procedures are presented in the class schedule. As mentioned earlier in the MATRICULATION PROCESS section of the catalog, all students should adhere to the matriculation process in order to register for classes.

ASSESSMENT

The purpose of assessment is to help students identify their readiness to perform college level academic study and to help them succeed in their programs of study. Assessment for placement in reading, writing and mathematics courses is a key component of the College Matriculation Plan and is expected of all students who:

1. Plan to complete an associate degree or certificate of achievement, and/or plan to transfer to a four-year college/university.
2. Plan to enroll in reading, writing and/or mathematics courses.
3. Plan to enroll in a course which has a reading, writing and/or mathematics prerequisite.
Students who have completed required competency courses with grades of C or higher at another accredited college/university are exempt from this requirement, providing official transcripts showing such completion are on file at College of the Desert.

The assessment consists of three parts: reading, writing, and mathematics. Results are provided to the student. Test results, combined with a student’s educational record, educational goals, maturity, etc., are used to place students in appropriate levels of reading, writing and mathematics classes.

Students found to have reading, writing and/or mathematics deficiencies are expected to begin taking courses to correct those deficiencies in their first semester of enrollment.

As College of the Desert offers an assessment program which uses microcomputers, it is available for students to take year-round except for holidays and weekends. The Assessment Center is located in the Academic Skills Center, Building E. To set up an appointment to take the assessment exam, please call (760) 776-7413.

NEW STUDENT ORIENTATION

A key component of the College Matriculation Plan, orientation is a required activity for all new students. The purpose of orientation is to introduce and familiarize students with important college policies, procedures and expectations. Prior to the beginning of the fall and spring semesters, orientations are held for new students. Matriculating students entering with basic skills and/or scholastic deficiencies are to participate in orientation activities during their first semester of attendance. These activities include study skills instruction, student success assessment, career assessment and student survival skills. The orientation program is designed to assist students to:

1. Receive assistance in deciding which courses to take in order to achieve their educational objectives;
2. Meet advisors, counselors, and program directors;
3. Interpretation of the basic skills assessment;
4. Understand information regarding the college catalog, courses, certificates, Associate of Arts and Science degrees, and transfer requirements;
5. Become aware of the Counseling Center’s services and other programs on campus;
6. Recognize the difficulties that may be encountered during the initial weeks of college;
7. Understand the role of the community college.

Additional activities for new students are offered by the Counseling Center and provided throughout the fall and spring semesters. Some of the activities include classes and/or workshops on Study Skills, Career Development, Time Management and Test Taking.

ADDITIONAL & DROPPING COURSES

Students have the ability to adjust their class schedule as needed via the WebAdvisor, telephone registration system, or notification to the Admissions & Records office, provided that they adhere to all registration deadlines as published each semester in the Schedule of Classes. A change of a student’s class schedule can include the following: dropping a class, adding a class, adding or reducing units to a class for which the student is already registered, or changing sections of the same course.

WITHDRAWALS AND GRADE RESPONSIBILITY

Students are expected to plan their schedule carefully with the aid and approval of the advisor and endeavor to maintain that schedule throughout the semester. The student must attend all classes in which originally enrolled until the requested change is officially authorized.

Students are held accountable for every course for which they have registered and are responsible for their own class schedule and any changes made via the Web Advisor, the telephone registration system, or notification to the Admissions and Records Office. If a student fails to drop or withdraw from a course by the established deadlines, the student may receive an “F” grade for that course. To assure transactions are correct, College of the Desert recommends that students print out a class schedule after completing registration and/or after adding or dropping a course.

Time Management and Test Taking.

The designated student grade responsibility date shall occur at the 75 percent point of a semester or session. Students who do not withdraw by the deadline indicated in the class schedule will receive a grade of A, B, C, D, F, CR or NC. All grades become a part of the student’s permanent records.

Where documented cases of extenuating circumstances exist, students may petition to be allowed to withdraw from class(es) after the grade responsibility date. The petitioning process is to commence with the Dean of Enrollment Services after consultation with the
instructor(s) of record, or in the event the instructor cannot be contacted, the division dean. Extenuating circumstances include documented cases of accidents, illnesses or other circumstances beyond the students’ control which would prevent them from completing the class(es). Where such withdrawals are approved, the symbol “W” may be granted.

Extenuating circumstance petitions to withdraw from a class after the grade responsibility date must be presented within two years from the time the grade was assigned.

**UNIT OF CREDIT**
The term “unit of credit” is a measure of time and study devoted to a course. One credit unit is equivalent to no less than one hour of lecture per week plus at least two hours of study outside of class or at least three hours of lab per week per semester. Many courses are made up of a combination of lecture sessions and laboratory sessions.

**MAXIMUM UNIT LOAD**
A normal class load for fall and spring semesters is considered to be 12-17 units plus an activity class in physical education. Students working full time are encouraged to carry a reduced load. Students with advanced standing, and having a “C” average or better are permitted to enroll to a maximum of 19 units. During the summer term, students may be limited to 7 units.

Students who wish to obtain a variance from the above unit limitations should contact the Counseling Center to submit a petition for unit overload. Prior to receiving approval, students will be required to meet with the Dean of Student Support Programs & Services or the dean’s designated representative to discuss the student’s prior academic performance and their reasons for requesting a unit overload.

**SCHEDULE OF CLASSES**
The Schedule of Classes is the official list of courses offered each semester. The College reserves the right to make additions or deletions to the list of course offerings during the year or to cancel those classes in which enrollment is insufficient.

Every class offered, unless otherwise stated in the official catalog and schedule of classes, shall be fully open to enrollment and participation by any person who meets the academic prerequisites and/or corequisites of such class (subject to maximum enrollments) and who is otherwise eligible for admission to and enrollment in the College. Go to [www.collegeofthedesert.edu/Students/Class Schedule](http://www.collegeofthedesert.edu/Students/Class Schedule) for the online schedule.

**CLASSIFICATION OF STUDENTS**

- **Freshman**: A student who has completed fewer than 30 units of college credit.
- **Sophomore**: A student who has completed 30 or more units of college credit.
- **Post-Graduate**: A student who has been awarded a degree and has enrolled for further study.
- **Full Time**: A student enrolled for 12 or more credit units.
- **Part Time**: A student enrolled for fewer than 12 credit units.

**FEES**

1. **Enrollment Fees for Resident Students**: Fees are listed in the Schedule of Classes for each semester or intersession, and
2. **Tuition Fee for Out-of-State Residents**: A tuition fee, based on the average cost of instruction which is payable at time of registration, is charged to all students who have not been legal residents of California for one full year. See Schedule of Classes for the current fee. Questions relating to the establishment of California residency should be directed to the Admissions and Records Office.

**Waivers of Non-Resident Fees**: Under California law, waivers of the non-resident portion of tuition and fees may be granted to the following:

- Members of the military who are on active duty assigned to California, their spouse and dependent children.
Students who have attended high school in California for three years or more, and will have earned a diploma or the equivalent before classes begin. Includes undocumented aliens and all others who meet the criteria even if they have established residency in another state subsequent to graduation from a California high school.

Documentation is required for both categories. Please contact the Admissions and Records Office for specific information.

3. **Tuition Fee for Foreign Students**: In addition to the nonresident fee computed as specified above, foreign students will be charged an amount not to exceed the amount that was expended by the District for capital outlay in the preceding year, divided by the total full-time equivalent students. See Schedule of Classes for the current fee.

4. **Health Service Fee**: Assembly Bill No. 2236, passed by the California State Legislature, and under authority of Section #72246-72244 of the education code, authorizes College of the Desert to charge a health service fee for the operation of a Student Health Center. Exempted students include:
   a. All active duty military personnel attending classes on a military base and their dependents.
   b. Apprentice students.
   c. All students who depend exclusively on prayer for healing in accordance with a bonafide religious sect.

5. **Student Center Fee**: Approved by student vote in accordance with section #79121 of the education code for the purpose of refinancing, constructing, enlarging, remodeling, refurbishing, and operating a student center.

6. **Student Representation Fee**: Approved by student vote, this fee is to support student government representatives who may be stating their positions and viewpoints before city, county, and district government, and before offices and agencies of the state and federal government. Students may refuse to pay, for religious, political, financial or moral reasons, in writing to the Admissions and Records Office at the time of initial payment of fees.

7. **International Student Insurance**: College policy requires all international students on the F-1 visa to purchase the COD health insurance plan while they are studying at College of the Desert and/or the Intensive English Academy. COD does not accept any health insurance provider other than the approved college policy; this includes both foreign and domestic policies. Information regarding benefits and costs can be obtained at the International Student Office.

8. **Parking Fee**: A fee is charged to students for parking permits. A valid permit must be displayed to park on campus. There is a charge for replacement of parking permits. Penalties are assessed for violation of parking regulations.

9. **Health Occupations Programs**: College Policy requires each student enrolled in Health Occupation programs which require patient contact for the development of specific skills to secure insurance coverage against liability for malpractice.

10. **Student ID Card**: An optional student identification (ID) card is assessed students who wish to purchase a picture ID. In addition to allowing easy access to campus facilities, the ID card enables students to qualify for discounts on and off campus.

11. **Transcript Fee**: An official transcript of a student’s record is obtained by completing an on-line transcript request form. Sealed transcripts sent directly from the College to the destination requested by the student are considered official unless unsealed. There is no charge for the first two official transcripts provided a student orders the transcripts through the Admissions and Records Office (allow minimum of 21 working days).

12. **Duplicate Diploma Fee**: There will be a fee of $25.00 for a duplicate diploma.

13. **Credit by Examination Fee**: Students wishing to apply to challenge a course to receive credit by examination must submit a $25.00, non-refundable fee to complete the application process.

14. **Enrollment Verification Fee**: Students requesting enrollment verification pay a nominal fee. Enrollment verifications are obtained by completing an online request form. Enrollment verifications requested for the purpose of student loan deferment are fee exempt.

**PLEASE NOTE**
All fees are subject to change according to changes in the California Educational Code and the State Legislature.
All information relative to enrollment fees and health fees is subject to change as mandated by the California Community College Board of Governors and California law.
REFUND POLICY

Requests for refunds are accepted at the Admissions and Records Office until the deadline indicated in the class schedule. Refunds are authorized only after a refund application is submitted within the prescribed time limit. Applications for refunds are available at the Admissions and Records counter in Building C. Refunds must be requested; they are not issued automatically.

When the College cancels a class, refunds are issued upon request from the student. The request must be filed during the semester in which the class was cancelled. When the College makes a time change in a class which prevents the student from attending, the student must drop the course and apply for a refund. Deadline dates to drop courses and submit refund applications must be met; both are stated in the Class Schedule.

LIMITATIONS ON FEE REFUNDS

Enrollment, Student Center, and Student Representation Fees are refundable if class is dropped on or before the “last day to drop and be eligible to receive a refund.” See Academic Calendars for deadline dates. Contact the Admissions and Records Office for deadlines attached to short-term classes.

The student health fee is refundable if classes are dropped on or before “last day to drop and be eligible to receive a refund” if the student completely withdraws from school. It is not refundable for a reduction of program.

The parking fee is refundable if classes are dropped on or before “last day to drop and be eligible to receive a refund,” if the student completely withdraws from school. It is not refundable for a reduction of program. The parking sticker must accompany the request for refund.

Nonresidents and foreign student tuition fees are refundable for a reduction of program or for a complete withdrawal. See Academic Calendars for deadline to drop and be eligible to receive a refund, and the last day to request a refund.

RETURNED CHECKS

Business Services Office

A service charge of twenty-five dollars ($25.00) will be assessed for any check returned to College of the Desert by a bank. Students who have a returned check will be notified by the Business Office. A hold will be placed on the students’ records preventing any registration activity (including registration for subsequent terms), having transcripts sent, and verification of enrollment or other transactions. The hold will remain until the financial obligation is met. Students who have two or more checks returned by their bank will be placed on “cash-only” status and required to make all future payments in cash.

College Bookstore

A service charge of twenty-five dollars ($25.00) will be assessed for any check returned to the College Bookstore by a bank. Students who have a returned check will be notified by the Bookstore. If payment is not made within 10 days of notification, the bad check will be turned over to the Riverside County District Attorney Bad Check Restitution Program.

ACCIDENT INSURANCE

The Health Fee entitles students to accident insurance. This policy covers accidents on campus or campus related activities only. Athletes engaged in the interscholastic sports have separate coverage.

MEDICAL INSURANCE

Students may voluntarily purchase supplementary health insurance to cover sickness and hospitalization at minimum cost. This insurance is required for all foreign students each semester.

TRANSCRIPTS

An official transcript of a student’s record may be obtained from the Admissions Office by completing an online request form. To access this form, please visit the COD website at www.collegeofthedesert.edu and go to WebAdvisor, then click TRANSCRIPT REQUEST. Please allow 7 – 10 days for processing.

Sealed transcripts sent directly from the College to the destination requested by the student are considered official. Unsealed transcripts given to the student are considered unofficial. Unofficial transcripts are not available; a student may request an official transcript for their records via the web.
Chapter 3 - Student Life

STUDENT LIFE

ACTIVITIES and CLUBS

Through the Student Activities Office, College of the Desert offers a variety of campus clubs and organizations for every phase of campus life. They provide opportunities for students in social, service, curricular, and special interest programs. Students are encouraged to participate in campus organizations.

Each year new clubs are chartered as they are requested by the students. A sample listing of clubs includes:

- Architecture Club
- Business Club
- Crusade For Christ Club
- International Club
- MEChA
- MESA Club
- RotarAct Club

Every club is a part of ASCOD, which meets regularly to discuss activities, projects and problems pertaining to its members. Students will have an opportunity to learn more about starting their own student club or joining an existing one by participating in Club Rush Week, which occurs at the beginning of each semester. For more information, please visit the Student Activities Office located in the Hilb Student Center or call (760) 862-1317.

ASSOCIATED STUDENTS of COD (ASCOD)

In keeping with the philosophy of College of the Desert, the responsibility for student government is placed with the students. Regularly enrolled students of the college are encouraged to be participating members of ASCOD.

College of the Desert supports an active ASCOD organization. One student from campus is elected each year to serve as Student Trustee and to represent the general student population at the regular meetings of the Board of Trustees. ASCOD has adopted a constitution incorporating rules and regulations which provide for a governing body that reflects the interests of the entire student population. For more information, please visit the Student Activities office located in the Hilb Student Center or call (760) 862-1317.

BOOKSTORE

The College of the Desert Bookstore contains all COD textbooks, whether required or optional. The bookstore also carries school supplies (imprinted and non-imprinted), BarCharts, and reference materials to assist students in their academic endeavors. In addition, College of the Desert clothing and giftware is also available, as well as a wide variety of snacks and sundries. The bookstore accepts all major credit cards, and personal checks for the amount of the purchase with appropriate ID. Gift cards are available for purchase and replenishment. Bookstore hours are listed in the class schedule each semester. The Bookstore is open extended and weekend hours during back to school periods. Students can also order their textbooks at our website www.codesert.bkstr.com.

FINANCIAL AID

College of the Desert provides financial assistance in the form of grants, scholarships, loans, and part-time employment for students who meet specific financial aid program eligibility requirements. If you believe that you and your family will not be able to pay for all of your educational costs, you are encouraged to apply for financial aid.

How to Apply

To be considered for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is available beginning in January of each year from high school counselors or college financial aid offices. It should be completed and mailed to the processing service listed on the form as soon as possible after January 1st for the next academic year. Complete instructions are included in the application form.

Or, if you prefer, you may apply for financial aid over the Internet at www.fafsa.ed.gov beginning on January 1st of each year. Applying over the Internet is faster and helps the student to submit more accurate information than completing on a paper application.

The FAFSA must be submitted and processed before you can be considered for financial aid. All financial aid applicants who are California residents should also apply for a Cal Grant from the California Student Aid Commission. The application postmark deadline for consideration for these awards is posted in the Financial Aid Office.
If you send in the paper FAFSA to apply for financial aid instead of submitting over the Internet, you will receive a paper Student Aid Report (SAR) in the regular mail. If you apply using FAFSA on the Web (www.fafsa.ed.gov), Renewal FAFSA on the Web, or do Corrections on the Web, you will receive either a paper SAR or a SAR Information Acknowledgement in the regular mail, or an email with an URL link to SAR data on the Web, depending on whether or not you provided an email address and all required signatures. After the Financial Aid Office receives your FAFSA data, you may be required to submit additional documents directly to the office - - this request may include copies of federal income tax returns and/or verification of untaxed income and other information reported on the FAFSA.

In addition to the FAFSA application process, students must meet other requirements such as Ability-to-Benefit and Satisfactory Academic Progress (SAP) policy requirements. Contact the Financial Aid Office for further details.

The Financial Aid Office will continue to process files and award students as long as funds are available. If you apply as early as possible, you improve your chances of receiving financial aid from all programs for which you are eligible.

Repayment of Funds
In accordance with federal law, students who receive federal financial aid and withdraw from all of their classes on or before the 60 percent mark of the semester may be required to repay any unearned grant and/or loan funds they have received. The amount will be calculated by the College using the formula specified by federal regulation. All money received in the form of Pell Grants and Supplemental Educational Opportunity Grants and/or Stafford and PLUS loans will be subject to repayment requirements.

Types of Financial Aid Programs Available at COD

Students who are eligible for financial aid at College of the Desert may receive any of the following:

**Pell Grants** - The Federal Pell Grant is free grant assistance that does not have to be repaid. These grants are available to assist students in meeting educational costs. Federal Pell Grants are targeted to students with very high financial need. Even if you do not qualify for a Pell Grant, you may be eligible for other forms of financial aid.

**Cal Grants B & C** - State-funded grants awarded by the California Student Aid Commission to California residents who may apply for and qualify on the basis of merit, financial need or vocational objective.

**Board of Governors Fee Waiver (BOG)** - State fee waiver program designed to offset the cost of the enrollment fee for eligible students who qualify based on the receipt of financial aid, public assistance or who meet specific income standards.

**Cooperative Agencies Resources for Education (CARE)** - State-funded program to encourage single parents on TANF/CalWORKS to enroll and may provide counseling, financial aid and child care assistance.

**Extended Opportunities Programs and Services (EOPS)** - Funded by the State of California, this program is restricted to low-income, educationally disadvantaged students and may include grants, books and counseling services.

**Federal Supplemental Educational Opportunity Grants (FSEOG)** - Federally funded grants awarded to a limited number of eligible students who can demonstrate exceptional financial need.

**Scholarships** - Scholarships are awarded on the basis of merit and academic promise, financial need, major, or other criteria as specified by the donors of each fund. The number and types of scholarship awards available, as well as the scholarship application procedures, vary. Additional information and applications can be obtained from the Financial Aid Office.

**Federal Work-Study Program (FWS)** - This program provides those students with financial need part-time work to earn money to help pay educational costs. The amount of a FWS award depends on the student’s financial need, the amount of other financial aid being received and the availability of FWS funds at College of the Desert. Pay rates may vary, but will not be less than the current minimum wage.

**Emergency Book Loans** - Are available to students at the beginning of each semester for the purchase of books and are repaid by the Pell Grant, other financial aid or employment.

**Federal Stafford Loan** - This is a loan and must be repaid. Stafford Loans are low-interest loans made to undergraduate students attending accredited schools at least half-time. Eligible expenses covered by Stafford
Loans include tuition and fees, books and supplies, transportation, and living allowances.

**Federal Unsubsidized Stafford Loans** - Available to students who do not demonstrate financial need.

**Scholarships**
A number of different scholarships are awarded each year to qualified students by the College of the Desert Financial Aid Office based upon academic merit and promise, major or vocational objective, activities or other skill or affiliation, and sometimes, financial need as specified by the various donors. Both continuing and transferring students are eligible for these awards which may range from $100 to $2,000 per academic year. Scholarship applicants must not yet have a Bachelor’s Degree, must have completed 12 units at College of the Desert and must be enrolled on at least a half-time basis (6 units or more) in order to be considered for most of the awards.

Applications are available from the Financial Aid Office in January or February of each year and must be submitted along with two letters of recommendation to the Financial Aid Office no later than April 15. A partial list of the scholarships, donors or funding that may be awarded by the Financial Aid Office on an annual basis can be found in Chapter I, page 14. Each program has specific eligibility criteria.

**FOOD SERVICE**
The COD Cafe offers a variety of food and beverage items for students. The COD Café is located in the Dining Hall Building, located on the south end of campus near the Administration building.

**HEALTH SERVICES**
The Student Health Services (SHS) Offices are located in the Hilb Student Center. A professional nurse is on duty daily to provide services to students which include health evaluations, first aid, emergency evaluation, health education and consultation, referrals, and intake for making appointments with the College Physician. Vision screening, blood pressure screening, blood glucose and urinalysis for specific illnesses, and throat cultures for throat infections are also available at the SHS Offices. HIV screening is provided by an outside agency, generally once a semester. Flu vaccine is seasonally available and TB testing is available monthly: both require a service charge. The College Physician is available one day a week for treatment of mild illnesses. The College Nurse also processes all COD student accident insurance claims. Information regarding additional student insurance for sickness and accidents is available through the SHS Center offices. Limited services are also extended to the Eastern Valley Campus students.

**HOUSING**
There are no facilities for on-campus housing at College of the Desert. Information regarding off-campus housing is posted on bulletin boards on campus. The College does not inspect or approve the posted facilities and assumes no liability or responsibility for agreements between landlords and the students.

**JOB PLACEMENT SERVICES**
Job placement services are available to all students through the Internet or the job development specialist. Students are encouraged to use the Career Center on a drop-in basis or by appointment for a variety of services including career assessment and decision making, current career information with computer printouts of job outlook, training and educational opportunities, and individual as well as group career counseling. The Career Center is located in the Administration Building.

**PARKING**
Students parking on the campus must purchase and properly display a College of the Desert parking permit. Citations are issued by College Security. Motorcycles and motorbikes are to park in areas reserved for them. Conveniently located parking lots provide parking for students’ and visitors’ vehicles. Red, Yellow, Blue and Black curb markings, all No-Parking signs, and Emergency Parking zones are to be observed at all times, day and night. Parking on or in front of ramps is forbidden day and night. Restricted parking is in effect from 7:30 a.m. to 10:30 p.m. Monday through Friday of each school week. Parking regulations may be found on the College website, or obtained from the Parking Office, located in Building C.

Parking for individuals with disabilities (blue curb marking) must be observed both day and evening. Permits are obtained from the Department of Motor Vehicles and
must be displayed along with a valid COD parking permit when parking in any designated blue zone.

The College assumes no liability for vehicles parked on the campus.

SECURITY AND SAFETY
The College encourages all persons on campus to practice low-risk and defensive behaviors, and to be especially alert at night. Students and others are advised to park in well-lighted and trafficked areas, and to always lock their vehicles. Students should not pick up strangers or accept rides from persons they do not know.

If you suspect a crime is being committed against persons or property, call 911 or Campus Security at (760) 341-2111.

Safety and Security information published in accordance with the Crime Awareness and Campus Security Act is available upon request from the Security Office or on the college web site at www.collegeofthedesert.edu.

VARSITY SPORTS/ATHLETICS
College of the Desert is a member of the Foothill Athletic Conference. The conference includes these colleges: Antelope Valley, Barstow, Cerro Coso, Chaffey, College of the Desert, Mt. San Jacinto, Rio Hondo, San Bernardino Valley and Victor Valley.

At this time, the college participates in the following sports: for men - baseball, basketball, cross-country, football, golf, soccer, and tennis; for women - basketball, cross-country, golf, soccer, softball, tennis, and volleyball. Students interested in participating in varsity sports should contact the Athletic Department at (760) 773-2591.

ENRICHMENT ACTIVITIES
The college offers various events for student enrichment. Student Services offers campus forums in the Pollock Theater. These are directed primarily at students in an environment that is aesthetically pleasing and encourages group participation. The forums range from current events to information programs of campus importance. The college offers several plays for student and staff enjoyment in Theatre Two, in addition to cultural events performed in the Pollock Theatre and the McCallum Theatre. The Walter N. Marks Center for the Arts also has regular art shows featuring student, faculty, and professional artists.

The college attempts to foster a casual co-curricular experience for students in the Hilb Student Center. Housed in the Student Center are the offices of the Associated Student Body, Student Activities, International Education, and Student Health Services. Student Activities offers a Student Leadership Course, student clubs of varying interest, meeting rooms, and facilities for socializing. These activities are open to all students. Many of the clubs, such as MeCHA, Rotaract, and ASCOD offer civil responsibility as one of their key components. All clubs encourage personal responsibility and intellectual growth.

The Hilb is frequently the site for Voter Registration activities as well as an “open house” for campus diversity activities. These include: International Day/Week celebrations; Council on Diversity activities; and a site for the various celebrations and recognitions of student achievement, such as the Dean’s Tea for acknowledging academic achievement on the Honor Roll and Dean’s List by students each semester, as well as Scholarship and Donor recognitions. These celebrations expose students to the rewards of diversity.

The Hilb Student Center is also a student art gallery where students display, view, and discuss sculptures and fine and pop art, expressing intellectual growth in an aesthetic environment. The Center is a focal point for students to gather and, as such, every opportunity is taken to invite students and staff to interact responsibly.

The student newspaper, The Chaparral, as well as the occasionally published student creative writing and poetry journal, The Solstice, encourages intellectual development of students. The Math Division offers regular free lectures at noon regarding the world of mathematics to challenge students’ thinking.
LEARNING RESOURCES

ACADEMIC SKILLS CENTER
The purpose of the Academic Skills Center (ASC) at College of the Desert is to provide learning opportunities that support regular classroom instruction. The staff of the ASC works closely with faculty to provide audio and video tape instruction, computer aided instruction, and tutoring which helps students to practice and reinforce what they are learning in their courses. Priority is given in five areas: reading, writing, mathematics, English as a Second Language (ESL) and foreign languages.

In addition, as part of the college’s matriculation plan, the ASC assesses all entering students in basic skills and provides beginning students with introductory information about the College.

Through the Tutoring Center, the ASC also provides study skills assistance for any student enrolled in College and offers training for students interested in becoming tutors. Finally, English and ESL faculty are frequently available in the ASC to provide assistance to students in these areas. Organized as a series of labs, the ASC is located in Building E. The hours of operation are listed in the current class schedule.

ASC Language Lab
The Language Lab provides support services in programmed cassette practice, video viewing, and computer-aided instruction so that students can develop their communicative skills in understanding, speaking, reading, and writing various languages. This state-of-the-art technological facility is equipped with interactive, multimedia software carefully chosen to enhance the satisfaction of second language learning.

Interactive programs are available for ESL, Spanish, French, Italian, and American Sign Language. The lab is supervised at varied times by qualified language instructors and is located in the ASC (Building E).

ASC Reading/ESL Lab
The Reading/ESL Lab provides supplemental instruction for students enrolled in reading and ESL courses. Audio-tape, video-tape, computer software and tutoring services are tied directly to ESL and reading course content. The Reading/ESL lab is located in room 5 of the ASC (Building E).

ASC Math Lab
The Math Lab, located in room 7 of the ASC (Building E), primarily supports students who are enrolled in Math 58 courses. Students enrolled in other math courses can receive extensive tutorial support through either the Tutoring Center (located in the Mind Shack) or the Math/Science Study Center (located in the Math Building).

ASC Writing Lab
The Writing Lab primarily provides computer-based and tutorial support for students enrolled in English composition courses, but any student who is in need of writing support may enroll in an independent study lab section and use this lab. The lab provides access to computers for word processing, Internet Research, and access to a variety of software programs that teach grammar, punctuation, sentence structure, and paragraph and essay composition. Support staff help students with using computer software, formatting papers, and doing basic Internet research. The Writing Lab is located in room 6 of the ASC (Building E).

Virtual Academic Skills Center
The Virtual Academic Skills Center (VASC) is an index of Web Sites that support reading, writing, ESL, and the writing of research papers. All sites listed in the VASC have been reviewed and recommended by COD faculty. This is a free, web-based service for all COD students and is available 24 hours a day, seven days a week. Go to www.collegeofthedesert.edu/vasc.

CENTER FOR TRAINING & DEVELOPMENT
College of the Desert has created a variety of unique programs and services designed to provide specialized assistance to the growth and stability of area business. These programs are a vital response to the college mission of assisting in the economic development of the region by offering fee based customized training programs for business and industry, applied research, business reference data bases, and individual assistance for business start up or expansion planning.

These programs use both faculty experts and business professionals to deliver specialized training, workshops, seminars and individual counseling on topics appropriate to the needs of local business and industry.
Community Education

Community Education offers a variety of informative and skilled-based courses to meet the educational needs of students preparing for a new career, working toward continuing education units, or pursuing lifelong learning. Our accelerated, not-for-credit, short-term course format is designed for adult learners and is compatible with busy schedules. Community Education offers learning opportunities that support professional development and improve business performance.

Contract Education

The college offers custom designed training programs for every level of employee from entry-level communication/basic skills to executive level specialized training. All programs are developed in consultation with the employer and delivered at a time and location suitable to the employer on a fee basis. The Office of Contract Education has successfully developed and delivered training programs to many area medium and large businesses, corporations and public agencies utilizing faculty specialists or industry specialists.

Energy Technology Training Center

The College has created the nation’s first training center for technicians who repair and maintain advanced fuel vehicles such as compressed natural gas (CNG) and liquid petroleum gas (LPG), and is preparing training programs in other alternate fuel systems such as electric vehicles (EV). These technician training programs are designed to meet the needs of the emerging advanced transportation technology systems in the Coachella Valley and were developed in partnership with SunLine Transit Agency, the Southern California Gas Company and the Chancellor’s Office.

Institute for Sales & Service Excellence

The Institute for Sales & Service Excellence provides training for employees in the retail and hospitality sectors. Entry level training, management seminars and courses for continuing education units are offered through the Institute.

Customer Service Training

A highly qualified community college instructional staff and expert consultants have been certified to teach high performance skills with a customer service emphasis for quality control and productivity improvement.

WorkPlace Learning Resource Center

Sponsored by the Chancellor’s Office Economic & Workforce Development Program, this center specializes in assessing the skills and abilities of employees at local businesses and designing and delivering appropriate workforce training programs to strengthen basic and intermediate skills required to improve employee performance.

Adult Education

Recognizing the role of the community college in the area of developmental education, College of the Desert makes available courses not for college credit (non-credit) for development of necessary skills and knowledge in Adult Education (reading, writing and math), High School Completion, and preparation for the General Education Development Test (GED). No enrollment fees are charged to students taking adult education courses.

Many courses are offered on an open-entry, open-exit basis. Admission of students occurs on a daily basis and no prior educational background is required. In addition to regular class offerings, emphasis is placed on individualized student learning. Specifically, instruction is provided in the following areas:

Adult Basic Education (ABE)

Recognizing the role of the community college in the area of adult education, College of the Desert makes available non-credit courses in High School Diploma Completion, General Education Development (GED) test preparation, and Basic Skills. In addition to regular class offerings, emphasis is placed on self-paced, independent, student-centered learning.

High School Completion

High School Completion is the study of subjects required to obtain a high school diploma. Students completing their required coursework and passing the proficiency exams will receive a high school diploma issued by College of the Desert.

General Education Development Test (GED)

General Education Development (GED) is the study of social studies, math, reading, writing, and science. Students completing this course of study will be better prepared to take the GED test. The GED certificate is an
alternative to a high school diploma and is accepted by many employers, community colleges, vocational training programs, and governmental agencies.

**Basic Skills**

Basic Skills is the study of reading, writing, and math. It is designed for adults to learn these skills. Basic Skills students will be better prepared to pursue further education, including ABE and High School Completion, or pursue employment opportunities.

**DEPARTMENTAL SEMINARS**

Departmental Seminars, designated as Course Number 48A, B, C (1, 2, & 3 units respectively) may be conducted by any department. They are designed to provide an opportunity for students to work in small groups with one or more instructors. The course provides the students an opportunity to participate and interact with their instructors and colleagues to extend their knowledge and understanding of some particular problem or topic within the general scope of departmental offerings which are not contained in scheduled courses.

The exact nature of the individual assignments depends upon the nature of the study and topic involved, but all seminar students are expected to complete at least one of the following: a project, field study, survey, written report, and/or term paper.

Seminars bring together active and retired personnel resources in the community to work with faculty and students to extend depth, imagination, and applicability to the programs of instruction. A maximum of six seminar units are accepted for the A.A. or A.S. Degree.

**INDEPENDENT STUDY PROJECTS**

(1-3 Units)

Available to students carrying six or more units, Independent Study is designed to:

1) extend students’ knowledge and understanding of subject matter beyond the stated objectives of the course in which they are registered; or

2) provide means to earn credit in an academic area where they have exhausted all available course options. In this case, the Independent Study course should be degree or certificate applicable.

Independent Study credit is given on a “lab” value basis (1 unit=54 hours, 2 units=108 hours, 3 units=162 hours) in which students work independently under the direction and guidance of the instructor. A maximum of six units of individual study is accepted toward the A.A. and A.S. Degree.

The appropriate Dean must approve the project before the student registers for the course. It is recommended that Independent Study Projects for 3 units begin prior to the 4th week of the semester; for 2 units, prior to the 7th week; and for 1 unit, prior to the 10th week.

**INTENSIVE ENGLISH ACADEMY**

Students who are in need of additional English training prior to their studies, or just want to improve their language skills, can study at the Intensive English Academy (IEA). The IEA consists of 30 hours per week of instruction and lab work. This fee-based program includes classes in reading, writing, grammar, listening, conversation and TOEFL training (advanced level). Classes are offered from the beginning to advanced level. The IEA course offers both 8-week and 16-week sessions.

More information on our programs or an application can be obtained by visiting our website at [www.collegeofthedesert.edu/international](http://www.collegeofthedesert.edu/international), or by contacting our office at: International Student Office, 43-500 Monterey Avenue, Palm Desert, California, 92260; by email: cdelgado@collegeofthedesert.edu by telephone: 001-760-776-7205 or by fax: 001-760-862-1361.

**LEARNING COMMUNITIES**

A Learning Community involves a common group of students enrolled in a linked group of courses designed to share a common theme or common set of teachers. Together, students have the opportunity to develop a deeper understanding and integration of the material they are learning, as well as more opportunities for interactions with one another and their teachers.

When you register for a Learning Community, you are getting more out of your college experience because these communities engage your interest, intellectually challenge you to think, build a sense of community and contribute to making friends. As a result, you are more likely to progress successfully toward completing your educational goals.
Since Learning Communities often have limited seating, enrollment requires that students obtain an approved signature on a specially prepared registration form from a learning community faculty member or counselor. More specific enrollment instructions can be found in the Schedule of Classes each semester.

Currently, College of the Desert offers two types of Learning Communities: WRAAP and SPECC.

**WRAAP**

The **Writing, Reading & Academic Advancement Program** (WRAAP) is an innovative new teaching approach geared toward assisting students to enhance their reading and writing skills while also strengthening their study skills. This learning community has two tracks that will link a reading course with a writing course and a student development course that is designed to enhance your time management, study skills, and college transfer knowledge. WRAAP I links English 50, with English 55, Reading 50 and STDV 60 (College Success); while WRAAP II links English 51, with Reading 51 and STDV 53 (Strategies for College Transfer). In addition, participants in WRAAP will receive attention from an assigned counselor and specialized tutoring from a cohort of specially trained tutors. For more information about the WRAAP program, please contact the Communication Division at (760) 773-2572.

**SPECC**

**Strengthening Pre-Collegiate Education in Community Colleges** (SPECC) offers an innovative learning communities program which aims at improving student success in basic skills education. Students who enroll in SPECC courses will be in a rich learning environment with collaborative instruction and plenty of opportunities to work closely with their classmates, instructors, an assigned counselor and peer tutors. In the lower levels, SPECC links English, Reading, and Math basic skills courses as well as a College Success course. The English and Reading courses are taught by qualified ESL instructors. SPECC also incorporates student support services, such as tutoring and counseling. In the higher levels, SPECC links pre-collegiate Math with transfer English and General Education courses. For more information about the SPECC Program, please contact the SPECC Office at (760) 862-1364.

**LIBRARY**

**A Unique Collaboration: The Multi-Agency Library**

The Multi-Agency Library unites three agencies: the City of Palm Desert, the Riverside County Public Libraries and the College of the Desert in a unique community partnership. Patrons have the opportunity to browse and select materials from both the COD and public library collections. By complementing each other’s particular strengths, the public and academic libraries offer a greater variety of materials and services (research materials, community activities, children’s programs, and local history information, etc.) to students and other library users.

**Library Research Instruction**

The College Library plays a prominent role in the instructional curriculum of the College. A professional staff is available to assist students and faculty in locating information and in completing research projects. The library offers research instructional classes to students and faculty and typically teaches nearly 100 such classes during the academic year. Each instructional session is designed with the research level of the students in mind. The focus of the instruction is on the specific subject-relevant research materials associated with a particular academic program or course.

**The Collection**

The library currently has over 51,000 volumes and volume equivalents and maintains subscriptions to over 220 newspapers, magazines and academic journals. The library also provides access to electronic databases, accessible in the library and from home and other remote locations. The electronic databases include a wide array of materials such as EBSCOHost (a collection of approximately 2,000 full-text periodicals), NewsBank (a collection of approximately 500 national newspapers), and SIRSI Unicorn, the library’s online catalog. The library also maintains a small collection of instructional videotapes and DVDs which may be viewed using the equipment in the library.
Learning Resources,  
Student Support Programs & Services

**McCARTHY FAMILY CHILD DEVELOPMENT & TRAINING CENTER**

The Child Development Center is open to children in the area between the ages of 12 months and 5 years without regard to race, color, disability, religion, ancestry or national origin. The Center serves as a preschool teacher-training site and a model program, as well as a comprehensive preschool program.

For additional information, call the center at (760) 862-1308.

**MATH/SCIENCE STUDY CENTER**

This Study Center is located in the Math Building and provides math and science students with a place to study. There are small group areas available for those who like to work in small groups. Mathematics and science adjunct faculty are available to assist students in this facility during their office hours. Tutoring is also available. Software and videos, as well as Internet access, is available in support of college level mathematics and science classes.

**TUTORING CENTER**

The Tutoring Center provides tutoring for most courses offered at College of the Desert, with a particular emphasis placed on math and writing skills. Tutoring is primarily offered in scheduled small group sessions, though students in special programs can also receive on-on-one tutoring. Most tutors are COD students who have been recommended and trained by the staff of the Tutoring Center. The Tutoring Center is located in the Mind Shack at the East Annex. Hours of operation are listed in the class schedule each semester.

**VIRTUAL VALLEY CENTER**  
for ONLINE CLASSES

College of the Desert offers 42 sections of 28 different courses online. These include Administration of Justice, Computer Information Systems, Computer Graphics, Digital Design and Production, Economics, English, Health, Mathematics, Natural Resources, Programming, Sociology, Spanish, and Web Publishing. See the class schedule for a complete listing.

Online courses have the same transfer status and prerequisites as traditional on-campus classes, and are subject to the same standards of academic quality. The difference is that the student completes his or her coursework asynchronously via email, electronic bulletin boards and chatrooms. This can be a tremendous advantage for those students who have trouble getting to the campus or who have schedules that do not allow them to take classes scheduled at specific times. Online students must have their own computers and Internet access, and must be proficient in using the Internet, a word processing program and email.

For further information, please visit the Desert Online home page at www.desertonline.net or contact Tom Gillman, the Coordinator of the Virtual Valley Center, at tgillman@desertonline.net or call (760) 776-7305.

**COD/CSUSB PRE-NURSING PROGRAM**

College of the Desert and California State University, San Bernardino, Palm Desert, offer a joint Bachelor’s in Nursing program. Students accepted into the CSUSB pre-nursing cohort begin with undergraduate prerequisite courses at College of the Desert, and once admitted to the CSU nursing program, complete nursing and upper division requirements at CSUSB Palm Desert. Students interested in this program should contact the COD Counseling Center at (760) 773-2520.

**COD Courses:**
- BI-013 (4)
- BI-014 (5)
- BI-015 (5)
- CH-004 (4)
- ENG-001A (4)
- HIST-017 or 018 (3)
- MATH-013 (4)
- PS-001 (3)
- PSY-001 (3)
- PSY-003 (3)
- SOC-004 (3)
- SP-004 (3)
- 3 Arts/Humanities Elective (3)
STUDENT SUPPORT PROGRAMS & SERVICES

ACES
The Academic Counseling & Educational Services (ACES) program is a Student Support Services program under the federally funded TRIO programs. Supported by the U.S. Department of Education, the ACES program assists low-income, first generation college students to graduate and transfer from College of the Desert. Services include:

- academic, personal and career counseling services;
- tutoring services;
- opportunities to attend college tours at four-year colleges and universities;
- opportunities to attend various cultural events and student leadership conferences;
- access to borrow a scientific calculator and/or laptop computer.

Eligible ACES students are also provided with financial aid stipends. For more information about eligibility requirements or to request an application, please visit the TRIO Programs building located in the Central Annex or call (760) 776-7347.

CALIFORNIA MINI-CORPS
The California Mini-Corps program is a statewide program that places college students in local elementary and high schools in an effort to develop future teachers. College of the Desert students who join the Mini-Corps program will provide academic support to students from migrant family backgrounds and serve as a liaison between the child’s parents and the local school systems. To be eligible to participate in the Mini-Corps program, a student should come from a migrant family background and be enrolled in 12 semester units. To learn more or to request an application, please call (760) 862-1316.

CALWORKS
College of the Desert students who are also TANF recipients, as identified by the County of Riverside, are eligible to receive specialized services to assist them in achieving their educational goals. These services include book vouchers, work study opportunities, resources for child care and academic support. To learn more about the California Work Opportunity and Responsibility to Kids (CalWORKs) call (760) 862-1343.

CAREER CENTER
The Career Center is available to all students for a variety of services including career assessment and decision making, current career information with computer printouts of job outlook, training and educational opportunities, and individual as well as group career counseling. Job placement services are also available in the Career Center through internet resources and through a special partnership with the Employment Development Department (EDD) of California. The Career Center is located in the Administration building adjacent to the Counseling Center. For more information and hours of operation, please call (760) 862-1351.

COUNSELING & ADVISING SERVICES
As part of the College’s Matriculation plan, all students have the right to receive counseling & advising services. New students will attend orientation and receive counseling assistance to establish an appropriate education plan and register for courses. Continuing students without a selected major will be advised by counselors until they have selected and declared a major. After deciding on a major, students are referred to a faculty advisor within the discipline of study that the student is majoring in. Students who are seeking these services should start by contacting the COD Counseling Center.

COUNSELING CENTER
The primary goal of the Counseling Center is to provide learning opportunities for students to clarify their values and goals, to make decisions, and to develop self-esteem, self-confidence, and self-direction as related to their educational objectives.

Toward this goal, our staff of highly trained and diversely experienced professional counselors are available to assist students with identifying their needs, assessing their strengths, and overcoming barriers. Counselors can assist students in selecting the appropriate programs of study relative to their chosen objectives. Educational objectives may include completion of a vocational
Learning Resources,
Student Support Programs & Services

program, transfer major to a four-year college or university, enhancement of employment skills, or improvement of basic skills. Services available include:

- Academic, Career, and Personal Counseling
- Development of Student Educational Plans (SEPs)
- New Student Orientation
- Crisis Intervention
- Student Success and Study Skill Development Courses and Workshops
- Information about Campus Resources and Financial Aid

Counseling services are offered to day and evening students. Appointments are encouraged and can be made by telephone or in-person. Counselors are also available on a limited basis for drop-in counseling. To see a counselor or to obtain more information, please visit the Counseling Center, located in the Administration Building, or call (760) 773-2520.

Counseling Services are also available at the College’s Eastern Valley Center. Appointments are required and can be made by calling (760) 776-7200.

DISABLED STUDENTS PROGRAMS AND SERVICES (DSPS)

Students with disabilities at College of the Desert participate in the same activities and courses as any student. Special services are offered to provide a more equitable classroom experience and to help successfully integrate the student into college life. Such services include: priority registration, tutoring, interpreters, notetakers, specialized counseling, and special equipment to those who qualify.

Disabled Students Programs and Services (DSPS) provides special instructional opportunities to qualified students. Participation is voluntary. Interested students must meet with the appropriate DSPS counselor to apply for these programs. Special instructional programs include: DSPS High Tech Computer Access Center, WorkAbility III, and Adapted Physical Education courses.

The State Department of Rehabilitation also offers services to aid students who have physical, emotional, or other disabilities which handicap them in obtaining employment. All interested individuals are urged to contact the Learning Disabilities Specialist, a Counselor, or the Coordinator of Disabled Students, Programs and Services for further information: 760/773-2534; TDD 760/773-2598.

EOPS & CARE

The Extended Opportunities Programs & Services (EOPS) program is a state funded student services program designed to provide academic, counseling, and financial support to students who are from educationally and financially disadvantaged backgrounds. The EOPS program promotes student success with enrollment assistance, educational planning, tutorial support, and book vouchers. Participation in this program is limited to California residents who are eligible to receive the Board of Governors (BOG) Waiver, are in good academic standing, and plan to be enrolled as a full-time student (12 units per semester).

EOPS-eligible students who are single, head of household TANF/AFDC recipients may also be eligible to participate in the Cooperative Agencies Resources for Education (CARE) program. In addition to the services mentioned above, the CARE program provides food vouchers and financial assistance with child care.

For additional information about the EOPS and CARE programs, please visit the EOPS/CARE office located in the Counseling Center (Administration Building) or call (760) 773-2537.

INTERNATIONAL EDUCATION PROGRAM

College of the Desert believes that international students add to the multiculturalism and diversity of our campus. We have an active International Education Program with over 200 international students from 35 different countries studying at our campus. The International Student Office is committed to assisting international students during their studies at the College. We offer extensive services to support international students throughout their studies at COD. Services include orientation, international student counseling, tutoring, university transfer assistance, academic advising, activities, immigration advising and housing assistance. Although there are no dormitories on-campus, this office
Learning Resources,  
Student Support Programs & Services

offers an American Host Family program and assistance in securing off-campus apartments.

More information on our programs or an application can be obtained by visiting our website at www.collegeofthedesert.edu/international, or by contacting our office at:

International Student Office, 43-500 Monterey Avenue, Palm Desert, California, 92260;
by email: cdelgado@collegeofthedesert.edu;
by telephone: 001-760-776-7205;
by fax: 001-760-862-1361.

MESA
Mathematics, Engineering, and Science Achievement Program

MESA is an academic enrichment program that serves educationally disadvantaged students and emphasizes participation by students from groups with low rates of eligibility to four-year institutions. MESA offers curricular and extracurricular services to increase the numbers of students who transfer and ultimately graduate with degrees in math-based and science-based fields. These areas include, but are not limited to physical sciences, life sciences, computer science, engineering, pre-medicine, pre-veterinary, nursing (B.S.), pre-pharmacy, and architecture. The MESA Program provides support through the following:

- Tutoring
- Academic Excellence Workshops
- MESA Student Study Center (Business Building Room 10)
- Career advising
- Internship and job information
- Transfer assistance to four-year institutions
- Scholarship and financial aid assistance
- Freshman orientation course
- Field trips to universities, industry sites, and special events.

The MESA Program is administered by the Math and Science Division and is located in the South Annex, Room 9. For additional information, call (760) 776-7455 or email the Director at cfarmer@collegeofthedesert.edu.

NEW HORIZONS
BOOK LOAN PROGRAM

The New Horizons Book Loan program provides low-income students with books for eligible courses. The book loan program is funded through the Carl D. Perkins Vocational and Applied Technology Act of 1998 (VTEA), a state funded grant to improve the vocational and technical education programs in California. To be eligible to participate in this book loan program, students must be recipients of the Board of Governors tuition fee waiver (BOGW) and meet other specified criteria. To learn more or to request an application, please call (760) 773-2571.

STUDENT EDUCATION PLANS (SEPs)

Upon admission to the College all students will be required to express a broad educational goal. A specific educational goal, along with a Student Educational Plan (SEP) must be declared after the student has completed 15 semester units of degree applicable coursework. It is the responsibility of the student to contact a counselor to complete an educational plan. Failure to specify the goal, complete the Educational Plan, diligently attend classes, complete assignments, and maintain progress towards that goal may result in the suspension or termination of further matriculation services to the student by the College and the District. For more information, contact the Counseling Center at (760) 773-2520.

SCHOOL-TO-CAREER (STC)/TECH PREP

STC and Tech Prep are part of a nationwide educational reform movement that creates a seamless curriculum between high schools and community colleges. During the last two years of high school, juniors and seniors may choose a major course of study in one of the programs. Locally, those programs are linked to two-year associate degree and certificate programs at College of the Desert.

The STC/Tech Prep programs at College of the Desert may include accounting, business, business management, computer science, real estate, small business systems, office automation and marketing, vocational nursing, assistant nursing, computer information systems, architecture, automotive technology, etc. College of the Desert offers 37 vocational programs which can be linked with high school programs to form a four-year tech prep program.
Students who complete STC/Tech Prep programs are prepared for entry-level employment, advanced technical training or advanced education at a four-year university.

**TRANSFER CENTER**

The Transfer Center provides students and staff with the most current transfer information to help ensure that students experience a smooth transition to four-year colleges and universities. Applications, catalogs, and other resource materials, including Internet access, are available to students who are committed to transfer as well as to those who are exploring the possibility of transfer. Students may talk with a COD counselor and/or meet with admissions advisors from several colleges and universities, including California State University, San Bernardino and University of California, Riverside.

Each fall semester the Transfer Center hosts **College and University Day**, during which representatives from California State University, the University of California and private and independent schools meet with prospective COD transfers. This annual program provides an excellent opportunity for students who are exploring transfer options to learn about various colleges’ academic programs, transfer admission requirements, fees, housing and other student support services. University application workshops and financial aid information are also provided. For more information, contact the Transfer Center at (760) 776-7356.

**UPWARD BOUND**

Upward Bound (UB) is a federally funded TRIO program supported by the U.S. Department of Education. The UB program provides academic and counseling support to local low-income high school students who would be first-generation college students. The UB program requires students to attend two Saturday Academies per month, a six-week summer program and after-school tutoring. Some benefits of the program include academic and cultural field trips, a laptop loan program, and financial support. Please visit the TRIO Programs building located in the Central Annex or call (760) 772-2541 to request an application or to get more information.

**VETERANS SERVICES**

The Veterans Office was established to assist eligible veterans, dependents and reservists in obtaining their VA educational benefits and achieving their educational goals. The Veterans Office provides information on veterans’ benefits and services, assists applicants with completing applications and forms necessary for VA benefits, and assists veterans with referrals to other agencies and resources.

College of the Desert is approved for the training of veterans, dependents, and reservists leading to a certificate, an Associate Degree or transfer to a four-year institution. The Veterans Office is located in the Admissions & Records office in Building C. For more information please call (760) 773-2536.

**COD Students earn AA degrees and go on to transfer to four-year colleges and universities all over the country. COD is the leading source of transfer students to California State University, San Bernardino.**
ACADEMIC PETITION PROCEDURES

The Academic Regulations Committee has been established to review and to take action on students’ requests for waiver of academic regulations and policies. Students may petition to this committee when, in the student’s opinion, a particular academic regulation or policy is not applicable in a specific situation. Contact the Admissions and Records Office for procedures.

COURSE PREREQUISITES, Corequisites, Advisories, and Other Enrollment Limitations

Complete course prerequisites, corequisites, and advisories are listed in this catalog after the course descriptions. These requirements are intended to ensure students a reasonable chance of success. Questions regarding course eligibility should be discussed with your faculty advisor.

**Prerequisite** is a course or courses, skills, or a body of knowledge that students should possess prior to enrolling in a course or program. Prerequisites indicate the College of the Desert course which must be taken prior to enrollment in a given course. (In A,B,C,D sequences, A is usually prerequisite to B, etc.) Prerequisite requirements must be met before enrollment is permitted. **Prerequisite courses must be completed with a grade of C or better.**

**Corequisite** is a course or courses students are required to take simultaneously in order to enroll in another course. Corequisite represents a set of skills or a body of knowledge students must acquire through concurrent and continued enrollment in another course or courses in order to receive a C or better in the course requiring the corequisite.

**Advisory** is a condition of enrollment which students are advised, but not required, to meet before or concurrently with enrollment in a course or educational program. An Advisory suggests skills, experiences, or a body of knowledge with which students would achieve a greater depth or breadth of knowledge or skill development, but without which students are likely to receive a satisfactory grade.

**Limitations of enrollment** are restrictions imposed in the number of students who may enroll in a course subject to “first come, first serve” or due to health and safety considerations, facilities limitations, faculty workload, the availability of qualified instructors, funding limitations, the constraints of regional planning, legal requirements imposed by statutes, regulations, or contracts, or other such limitations as designated by the District. The District has established procedures by which any student who does not meet a prerequisite or corequisite or who is not permitted to enroll due to a limitation on enrollment, but who provides satisfactory evidence, may seek entry into the class according to a challenge process.

Any prerequisite or corequisite may be challenged by a student on one or more of the following grounds:

1. The prerequisite or corequisite has not been established according to the district’s process of establishing prerequisites and corequisites;
2. The prerequisite or corequisite violates Title V, Article 2.5, Section 55201 (Policies for Prerequisites);
3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the stated prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal stated in the student’s educational plan because the prerequisite or corequisite course has not been made reasonably available.

The determination of whether a student meets a prerequisite or corequisite shall be made prior to the student’s enrollment in the course.

The student is responsible and bears the burden for showing that grounds exist for the challenge. The challenge must be made in writing to the division dean prior to the student’s enrollment in the challenged course.

Challenges shall be resolved by the division dean and/or appropriate faculty within five (5) school days of the receipt of the challenge.

If space is available in a course when a student files a challenge, the District shall reserve a seat for the student and the student is assured a seat in the class if the challenge is ultimately upheld. If no space is available in the course when a challenge is filed and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.
Students who are seeking to challenge a course prerequisite or corequisite are encouraged to consult with a counselor in COD Counseling Center to receive guidance on the validity of a challenge prior to it being submitted.

**COURSE UNITS**

The term “unit of credit” is a measure of time and study devoted to a course. One credit unit is equivalent to one hour of lecture per week plus at least two hours of study outside of class or at least three hours of lab per week per semester. Many courses are made up of a combination of lecture sessions and laboratory sessions.

**FINAL EXAMINATIONS**

All students are expected to complete a final examination for all their registered courses as assigned by their instructor. All examinations will, so far as practicable, be conducted in writing and a maximum time will be assigned before each examination. Students are required to take the final examination at the appointed time and place in order to secure credit. Students who are in need of special accommodations should arrange this with their instructor well in advance of taking the final exam. Students who miss a final exam due to unforeseen circumstances, such as a sudden illness, should provide documented evidence to the instructor if the student is seeking a make-up exam. Any challenge or exception to this policy must be approved by the Vice President of Student Services or the Vice President's designated representative.

**GRADING SYSTEM**

The results of each student’s work in each course are reported to the Dean of Enrollment Services in scholarship grades as follows:

<table>
<thead>
<tr>
<th>Symbol</th>
<th>Definition</th>
<th>Grade Point</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Passing, less than satisfactory</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0</td>
</tr>
<tr>
<td>CR</td>
<td>Credit (at least satisfactory; units awarded but not counted in GPA)</td>
<td></td>
</tr>
<tr>
<td>NC</td>
<td>No Credit (less than satisfactory, or failing; units not counted in GPA)</td>
<td></td>
</tr>
</tbody>
</table>

Students may choose the credit/no credit grading option on designated courses. This choice can be made at the time of registration, or the student may file a Petition in the Admissions Office prior to the first 30% of the class. Grades of F count as units attempted and completed with a failing grade. Such grades are computed in the grade point average (both semester and cumulative). Units for which grades of F are assigned are not earned units and do not fulfill course, certificate or degree requirements.

**GRADE POINTS**

The College of the Desert follows the same system of grade points used by most colleges and universities in the State to give an overall appraisal of the student’s level of achievement. Semester grades are assigned grade points as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points per unit earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

Semester marks with no assigned grade points are as follows: I, CR, NC, and W. Units for F grades are counted in computing grade point averages.

**GRADE POINT AVERAGE**

The grade point average (GPA) is computed by dividing all units attempted into all grade points received. The following example illustrates the grade point average calculation.

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
<th>Grade</th>
<th>Grade Points per Unit</th>
<th>Total Grade Points</th>
<th>Total Units Attempted</th>
<th>GPA</th>
</tr>

</tr>
</tbody>
</table>

Total Grade Points ........................................... 47
divided by Total Units Attempted .................... 15
equals Grade Point Average (GPA) .................. 3.13
NON-EVALUATION SYMBOLS
The following non-evaluation symbols may appear on official college transcripts:

"I" (Incomplete) is a temporary mark assigned by the instructor when the instructor and student mutually determine that the student has been unable to complete course requirements by the designated ending date of the course according to the following definition.

DEFINITION (Section 55758): Incomplete academic work for unforeseeable, emergency and justifiable reasons at the end of the term may result in an "I" symbol being entered in the student's record. The condition for removal of the "I" shall be stated by the instructor in a written record. This record shall contain the conditions for removal of the "I" and the grade assigned in lieu of its removal. This record must be given to the student with a copy on file with the Dean of Enrollment Services until the "I" is made up or the time limit has passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed.

The "I" must be made up no later than one semester following the end of the term in which it was assigned.

The "I" symbol shall not be used in calculating units attempted nor for grade points.

An incomplete is issued only upon mutual agreement between the instructor and the student. The instructor and the student will agree upon course work and/or other requirements necessary for the removal of the incomplete mark and the grade to be assigned, as well as the grade to which the incomplete will default if the requirements are not met. The student is expected to make up the incomplete by the end of the semester immediately following the receipt of this mark or the grade could default to an "F." In unusual circumstances the student may petition the instructor for a one-semester extension.

The Incomplete Grade Form is issued only to instructors. In addition to the terms of agreement as outlined in the previous paragraph, this form will contain the student's signature and the instructor's signature. The student and the instructor will each retain a copy of this agreement. A third copy will be kept on file with the permanent roster in the Admissions and Records Office.

"IP" (In Progress) is a mark used only for those courses which extend beyond the normal end of an academic term. This mark indicates that work is in progress and that upon completion of this work an evaluative symbol (grade) will be assigned. The "IP" shall not be used in calculating grade point average.

"RD" (Report Delayed) is a mark used when there is a delay in reporting the grade of a student due to circumstances beyond the student's control. This mark is a temporary notation and is to be replaced as soon as possible by a permanent symbol. Only the Admissions Office may assign the "RD" mark. The "RD" notation shall not be used in calculating grade point average.

"W" (Withdrawal) is a mark assigned to students who withdraw after 30 percent, or the fourth week of the term (whichever is less), and prior to 75 percent of the term. Withdrawal after the 75 percent point is not possible.

If there are extenuating, documented circumstances such as an accident, hospitalization, or other conditions beyond the student’s control, the student may petition for an administrative withdrawal in the Admissions and Records Office.

GRADE CHANGE POLICY
The College adheres to the following policy and procedures for issuing and changing grades.

1. The instructor of record for the class has the right to issue a letter grade to a student. Once a grade has been given, that grade is final.

2. A change of grade may be made in only one of two ways:
   (A) An INCOMPLETE (I) is changed to a final grade. See GRADING SYSTEM, Non-Evaluation Symbols for definition and limitations.
   (B) GRADE CHANGE In the absence of demonstrated error, fraud, bad faith, or incompetence, only the course instructor has legal authority to change a final grade.

3. The Dean of Enrollment Services shall approve all Change of Grade and Incomplete Grade forms based upon the Grading Policy adopted by the Board of Trustees.

4. All requests for Grade Changes that do not adhere to the Grading Policy shall be returned to the instructor submitting the request.

GRADE APPEALS
The student shall first attempt to solve the problem with the instructor involved. If the problem is not solved, the student may follow the steps outlined in the Grade Grievance Procedure.
GRADE GRIEVANCE PROCEDURE

By law, an instructor is solely responsible for the grades assigned; no instructor may be directed to change a grade except in certain narrow circumstances authorized by the California Education Code, Section 76224(a), which reads as follows: “When grades are given for any courses of instruction taught in a community college, the grade given to each student shall be that determined by the instructor of the course and its determination, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.”

When a student believes that the District grading policy has not been followed, and that the grade received in class was the result of “mistake, fraud, bad faith, or incompetency,” the student MUST discuss this concern with the course instructor by the end of the fourth week of the following semester (excluding summer). Any student who is not satisfied after meeting with the instructor, may choose to pursue a grievance.

FRAUD: A deliberate misrepresentation of the truth or a fact used to take money, rights, or other privilege or property away from a person or persons may be found to be fraud.

BAD FAITH: Bad faith may be found in an instance of an intent to deceive, in an act of dishonesty.

INCOMPETENCY: Incompetency may be found in a lack of ability, qualifications, fitness, or performance.

If a student files a grade grievance in accordance with the definitions and procedures described herein, and if, following the grievance procedures, it is found that the grade assigned has in fact been the result of “mistake, fraud, bad faith, or incompetency,” then a new grade will be assigned, and that grade will become the final grade.

The student must observe the following procedures. The procedures must be completed by the end of the following semester (excluding Summer School) during which the cause for grievance occurred.

LEVEL 1: The student meets with the instructor. Prior to filing a formal written grievance, the student must attempt to solve the problem. When grades are available, the student is expected to contact his or her instructor directly to discuss their differences not later than the fourth week of the following semester. At this stage most differences will be resolved. This contact should be conducted in the privacy of the instructor’s office whenever possible, and the pertinent issues should be well defined so that they may be discussed as objectively as possible.

LEVEL 2: The student submits a written request for a meeting with the instructor’s dean to resolve the grievance. The written request must include, in detail, the student’s basis for initiating the grievance. The student shall initiate this request within five (5) school days after meeting with the instructor. The dean shall meet with the instructor and student within five (5) school days of reception of the formal grievance accompanied by all supporting data supplied by the student in an attempt to resolve the issue at this level. Any such meeting regarding a grade grievance will be closed to all observers.

At this level, if the issue can be resolved to the satisfaction of the instructor and student, and the action to be taken is to change a grade due to a mistake, the incorrect grade shall be removed from the student’s record. Within two (2) school days, the decision and proposed action of the dean will be communicated in writing with copies to the student involved, the faculty member involved, the Vice President of Instruction or designee, and the Office of Admissions and Records.

If the problem cannot be resolved at this level, the student may, after informing the instructor and dean that he or she plans to file a written grievance, progress to Level 3.

LEVEL 3: The student submits a written request for a meeting with the Vice President of Instruction to resolve the grievance. The written request must include, in detail, the student’s basis for initiating the grievance. The student shall initiate this request within five (5) school days after meeting with the dean and instructor. The Vice President of Instruction shall meet with the instructor, dean and student within five (5) school days of reception of the formal grievance accompanied by all supporting data supplied by the student in an attempt to resolve the issue at this level. Any such meeting regarding a grade grievance will be closed to all observers.

At this level, if the issue cannot be resolved to the satisfaction of the dean, instructor, and student, the Vice President of Instruction assumes the responsibility for arriving at a decision regarding the validity of the grievance and appropriate action to be taken. If the action to be taken is to change a grade due to a mistake, the incorrect grade shall be removed from the student’s record. Within
two (2) school days, the decision and proposed action of
the Vice President will be communicated in writing with
copies to the student involved, the faculty member
involved, the dean involved, and the Office of Admissions
and Records. The Vice President of Instruction’s decision
completes and exhausts the Desert Community College
District’s Grade Grievance Procedure.

The president or his/her designee may shorten or lengthen
the times specified in these procedures. The intent,
however, is to ensure that each and every step will take
place as expeditiously as possible.

ACADEMIC HONORS

Dean’s List
Students earning 12 or more credit units in a semester
with a grade point average of 3.50 or better are named
to the “Dean’s List” in recognition of their academic
achievements.

Honor Roll
Students earning 12 or more credit units in a semester
with a grade point average between 3.00 and 3.49 are
listed on the “Honor Roll.”

Graduation Honors
Students receiving associate degrees may graduate with
honors as indicated below. All grades earned at all
colleges attended will be included in the computation of
the cumulative grade point average for graduation honors.
Designations will be made on diplomas of all recipients
and recognized at Graduation for students who
participate. Academic honors are awarded as follows:

<table>
<thead>
<tr>
<th>Honor</th>
<th>Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>Highest Honors</td>
<td>3.90 - 4.00</td>
</tr>
<tr>
<td>High Honors</td>
<td>3.75 - 3.89</td>
</tr>
<tr>
<td>Academic Distinction</td>
<td>3.50 - 3.74</td>
</tr>
</tbody>
</table>

PROBATION, DISQUALIFICATION,
AND REINSTATEMENT

Probation, disqualification, and reinstatement policies
and procedures are an important part of the Follow-Up
component of the College’s MATRICULATION PROCESS
and are designed to assist students in making progress
toward realistic academic, career, and personal goals.

Standards for Probation

ACADEMIC PROBATION occurs after a student has
attempted at least twelve (12) units, as shown by the
official academic record, and has earned a grade point
average (GPA) below 2.0 for all units graded according
to the established College grading scale.

PROGRESS PROBATION occurs after a student has
attempted at least twelve (12) units, as shown by the
official academic record, and has earned a grade of “W,”
“I” and/or “NC” in fifty percent (50%) or more of all units
attempted.

Students can be placed on both academic and progress
probation simultaneously. A student will be subject to
disqualification if the student remains on probation for
three consecutive semesters.

Students transferring to College of the Desert from another
college are subject to the same probation and dismissal
policies as College of the Desert students.

Notification of Probation

The College shall make a reasonable effort to notify a
student of their probationary status at or near the
beginning of the semester in which the probation will
take effect but, in any case, no later than the start of the
fall semester. As a condition of continuing enrollment, a
student placed on probation is required to receive
counseling services, including the regulation and
monitoring of his or her academic program. Each student
shall also receive any other support services to help him
or her overcome any academic difficulties. Prior to
registration, a student on probation must have counselor
approval of his or her educational program.

Removal from Probation

A student on academic probation shall be removed from
probation when the student’s accumulated grade point
average reaches 2.0 or higher.

A student on progress probation shall be removed from
probation when the percent of units with an earned a
grade of “W,” “I” and/or “NC” drops below fifty percent
(50%).

**Standards for Disqualification**

A student on academic probation shall be subject to disqualification if in each of three consecutive semesters of enrollment the student’s cumulative and semester grade point averages are below 2.00 in all units attempted which were graded according to the established District grading scale.

Students on progress probation shall be subject to disqualification if progress probation has been earned for three (3) consecutive semesters of enrollment.

**Notification of Disqualification**

The college shall make a reasonable effort to notify a student subject to disqualification at or near the beginning of the semester in which the disqualification will take effect but no later than the start of the fall semester. A student subject to disqualification has the right of appeal. An exception to disqualification may be made in the event of extreme and unusual circumstances that can be supported by documented evidence provided by the student. Requests for appeal shall be submitted in writing to the COD Counseling Center and it will be reviewed by the Dean of Student Support Programs & Services or the Dean’s designated representative. Disqualified students who register for classes without prior approval from the Dean will be administratively dropped from classes.

**Reinstatement**

A disqualified student applying for reinstatement shall not be reinstated until a minimum of one semester has elapsed since disqualification. A student applying for reinstatement must submit a written request to the Counseling Center. The request shall explain what circumstances or conditions would justify reinstatement. A student who is reinstated shall receive individual counseling to assess his or her academic and career goals and may be required to participate in periodic monitoring of their academic progress and/or take an assigned student development course. Prior to registration, a reinstated student must have counselor approval of his or her educational program.

**REPETITION OF COURSES**

**Substandard Grades**

A student who receives a grade of D, F, or NC for a course may repeat the course one time and receive a new grade and credits. The previous grade and credits are disregarded in the computation of grade point average and credits and appropriate annotation is made on the student’s permanent record in such a manner that both grades remain legible, insuring a true and complete academic history.

Where special circumstances exist, a student may be allowed to repeat a course a second time. Special circumstances include consideration of illness, accident, or other conditions which, being beyond the control of the student, resulted in his or her substandard work.

Applications to take a course a third time in which a grade of D, F, or NC has been received two times are available in the Admissions and Records Office. Students must apply well in advance of registration to allow the Academic Regulations Committee sufficient time to review the merits of the request.

**Grades of "C" or Better**

Students may take courses designated as repeatable in which they have been granted grades of C or better a maximum of four times. Students are not eligible to repeat any other course for which they have been granted a grade of C or better except where special circumstances exist which justify repeating the course. Special circumstances include:

1. The lapse of time - a significant number of years since the course was completed.
2. Changes in course content since the course was completed, or
3. Need to acquire knowledge or skills to be able to progress to higher level course work.

Grades earned in such cases are not included in the student’s grade point average. The credit is not awarded. The courses, grades and units will be listed on the student’s transcript.

Applications to repeat a course with a grade of "C" or better are available in the Admissions and Records Office. Students must apply well in advance of registration to allow time for the Academic Regulations Committee review.
INTRODUCTION

Each student is individually responsible for meeting all college requirements and deadlines, as presented in this and any other announcements of the college or department in which he/she is enrolled. Class schedule information is considered as supplementary to the college catalog and is also an official statement of policy.

The College intends that every member of the campus community be afforded a work and study environment free of discrimination based on race, sex, color, religion, age, national origin, disability, marital status, Vietnam era veteran status, sexual orientation, or ancestry. All persons are to be protected from abusive or harassing behavior.

ACADEMIC RENEWAL POLICY

1. A student may petition to have units and credits for all courses taken during one semester of college work eliminated from the computation of his/her cumulative grade point average.

2. Under extenuating circumstances a second semester consecutive with the first semester may be considered under the same regulations. Extenuating circumstances are beyond the control of the student and may include but are not limited to situations such as illness or injury to the student, or death or illness in the family. The student must supply documented evidence of all extenuating circumstances.

3. If the petition for academic renewal is granted, the permanent record of the student will be annotated so that it is evident to all users of the record that no units for work taken during the semester(s) covered by academic renewal, even if satisfactory, will apply toward graduation or other educational objectives. All courses, units, and grades shall remain legible on the permanent record to insure a true and complete academic record of the student's college courses.

4. A student may repeat work taken during academic renewal semester(s) only if such repetition is necessary to allow normal progression toward an acceptable educational objective.

5. A student must include all work, including academic renewal semester(s), in the computation of the cumulative GPA toward any honors program.

6. No part of the regulation and procedures shall conflict with:
   a. Education Code, Section 76224, pertaining to the finality of grades assigned by instructors, and
   b. Chapter 2.5 of Division of Title 5 (commencing with Section 59020) pertaining to the retention and destruction of records, and particularly Section 59023 (d), relating to the permanency of certain student records.

7. The Dean of Enrollment Services shall maintain records of all actions taken under this regulation and a yearly review of this regulation shall be made by the Educational Policies and Practices Committee.

REQUEST for ACADEMIC RENEWAL

1. A student seeking academic renewal is responsible for presenting evidence to show:
   a. that the previously recorded courses were substandard academic performance and are not reflective of his/her current academic ability, and
   b. that the student is enrolled in a defined educational program.

   Evidence of academic ability since the semester in question shall include one of the following:
   a. 15 semester units with a minimum of a 3.00 GPA
   b. 30 semester units with a minimum of a 2.50 GPA
   c. 45 semester units with a minimum of a 2.00 GPA

2. At least 12 months must elapse between the date of the request and the semester for which academic renewal is sought.

3. A student may request academic renewal only once.

4. The request for academic renewal shall be directed to the Office of Admissions and Records.
AMENDMENT OF STUDENT RECORDS

Students may file a written request with the Superintendent/President to correct or remove information recorded in their student records which they allege to be: (1) inaccurate; (2) an unsubstantiated personal conclusion or inference; (3) a conclusion or inference outside of the observer’s area of competence; or (4) not based on the personal observation of a named person with the time and place of the observation noted.

Within 30 calendar days of receipt of such request, the Superintendent/President, or her designee, shall meet with the student and the employee who recorded the information in question, if such employee is presently employed by the District. The Superintendent/President, or her designee, shall then sustain or deny the allegations. If any or all allegations are sustained, the Superintendent/President, or her designee, shall order the correction or removal and destruction of the information. If any or all of the allegations are denied, the student may appeal the decision in writing to the Board of Trustees within 30 calendar days of the denial.

Within 30 days of the receipt of an appeal, the Board of Trustees shall, in closed session with the student and employee who recorded the information in question, if presently employed by the District, determine whether to sustain or deny the allegation(s). If the Board sustains any or all of the allegations, it shall order the immediate correction or removal and destruction of the information. The decision of the Board shall be final.

Records of these administrative proceedings shall be maintained in a confidential manner and shall be destroyed one year after the decision of the Board, unless the student initiates legal proceedings relative to the disputed information within the prescribed period.

If the decision of the Board is unfavorable to the student, or the student accepts an unfavorable decision by the Superintendent/President, he/she shall have the right to submit a written statement of objections which shall become part of the student’s records until such time as the information to which the objection is made is corrected or removed.

ATTENDANCE

FIRST CLASS MEETING

It is extremely important that students attend the first class meeting of any course for which they register because instructors may drop students who do not appear in order to make room for others who may desire to take the class. If a student is dropped as a “no-show” for nonattendance, it is the student’s responsibility to re-register into the class via the telephone registration system, WebAdvisor, or by contacting the Admissions and Records Office. Additionally, students will only be allowed to re-register if the class has space available and if they meet the registration deadlines as established in the Schedule of Classes.

PLEASE NOTE: Students are held accountable for every course in which they are registered and are responsible for their own class schedule and any changes made via the telephone registration system, WebAdvisor or notification to the Admissions and Records Office. If a student fails to drop or withdraw from a course by the established deadlines, the student may receive a grade of “F” for all courses.

CLASS ATTENDANCE

A student is expected to attend all class sessions. It is the student’s responsibility to contact instructors regarding any absence. The acceptance of an excuse for absence other than illness or official leave of absence is at the discretion of the individual instructor. When absences are excused due to personal illness or the serious illness or death of a member of the student’s family, or a field trip, or an authorized absence on behalf of the College, all work assignments to be made up must be described by the instructor to the student in advance of the absence when possible. It is the student’s responsibility to make up all class work missed to the standards for the course.

AUDITING CLASSES

The Desert Community College District does not allow auditing of classes at this time.
DISABLED STUDENTS PROGRAM

BACKGROUND
The Americans with Disabilities Act (ADA) is a civil rights statute that prohibits discrimination against people with disabilities. This protection is similar to that given to women, minorities, and others through the Civil Rights Act of 1964. Protected are an estimated 43 million Americans with disabilities that substantially limit activities such as working, walking, talking, seeing, hearing, or caring for oneself. People who have a record of such an impairment and those regarded as having an impairment are also protected. This federal legislation prohibits discrimination based on disability, with the intent that our nation benefit from the skills and abilities of all individuals and increase their opportunities for self-sufficiency.

STUDENT RIGHTS
Students have the following rights under Section 504 of the 1973 Rehabilitation Act, as revised (29 U.S.C. 794), The American Disabilities Act 28 CFR 35.102-35.104, CA Assembly Bill 803 Government Code Section 11135 et.seq., and Title V, section 56008 of CA Education Code.

• Right to voluntary participation in the Disabled Students Programs & Services (DSPS)
• Right to confidentiality and protected disclosure of student records.
• Right to access college classes, programs, activities, services and facilities to facilitate learning. The college will make every reasonable effort to provide access.
• A right to request an appropriate accommodation to facilitate participation in class and campus activities.
• A right to participate in campus activities, class demonstrations, or laboratory experiments to the extent that a disability does not pose a risk to the student or to other students.
• Right to protection against discrimination and harassment. Students have the right to participate in class and campus activities without being harassed or discriminated against. A right to request an appropriate accommodation to facilitate participation in class and campus activities.

If a student with a disability feels that he/she is the target of discriminatory treatment, the student can file a complaint with the 504 Coordinator.

STUDENT RESPONSIBILITIES
• To provide DSPS documentation of disability.
• To request accommodations and access to college classes, programs, activities, services, and facilities in a timely manner, as described in the DSPS Student Handbook.
• To use accommodations appropriately.
• To notify DSPS approximately 24 hours in advance for planned absences from classes where services are being provided, i.e. interpreters, readers. Failure to notify DSPS may result in discontinued services.
• To abide by the College Student Conduct Standards.

DETERMINING NEED
Students who need academic adjustments must meet with a Disabled Students Program and Services counselor/specialist to complete an application form, determine educational limitations and services needed, and complete a student educational contract. The DSPS Student Handbook names the accommodations the college can arrange and specifies the process and timelines for requesting them.

CONTACT THE DSPS OFFICE
The faculty and staff of the Disabled Students Program and Services Office are available for consultation on any questions you may have related to accommodation for a disability. The highest standard of confidentiality is maintained.

Contact the Disabled Students Programs and Services Office, Room Ad-3.

FAX: (760) 862-1329
Chapter 6 - Student Rights and Responsibilities

Disclosure of Education Records

The District may permit access to student records to any person for whom the student has executed written consent specifying the records to be released and identifying the party or class of parties to whom the records may be released.

The District may not permit access to student records to any person without the written consent of the student or under judicial order except:

1. To officials and employees of the District who have a legitimate educational interest to inspect a record. A school official is:
   A person employed by the District in an administrative, supervisory, academic, research, support staff, or security position.
   A person elected to the Board of Trustees.
   A student government officer conducting student elections.
   A person employed by or under contract to the District to perform a special task, such as the attorney or auditor.

   School officials have a legitimate educational interest if they are:
   Performing a task that is specified in their position description or by a contract agreement.
   Performing a task related to a student’s education.
   Performing a task related to the discipline of a student.
   Providing a service or benefit relating to the student such as health care, counseling, job placement or financial aid.

2. To officials of another school or school system, upon request, in which a student seeks, intends, or is directed to enroll, including local, county or state correctional facilities where educational programs are provided.

3. To certain officials of the U. S. Department of Education, the Comptroller General, and state and local educational authorities, in connection with certain state or federally supported education programs.

4. In connection with a student’s request for or receipt of financial aid, as necessary to determine the eligibility, amount or conditions of the financial aid, or to enforce the terms and conditions of the aid.

5. To other state and local officials or authorities to the extent that information is specifically required to be reported pursuant to state law adopted prior to November 19, 1974.

6. To organizations conducting certain studies for or on behalf of the College.

7. To organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, student aid programs, and improving instruction.

8. To accrediting organizations in order to carry out their accrediting functions.

9. To comply with a judicial order or a lawfully issued subpoena.

10. To appropriate persons in connection with an emergency if the knowledge of that information is necessary to protect the health or safety of a student or other persons.

11. To an alleged victim of any crime of violence, or the results of an institutional disciplinary proceeding against the alleged perpetrator of that crime with respect to that crime.

DISTRIBUTION OF NON-COLLEGE PUBLICATIONS

Students must receive permission from the Student Activities Office before posting or distributing any non-college materials. Such materials must have an official stamp of approval or will otherwise be promptly removed from circulation or bulletin boards.

DRUG-FREE WORKPLACE AND CAMPUS

The Desert Community College District intends to maintain a safe, healthful and productive work and learning environment for all employees and students. To accomplish this, the District will act to eliminate any drug abuse, which increases the potential for accidents, absenteeism, low academic and work performance, poor employee and student morale and damage to the District’s reputation. The manufacture, distribution, dispensation, possession, or use of an illegal drug or the unlawful possession, use or distribution of alcohol is prohibited in all buildings, property, facilities, service areas, off-campus sites of the District, or in any location where any District activity is occurring.

The District shall discipline a student, up to and including expulsion, for the unlawful manufacture, distribution, dispensation, or possession of controlled substances on the District’s property or as part of any of its activities.
Students who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance for the Employee Assistance Program (eligible employees), Student Health Services and/or Counseling Services. While the District will be supportive of those who seek help voluntarily, the District will be equally firm in identifying and disciplining those employees/students who continue to be substance abusers and do not seek help or continue to abuse drugs or alcohol after treatment or counseling.

Materials and information on counseling, treatment and rehabilitation resources, health risks, Federal trafficking penalties, and uses and effects of controlled substances, are available in Counseling, the Student Health Center and the Library.

INSPECTION AND REVIEW OF EDUCATIONAL RECORDS

All currently enrolled or former students have a right to inspect and review all student records relating to them. Student record is defined according to the Family Educational Rights and Privacy Act (FERPA). To access their transcripts, students must file a letter of request with the Admissions and Records Office. To obtain access to other documents, students must submit a letter of request to the office of the Vice President, Student Services.

Access shall be granted no later than 15 school days following the date the written request is received. Within the same 15 school days, the student will be notified of the location of all official student records if not centrally located and qualified personnel will be made available to interpret records where appropriate.

LEAVES OF ABSENCE

Students who have a need to withdraw for a short time, but who wish to retain their status in classes and resume work before the end of the current semester, should apply for a “Brief Leave of Absence,” which expires on a definite date. If students must depart suddenly, as in a family emergency, they should write the Vice President, Student Services as soon as possible requesting a leave to be away from classes. Brief leaves also may be issued upon recommendation of the Student Health Service in case of illness. Requests for a Brief Leave of Absence must be filed with the Office of the Vice President, Student Services.

NON-DISCRIMINATION POLICY

The policy of the Desert Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the Desert Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

The following is a summary of the Unlawful Discrimination Policy of the Desert Community College District. Full text copies are available in the Human Resources Office, the President’s Office, the Student Services Office, Instruction Office, and the Administrative Services Office.

RESPONSIBLE DISTRICT OFFICER

The Desert Community College District has identified the Vice President, Human Resources and Employee Relations to the State Chancellor’s Office and to the public as the single District officer responsible for receiving all unlawful discrimination complaints. Administrators, faculty members, other District employees, and students shall direct all complaints of unlawful discrimination to the Vice President, Human Resources and Employee Relations. His office is located in the south modular building adjacent to the Bookstore. The phone number is (760)773-2529.
Informal/ Formal Complaint Procedure

When a person brings charges of unlawful discrimination to the attention of the District’s responsible officer, that officer will undertake efforts to informally resolve the charges. Efforts at informal resolution need not include any investigation unless the responsible District officer determines an investigation is warranted by the seriousness of the charges. The complainant will not be required to confront the person accused of unlawful discrimination. Any efforts at informal resolution will not exceed the 90-day period.

Filing of Formal Written Complaint

If a complainant decides to file a formal written unlawful discrimination complaint against the District, he or she must file the complaint on a form prescribed by the State Chancellor. These approved forms are available from the District and also at the State Chancellor’s website, as follows: www.cccco.edu/divisions/legal/Discrimination

The completed form must be filed with the District representative or mailed directly to the State Chancellor’s Office of the California Community Colleges. A copy of all complaints filed in with the District will be forwarded to the State Chancellor’s Office immediately upon receipt. Similarly, when the State Chancellor’s Office receives a complaint a copy will be forwarded to the District.

Confidentiality of the Process

Investigative processes can best be conducted within a confidential climate, and the District does not reveal information about such matters except as necessary to fulfill its legal obligations. However, potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed. The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the District to respond. If a complainant insists that his or her name not be revealed, the responsible officer should take all reasonable steps to investigate and respond to the complaint consistent with the complainant’s request as long as it does not jeopardize the rights of other students or employees. It is important that complainants and witnesses understand the possibility that they may be charged with allegations of defamation if they circulate the charges outside of the District’s process.

Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Administrative Determination and Appeals Rights

Within 90 days of receiving an unlawful discrimination complaint the responsible District officer will complete the investigation and forward a copy of the investigative report to the State Chancellor, a copy or summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor. Complainants have appeal rights that they may exercise if they are not satisfied with the results of the District’s administrative determination. Within 150 days of receiving a complaint, the final District determination will be forwarded to the State Chancellor.

POLÍTICA SOBRE LA DISCRIMINACIÓN ILEGAL

Según la política y el plan de acción del Desert Community College District, nuestra institución provee un ambiente instructivo y profesional en el cual será ilegal negar a cualquier persona el completo e igual acceso a los beneficios de sus programas, ser sometida ilegalmente a la discriminación étnica, de origen nacional, de religión, edad, sexo, raza, color de piel, de linaje, de orientación sexual, o de incapacidad física o mental, y ser negada cualquier acceso a cual siquiera programa o actividad administrativa, directamente financiados, o receptor de asistencia monetaria del State Chancellor o Board of Governors del California Community College.

La policia de Desert Community College District es tal para proveer un ambiente educativo y profesional en el cual serán ilegales negar a cualquier persona el completo e igual acceso a los beneficios de sus programas, ser sometida ilegalmente a la discriminación étnica, de origen nacional, de religión, edad, sexo, raza, color de piel, de linaje, de orientación sexual, o de incapacidad física o mental, y ser negada cualquier acceso a cual siquiera programa o actividad administrativa, directamente financiados, o receptor de asistencia monetaria del State Chancellor o Board of Governors del California Community College.
podrán ser expuestos a medidas disciplinarias, inclusive, la expulsión, o la terminación del contrato.

A continuación hay un resumen de la Política sobre la Discriminación Ilegal del Desert Community College District. Copias del texto completo se pueden obtener en la oficina de “Human Resources”, la oficina del Presidente, la oficina de los Servicios Estudiantiles, la oficina de Instrucción, y la oficina de Servicios Administrativos.

EL FUNCIONARIO DEL DISTRITO RESPONSABLE

Desert Community College District ha identificado y nombrado, para el State Chancellor y para el público, al doctor Bugay, Vicepresidente, Recursos Humanos y Relaciones de Empleados, como el único oficial responsable de recibir reclamaciones y denuncias de discriminación ilegal. Administradores, miembros del profesorado, otros empleados del distrito, y estudiantes, deberán dirigir todas formas de reclamaciones de discriminación ilegal al doctor Bugay. Su despacho se ubica en el edificio sureña contigua a la librería. El número de teléfono es el siguiente: (760) 773-2529.

PROCEDIMIENTO FORMAL / INFORMAL DE LAS DENUNCIAS

Al recibir denuncias de discriminación ilegal el responsable funcionario del distrito tratará de resolver los supuestos alegatos informalmente. Las tentativas hacia una resolución informal no requerirán ninguna investigación menos que el oficial del distrito concluya que una investigación sea justificada por la gravedad de los supuestos alegatos. El demandante no será obligado a enfrentarse con la persona acusada de discriminación ilegal al doctor Bugay. Su despacho se ubica en el edificio sureña contigua a la librería. El número de teléfono es el siguiente: (760) 773-2529.

COMO SENTAR UNA DENUNCIA FORMAL ESCRITA

Si el demandante decide sentar una denuncia formal escrita de discriminación ilegal contra el Distrito, el / la demandante deberá de sentarla con un formulario prescrito por State Chancellor. Estos prescritos formularios se podrán conseguir en la oficina del Distrito y también por medio del siguiente “website” del State Chancellor:  www.cccco.edu/divisions/legal/Discrimination/discrimination.htm.

Una vez que esté completo el formulario, se deberá sentar con el representante del Distrito o enviarlo por correo a la oficina del State Chancellor de California Community College. Una copia de todas las reclamaciones sentadas con el Distrito será inmediatamente transmitida a la oficina del State Chancellor.

PROCEDIMIENTO HECHO EN CONFIANZA

La mejor manera de llevar a cabo el procedimiento de indagación es hacerlo en un clima confidencial, y el Distrito no revelará ninguna información sobre estos asuntos excepto cuando sea necesario para cumplir con las obligaciones legales. Sin embargo, algunos posibles demandantes a veces son mal dispuestos a perseguir una denuncia por temor de revelar sus nombres. La incapacidad de revelar el nombre del demandante o los hechos que probablemente revelarían la identidad del demandante podrían seriamente limitar la habilidad del Distrito en responder. Si el demandante insiste en no revelar su nombre, el funcionario tomará todas las medidas posibles para indagar y responder a la reclamación de acuerdo con la petición del demandante puesto que lo dicho no comprometa los derechos de otros estudiantes o empleados. Es preciso que los demandantes y los testigos sepan que hay siempre la posibilidad de que ellos podrían ser acusados con supuestos alegatos de difamación si ellos circularan las acusaciones fuera del procedimiento del Distrito.

REPRESALIA

La ley prohíbe desquitarse con quien haya sentado una denuncia de discriminación ilegal, con quien haya atribuido un asunto a una indagación o demanda, con quien participe en una indagación o acusación, con quien represente o sirva de defensor para una supuesta victimta o supuesto ofensor, o con quien por otra parte fomente los principios de esta política de discriminación ilegal.

DETERMINACIÓN ADMINISTRATIVA Y DERECHO DE APELACIÓN

Dentro de 90 días de haber recibido una denuncia de discriminación ilegal, el funcionario responsable del Distrito llevará a cabo una indagación y transmitirá una copia del informe investigativo al la oficina del State Chancellor, una copia o un resumen del informe al demandante, un aviso escrito declarando lo siguiente a ambos demandante y el State Chancellor. Los
demandantes tendrán derechos de apelación que podrían ejercer si no estuvieran satisfechos con los resultados de la determinación administrativa del Distrito. Dentro de 150 días de haber recibido la denuncia, la determinación final del Distrito será transmitida al la oficina del State Chancellor.

NON-SMOKING POLICY

No smoking is allowed within 20 feet of any building entrance according to the laws of the State of California.

PETS AND ANIMALS ON CAMPUS

State and local laws prohibit animals on campus at any time. The Humane Society removes animals at owner’s expense. Students who violate this law are subject to disciplinary action.

RELEASE OF STUDENT INFORMATION

The Desert Community College District (DCCD) does not release student record information without the written consent of the student, except as outlined above under Disclosure of Education Records. Although the DCCD adheres to this policy, the law allows the College to release student directory information, except when students have specifically requested that directory information be kept confidential. Directory information may be released by exception upon determination of the President/Superintendent, the Vice President of Student Services, or the Dean of Enrollment Services, that such release is appropriate and not likely to put students at risk.

DCCD designates the following as directory information: name, address, phone number, dates of attendance, major field of study, awards and degrees received, most recent institution attended, participation in official college activities and sports, weight and height of members of athletic teams, part-time or full-time enrollment status, and photographs.

In completing the admission application, students are provided the opportunity to request that their directory information be maintained as confidential. Students who wish to change their request, may do so in writing to the Admissions and Records Office at any time.

SEXUAL ASSAULT

The Desert Community College District, to the fullest extent possible, ensures that students, faculty and staff who are victims of sexual assault committed on or upon the grounds or facilities maintained by the District, shall receive treatment and information to deal with the assault. If on-campus treatment facilities are unavailable, the written procedures may provide for referrals to local treatment centers. Sexual assault includes, but is not limited to rape, sodomy, oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

The District recognizes that one of the most important ways to assist students, faculty and staff who are victims of sexual assault is to help them regain a sense of control over their lives. It is not the function of any district service provider to urge a particular course of action upon the victim of a sexual assault, nor to make any factual determinations as to the events which occurred. Instead, the duties of the service provider are to make the victim aware of the options and alternatives available, to aid the victim in making an informed decision as to a course of action, and to enable the victim to follow through in that decision. The provider will not take any action based upon a subjective evaluation as to the merit of any charges made, nor will the provider attempt to convince the victim that any course of action is preferable to another.

Applicable state and federal provisions will be applied in maintaining confidentiality in the handling of all sexual assault cases. Individual rights to privacy in these matters will dictate District policy practice and procedure.

The District Sexual Assault Liaison (SAL) is designated as a central referral source for information relating to the rights, options, and services available to a sexual assault victim. The sexual liaison has been designated as the Vice President, Human Resources and Employee Relations.
STUDENT CONDUCT STANDARDS

When a student enters College of the Desert, it is taken for granted by the College authorities that an earnest purpose exists and that the student’s conduct will demonstrate that assumption. If, however, the student’s conduct is not appropriate, and the student should be guilty of one or more of the violations listed in the Student Conduct Standards and Procedures policy, then appropriate disciplinary action will be taken as listed in the policy.

The following conduct shall constitute good cause for discipline, including but not limited to the removal, suspension or expulsion of a student.

1. Causing, attempting to cause, or threatening to cause physical injury to another person.
2. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a district employee, which is concurred on by the college president.
3. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.
4. Committing or attempting to commit robbery or extortion.
5. Causing or attempting to cause damage to district property or to non-district property on campus, or at college sponsored or supervised functions.
6. Stealing or attempting to steal district property or private property on campus, or knowingly receiving stolen district property or private property on campus.
7. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the College or the District.
8. Committing sexual harassment as defined by law or by District policies and procedures.
9. Engaging in harassing or discriminatory behavior based on race, sex, religion, age, national origin, disability, sexual orientation, or any other status protected by law.
10. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.
11. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of college personnel.
12. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty.
13. Dishonesty; forgery; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
14. Unauthorized entry upon or use of College facilities.
15. Lewd, indecent or obscene conduct or expression on college-owned or controlled property, or at college sponsored or supervised functions.
16. Engaging in expression which is obscene, libelous or slanderous, or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful college regulations, or the substantial disruption of the orderly operation of the College.
17. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

Students are guaranteed the rights of due process when charged with a violation of conduct standards. Copies of the Student Conduct Due Process Procedures are available in the office of the Vice President, Student Services, Counseling Center, and ASCOD Office.

STUDENT GRIEVANCE POLICY

If a student has a reason to believe that he/she has been unfairly treated, and wishes to bring charges against a member of the academic community, the following procedures are followed with respect to the faculty and/or administrators.

I. CAUSE:
Within fifteen (15) school days from the time of the alleged grievance, any student who has reason to believe that he/she has been unfairly treated may initiate grievance procedures against the staff member in question.
II. PROCEDURES:

A. The student shall first discuss the matter with the staff member in question. If, however, the student cannot discuss the matter with the staff member, or if the student is not satisfied with the discussion, he/she may then:

B. Within five (5) school days after consulting or attempting to consult with the staff member, bring the matter to the attention of the staff member’s Division Dean or immediate supervisor. This notification shall be in writing. The Division Dean or immediate supervisor will attempt to resolve the matter within five (5) school days. The Division Dean or immediate supervisor shall communicate a decision to the student and staff member. If, however, the student is not satisfied, he/she may then, within ten (10) school days:

C. Bring the matter to the attention of the Vice President, Student Services, or designee, who shall, after conferring with the student, call either an informal or formal hearing according to the nature of the complaint, within ten (10) school days.

1. An informal hearing will be between the student and other appropriate school representatives. If the student is satisfied with the outcome of the informal hearing, the process could end.

2. A formal hearing will consist of the student, and if appropriate, his/her on-campus advocate, the accused and his/her on-campus advocate, the Vice President, Student Services, or designee, the Division Dean from the division of the accused, and four (4) neutral faculty members, two (2) selected by the student, and two (2) selected by the accused.

If the results of either the informal or the formal hearing are not satisfactory to the student:

D. Within ten (10) school days of receiving that (hearing) decision, the student desiring further appeal shall go to the college President who shall then render a decision within ten (10) school days.

E. Within ten (10) school days of receiving that (President’s) decision, the student desiring further appeal would appeal to the Board of Trustees for a final decision to be made within thirty (30) school days.

F. The intent is to ensure that each and every step will take place as expeditiously as possible.

For grievances related to grades, see Grade Grievance Procedure in Chapter 5 - Academic Standards.

STUDENT RIGHT-TO-KNOW DISCLOSURE

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of the Desert Community College District to make available its completion and transfer rates to all current and prospective students.

Beginning in Fall 2002, all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period, and the completion and transfer rates of this group are listed below. This is a very narrowly defined group and does not reflect all transfer students. These rates do not represent the success rates of the entire student population at College of the Desert, nor do they account for all student outcomes occurring during and after this three-year tracking period.

Based upon the group defined above, 37.5% attained a certificate, degree, or became “transfer-prepared” during a three-year period (Fall 2002 to Spring 2005). Students who are “transfer-prepared” have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the group defined above, 39.1% transferred to another postsecondary institution (CSU, UC, private college, or another California Community College) prior to attaining a degree, certificate, or becoming “transfer-prepared” during a five semester period (Spring 2003 to Spring 2005).

These percentages compare favorably with percentages of community colleges similar in size to College of the Desert. More information about Student-Right-to-Know rates and how they should be interpreted can be found at the California Community Colleges “Student Right-to-Know” Website located at: www.cccco.edu/divisions/tris/mis/srtk.htm.
ASSOCIATE DEGREES

EVALUATION REQUIREMENT FOR ASSOCIATE DEGREE

The Associate in Arts Degree and Associate in Science Degree are not automatically awarded when a student completes the requirements. Students must file a "Request for Evaluation" in the Admissions and Records Office one semester prior to their intended graduation. All transcripts from other colleges must be on file before an evaluation request can be filed. At least 30 total units must have been completed, including 12 at COD, before an evaluation can be initiated.

All Associate Degrees require a minimum of 60 units of college credit and a cumulative grade point average (GPA) of 2.0 or better. At least 12 units must be earned at College of the Desert. All students are strongly advised to consult with a faculty advisor or counselor early in their first semester of enrollment at College of the Desert.

GRADUATION REQUIREMENTS

Students are responsible for meeting in full the requirements for graduation as set forth in the college catalog. For the purpose of meeting graduation requirements, students may choose to meet the requirements for degrees or certificates in the catalog in effect at the time of entrance, during the span of attendance, or at the time of graduation, provided they do not interrupt their enrollment for two or more consecutive semesters, not including summer.

Whenever enrollment is interrupted for two or more consecutive semesters, not including Summer, students must choose the requirements in the catalog in effect at the time of re-enrollment, continued attendance following re-enrollment, or graduation.

College authorities may approve or require substitutions for discontinued courses or for courses not offered. College of the Desert requires that students declaring or changing a major program of study must complete the major requirements in effect at the time of the declaration of change. For programs of study requiring special selection procedures, students are required to complete major requirements in effect at the time of entrance to the program.

If students maintain continuous attendance, attendance of at least two transcript recorded semester units during each calendar year, changing a major program of study does not change catalog rights for General Education or other graduation requirements beyond the major. Absence due to an approved educational leave or for attendance at another accredited college is not considered an interruption in attendance, if the absence does not exceed two years.

GRADUATION

Once it has been determined that a student is eligible for graduation, an “Intent to Graduate” form must be completed and submitted to the Admissions and Records Office. The deadline to submit this form is found in the Class Schedule. This requirement applies to all Associate Degrees.

Formal graduation activities are held at the end of the spring semester. Students who complete degree requirements during the spring, preceding fall, or subsequent summer term, are invited to participate in the ceremonies.

DIPLOMAS

Diplomas are mailed to graduates approximately six weeks after the end of the semester in which students have satisfied all degree requirements and grades have been verified. At the graduation ceremony, students are presented with a diploma cover. There is a fee of $25.00 for a duplicate diploma.

EARNING AN ADDITIONAL ASSOCIATE DEGREE

An additional Associate Degree may be earned if the student completes a minimum of 12 units in residence at College of the Desert beyond the prior degree, makes a complete change in major, and fulfills all requirements for the new major field including any additional General Education requirements that are appropriate.
OCCUPATIONAL/VOCATIONAL EDUCATION

For those students desiring to complete an occupational curriculum within two years, the College offers technical training and education in fields justified by student enrollment. Individual courses are offered in some areas where a full curriculum cannot be justified. In both instances the College’s aim is vocational competence for students and an appreciation of citizenship responsibilities.

Students may work toward: (a) earning a certificate (certificate programs are approximately one year in length, with students specializing in a particular area of study); or (b) an Associate degree. Refresher courses are also offered, as well as courses in which new and/or upgraded skills are required to take advantage of employment opportunities.

Individuals may attend classes as either part-time or full-time students. A large segment of the College student body is employed full-time, but attends classes of interest during evening hours. The College closely articulates with other colleges and industry. Many of the courses completed will transfer to four-year institutions. Occupational advisory committees assist the College in determining the types of skills, courses, and programs students should complete to meet labor market needs as well as the needs of industry.

VOCATIONAL CERTIFICATE of ACHIEVEMENT

A Vocational Certificate of Achievement may be awarded to a student who has completed a required sequence of courses in an occupational field. The Certificate is not automatically awarded when a student completes the requirements. Students must file a “Request for Evaluation” in the Admissions and Records Office at least one semester prior to completing certificate requirements. All transcripts from other colleges must be on file before an evaluation request can be filed.

Students must file an “Intent to Earn Certificate” in the Admissions and Records Office during the semester in which they are completing the requirements. The certificate requires fewer than 60 units of college work. At least six (6) units in the certificate field shall be completed in residence at College of the Desert. A minimum of a “C” average shall be maintained in all courses required for the certificate. All courses shall be approved by the department advisor.

In the case of an additional certificate(s) in a related field, the student will be required to take a minimum of six (6) units of additional course work determined by the department advisor. See Degree and Certificate Programs section in this catalog for specific certificate requirements.

COD offers a variety of occupational and vocational education and training. One of our most popular programs is nursing. Some 220 students are enrolled in the RN program. Training is also offered for Licensed Vocational Nursing and Certified Nursing Assistants. Other signature programs include: Digital Design and Production, Advanced Transportation Technologies, Culinary Arts, Landscape and Golf Management, and much more.
THE ASSOCIATE DEGREE WITH EMPHASIS ON OCCUPATIONAL/VOCATIONAL PREPARATION

Students planning to earn an Associate Degree with emphasis on occupational/vocational preparation, and who have no plans to pursue a bachelor's degree, must follow the District's General Education requirements.

Students must complete the course requirements as specified in the program of study for the declared major, in addition to the general education courses.

The Occupational/Vocational Degree is not designed to prepare students for university transfer and is identified in this catalog as:

ASSOCIATE DEGREE
and employment preparation

GENERAL EDUCATION REQUIREMENTS FOR OCCUPATIONAL/VOCATIONAL DEGREES

Students may graduate from College of the Desert with an Associate of Arts or Science degree upon meeting the following District requirements:

A. Completion of 60 college level units of lower division semester units with a cumulative grade point average (GPA) of at least 2.0 for all grades earned in lower division courses at all colleges and universities attended. Also, a cumulative GPA of at least 2.0 must have been earned at COD as well as in the selected major. At least 12 units must be earned at COD.

B. Major requirements (Minimum of 18 units); Complete one of the degree programs listed in the Degree and Certificate Programs section of this catalog.

C. Completion of the following general education requirements (18 units minimum):

Note: A single course, even though listed in more than one area, can only be used to satisfy one requirement.

C1. Natural Sciences - (3 units minimum) selected from the following courses:

### D. Physical Education Activity Requirement:

In addition to A, B & C, two units are required from physical education (PE), health education (HE), recreation (RE) or varsity sports (VSM, VSW).

Note: If HE 1 is used to fulfill section C-2, it may not be used to fulfill this requirement.

### E. Reading, Writing and Mathematics competency requirements must be met, as follows:

**Reading Competency:** All students earning an Associate in Arts Degree or an Associate in Science Degree must demonstrate a reading proficiency at the collegiate level by passing RDG 51, Analytical Reading, with a grade of "C" or better, or the equivalent.

**Writing Competency:** All students earning an Associate in Arts Degree or an Associate in Science Degree must demonstrate a writing proficiency at the collegiate level by passing with a grade of "C" or better one of the following courses: ENG 1A, ENG 41, or the equivalent.

**Mathematics Competency:** All students earning an Associate in Arts Degree (non-transfer/occupational emphasis) or an Associate in Science Degree (non-transfer/occupational emphasis) must demonstrate a mathematics proficiency by passing with a grade of "C" or better, MATH 40, or any college mathematics course determined by the Desert Community College District to be equivalent to or higher than MATH 40.

---

COD, CSU, and UC General Education Requirements for students earning transferable degrees are listed in Chapter 8, along with other degree requirements.

College of the Desert Catalog 2006-2007
Chapter 7 - Associate Degrees and Certificates

ADMINISTRATION OF JUSTICE

Students desiring careers in administration of justice may elect a program of study designed for upper division transfer, or one which is oriented toward job entry with employment at a local, State, or Federal Law Enforcement Agency.

Students intending to transfer to a four-year college should consult that college for specific requirements. Students planning to pursue a career in administration of justice after graduation should include more specialization and emphasis in these courses.

There are certain minimum physical and good moral character requirements for peace officers. Students may obtain more specific information about those requirements from the department staff. Students who are transferring to College of the Desert from another college must take at least six units of administration of justice courses at College of the Desert, in addition to regular required courses to be eligible for graduation.

Certification and approval of the administration of justice curriculum has been received from the California State Commission of Peace Officer Standards and Training.

Advisor: D. Clayton Mayes

ADULT BASIC EDUCATION

Adult Basic Education (reading, writing and math), High School Completion, and preparation for the General Education Development Test (GED) are offered through the Center for Training and Development. No enrollment fees are charged to students taking these non-credit developmental courses.

Admission of students occurs on a daily basis and no prior educational background is required. In addition to regular class offerings, emphasis is placed on individualized student learning. Instruction is provided in the following areas:

**Adult Basic Education (ABE)**

Recognizing the role of the community college in the area of adult education, College of the Desert makes available non-credit courses in High School Diploma Completion, General Education Development (GED) test preparation, and Basic Skills. In addition to regular class offerings, emphasis is placed on self-paced, independent, student-centered learning.

**High School Completion**

High School Completion is the study of subjects required to obtain a high school diploma. Students completing their required coursework and passing the proficiency exams will receive a high school diploma issued by College of the Desert.

**General Education Development Test (GED)**

General Education Development (GED) is the study of social studies, math, reading, writing, and science. Students completing this course of study will be better prepared to take the GED test. The GED certificate is an alternative to a high school diploma and is accepted by many employers, community colleges, vocational training programs, and governmental agencies.

**Basic Skills**

Basic Skills is the study of reading, writing, and math. It is designed for adults to learn these skills. Basic Skills students will be better prepared to pursue further education including ABE and High School Completion, or pursue employment opportunities.

Advisors: C.D. Jackson, T. Thomas
Chapter 7 - Associate Degrees and Certificates

Agriculture

AGRICULTURE

The programs in agriculture at College of the Desert are designed to serve both occupational and transfer students. Many courses primarily serve students who wish to enter an occupation after graduation. Courses are designed to provide practical experience, as well as academic background.

Students who wish to prepare for four-year colleges will find not only the necessary required transfer courses in English, science, mathematics, and related subjects available to them, but also departmental courses related to their majors. Students should see a major advisor for additional information and program planning.

Curricula leading to a Certificate or Associate in Science degree at College of the Desert, or transfer to a four-year college or university include:

The Natural Resources (NR) program at College of the Desert is a gateway to many different environmentally-focused careers in such fields as: wildlife management, ecosystem management, wildlife ecology, landscape ecology, parks and recreation planning, environmental consulting, GIS (Geographic Information Systems), natural resources law enforcement, forensic entomology, urban planning, alternative energy, and many more. Transfer students who wish to prepare for four-year colleges will find not only the coursework but also the practical experience required for their majors and fields of interest. NR programs also serve students who wish to enter directly an environmentally-related occupation (e.g., park ranger, zookeeper) upon completion of the two-year associate’s degree.

Short term certificates (Desert Naturalist, Field Ranger) provide a well-rounded introduction to the desert environment. These certificates are of special interest to nature enthusiasts including: docents, volunteers, and paid employees who work at museums, libraries, schools, zoos, botanical gardens, parks and other local, state, and federal agencies. In addition, teachers will be able to add many natural science activities to their current curriculum. Either certificate can be easily completed over two semesters and will provide students with academic training and skills necessary for job advancement or employment at any of the natural resource-related agencies in and around the Coachella Valley.

Advisor: K. Leuschner

### NATURAL RESOURCES ASSOCIATE OF SCIENCE DEGREE for employment preparation

**Dept. No. Title ................................................. Units**

**Required Courses:** With advisor approval, choose 30 units from the following:

- **NR 1** Conserv Natural Resources .............. 3
- **NR 1L** Cons Natural Resources Lab ........... 1

AIR CONDITIONING/HVAC

The Air Conditioning/HVAC program is a well established curriculum and has long served the desert community by providing highly trained individuals to work in various businesses throughout the Coachella Valley. The program offers a Certificate and Associate of Science degree for employment preparation that is designed to provide a wide range of courses in order to best serve student needs. In addition, required courses listed in the program are derived from the collaboration and dedicated efforts from members of a Technical Advisory Committee and other individuals’ experiences in the specific occupational areas.

ARCHITECTURE/ENVIRONMENTAL DESIGN

Architecture/Environmental Design programs have a common objective, to help students be prepared to understand issues related to the betterment of the human physical environment. This is accomplished by interrelated course offerings in architecture, construction management, landscape design, drafting/CAD, and building inspection technology. These courses and programs endeavor to give the student a technical background, a set of social values, and a range of occupational skills, which result in creative expression.

The various curricula in architecture/environmental design are intended to be as flexible as possible to best serve student needs. These programs have a common core of courses which provides undecided students an opportunity to change disciplines within the architecture/environmental design group without backtracking and starting over. It also offers students valuable insights into other related disciplines and occupations.

Transfer programs include courses that are designed to meet the requirements of selected universities. All students should meet with their Faculty Advisor each semester to develop and update their Student Education Plan (SEP) for course sequencing and for matching course requirements for transfer institutions.

Occupational programs include courses that are designed to meet the current technological requirement of the design/construction workplace. Students in occupational programs should meet with their Faculty Advisor each semester to develop and update their Student Education Plan. These programs are designed to prepare students for employment upon graduation.

ART

Art is the study of communicating concepts and ideas visually.

Career paths chosen by students pursuing undergraduate studies in art commonly include but are not limited to studio artist, art educator, art consultant, art therapist, conservator, museum curator, art historian, photographer, designer, illustrator, animator or gallery manager.

Careers in the discipline that generally require graduate-level degrees include art historian, conservator, museum curator and art educator. Even students who choose not to major in art find that coursework in the field can improve their ability in complex and creative problem solving, critical analysis, research skills, understanding the intuitive process and in their ability to visualize.

College of the Desert’s art curriculum includes course offerings that provide a general overview of the discipline, as well as an emphasis in art history, ceramics, drawing, graphic design, painting, photography, printmaking, three-dimensional design and two-dimensional design.

The College offers an Associate of Arts degree in Art, as well as courses leading to transfer. Students earning an associate degree in art may pursue entry level positions as designers, illustrators, art consultants or gallery assistants or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with twenty different California State Universities and University of California systems in this discipline/program. California State University at Long Beach, Chico, Los Angeles, Fullerton and San Bernardino as well as University of California at Berkeley, Los Angeles, Riverside and San Diego are some examples of these schools. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

• Two-Dimensional Design (Art 1B, 6, 9A, 14A, 18A, 21A, 23A,25A)

Advisors: J. Cook, R. Evans
Automotive Technology is the study of automotive systems as they relate to the current generation of computer controlled vehicles. Career paths in this discipline include automotive service technician, automotive service consultants, automotive parts sales people, vehicles modifiers in the alternate fuels and fuel cells.

Even students who choose not to major in automotive technology find that course work in the field can improve their ability to solve complex problems, improve diagnostic skills and research complex problems.

College of the Desert’s automotive curriculum includes course offerings that provide a general overview of the discipline as well as specific courses in steering, suspension, braking systems, both automatic and manual transmission, air conditioning, electrical systems, engine performance and emission control systems. The College also offers certificates of achievement for student who specialize in the areas. Students earning the certificates of achievement in the various specialty areas may choose to continue towards an associate's degree or go directly to entry level jobs in that aspect of the automotive service industry. Past recipients of COD automotive certificates have obtained positions as service technicians, service advisors, heavy duty technicians, alternate fuels technicians and alternate fuel system up fitters.

AUTOMOTIVE CERTIFICATE PROGRAMS

The automotive certificate programs are in the areas of certification as outlined by the Automotive Service Excellence (ASE). Upon completion of a certificate program, the student should be ready for employment in that specialty area and also be prepared to take the ASE Mechanic's certification test in the same area.

Chapter 7 - Associate Degrees and Certificates

The Advanced Transportation Technologies degree program offers students the opportunity to learn the academic and occupational skills needed by future entry-level technicians in the transportation industry.

The curriculum was developed with industry guidance and prepares students with foundation courses, and then focuses on the new electronic technologies used in light, medium and heavy-duty vehicles. The program has special emphasis on the hybrid and alternate fuel vehicles being introduced by the major manufacturers.

The degree program’s emphasis is on engine performance and emission systems, vehicle computer systems, electronic controls and vehicle system diagnostics that are used in both conventional and alternate fueled vehicles. In addition to the degree option, the advanced transportation technology certificate programs are designed to be as flexible as possible in offering students and working technicians the opportunity to gain the needed knowledge and skills with a short term commitment.

As the students progress through the program, they will be exposed to other aspects of the transportation industry that include personal planning, development of individual and team working skills, development of advanced technical knowledge, health and safety, and environmental issues.

**Note:** All of the above listed courses are required for the A.S. in Advanced Transportation Technologies.

Advisor: L. DaShiell
Courses in the Business Department have been developed for students who wish to:

1. Meet occupational qualifications of business and industry, or
2. Meet lower division requirements for transfer to a four-year college or university to obtain a bachelor’s and/or advanced degree in business, or
3. Survey the business field to determine personal aptitudes for, and interests in, a business career or as general preparation for dealing with the business community.

Occupational curricula are designed to prepare students, in two years or less, to enter a vocational field and successfully pursue an occupation. Students having such occupational goals should follow suggested curricula listed in this department section. Included in the suggested curricula are the core business courses basic to each occupational program. Students should consult their advisors to determine additional courses, within and outside the Applied Science and Business Division, which are most appropriate to individual objectives.

**ACCOUNTING CERTIFICATE**

Accounting is the study of the process of analyzing, recording, summarizing, and reporting financial information to managers, owners, customers, investors, and other decision makers inside and outside a business organization. Career paths chosen by students pursuing undergraduate studies in accounting commonly include financial accounting, management accounting, tax accounting, auditing, governmental and not-for-profit accounting. Careers in the discipline that generally require graduate-level degrees include management consulting.
services and education. Even students who choose not to major in accounting find that coursework in the field can improve their ability to understand the role of accounting as a part of the overall business management team, as well as their ability to comprehend financial information as it pertains to their personal wealth management.

College of the Desert’s accounting curriculum includes course offerings that provide a general overview of the discipline, as well as specialized focus on tax accounting, hospitality accounting, cost accounting, construction accounting, and computer accounting. The college offers a Certificate of Achievement in Accounting, as well as courses leading to transfer. The certificate is designed to provide students with skills necessary for employment or advancement in the profession. Students earning the certificate may also choose to continue their study toward an associate, baccalaureate, or advanced degree in the field. Past recipients of the COD Certificate of Achievement in Accounting have obtained positions as bookkeepers, para-accountants, accountants, and controllers. Students may choose to continue their study toward a bachelor’s degree with an eye toward becoming a Certified Public Accountant.

COD has transfer agreements with most four-year universities in this program. However, transfer requirements at four-year colleges and universities vary from institution to institution. Students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

BUSINESS ADMINISTRATION

Business administration is the study of basic principles and techniques to effectively manage and lead human organizations.

Career paths chosen by students pursing undergraduate studies in business administration commonly include areas like general business, accounting, information technology and public administration. Careers in the discipline that generally require higher-level degrees include general managers, directors, accountants, economists, and even some higher level supervisory positions.

Even students who choose not to major in business administration find that coursework in the field can improve their ability to think critically, problem-solve, manage their lives, and understand the economic issues that engage our world, our country, and our communities.

College of the Desert’s business administration curriculum includes course offerings that provide a general overview of the discipline, as well as the flexibility to go into a variety of other areas that reflect a student’s particular interests, such as: finance, human resources, hospitality, and information technology.

The College offers an Associate of Arts degree in Business Administration for transfer preparation only. Students earning an associate’s degree in business administration may pursue positions from first-line managers to mid-level managers, depending on how far they pursue their higher education. In addition, they will be able to pursue
almost any entry-level position in a variety of businesses. Students in business administration may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with many of the California State Universities and University of California systems in this discipline/program. However, transfer requirements at four-year colleges and universities tend to vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university, especially in the area of mathematics.

Business administration courses provide focused training and practice to enable students to pursue a variety of occupational interests. College level skill in English and some math are often required as prerequisites (required prior to enrolling) in many business administration and other COD courses.

Advisor: D. George

**Note:** All students majoring in Business Administration are encouraged to take either Math-010 or Math-014 as partial fulfillment of the lowerdivision General Education requirements for transfer to either CSU or UC. However, because Math requirements vary among institutions, each student should consult their intended transfer institution to verify that they have satisfied that institution’s lowerdivision General Education mathematics requirement.

Advisor: D. George

### COMPUTER INFORMATION SYSTEMS

Computer information systems (CIS) is the study of the tools and techniques used to effectively and efficiently transform raw data into useful information.

Career paths chosen by students pursuing undergraduate studies in CIS commonly include office administration, general business, web design, software installation and maintenance, software quality control, database management, electronic bookkeeping, network administration and customer support.

Careers in the discipline that generally require higher level degrees include programming, system analysis, database design, network design and administration, security management.

Even students who choose not to major in CIS find that coursework in the field can improve their ability to think analytically, solve problems, organize thoughts and information, and utilize new technology more efficiently and effectively.

Our discussions with industry representatives indicate that in today’s world employers expect and demand a certain minimum of computer skills as a given, much as they expect an employee to be able to read, write, and use basic math. College of the Desert’s CIS curriculum includes course offerings that provide a general overview of the discipline, as well as courses dealing with more advanced software concepts, and tools used in the business environment.

The College offers appropriate certificates and degrees in computer information systems. In addition to the immediate employment benefits of certificates and associate degrees, coursework at College of the Desert prepares the way for further study at the Baccalaureate level within the California State Universities and University of California systems, and other colleges nationwide.

Advisors: Z. Becker, S. Brandon
C. Decker, T. Gillman

COMPUTER SCIENCE

Computer science (CS) is that branch of computer technology pertaining to the study of software languages and the development of computer programming skills.

Career paths chosen by students pursuing undergraduate studies in CS commonly include entry level programming positions in all branches of business, technical customer support, software quality assurance, and web server administration and support.

Careers in the discipline that generally require graduate-level degrees include lead programming positions, systems analysis, web server design, and general programming for any company requiring non-traditional software solutions.

Even students who choose not to major in CS find that coursework in this field can significantly improve their ability to think critically, reason logically, and solve complex problems.

College of the Desert’s CS curriculum includes course offerings that provide a general overview of the discipline, as well as allowing the student to develop the programming skills required for success in technical careers and/or transfer to a four-year college or university.

The College offers an associate’s degree in CS, designed to prepare its graduates for entry-level positions as described above, or for transfer to a four-year college or university.

The purpose of the economics program is to provide as many students as possible with an opportunity to:

- acquire a basic knowledge of economics
- become aware of the role and place of economics in their personal and public life
- get exposure to the critical thinking approach especially in the context of addressing economic issues
- achieve their academic and career objectives as well as their personal development goals

Presently we offer two principle courses in economics on a regular basis - Principles of Macroeconomics and Principles of Microeconomics. These courses are offered in a variety of instructional forms – conventional, online, and hybrid – to reach out to and serve as wide of a range of students as possible. We offer our economic courses at different times with different instructors to provide students with plenty of choices.

The two principle economic courses are transferable to California State Universities and University of California sytems as general education courses as well as core courses for economics and business degree programs. Students may acquire an AA degree in economics or use the courses for transfer credit to universities. The economics program and courses prepare

Advisor: T. Gillman
students for more advanced degrees in a variety of disciplines including economics, social sciences, business, and law. The program also provides a basic understanding of the economic and business environment for those interested in owning and operating a business or those who seek a career in private or government establishments.

### GENERAL BUSINESS

General business is the study of basic principles and techniques to effectively manage and lead human organizations. Career paths chosen by students pursuing undergraduate studies in general business commonly include areas like business, accounting, information technology and public administration.

Careers in the discipline that generally require higher-level degrees include general managers, directors, accountants, economists, and even some higher level supervisory positions. Even students who choose not to major in general business find that coursework in the field can improve their ability to think critically, problem-solve, manage their lives, and understand the economic issues that engage our world, our country, and our communities.

College of the Desert’s general business curriculum includes course offerings that provide a general overview of the discipline, as well as the flexibility to go into a variety of other areas that reflect a student’s particular interests, such as finance, human resources, hospitality, and information technology.

The College offers an Associate of Arts degree in General Business for employment preparation only. Students earning an associate’s degree in general business may pursue positions as first-line managers and almost any entry-level position in a variety of businesses. This program was not developed to be transferable to a four-year university. Changing academic goals will probably require additional courses.

General business courses provide focused training and practice to enable students to pursue a variety of occupational interests. College level skill in English and some math is often required as prerequisites (required prior to enrolling) in many general business and other COD courses.

**GOLF MANAGEMENT**

Golf management is the study of all aspects pertaining to the operation and the responsibilities of the golf professional in managing a public or private golf facility. Career paths chosen by students pursuing undergraduate studies in golf management commonly include marketing and management as part of their work load.

Even students who choose not to major in golf management find that coursework in the field can improve their ability to clearly articulate relating to problem solving. College of the Desert’s golf management curriculum includes course offerings that provide a general overview of the discipline, as well as hands on training that can be measured for industry needs and standards.

The College offers a Certificate of Achievement in Golf Management, an Associate of Arts degree, as well as courses leading to transfer. The certificate of achievement is designed to provide students with skills necessary for employment or advancement as entry level golf course employees. Students earning the certificate may also choose to continue their study toward an associate, baccalaureate or advanced degree in the field. Past recipients of the COD Certificate of Achievement in Golf Management have obtained positions as directors of golf at golf facilities nationwide. Students earning an associate’s degree in golf management may pursue entry-level positions as apprentice PGA golf professionals or may choose to continue their study in the discipline toward a bachelor’s or graduate degree.

**College of the Desert Catalog 2006-2007**
HOTEL & RESTAURANT MANAGEMENT

Hotel and restaurant management is the study of different aspects of management as it relates to the hospitality industry, in particular, hotels and restaurants.

Career paths chosen by students pursuing undergraduate studies in hotel and restaurant management commonly include entry and sometimes mid-level management positions in any number of the hospitality sectors, not just hotel and restaurant positions.

Careers in the discipline that generally require graduate-level degrees include general managers, club managers, chefs, directors of various operational areas in the hospitality sector such as human resources, finances, etc.

Even students who choose not to major in hotel and restaurant management find that coursework in the field can improve their ability to think critically, solve complex problems, be more aware of their personal abilities/skills, and simply manage in general more effectively.

College of the Desert’s hotel and restaurant management curriculum includes course offerings that provide a general overview of the discipline, as well as course offerings in cooking and accounting.

The College offers an Associate of Arts degree, as well as courses leading to transfer. Students earning an associate’s degree in hotel and restaurant management may pursue (entry-level) positions as managers/line staff or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has a transfer agreement with California State Polytechnic University, Pomona, in this discipline. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

Management, accounting and various hospitality related courses provide focused training and practice to enable students to acquire the skill necessary to pursue their degree and/or transfer goals. College level skill in English is prerequisite (required prior to enrolling) in many of these hotel and restaurant management courses.

Advisors: S. Beno, D. George

HOTEL & RESTAURANT MANAGEMENT

SUPERVISION & MANAGEMENT

Supervision and management is the study of the discipline of management with a special focus on the managing of human resources in today’s rapidly changing world of work.

Career paths chosen by students pursuing undergraduate studies in supervision and management commonly include such areas as general business, human resource, accounting, and information technology. Careers in the discipline that generally require graduate-level degrees include all levels of supervisory management, directors, and all levels of managers including general managers.

Even students who choose not to major in supervision and management find that coursework in the field can improve their ability to think critically, problem-solve, manage a wide variety of situations, and understand the complexities of dealing with human beings in organizational settings.

College of the Desert’s supervision and management curriculum includes course offerings that provide a general overview of the discipline, as well as more detailed procedural issues such as quality management, human relations, purchasing, and work simplification.

The College offers a Certificate of Achievement and an Associate of Arts degree in Supervision and Management.
The certificate of achievement and the associate's degree are both designed to provide students with skills necessary for employment or advancement as managing supervisors. Past recipients of the COD Certificate of Achievement and Associate of Arts degree in Supervision and Management have obtained positions as managerial supervisors in a wide range of business areas and at widely varying levels.

Supervision and management courses provide focused training and practice to enable students to acquire the skill necessary to pursue their degree and/or employment goals. College level skill in English is prerequisite (required prior to enrolling) in many supervision and management and other COD courses.

Advisors: D. George, R. Immenhausen

### CULINARY ARTS

The Culinary arts program at College of the Desert provides training for careers in the food service and lodging industries, one of the fastest growing sectors in today’s job market. The program includes training at three levels: entry, intermediate and advanced.

This program is designed to prepare future working cooks and chef apprentices, provide courses for the student desiring personal enrichment, and enhance the skills and professional qualifications of cooks and chefs employed in the local industry.

Advisor: S. Beno

DIGITAL DESIGN AND PRODUCTION ASSOCIATE OF ARTS DEGREE
for employment preparation

Digital design and production (DDP) is the study of computer graphic design for print and the web. Career paths chosen by students pursuing undergraduate studies in DDP commonly include graphic design, web design, animation and video production. Careers in the discipline that generally require graduate-level degrees include college teacher, creative director and art director. Even students who choose not to major in DDP find that coursework in the field can improve their ability to think critically, solve complex problems, improve their skills on the computer, research and analysis for design projects.

College of the Desert’s DDP curriculum includes course offerings that provide a general overview of the discipline, as well as specific courses in Photoshop, Illustrator, QuarkXPress, basic animation and basic web content. The College offers a Certificate of Achievement in DDP, an Associate of Arts degree, as well as courses leading to transfer. The certificate of achievement is designed to provide students with skills necessary for employment or advancement as graphic designers. Students earning the certificate may also choose to continue their study toward an associate, baccalaureate or advanced degree in the field. Past recipients of the COD Certificate of Achievement in DDP have obtained positions as graphic designers, art directors, and creative directors. Students earning an associate’s degree in DDP may pursue (entry-level) positions as graphic designers or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with California State Universities in this discipline/program. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

DISABLED STUDENTS
PROGRAMS AND SERVICES

Students with disabilities at College of the Desert participate in the same activities and courses as any student. Special services are offered to provide a more equitable classroom experience and to help successfully integrate the student into college life. Services for students with verified disabilities may include: priority registration, tutoring, interpreters, note takers, specialized counseling, and specialized equipment.

Disabled Students Programs and Services (DSPS) provides special instructional opportunities to qualified students. Participation is voluntary. Interested students must meet with the appropriate DSPS counselor to apply for these programs. Special instructional programs include: DSPS High Tech Computer Access Center, WorkAbility III, and Adapted Physical Education courses.

All interested individuals are urged to contact the Learning Disabilities Specialist, the Counselor or the Coordinator of Disabled Students Programs and Services for further information: (760) 773-2534; TDD (760) 773-2598.

DRAFTING/CAD

Drafting/CAD programs have a common objective, they are aimed at the betterment of the human physical environment. These programs endeavor to give the student a technical background, a set of social values, and a range of occupational skills, which result in creative expression.

The various curricula in drafting/CAD are intended to be as flexible as possible to best serve student needs. The drafting/CAD programs have a common core of courses which provides undecided students an opportunity to change disciplines within the environmental design group without backtracking and starting over. They also offer students valuable insights into other related disciplines and occupations.

Transfer programs include courses that are designed to meet the requirements of selected universities. Students should check transfer status of individual courses depending on their choice of a transfer institution. The occupational programs are designed to prepare students for employment immediately upon graduation.

Advisor: D. Bitanga

### EARLY CHILDHOOD EDUCATION

**Early childhood education (ECE)** is the study of child development and developmentally appropriate practices for young children. Career paths chosen by students pursuing undergraduate studies in ECE commonly include infant/toddler or preschool teachers and administrators. Careers in the discipline that generally require graduate-level degrees include administrators of government funded programs like Head Start and state preschools. Even students who choose not to major in ECE find that coursework in the field can improve their parenting skills.

College of the Desert’s ECE curriculum includes course offerings that provide a general overview of the discipline, as well as teaching strategies that are developmentally appropriate for young children. Students earning ECE certificates may also choose to continue their study toward an associate, baccalaureate or advanced degree in the field. Students earning an associate’s degree in ECE may pursue entry-level positions as Title 22 preschool teachers or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with CSUSB, in this discipline/program. However, transfer requirements at four-year colleges and universities tend to vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

**Advisors:** W. Sanders, L. Young

Chapter 7 - Associate Degrees and Certificates
**STATE REQUIREMENTS FOR ECE ASSOCIATE TEACHERS**

The following courses fulfill the California State requirement of 12 semester units for fully qualified associate teachers in private nursery schools and child care centers. The State of California also requires 50 days of experience working in a child care program to apply for an Associate Teacher Credential.

**ASSOCIATE TEACHER CERTIFICATE and Preparation for State Permit**

College of the Desert's English program offers an Associate of Arts degree in Composition or Literature as well as courses leading to transfer to a four-year college. Students earning an associate's degree in composition or literature are well prepared for myriad career fields in the liberal arts. These programs also provide an excellent preparation for the competitive admission to such professional schools as law and medicine. Students may also choose to continue their study in the discipline toward a bachelor's or graduate degree. Transfer requirements at four-year colleges and universities tend to vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

### ENGLISH AS A SECOND LANGUAGE (ESL)

College of the Desert’s English as a second language program (ESL) offers credit and non-credit courses preparing students for entry to academic programs at COD as well as for vocational and personal goals:

**ENGLISH AS A SECOND LANGUAGE (ESL)**

**CREDIT PROGRAM**

ESL, English as a second language, is a program especially developed for non-native speakers of English and for those who speak English as a second language. The credit ESL program offers multi-level courses in writing, reading and speaking to prepare students for the demands of higher education or a vocational certificate.

**ENGLISH AS A SECOND LANGUAGE (ESL)**

**NON-CREDIT PROGRAM**

The Communication Division also offers the Non-Credit ESL program, an intensive series of multi-skill courses which meet the needs of students not fluent in English. Persons from the literacy level to the highly advanced level of English proficiency acquire the skills required for their daily lives and prepare themselves to enter high school completion, vocational or academic programs.

Classes are open-entry, thereby allowing students to register at any time during the school year. Classes are held day and evening at Palm Desert, Eastern Valley Center and other off-campus locations.

All persons 18 years of age and older regardless of their educational background are welcome to enroll in this program.

**EL INGLES COMO SEGUNDO IDIOMA**

Inglés como Segundo Idioma ofrece programas de instrucción para todos los niveles de habilidad. Se encuentra la oficina de ESL non-credit en el segundo piso del centro estudiantil Hilb localizado enfrente de la fuente (Palm Desert Campus). Las clases que se ofrecen en este departamento reciben nuevos estudiantes todos los días. Cada persona de 18 años o más, sin tener en cuenta su educación previa, es bienvenida a este programa.

**Advisors:** C. Norman, C. Smith, F. Vescial, D. Woods
92 Fire Technology

FIRE TECHNOLOGY

Fire technology is the study of the organization and function of fire prevention and suppression techniques; fire behavior, combustible materials, extinguishing agents, hazardous and toxic material; fire protection techniques and systems; fire command and fire management (supervision).

Career paths chosen by students pursuing undergraduate and/or baccalaureate degrees in fire technology or fire service commonly include firefighter, fire engineer, paramedic, forest service worker, health and safety officer, fire prevention specialist, fire inspector, and hazardous materials specialist.

College of the Desert’s fire technology curriculum includes course offerings that provide a general overview of the discipline, as well as specific courses in design and operation of fire detection and alarm systems; fire protection features in building design and construction; wildland fire behavior and fireline techniques; trench rescue, confined space awareness and automobile extraction.

The College offers a Certificate of Achievement in Fire Technology and an Associate of Science degree. The certificate of achievement is designed to provide students with skills necessary for employment or advancement as an entry level firefighter. Students earning the certificate may also choose to continue their study toward an associate or baccalaureate degree in the field.

Past recipients of the COD Certificate of Achievement in Fire Technology have obtained positions as firefighter, firefighter/EMT and paramedic. Students earning an associate’s degree in Fire Technology may pursue positions as a firefighter, paramedic or firefighter/EMT or may choose to continue their study in fire technology or fire service toward a bachelor’s degree.

FOREIGN LANGUAGES

College of the Desert offers courses in American Sign Language, French, German, Italian, Japanese, and Spanish.

Any student who feels qualified to take a more advanced course than indicated in his prior work will be encouraged to do so by recommendation of the instructor.

Colleges and universities consider it essential that any student receiving the Bachelor of Arts degree have at least some knowledge of a language and civilization of other cultures. Students who are planning to transfer to a four-year institution should consult their respective catalogs for more specific information.

HEALTH, PHYSICAL EDUCATION AND RECREATION

Physical education is the study of health, fitness, recreation and lifetime wellness. Career paths chosen by students pursuing undergraduate studies in physical education commonly include: public school instruction, athletic coaching, recreation management/leisure studies, fitness professional, and corporate wellness programs. Careers in the discipline that generally require graduate-level degrees include: K-12 teacher, physical therapist, athletic trainer, sports/athletic coach, club/corporate wellness director.

Even students who choose not to major in physical education find that coursework in the field can improve their ability to: think critically, apply kinesiology/human movement principles for optimum fitness, apply complex health concepts in the improvement of personal health, fitness and disease prevention, and integrate research in the field to contribute to personal and community well-being.

College of the Desert’s physical education curriculum includes course offerings that provide a general overview of the discipline, as well as specialized instruction in athletic coaching, recreation management, sports officiating, and dance.

Students earning an associate’s degree in physical education may pursue (entry-level) positions such as fitness trainer, community recreation and youth sports coordinator, or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with the California State Universities and University of California systems in this discipline/program. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

Advisors: W. Ansley, C. Hays

Baseball is one of the many team sports at COD. Student athletes learn teamwork, form lasting friendships, win championships, earn scholarships and degrees.
HEALTH SCIENCES

The Division of Health Sciences/ECE offers two degree programs and three certificate programs that prepare men and women for careers in health occupations. Educational pathways include both theoretical instruction on campus and clinical experience in local hospitals and clinics.

Students enrolled in the clinical program are subject to special guidelines developed to protect patient safety. A student may be asked to withdraw from the Health Sciences program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member’s professional judgment, places the patient in physical or emotional jeopardy. Should this occur, the student will have a conference with the member of the faculty and the Dean.

Hospital Requirements:
Affiliation agreements with clinical facilities regulated by the Joint Commission on Accreditation of Hospitals (JCAHO) require that College of the Desert Health Sciences students meet specific requirements prior to being placed at a facility for a clinical rotation. These requirements include a recent physical examination, specific immunizations or titers, a negative TB skin test, a negative criminal background clearance and a negative drug screen.

All students enrolled in Health Sciences courses requiring patient care contact in a JCAHO accredited facility must provide evidence of meeting these requirements prior to the first clinical experience. Students will be excluded from the clinical site until all required materials have been received in the division.

Policies and procedures for the criminal background check and the drug screen are available from the Health Sciences/ECE division office. The student shall be responsible for paying any associated costs of these requirements. Some of these costs may be assessed and collected by the Office of Admissions and Records.

Core Performance Standards:
In compliance with the Americans with Disabilities Act, students must be, with reasonable accommodation, physically and mentally capable of performing the essential functions of the program. The Core Performance Standards adopted by the Health Sciences/ECE Division include the following.

Physical Demands - Must be able to:
- be on your feet 6-12 hours at a time and perform activities that include reaching, balancing, carrying, pushing, pulling, stooping, bending and crouching;
- lift and transfer adults and children from a stooped to an upright position to accomplish bed-to-chair and chair-to-bed transfers;
- lift and adjust positions of bedridden patients, including pulling as much as 12 inches toward the head of the bed;
- physically apply up to ten pounds pressure to bleeding sites or to chest in the performance of CPR using hands, wrists and arms;
- maneuver in small spaces quickly and with ease;
- perform fine motor skills that require hand-eye coordination in the use of small instruments, equipment, and syringes;
- feel and compress tissues to assess for size, shape, texture, and temperature.

Senses - Must be able to:
- visually read calibrated scales in increments of one-hundredth of an inch in not more than a three-inch space;
- perform close and distinct visual activities involving persons and paper work;
- visually discriminate depth and possess color perception;
- identify and distinguish odors that are pungent, or the products of infection or metabolic imbalance (e.g., ketones);
- respond and react immediately to auditory instruction, requests, signals, and monitoring equipment;
- perform auditory assessments requiring the distinguishing of variances in sounds (e.g., tones and pitches).

Attitudes - Must be able to:
- learn to perform mathematical calculation for medication preparation and administration in a timely manner;
- learn to communicate effectively, both orally and in writing, using appropriate grammar, vocabulary, and word usage as well as medical terminology;
- comprehend verbal and written directions, making correct notations and responding as directed;
- make proper and timely decisions under stressful and emergency situations.

College policy requires each student enrolled in Health Sciences programs with clinical components to purchase insurance coverage against liability for malpractice. Refer to the class schedule for current fee. This fee is paid at the
time of registration. All programs offered by the Division demand a grade of "C" or better (2.0) in any course fulfilling program requirements.

**EMERGENCY MEDICAL TECHNICIAN**

The Emergency Medical Technician Program prepares individuals to recognize illnesses and injury symptoms and to provide legal permissible emergency treatment set forth by the standards of the Riverside County EMS Agency.

The curriculum meets the state coursework minimum requirements for EMT-I programs. Field and clinical experience is arranged outside of scheduled theory and skills lab time. CPR certification will be required prior to students attending clinical experience. Students are required to purchase malpractice insurance in conjunction with this course. Students must be eighteen (18) years of age to enroll in this course.

On completion of this 6-unit course, the student is eligible to apply to the local EMS Authority for the county-issued certification as an Emergency Medical Technician-I which is valid for 2 years.

A 2-unit EMT refresher course is offered each Fall and Spring semester. The course meets the requirements for EMT-I recertification.

This program meets all criteria of the Riverside County EMS Agency for the Emergency Medical Technician-I training.

This will serve to advise you that, pursuant to California Health and Safety code Section 1799.100, by participating in a course of instruction in emergency medical training you have waived your rights to collect civil damages against the College in the event you sustain an injury.

The code states: “No local agency, entity of state or local government, or other public or private organization which sponsors, authorizes, supports, finances, or supervises the training of people, excluding physicians and surgeons, registered nurses, and licensed vocational nurses, as defined, in emergency medical services in training programs under this part, shall be liable for any civil damages alleged to result from such training program.”

**HOME HEALTH AIDE**

The Home Health Aide program prepares men and women to assist with the routine care and treatments of clients in their homes. These services include personal health care as well as food purchasing, meal planning, laundry, and light housekeeping. Successful completion of the program results in eligibility to take the state approved tests that lead to certification as a Home Health Aide.

The course of study includes 27 hours of classroom instruction and 27 hours of supervised clinical experience.

Students wishing to enter the program must be certified as a nursing assistant in California or currently enrolled in HS 64. Specific information regarding the program may be obtained by contacting the Health Sciences/ECE Division.

**NURSING ASSISTANT**

The Nursing Assistant (NA) program prepares men and women to assist with the routine care and treatment of patients in health care facilities. Working under the direction of the nursing and medical staff, activities of the certified nursing assistant include providing personal care, maintaining safety, and assisting with activities of daily living. Successful completion of the program results in eligibility to take the state approved tests that lead to certification as a nursing assistant.

The course of study includes 72 hours of classroom instruction and at least 100 hours of clinical practice in long-term care facilities. Students wishing to enter the program must complete English 50 or have an assessment score indicating placement into English 51.

Students submitting initial application to the Department of Health Services for this course will need to complete information disclosing any past criminal record. Electronically transmitted fingerprinting (LiveScan) is required for this course. If a history exists that has not been cleared with the Department of Health Services, the student will not be able to continue in the class.

Students must provide a valid social security number as required by the Department of Health Services, Licensing and Certification, Aide and Technician Certification Section (ATCS) under Health and Safety Code, Sections 1337 though 133.85 and 1736.1—1736.6 in order to process requests for nurse assistant and home health aide certification.

Specific information regarding the program may be obtained by contacting to the Health Sciences/ECE Division.

**ASSOCIATE DEGREE NURSING PROGRAM**

Admission criteria, program eligibility and selection processes are subject to change. Prospective students are encouraged to check the division website periodically to remain updated.

**PROGRAM DESCRIPTION**

The Associate Degree Nursing Program prepares graduates to care for individuals in hospitals, long term care facilities,
doctors’ offices and clinics in a beginning staff nurse position. The curriculum consists of courses in general education and science in addition to prescribed nursing courses. Once accepted to the nursing program, the student will complete four semesters of nursing courses. The nursing program is approved by the California Board of Registered Nursing and is accredited by the National League for Nursing Accrediting Commission (NLNAC), 61 Broadway, New York, NY 10006, (212) 363-5555 extension 153.

College of the Desert is designated as a continuing education provider by the Board of Registered Nursing. The provider number is 00284.

**LICENSING REQUIREMENTS**

Graduates are awarded the Associate in Science Degree in Nursing and are eligible to apply to the state board of nursing to take the National Council Licensing Examination (NCLEX) and become licensed as a registered nurse. The California Board of Registered Nursing protects the public by screening applicants for licensure to identify potentially unsafe practitioners. The state board of nursing may deny applications for permanent licensure, interim permits, and temporary licenses if the applicant has been found guilty of dishonesty, fraud or deceit, acts which deceive the public; felony; child abuse, sex offender crimes; acts involving narcotics, dangerous drugs or devices, assault and/or battery and other crimes. Fingerprints are part of the application for licensure. Students interested in a career as a nurse who have questions regarding licensure limitations should contact the California Board of Registered Nursing at (916) 322-3250.

Graduation from the Associate Degree Nursing Program does not guarantee licensure. To apply for licensure, disclosure of your social security number is mandatory on the California Application for Licensure by Examination form.

**PROGRAM APPLICATION PROCESS**

Application to the nursing program is separate from application to the College. A letter of application is available during specific application periods and be obtained from the division website, www.collegeofthedesert.edu/Students/Academics/Programs/healthscience/hlth, or from the Health Sciences/ECE Division at College of the Desert, 43-500 Monterey Avenue, Palm Desert, CA, 92260.

Enrollment into the registered nursing program is limited when the number of applicants exceeds the number of spaces available.

A detailed brochure regarding the nursing program, acceptance, and other pertinent information is available from the Health Sciences/ECE Division Office, the Counseling Center, and college website.

**Admission and Selection Process Change**

College of the Desert’s Registered Nursing Program will begin using a new process for accepting students to its program effective with students entering the program in fall 2006.

This new process is being implemented to meet recommendations for nursing program admission from the State of California Community College Chancellor’s Office, the California Community College Nursing Alignment Committee, and the California State Legislature.

Acceptance to the nursing program for fall 2006 and spring 2007 will follow the current admission and selection process.

The change in the admission and selection process is designed to be fair and equitable, increase student retention, and maximize the number of graduating nurses. The new process enables the College to be eligible to apply for funding from the State legislature to expand, augment or improve its nursing program.

Effective May 2006, College of the Desert Registered Nursing Program will no longer maintain a wait list of individuals interested in its nursing program.

Students accepted to the nursing program for fall 2006 and spring 2007 will be taken from the existing waitlist using criteria in place at the time of application to the program. Contact the HS/ECE division office or check the division website for additional information.

**Program entrance process effective with the Fall 2007 class:**

**Program eligibility:**

To be eligible for the enrollment process for the College of the Desert Registered Nursing Associate Degree program, the applicant must meet the following criteria:

Completion of the following prerequisite courses with a “C” or better:

- Human Anatomy with a lab component
- Human Physiology with a lab component
- Microbiology with a lab component

Completion of the following additional prerequisites:

- A 2.5 G.P.A. for all college level coursework taken within the past seven (7) years.
**Health Sciences/Nursing**

- A 2.5 G.P.A. for the three required science courses with no grade less than "C" for each course and no more than one repetition of any one of the three courses. A "W" mark is considered a repetition.
- A transferable, 3 unit, college level English course with a "C" or better. (English 1A is recommended).

**Selection Process:**
Applications are accepted twice a year:
- August 1-31 for spring semester admission
- March 1-31 for fall semester admission
- If the 31st falls on a weekend or holiday the closing date for applications will be the next working day
- **Note:** For the fall 2007 class only, the application is June 1-30, 2007.

Applications will be accepted from any qualified student. First preference is given to students who have completed 12 or more units at COD. Any remaining admission slots are offered to qualified students who have not completed 12 units at COD.

Should there be more qualified students applying than there are spaces available, a randomized process will be used to order the applications.

Applicants will be notified in writing within 6-8 weeks after the close of the application period regarding admission status.

**EVENING/WEEKEND PROGRAM**
An externally funded program, the evening/weekend program enrolled its last group of students in May 2006. No further applications are being accepted. The last group of students in this program will complete their course of study in August 2007.

**NURSING PROGRAM OPTIONS**

**Associate Degree in Nursing for the Diploma Graduate**
California licensed registered nurses who have graduated from a hospital-based program may earn an associate in science degree upon completing 30 units of general education requirements. 30 units of nursing credit will be given for the diploma certificate. 12 units of general education courses must be completed at College of the Desert.

**Advanced Placement Options**
Prospective students who have had prior education in nursing or other health related areas may request consideration for entry into the nursing program with advanced placement. Applicants would include licensed Vocational/Practical Nurses, Licensed Psychiatric Technicians, and transfer students from accredited nursing programs. Specific information regarding the advanced placement procedure is available through the Health Sciences/ECE Division. All advanced standing applicants are accepted to the program on a space available basis.

**LVN-RN (degree option)**
Licensed Vocational Nurses may enter the associate degree program at an advanced level after meeting specific criteria:
1. current licensure in California as a Vocational Nurse,
2. completion, with a "C" or better, of BI 13, BI 14, BI 15, ENG 1A; and, eligibility for MATH 40,
3. completion of HS 55,

Interested students should make an appointment to meet with the Nursing Program Director or Nursing Advisor for further information. A detailed brochure is available from the Health Sciences/ECE Division Office and the college website.

Effective fall 2007, LVN-RN students must meet new program eligibility criteria.

**LVN-RN (non-degree option)**
The non-degree option requires that interested students fulfill the following requirements:
1. current licensure as a California LVN,
2. proof of high school diploma/GED,
3. completion, with a "C" or better, of courses in Human Physiology and Microbiology.

Students are accepted to the third semester of the nursing program on a space available basis. Students will complete the final two semesters of the nursing program totaling no more than 20 units. As the 30-unit option is a non-degree option, the college awards no degree. This creates limitations for licensure in other states. Students who do not receive an A.S. degree in Nursing probably will not be eligible for licensure by endorsement in other states. Interested students must make an appointment with a Nursing faculty advisor to obtain further information and make application.

All advanced placement students will be accepted on a space available basis. A detailed brochure is available from the Health Sciences/ECE Division Office and college website.
### Transfer

Students with previous nursing education from a Board of Registered Nursing approved registered nurse program may request transfer into the program. All transfer requests will be evaluated on an individual basis. Students should make an appointment with the Nursing Program Director to discuss transfer possibilities and materials needed to make the assessment. Transfer students must meet the same enrollment requirements as all students entering the nursing program. General education courses must be completed to correspond with the nursing program’s requirements respective to the semester for which the student is seeking transfer. A minimum of twelve units must be completed at COD. All transfer students are accepted on a space available basis.

### REGISTERED NURSING COURSE SEQUENCE

Students can complete the nursing program in two years once accepted to the nursing program.

It is strongly recommended that students interested in a Nursing degree pick up a program brochure from the counseling center or Health Sciences/ECE Division office. Information is also available on the college website: www.collegeofthedesert.edu.

**Please note:** Students are strongly encouraged to complete all general education courses while waiting for program entry. To graduate with an Associate in Science Degree in Nursing, students need to complete the following courses prior to completion of the fourth semester of the nursing program:

<table>
<thead>
<tr>
<th>Course</th>

### VOCATIONAL NURSING PROGRAM

Admission criteria, program eligibility and selection processes are subject to change. Prospective students are encouraged to check the division website periodically to remain updated.

The Vocational Nursing (VN) Program prepares graduates to qualify to take the national licensing examination (NCLEX-PN) to become a Licensed Vocational Nurse. Licensed vocational nurses assist in data collection, plan and implement nursing care, administer medications and treatments, and maintain a safe environment for patients and families.
Chapter 7 - Associate Degrees and Certificates

Accredited by the California Board of Vocational Nursing and Psychiatric Technicians (BVNPT), the 12-month, full-time program provides student-centered instruction and conforms to all state regulations. Classroom instruction is offered concurrent with clinical practice, assisting the student in the application of nursing theory to actual nursing situations. Students attend class and clinical instruction approximately 34 hours each week. A minimum grade of “C” must be earned in all courses taken for the Vocational Nursing Certificate.

Upon program completion, students are awarded a vocational certificate and become eligible to apply to the California BVNPT to take the NCLEX-PN. Students may earn a non-transfer Associate of Science degree in Vocational Nursing, if desired. Completion of the VN program does not guarantee licensure.

The program is three semesters long, beginning each summer. The program meets the 1530 hours required by the California BVNPT. It is a limited enrollment program with enrolled students required to meet the following:

1. A minimum age of 17 years (Section 2866a, VN Practice Act)
2. High school graduation or GED equivalency. Foreign high school transcripts must be evaluated by an international transcript evaluation agency.
3. Minimum 2.0 GPA in all college course work completed
4. Completion of English 51 (or an assessment score greater than 99)
5. Completion of Math 57 (or an assessment score greater than 65)
6. Completion of HS 62 OR an equivalent course/s in anatomy and physiology. (5-year recency requirement)
7. Completion of HEC 13 OR an equivalent course in general nutrition. (5-year recency requirement).

Additional program requirements:

1. Completion of HS 67, Introduction to Med/Dosage Calculations, prior to the start of the second semester of the VN program. It is strongly recommended that the course be completed prior to program acceptance.
2. Completion of PSY 1 prior to beginning the third semester of the program. Students desiring to decrease their study load are advised to take HS 67 and PSY 1 prior to entering the program. (5-year recency requirement)
3. Once accepted, maintenance of CPR certification throughout program
4. Once accepted, evidence of good health documented by physical examination, with required immunizations.
5. Transfer credit shall be given for related previous education completed within the last five years. (Section 2535 VN Practice Act).

Students interested in the Vocational Nursing Program should:

1. Read program brochure for prerequisite information and selection process. Complete details are found in the program brochure available from the division office or website.
2. Attend one of the monthly informational sessions during fall semester. Call 773-2578 or visit the division website for dates and times of sessions.

The Alcohol and drug studies program is the study of chemical addiction and treatment.

Career paths chosen by students pursuing undergraduate studies in alcohol and drug studies commonly include supervised alcohol and drug counseling. Even students who choose not to major in alcohol and drug studies find that coursework in the field can improve their ability to understand the issues surrounding chemical dependency and treatment.

The College offers a Certificate of Achievement in Alcohol and Drug Studies and a non-transferable Associate of Arts degree in Alcohol and Drug Studies. The Certificate of Achievement is designed to provide students with skills necessary for employment as supervised chemical dependency counselors, as well as advancement toward the California Association of Alcoholism and Drug Abuse Counselors (CAADAC) certification. Students earning the certificate may also choose to continue their study toward a non-transferable Associate of Arts degree in the field. Past recipients of the COD Certificate of Achievement in Alcohol and Drug Studies have obtained positions as supervised chemical dependency counselors, locally and throughout California. Students earning an associate’s degree in Alcohol and Drug Studies may pursue entry-level positions as supervised chemical dependency counselors or may choose to continue their study in the discipline toward a bachelor’s or graduate degree in counseling psychology. Transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with an academic advisor for specific information regarding the transfer requirements of their preferred college or university.

LIBERAL ARTS

The liberal arts major is College of the Desert’s most flexible and inclusive transfer degree program. It is appropriate for students who wish to gain knowledge in a broad range of subjects and for students who wish to design their own plan of study in consultation with a counselor. The liberal arts major is also appropriate for those transferring students who are not seeking a specific major at C.O.D. but, instead, choose to focus on their university general education and major preparation. This degree program allows most students to meet admission, general education and lower division major requirements for university transfer. This program is not appropriate for high-unit transfer majors, e.g., math, science, and engineering.

The Associate of Arts degree in Liberal Arts is earned by completing 60 transferable units, including the California State University General Education Certification (General Education Option 1) or the Intersegmental General Education Transfer Curriculum (General Education Option 2). Additionally, students must meet the competency requirement in reading as well as the PE activity requirement for graduation. Liberal arts majors should call the Counseling Center at (760) 773-2520 to schedule an appointment with a counselor for academic advisement.

LIBERAL STUDIES TRANSFER

Students who are transferring into a baccalaureate program in liberal studies in preparation for a Multiple Subjects Teaching Credential should schedule an appointment with a counselor for academic advisement. With early planning and advisement, it is possible to earn an A.A. degree in Liberal Arts from C.O.D. while completing the pre-credential transfer program of study.

MASS COMMUNICATION

College of the Desert’s Mass Communication program offers an Associate of Arts degree in Communication, Journalism, and Mass Communication. Students earning an associate’s degree in one of these disciplines are well prepared for career fields in radio broadcasting, journalism, and motion picture, television, and video production. Students may also choose to continue their study in the discipline toward a bachelor’s or graduate degree. Transfer requirements at four-year colleges and universities tend to vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

Mathematics is the study of quantity, structure, space and change. It developed, through the use of abstraction and logical reasoning, from counting, calculation, measurement, and the study of the shapes and motions of physical objects. Mathematics is also used to refer to the insight gained by mathematicians by doing mathematics, also known as the body of mathematical knowledge. This latter meaning of mathematics includes the mathematics used to do calculations and is an indispensable tool in the natural sciences and engineering.

Career paths chosen by students pursuing undergraduate studies in mathematics commonly include teaching, actuary, computer science, statistics, physics and engineering. Careers in the discipline that generally require graduate-level degrees include mathematics, engineering and the natural sciences. Even students who choose not to major in mathematics find that coursework in the field can improve their ability to think critically, solve complex problems, research and analysis and improve their writing skills.

College of the Desert’s mathematics curriculum includes course offerings that provide a general overview of the discipline, as well as specific mathematical topics that can be applied to other areas like physics, chemistry, biology, computer science and engineering. The College offers an Associate of Science degree, as well as courses leading to transfer. Students earning an associate’s degree in mathematics may pursue (entry-level) positions leading to transfer. Students earning an associate’s degree in mathematics may pursue (entry-level) positions as teacher’s aid or may choose to continue their study in the discipline toward a bachelor’s or graduate degree.

COD has transfer agreements with California State Universities and University of California systems in this discipline/program. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

In addition, the Mathematics Department offers an extensive remedial Mathematics curriculum to assist the large portion of students that enter the College and are not prepared for college level mathematics.
Music - Nutrition

MUSIC

The music program offers a full range of courses in music fundamentals, musicianship, harmony, appreciation and history, as well as classes in piano, voice, percussion and guitar. Private lessons are available on most instruments, including voice, through the applied music program. Instrumental and vocal ensembles provide public performance opportunities to majors and non-majors alike. It is the goal of the music program to:

• help students develop their musical and intellectual potential to the highest possible level.
• provide a broad foundation of knowledge in the theory, history, literature and practice of performing arts for students wishing to pursue degree, transfer and vocational agendas.
• promote community awareness of the relationship between music and the history of human values, cultural diversity and the liberal arts tradition.
• promote the development of discipline-specific skills appropriate to the training of those who wish to teach, those who will pursue advanced studies or professional employment, and those who will use their artistic training in community settings and other cultural service areas.
• enable all students to benefit from the cultural richness of our heritage through both traditional and experimental performance practices.

Careers in music include performer, educator, conductor, composer, arranger, accompanist, recording engineer, radio/television audio engineer, music minister, music therapist, private instructor.

The College offers an A.A. degree in Music. Students planning to transfer to a four-year institution and major in music should consult with an advisor regarding the transfer process and lower division requirements.

Advisors: D. Romano, S. Schmidt

NUTRITION

NUTRITION CARE: DIETETIC TECHNICIAN
Chaffey College & College of the Desert Articulated
ASSOCIATE OF ARTS DEGREE for employment preparation

The dietetic technician program prepares students to take the ADA Registration Examination for Dietetic Technicians administered by that agency. Students complete articulated classes at COD and field work through Chaffey College, whose program is approved by the Commission on Accreditation for Dietetic Education of the American Dietetic Association (ADA, 120 S. Riverside Plaza, Suite 2000, Chicago, IL 60606-6995, 800/877-1600).

Dietetic technicians are employed as managers in a designated unit or department in health care, community care, school food service, county health, and community directed programs of nutrition services for elderly, infants, or children.

Chapter 7 - Associate Degrees and Certificates
SCiences

BIOLOGICAL AND PHYSICAL

The Science Department has available a broad offering of courses in the biological and physical science disciplines. The aim of the department is to provide instruction to a large number of general students as well as those with a goal of majoring in science. To this end, courses for the non-science major are transferable to other institutions for general education requirements. Courses designed for science majors parallel content, level of instruction and units found in university systems. The department also offers a complete sequence of science courses leading to a nursing program and related paramedical qualifications.

Specified high-unit majors do not complete the transfer general education certification and must meet with their faculty advisors for general education requirements for graduation.

BIOLOGICAL SCIENCES

Biology is the study of living organisms, and includes plants, animals, bacteria and fungi. Biology studies their molecular and cellular structures as well as the whole organism and also includes structure- function relationships and organismal behavior.

Career paths chosen by students pursuing undergraduate studies in biology commonly include pharmaceutical sales, biomedical research, biomedical engineering, fish and wildlife biology, animal handler/trainer, zoo/aquarium biologist, forestry service, national parks service, environmentalist, biology teacher.

Careers in the discipline that generally require graduate-level degrees include medicine, pharmacy, veterinary, optometry and dentistry, bioinformatics (biology & computer science), medical research, scientific research. Even students who choose not to major in biology find that coursework in the field can improve their ability to think critically, solve complex problems, improve their skills at writing, research and analysis, understand modern scientific, medical and environmental issues as well as their own health issues.

College of the Desert’s biology curriculum includes course offerings that provide a general overview of the discipline, as well as coursework in mathematics, physics and chemistry.

The College offers an Associate of Science degree, as well as courses leading to transfer to a university. Students earning an associate’s degree in biology may pursue entry-level positions as laboratory assistants or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with the California State Universities and University of California systems in this discipline/program. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

Advisors:
- S. Covert: Biology, Pre-medicine
- A. Tesch: Biology, Nursing, Pre-medicine
- C. Totten: Microbiology, Pre-medicine, Pre-dentistry, Pre-optometry, Pre-veterinary Medicine
- R. Tracey: Bacteriology, Microbiology, Nursing, Pre-medicine, Pre-dentistry

BIOLOGY, PRE-PROFESSIONAL ASSOCIATE OF SCIENCE DEGREE and transfer preparation

(Includes Biology, Zoology, Botany, Premedicine, Predentistry, Prepharmacy, Preveterinary Medicine, Microbiology, Entomology, Parasitology, Biological Oceanography)

Physical Education Activities........................................... 2

DEGREE TOTAL .................................................................. 60

Consult catalog of transfer institution for specific requirements. Consult course descriptions for prerequisites.

*IMPORTANT NOTE: The student must see an advisor depending on proposed career, as some courses listed above are not required. Thus, the total units will vary
Chapter 7 - Associate Degrees and Certificates

depending on the individual student’s career objective and prior preparation.

Students majoring in biological science, medicine, pharmacy, dentistry, or allied fields should complete Biology 5 & 6, Chemistry 1A & 1B, and two semesters of calculus to establish a strong foundation prior to transfer.

**Advisors: S. Covert, A. Tesch, C. Totten**

**PHYSICAL SCIENCES**

Physical Science is the study of inanimate natural objects, including chemistry, geology, physics and astronomy. Career paths chosen by students pursuing undergraduate studies in the physical sciences commonly include chemistry, physics, engineering, geology, astronomy and environmental science.

All careers in the discipline generally require graduate-level degrees. Even students who choose not to major in physical sciences find that coursework in the field can improve their ability to solve complex problems by using critical thinking and to perform research and analysis.

College of the Desert’s physical science curriculum includes course offerings that provide a general overview of the discipline for students seeking a bachelor’s degree in a nursing program and students planning to be K through 12 teachers. Our primary function is to teach courses designed for majors in the specific disciplines.

The College of the Desert offers Associate of Science degrees, as well as courses leading to transfer. Students earning the degrees may also choose to continue their study toward baccalaureate or advanced degree in the field. COD has transfer agreements with the California State Universities and University of California systems in this discipline/program. However, transfer requirements at four-year colleges and universities vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

Chapter 7 - Associate Degrees and Certificates

 safeproduction of the various disciplines, help students meet general education requirements for transfer to four-year institutions, and provide them with supporting courses for majors in other programs. Within the social sciences program, students can earn an Associate of Arts degree in any of the seven disciplines and/or a Certificate of Achievement in Human Services/Alcohol & Drug Studies. Students earning an associate’s degree within the social sciences program have a choice of pursuing positions as community support workers, gerontology aides, compensation/benefits worker, consumer survey advisor, delinquency counselor, insurance agent/broker, social welfare examiner, peace corps/VISTA worker, research assistant, claims representative, case aid worker, human resources assistant, public opinion surveyor, community service agency worker, or continuing their studies toward a bachelor’s or graduate degree. COD has transfer agreements with the California State Universities and University of California systems in the disciplines contained within the social sciences program. However, transfer requirements at four-year colleges and universities tend to vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

### STUDENT DEVELOPMENT

Student Development programs and courses are designed to prepare students for college experiences, academic achievement, and success in educational and occupational pursuits. Each course is designed to assist groups of students who share either common goals or common difficulties in reaching their goals.

New and re-entering students who might benefit from guidance in time management, study techniques, educational planning, setting realistic goals, changing careers, etc., are able to earn credit and reap personal benefits through Student Development courses.

### THEATRE ARTS

Theatre arts is the study of the creative, historical, technical, and cultural aspects of performance. Career paths chosen by students pursuing undergraduate studies in theatre arts commonly include performance, education, design, and communication. Careers in the discipline that generally require graduate-level degrees include dramatic criticism and education. Even students who choose not to major in theatre arts find that coursework in the field can improve their ability to communicate, problem solve, speak publicly, build self confidence, and work successfully both collaboratively and independently.

College of the Desert’s theatre arts curriculum includes course offerings that provide a general overview of the discipline, as well as training in acting, dance, musical theatre, makeup, design, and technical production.

The College offers an Associate of Arts degree, as well as courses leading to transfer. Students earning an associate’s degree in theatre arts may pursue entry-level positions as performers and technicians or may choose to continue their study in the discipline toward a bachelor’s or graduate degree. COD has transfer agreements with California State Universities, University of California systems and public schools in this discipline/program. However, transfer requirements at four-year colleges and universities tend to vary from institution to institution; students should consult with a counselor for specific information regarding the transfer requirements of their preferred college or university.

Advisor: M. Gaines

**WORK EXPERIENCE EDUCATION**

Cooperative Work Experience is an important component of the education and training that students receive at College of the Desert. The program is a hands-on learning tool that links academics to their current real-world work environment. Students will create and accomplish their own measurable learning outcomes that are new or expanded responsibilities. The goal is for students to become better employees, work on new projects to add to their resume, and enhance their job skills. There are two types of Work experience Education:

1. **General Work Experience Education** is supervised employment of students with the intent to assist them in acquiring desirable work habits, attitudes and career awareness. Students' jobs need not be directly related to their educational goals. Students may register for 1-3 units per semester with a maximum of 6 units in General Work Experience during their college career.

2. **Occupational Work Experience Education** is supervised employment of students designed to extend their classroom-based occupational learning at an on-the-job learning station in fields directly related to their educational or occupational goals. Students may register for 1-4 Occupational Work Experience units per semester with a maximum of 16 Work Experience units during their college career.

Students may utilize their present work sites for improving skills or choose job placement assistance in another area through the Work Experience Office. Certain volunteer training activities may also qualify for college credit through Work Experience, provided that meaningful objectives are set and accomplished.

All CSU campuses accept COD Work Experience units for elective transfer credit. *(There are CSU campus limits on the maximum number of Work Experience transfer units accepted.)*
Eligibility
In order to be eligible for Cooperative Work Experience Education, students must:

1. Be enrolled as a College of the Desert student in 7 or more units of credit including work experience.
2. Students must currently work or intern within 2 hours of COD.
3. For each credit earned, Work Experience participants are required to complete:
   - 75 hours of paid work, or
   - 60 hours of volunteer work

Note: Students with an F-1 visa must make a formal application to US Immigration and Naturalization Service before they can begin any paid employment. Contact the International Student Office for more information.

How to Enroll

- Register for the appropriate section (see current class schedule). For Occupational Work Experience sections, students must be working or interning in a field directly related to their declared major. All others must register for a General Work Experience section.
- **Pick-up and complete the required application packet** in Central Annex 14, or online at collegeofthedesert.edu/workexperience
- **Attend an orientation** and bring the completed application packet with you. Students who complete the orientation online will need to return their application to Central Annex 14 during the first week of the session.

For further information, contact:
- (760) 862-1344, C. Annex 14

- NATURAL RESOURCES
- PSYCHOLOGY
- RADIO & TELEVISION
- SOCIOLOGY
- SUPERVISION & MANAGEMENT
- THEATRE ARTS
- ALL OTHERS ARE GENERAL - WEG
PREPARATION FOR TRANSFER

As an integral unit of the California tripartite system of public higher education, the College provides programs of study providing students the opportunity to prepare for transfer to four-year colleges and universities. The College aspires to do this in such a manner that students may transfer without loss of time or credit.

Most professions and careers requiring study beyond that available at the College of the Desert are such that the first two years of study may be completed before transferring from College of the Desert to another institution of higher education. To assure transfer students of obtaining the maximum benefit from their College of the Desert experience prior to transferring, it is important for students to engage in careful, long range planning. In general, students planning to transfer should follow the procedure outlined below:

1. **Tentative Choice:** Because course requirements vary among colleges and universities, it is advantageous to research and select the school(s) to which you plan to transfer as early as practicable in your college career. The COD Transfer Center offers a research library to help you prepare to transfer, including catalogs from California public and private institutions, as well as from many out-of-state colleges. Transfer admission information, applications, and other reference materials are also available. The Transfer Center is located in the Administration Building, Room 12.

2. **Catalog:** Examine catalogs of prospective colleges and universities. Study carefully those sections that cover requirements for (a) transfer admission, (b) the major, and (c) graduation. Finding all requirements often warrants a review of the entire catalog, as requirements may be listed in different sections of the catalog. Many of these requirements must be taken during the freshman and sophomore years. Failure to do so can unduly extend the time required for transfer admission and graduation.

3. **Financial Aid:** Apply for financial aid as directed in the current COD class schedule. Application forms and other financial aid information are also available in the Financial Aid Office, located in Building C.

4. **General Education Requirements:** Students may complete their lower division general education or breadth requirements while at College of the Desert. COD has articulation agreements with the California State Universities (CSU) and the University of California (UC) system that allow students to be certified for these requirements. To select the pattern that is most appropriate for you, consult your faculty advisor.

5. **Application Filing Period:** Check carefully the dates of the application filing period. This is the time between the first date applications will be received and the deadline. Many colleges have initial filing periods ten months before admission. In all cases, preparation of applications early within the filing period is recommended.

6. **Letters of Recommendation and Rating Forms:** Some independent colleges require letters of recommendation or rating forms. Students should get to know their instructors well enough so that the instructors can comment accurately on the students' characteristics.

7. **Grade Point Requirements:** Grade point average requirements for admission and selection to the major vary. Study catalogs carefully for all requirements.

8. **Admission Requirements of the Public California Institutions:** Both the University of California (UC) and the California State University (CSU) have the same initial filing period for Fall admission. The period for Fall entry is the month of November for admission ten months later. Both UC and CSU require completion of 60 transferable units to enter as a junior. The University of California requires a minimum of a 2.4 grade point average (2.8 or higher for nonresidents).

The CSUs will allow community college students to transfer with 60 transferable units with a minimum of a 2.0 transfer grade point average. Within the 60 units, a minimum of 30 semester units that meet general education requirements must be completed with a grade of C or better in each course. The 30 semester units must include at least 9 units (3 courses) in English language, and at least 3 units in mathematics/quantitative reasoning. These requirements became effective Fall 2000.

Students eligible for UC or CSU entrance as freshmen may enter before their junior year if they have maintained a 2.0 or better grade point average in college work.

**NOTE:** Meeting minimum requirements is not enough to gain admission to many UC and CSU campuses and programs. For clarification of transfer admission requirements, consult the transfer college catalog and supplemental reference materials available in the COD Transfer Center.
9. Admission to Independent California or Out-of-State Colleges: Students who follow transfer courses of study find they are given credit for most, if not all, courses when they transfer to independent or out-of-state colleges and universities. Some colleges require a certain number of completed units before considering students as eligible for transfer, while others accept students at any time. Admission requirements are outlined in the respective college catalogs. Catalogs are available for use in the College of the Desert Transfer Center. Independent colleges encourage students to make an appointment with their Office of Admissions in order to discuss transfer opportunities on a personal basis.

10. Transferable Courses: Course descriptions in this catalog carry a designation code of their acceptance for transfer at the California State University (CSU) and at the University of California (UC). This acceptance can change annually. Consult the Transfer Center for more detailed information.

Students may view the COD Transfer Admissions Agreements with CSU and UC online at the ASSIST web site @ www.assist.org.

TRANSFERABLE COURSES

Courses transferable to the California State University are indicated by “CSU” and those transferable to the University of California are indicated by “UC” under the course description in the “Courses of Instruction” section of this catalog. The CSU or UC designates courses accepted for elective credit. Such courses count for the 60 units required for advanced standing transfer to CSU or UC. Students interested in transferring to the University of California should refer to the University of California Transfer Course Agreement, available in the Transfer Center, to make sure they have enough units, since we offer several UC transferable courses for which credit is decreased by one or more units by UC; such courses are marked in this catalog with an asterisk, as Associate Degree Applicable: CSU, UC*, for example.

CHANGES IN TRANSFERABLE CREDIT

As new courses are added or changes are made in current courses, transfer credit may not be applicable until CSU and UC have adopted these changes.

TRANSFER ADMISSIONS AGREEMENTS (TAAs)

College of the Desert has entered into Transfer Admissions Agreements (TAAs) with CSU San Bernardino and UC Riverside. These agreements guarantee university transfer admission to students who meet specified lower division requirements for course completion and grade point average. Students should request an agreement prior to completing thirty (30) semester units in order to ensure appropriate course planning and selection. Students interested in transferring to one of these campuses may schedule an appointment with a C.O.D. counselor to learn more about TAA options and opportunities and complete a Student Education Plan for transfer.

Students may view the COD Transfer Admissions Agreements with CSU and UC online at the ASSIST web site @ www.assist.org.

LOWER-DIVISION TRANSFER PATTERNS (LDTP)

The Lower-Division Transfer Pattern (LDTP) project, sponsored by the California State University (CSU) and supported by the California Community Colleges, presents potential transfer students with the most direct path to a bachelor’s degree in the CSU system. The LDTP project provides a set of “road maps” for students to follow that will ensure appropriate academic preparation and that will decrease time to graduation once LDTP students enter the CSU. Students may enter into an LDTP agreement up to the time they have completed 45 transferable units. Students who elect to follow the LDTP option will receive the highest priority for admission to a CSU campus.

“Highest priority for admission” is defined as a written guarantee of admission to a particular CSU campus and major, and it goes into effect when both the student and the CSU campus ratify an LDTP agreement. The guarantee is subject both to satisfactory completion of the agreement requirements and to the campus’s ability to accommodate the student. Students will be asked to complete successfully a specified set of general education courses and major courses that will be common to all CSU campuses offering that major, and they will be asked to complete successfully an additional set of courses identified by the particular CSU campus named in the
LDTP agreement. The coursework in the systemwide and campus-specific LDTP pattern will total at least 60 units, the number needed to transfer to CSU as an upper-division student.

Through CSUMentor and ASSIST, students and counselors will be able to find road maps detailing coursework preparation by CSU campus and major.

**ADMISSION TO THE UNIVERSITY OF CALIFORNIA**

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit you to transfer from College of the Desert to a campus in either the California State University (CSU) or University of California (UC) without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Exceptions are at the end of the list in the Supplementary Notes. Completion of IGETC is not a requirement for admission but does fulfill a requirement for graduation at a CSU or UC campus.

**THE ASSOCIATE DEGREE WITH EMPHASIS ON TRANSFER PREPARATION FOR A 4-YEAR COLLEGE OR UNIVERSITY**

Students planning to earn an Associate Degree while preparing to transfer must complete the appropriate transfer general education pattern as well as the course requirements specified in the program of study for the declared major.

**Option 1:** Students preparing to transfer to the California State University (CSU) may follow the General Education requirements outlined in the CSU Certification pattern or the IGETC-Intersegmental General Education Transfer Curriculum. See your faculty advisor for exceptions.

**Option 2:** Students preparing to transfer to the University of California (UC) system may follow the IGETC. See your faculty advisor for exceptions.

The transfer preparation degree is identified in this catalog as:

[ASSOCIATE DEGREE with emphasis on transfer preparation]

**GENERAL EDUCATION CERTIFICATION**

Verification by the College of a student’s completion of lower division General Education/Breadth requirements for the California State University or the University of California must be requested by the student at the time transcripts are requested to be sent to the university.

**COD’s GRADUATION REQUIREMENTS IN ADDITION TO UC or CSU GENERAL EDUCATION REQUIREMENTS**

**Physical Education Requirement**

Although not required for the IGETC curriculum, two units from physical education (PE), health education (HE), recreation (RE) or varsity sports (VSM, VSW) are required to earn a degree from COD. **Note:** If HE 1 is used to fulfill this requirement, it may not be used to fulfill any other CSU requirement.

**Reading, Writing, and Mathematics Competencies**

**Reading Competency:** All students earning an Associate in Arts Degree or an Associate in Science Degree must demonstrate a reading proficiency at the collegiate level by passing RDG 51, Analytical Reading, with a grade of “C” or better, or the equivalent.

**Writing Competency:** All students earning an Associate in Arts Degree or an Associate in Science Degree must demonstrate a writing proficiency at the collegiate level by passing with a grade of “C” or better one of the following courses: ENG 1A, ENG 41, or the equivalent. Students planning to transfer are required to complete the IGETC English Communication or CSU Written Communication requirements.

**Mathematics Competency:** All students earning an Associate in Arts Degree or an Associate in Science Degree must demonstrate a mathematics proficiency by passing with a grade of “C” or better, MATH 40, or any college mathematics course determined by the Desert Community College District to be equivalent to or higher than MATH 40. Students planning to transfer are required to complete the IGETC Mathematical Concepts and Quantitative Reasoning or CSU Mathematics requirements.

See Chapter 7 for evaluation requirements and other graduation requirements.
**IGETC INTERSEGMEN TAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) FOR UC AND CSU**

The course requirements for all areas must be **completed** before IGETC can be certified. After final grades are posted, you must **request** IGETC Certification at the time you request final transcripts to be sent to your chosen transfer campus(es). The IGETC must be certified prior to transfer. **All courses must be completed with grades of "C" or better.** Completion of area 1C (CSU) and/or area 6A (UC) must be completed for certification. Documentation of meeting this requirement must be on file in Admissions and Records Office prior to granting certification. For more information, please see a Counselor.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division, general education requirements of the CSU or UC prior to transfer. Students may find it advantageous to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

**Note:** An "****" indicates that transfer credit may be limited by either UC or CSU or both. Consult the University of California Transfer Course agreement, available in the Transfer Center, or, your Faculty Advisor, for specific information.

**Note:** A single course, even though listed in more than one area, can only be used to satisfy one requirement.

### AREA 1

**ENGLISH COMMUNICATION**

One course from each group:  

1-A. **Writing**

TRANSFER CURRICULUM FOR UC AND CSU

AREA 6 (UC Requirement Only)

6-A. Language Other Than English
Students must complete two years of the same foreign language of high school work with a grade of "C" or better; or, earn a score of 3 or higher on the Foreign Language Advanced Placement test, or 550 on the College Board Achievement Test in Foreign Language; or, complete coursework from the following which meets the Level One proficiency requirement, e.g. Spanish 1, or 1B, or higher.

- ASL-001* Elem American Sign Language (5)
- ASL-001B* Elem American Sign Language (3)
- FR-001* Elementary French (5)
- FR-001B* Elementary French (3)(3)
- GER-001* Elementary German (5)
- GER-001B* Elementary German (3)
- ITAL-001* Elementary Italian (5)
- ITAL-001B* Elementary Italian (3)
- JPN-001B* Elementary Japanese (3)
- SPAN-001* Elementary Spanish (5)
- SPAN-001B* Elementary Spanish (3)

Note: * Courses listed in more than one area shall not be certified in more than one area.

SUPPLEMENTARY NOTES

1. A single course, even though listed in more than one place, can only be used to satisfy one subject area of the IGETC.
2. IGETC is not advisable for high-unit majors e.g., sciences, engineering.
3. Eleanor Roosevelt and Revelle Colleges at UC San Diego do not accept the IGETC.
4. IGETC may not be appropriate for students who have completed courses at a CSU or UC campus.
5. "Double counting" of courses toward the major is not limited by the IGETC, but is limited by other directives. The UC will also allow IGETC courses to count toward major requirements. CSU campus limitations on double-counting of general education courses toward major preparation are not changed by the IGETC.
6. If you are transferring to a UC campus, the UC Transfer Course Agreement lists unit limitations that might apply to the courses you have selected.
7. Courses used to meet IGETC requirements may not also be used to satisfy the "American History and Institutions Requirement" at CSU. See Transfer Center handout for clarification.
8. See IGETC Handout.
9. See Chapter 7 for all degree and graduation requirements in addition to General Education requirements. Also see page 116 for COD's physical education requirement for an A.S. or A.A. degree, and English, reading, and math minimum competencies.

CSU General Education Certification Course Pattern

PREPARATION FOR TRANSFER TO A CALIFORNIA STATE UNIVERSITY (CSU)

Students may graduate from College of the Desert with an Associate of Arts or Science degree with emphasis on transfer preparation by completing a minimum of 60 units of lower division, transferable semester units with a cumulative grade point average (GPA) of at least 2.0 for all grades earned in lower division courses at all colleges and universities attended. Also, a cumulative GPA of at least 2.0 must have been earned at COD as well as in the selected major. At least 12 units must be earned at COD. Students must complete either the CSU General Education Certification Course Pattern (next page) or the IGETC (page 117), and the major requirements as specified in the program of study for the declared major. Specified high-unit majors do not complete the transfer general education certification and must meet with their Faculty Advisors for General Education requirements for graduation. Degrees are listed by major on pages 62-63.

Students planning to transfer should consult with their Faculty Advisor early in their first semester of enrollment. Faculty Advisors will assist students with program planning and course options.

Review all requirements that pertain to you in Chapter 7, including requesting a degree evaluation and filing an Intent to Graduate.

CSU GOVERNMENT/HISTORY CERTIFICATION

College of the Desert, pursuant to Section 40404 of Title 5 of the California Administrative Code and in accordance with Executive Order 405 from the Office of the Chancellor, California State University (effective date 11/15/82), certifies the following course/examination combinations as meeting the baccalaureate requirements in U.S. History, Constitution and American Ideals at CSU, except that no student may meet the requirement by examinations alone. It is important to note that certification may take place if and only if an entire history/government combination has been completed. (Requirements at CSU institutions may vary; consult your Faculty Advisor.)

A student may fulfill the history/government requirement by completing Political Science I (PS 1) and either History 17 (HIST 17) or History 18 (HIST 18).
CSU General Education Certification Course Pattern

Students who plan to transfer to a CSU campus may complete their lower division General Education requirements for graduation at College of the Desert. Students may follow the CSU General Education Certification pattern listed on the following two pages, which is accepted by all CSU campuses in most majors to fulfill these requirements. This course pattern also satisfies COD's General Education requirements.

To be fully certified, students must complete a minimum of 9 units each in Areas A, B, C, and D, and three units in Area E. At least 30 of these units must be completed with a grade of "C" or better, including the nine units in Area A: Communication in the English Language; and 3 units in Area B-3: Mathematics. These requirements became effective Fall 2000.

General Education Certification is not automatic and must be requested by the student at the same time transcripts are requested to be sent to the California State University following the posting of final grades.

**APPLICABLE COD COURSES**

**Note:** A single course, even though listed in more than one area, can only be used to satisfy one requirement.

### A. COMMUNICATION in the ENGLISH LANGUAGE and CRITICAL THINKING

Nine (9) units minimum; select 1 course from each of the 3 groups. (C or better required in all courses)

### D. SOCIAL, POLITICAL, & ECONOMIC INSTITUTIONS & BEHAVIOR; HISTORICAL BACKGROUND: Nine (9) units minimum, with courses taken in at least two disciplines.

**Note:** The "American Institutions" requirement may be satisfied by taking either HIST 17 or 18, plus PS 1.
Chapter 8 - Transfer to Four-Year Institutions

The CALIFORNIA ARTICULATION NUMBER (CAN) System is a statewide numbering system independent from course numbers assigned by local colleges. A CAN number signals that participating California colleges and universities have determined that courses offered by other campuses are equivalent in content and scope to courses offered on their own campuses, regardless of their unique titles or local identifying numbers. Thus, if a class schedule or catalog lists a course bearing a CAN number, students on one campus can be assured that it will be accepted in lieu of the comparable CAN course noted in the catalog or class schedule of another campus. For example, CAN ECON 2 on one campus will be accepted as meeting the requirement of the designated CAN ECON 2 on other participating community college or university campuses.

Because course requirements may change, and courses are continually being redefined, qualified for or deleted from the CAN database, students should always check with Counseling, or the Transfer Center to determine how CAN-designated courses fit into their educational plans for transfer. Students should consult the ASSIST database at www.assist.org for specific information on course agreements. College staff will help students interpret this information.

See Chapter 7 for all degree and graduation requirements in addition to General Education requirements. Also see page 116 for COD's physical education requirement for an associate degree; and English, reading, and math minimum competency requirements.

CLASSIFICATION AND NUMBERING OF COURSES

There are three types of courses/classes offered by College of the Desert:

1. **Credit Courses** - Courses numbered 1-99 are credit courses. A credit course is a part of an approved educational program or major. The credit awarded by College of the Desert for completion of most courses is accepted as a completion of a portion of an appropriate educational sequence leading to an Associate Degree or Baccalaureate Degree by the University of California, the California State University or an accredited independent college or university. A few remedial courses in Basic Skills are offered for credit but do not count toward completion of a program or major.

2. **Non-Credit Courses** - Courses numbered 100 and above are designed for students who are not candidates for degree programs and work in such courses is not applicable toward graduation. Non-credit developmental courses are offered in Adult Basic Education, high school completion (GED), English as a Second Language (ESLN), and DSPS courses designed for students with disabilities.

3. **Community Education Classes** - Classes are designed for students whose primary motive for activity and learning is personal enrichment only. The classes carry no academic credit and are supported by class fees.

ABBREVIATIONS AND SYMBOLS

**Kind of Grading**

- **L** = Letter Grade Only
- **K** = Mandatory Credit/No Credit
- **O** = Optional Credit/No Credit

**Transfer Status**

- **CSU** = meets baccalaureate criteria for the California State University system.
- **UC** = accepted by the University of California system.
- **UC*** = University of California will accept course but with some unit limitations or other stipulations.

**Degree Applicability**

- **AA/AS** = applies to the Associate of Arts or Associate of Science degree.
- **NAA** = offered for credit but does not apply to the A.A. or A.S. degree
- **NONC** = noncredit course
- **COD GE** = meets General Education criteria for COD's occupational/vocational non-transfer degrees
- **CSU GE** = meets criteria for California State University and College of the Desert General Education
- **IGETC** = meets criteria for Intersegmental General Education Transfer Curriculum (applicable to both the California State University system and the University of California system)

#### ABE-320A FUNDAMENTALS OF ENGLISH 0 Unit

This course provides basic grammar skills which prepare students for high school completion and GED testing. Students prepare to pass the adult high school proficiency essay examination, the GED essay examination, or the college assessment test.

| Lecture Hours: 0 Lab Hours: 80 Repeatable: Yes Grading: K CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None |

#### ABE-320B FUNDAMENTALS OF ENGLISH 0 Unit

This course provides a secondary level in English grammar and further experience in essay writing. Students learn to write coherent descriptive paragraphs using definition, and essays on current topics.

| Lecture Hours: 0 Lab Hours: 80 Repeatable: Yes Grading: K Advisory: ABE-320A and/or transcript evaluation CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None |

#### ABE-320C FUNDAMENTALS OF ENGLISH 0 Unit

This course provides students the opportunity to refine their skills in writing the narrative and persuasive argumentative writing. Students are expected to refine their skills in essay writing and address the narrative, and persuasive-argumentative essays. They also write business letters, complete a resume on the word processor, and read short stories.

| Lecture Hours: 0 Lab Hours: 80 Repeatable: Yes Grading: K Advisory: ABE-320B and/or transcript evaluation CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None |

#### ABE-320D FUNDAMENTALS OF ENGLISH 0 Unit

This course prepares students to write essays that demonstrate critical thinking skills.

| Lecture Hours: 0 Lab Hours: 80 Repeatable: Yes Grading: K Advisory: ABE-320C and/or transcript evaluation CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None |

#### ABE-322A ADVANCED FUNDAMENTALS OF ENGLISH I: Reference Skills 0 Unit

In this course students will be assisted in writing a thesis statement, doing research and writing a complete research paper of approximately 2,000 to 2,500 words.

| Lecture Hours: 0 Lab Hours: 80 Repeatable: Yes Grading: K Advisory: ABE-322B and/or transcript evaluation CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None |

#### ABE-322B ADVANCED FUNDAMENTALS OF ENGLISH II: Research Skills 0 Unit

In this course students will write a directed research paper of approximately 2,000 to 2,500 words.

| Lecture Hours: 0 Lab Hours: 80 Repeatable: Yes Grading: K Advisory: ABE-322A and/or transcript evaluation CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None |
ABE-323A   AMERICAN LITERATURE   0 Unit
This course provides a study of representative American writers. Students evaluate 3 novels written by a selected author according to point of view, plot, style, emotional appeal, and character development. Students critique the author, comparing their opinion of the work to that of a published opinion.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
Advisory: ABE-322B and/or transcript evaluation
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-323B   WORLD LITERATURE   0 Unit
This course provides an opportunity to explore the works of a few of the world’s greatest authors. Students research the life of three authors from a provided list and review two books and one short story written by those authors. Students address point of view, plot, style, emotional appeal, characters and how the book has affected the history of society.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
Advisory: ABE-323A and/or transcript evaluation
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-324A,B   READING CONTROL LAB   0 Unit
This course is designed to teach reading to adults. Credit is applicable towards a high school diploma.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-326A   U.S. HISTORY I   0 Unit
This course provides the history of the United States from exploration through the Civil War.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-326B   U.S. HISTORY II   0 Unit
This course provides the history of the United States from Reconstruction of 1865 to the present.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-328A   PRACTICAL AMERICAN GOVERNMENT: U.S. Government   0 Unit
This course is designed to give the students an understanding of the principles and structure of government
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-328B   PRACTICAL AMERICAN GOVERNMENT: Economics   0 Unit
This course is designed to help students recognize their role and importance of the individual consumer in the world economy.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-328C   U.S. CITIZENSHIP   0 Unit
Introduction to Citizenship. This course provides instruction of American History and United States Government in preparation for becoming a citizen of the United States.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-332A   WORLD HISTORY   0 Unit
This course covers major elements in Western Civilization related to the Modern World. Emphasis is placed upon prehistory and to 18th century cultures.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-332B   WORLD HISTORY   0 Unit
This course covers major elements in Western Civilization related to the Modern World from the 18th century to today's world.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None

ABE-335A   WORLD GEOGRAPHY I   0 Unit
This course provides basic information on regions of the United States, Latin America, Europe, and Russia, emphasizing their geographical features.
Lecture Hours: 0    Lab Hours: 80    Repeatable: Yes    Grading: K
CAN: None
Transfer Status: None    Degree Applicable: NONC
COD GE: None    CSU GE: None    IGETC: None
Courses of Instruction

**ABE-335B WORLD GEOGRAPHY II** 0 Unit
This course provides basic information on regions of Africa, the Middle East, Asia, and the Pacific, emphasizing their geographical features.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-342A,B PRACTICAL BASIC MATH** 0 Unit
This course provides practical math skills from basic computation to simple equations. Self-instructional materials allow self-paced study.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-344A MATH FOR LIVING I** 0 Unit
The course helps students understand the concepts of basic math and how they apply to consumer skills necessary for life situations.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-344B MATH FOR LIVING II** 0 Unit
The course helps students to apply the concepts of basic math skills to everyday life situations.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-346A,B ALGEBRA I, II** 0 Unit
This course provides basic algebra skills including simple equations, use of formulas, exponents and factoring. Self-instructional material allows self paced study.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-348A GENERAL SCIENCE** 0 Unit
This course is designed to provide students with the basic knowledge of science as related to themselves and their range of experiences.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-348B GENERAL SCIENCE** 0 Unit
This course is designed to provide students with an understanding of the forms of matter and energy that make up the physical universe.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-351A SCIENCE: LAND ANIMALS** 0 Unit
This high school level course provides the study and understanding of the origin of land animals.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-351B SCIENCE: WATER LIFE** 0 Unit
This course provides for the study and understanding of the origin of water life.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

**ABE-351C SCIENCE: THEATER** 0 Unit
This course introduces and familiarizes the student with the various forms of theatrical performances.
Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

College of the Desert Catalog 2006-2007
KEYBOARDING I

This course focuses on basic keyboarding skills using a computer. The student will learn all keys on the keyboard by using a computerized exercise program and start assignments in the text.

Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K
Prerequisite: ESLN Level 3
CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

KEYBOARDING II

This course focuses on advanced typing skills. The student will learn how to type and format various letters, forms, and memos using assignments from the textbook. Each assignment will be typed in the “word processor” mode and saved on disk.

Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K
Prerequisite: ABE-368A and ESLN Level 3
CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

ADVANCED TYPING - KEYBOARDING I

This course focuses on the proper set up of business letters, memos, reports and tables for students who have learned the typewriter keyboard. The student will also learn vertical and horizontal centering. While learning these typing skills, students will continue to build both speed and accuracy.

Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K
Prerequisite: ABE-376A and ESLN Level 3
CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

ADVANCED TYPING - KEYBOARDING II

This course focuses on the proper set up of more complex and advanced business letters, memos, reports and tables for students who have learned the typewriter keyboard. The student will also learn vertical and horizontal centering. While learning these typing skills, students will continue to build both speed and accuracy.

Lecture Hours: 0  Lab Hours: 80  Repeatable: Yes  Grading: K
Prerequisite: ABE-376B and ESLN Level 3
CAN: None
Transfer Status: None  Degree Applicable: NONC
COD GE: None  CSU GE: None  IGETC: None

AIR CONDITIONING/REFRIGERATION I

This course introduces students to the mechanical refrigeration cycle and its components. The use of specialized tools, instruments and service procedures for installation, maintenance and repair of air conditioning and refrigeration equipment are also covered.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ENG-050, MATH-057 and concurrent enrollment in ACR-064
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AIR CONDITIONING/REFRIGERATION II

Basic types of compressors are introduced. This course covers operation of condensers within the refrigeration system. Basic evaporation process is studied. Metering devices are included with an emphasis on the specifics of modulating and fixed orifice controls. Laboratory experience provides the student an opportunity to practice the methods and techniques presented in the classroom.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ENG-050, MATH-057, ACR-060, and ACR-064
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
Courses of Instruction

ACR-062  AIR CONDITIONING III  3 Units
This course covers air conditioning controls, refrigeration cycle accessories, heat pump theory, defrost, troubleshooting heat pumps, troubleshooting residential cooling system, evaporative cooling, air duct sizing and venting.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ACR-061
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-063  AIR CONDITIONING IV  3 Units
This course emphasizes air properties (psychrometrics) and air measurements, air conditioning tune-up, troubleshooting air conditioning systems, compressor and condenser replacement and charging procedures.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ACR-061
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-064  AIR CONDITIONING/REFRIGERATION ELECTRICITY I  3 Units
This course introduces basic theory of electricity and electronics, skills needed to install and service electrical circuits of air conditioning and refrigeration systems. Also, components and symbols, wiring diagrams and wiring diagram exercises are included.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ENG-050, MATH-057 and concurrent enrollment in ACR-060
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-065  AIR CONDITIONING/REFRIGERATION ELECTRICITY II  3 Units
This course introduces to the procedures, techniques and instruments utilized for troubleshooting the motors, circuitry and control elements for air conditioning and refrigeration equipment. Variations in control systems, including solid state, are described and analyzed.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ENG-050, MATH-057, and ACR-064
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-066  AIR CONDITIONING LOAD ESTIMATING  1 Unit
This course presents techniques for determining heating and cooling loads on residential and light commercial buildings. Industry accepted ACCA, Manual J for residential load estimating and the ACCA, Manual N for commercial load estimating with the appropriate forms are used.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: L
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-068  AIR DISTRIBUTION SYSTEMS  1 Unit
This course provides the techniques and procedures used in layout, sizing and material estimating for residential and light commercial duct systems.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ACR-060 and ACR-066
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-074  AIR CONDITIONING/REFRIGERATION SYSTEM ACCESSORIES  2 Units
This course provides descriptions of the operation, installation, service and repair of accessory equipment commonly used to improve operating performance, to enhance efficiency or to provide operational flexibility of air conditioning systems.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050, MATH-057, ACR-060, and ACR-064
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-081  HEATING I  2 Units
This course presents the basic principles of physics, chemistry and engineering involved in the concept of gas-fired furnaces. Students are introduced to gas heating, principles of gas combustion, gas furnaces, gas burners and gas controls.
Lecture Hours: 27  Lab Hours: 27  Repeatable: No  Grading: L
Prerequisite: ACR-060 and ACR-064, or 2 years trade experience
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None

ACR-082  HEATING II  2 Units
In this course, students are introduced to gas ignition systems, safety and operating controls, installation practices, ventilation and combustion air and gas troubleshooting.
Lecture Hours: 27  Lab Hours: 27  Repeatable: No  Grading: L
Prerequisite: ACR-081
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: None
AGBU: Agriculture/BUSINESS

AGBU-059A LEADERSHIP 1 Unit
This course emphasizes basic principles of group and personal leadership for students within applied technology areas. Students study parliamentary procedure, organizational structure and meeting formats. Opportunities are provided for students to develop leadership skills, such as planning, communication, facilitation and problem solving through small group and formal meeting settings. In addition, concepts of personal leadership are explored including: mission statements, defining roles, goal setting, time management, weekly planning and self-evaluation.
Lecture Hours: 18 Lab Hours: 0 Repeatable: No Grading: L Advisory: ENG-050 CAN: None Transfer Status: CSU Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

AGBU-059B CAREERS 1 Unit
This course emphasizes basic methods for enhancing one's success when seeking employment. Students study strategies for locating potential employers, completing applications, preparing resumes and interview techniques. Opportunities are provided for students to experience interview process.
Lecture Hours: 18 Lab Hours: 0 Repeatable: No Grading: L Advisory: ENG-050 CAN: None Transfer Status: CSU Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

AGEH: Agriculture/ENVIRONMENTAL HORTICULTURE

AGEH-001 HORTICULTURE 3 Units
This course offers an opportunity to learn the basic structure and function of plants, their place in the world of human activity and the methods used to manipulate the botanical world to human advantage. Students can expect to be exposed to plant anatomy, morphology and physiology as well as such practical matters as plant propagation, pruning and fertilization. (Also listed as, and equivalent to, AGPS-005L.) Note: This course does not satisfy IGETC Requirement in Area 5-B.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L Prerequisite: ENG-050 CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: C1 CSU GE: B2 IGETC: None

AGEH-004 TURFGRASS MANAGEMENT 2 Units
This course introduces the basic turfgrass principles used in the maintenance of turfgrass areas. It covers the major factors in turfgrass management which control the quality of grass. Emphasis is placed on management practices used to produce a good turfgrass area in a desert environment.
Lecture Hours: 36 Lab Hours: 0 Repeatable: No Grading: L Prerequisite: ENG-050 CAN: None Transfer Status: CSU Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

AGEH-004L TURFGRASS MANAGEMENT LABORATORY 1 Unit
This laboratory is intended to supplement the Turfgrass Management course (AGEH-004) by providing laboratory and field experiences in turfgrass management subject areas.
Lecture Hours: 0 Lab Hours: 54 Repeatable: No Grading: L Prerequisite: AGEH-004 or concurrent enrollment CAN: None Transfer Status: CSU Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

AGEH-005 ORNAMENTAL PLANT IDENTIFICATION 3 Units
This course first acquaints the student with the principles of plant taxonomy and the descriptive language necessary to discuss plants accurately. It then goes on to introduce 210 species of perennials, interior plants, vine, ground covers, and succulents for California’s low elevation deserts. Each plant is covered with respect to its identification, growth habits, culture, use and pests.
Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L Prerequisite: ENG-050 CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

**AGEH-008 LANDSCAPE MANAGEMENT 3 Units**

This course prepares students to enhance the function and aesthetic value of public and private landscapes by applying appropriate management skills and techniques. Topics include planting, pruning, irrigation, soil fertility, turf, pest management, weed control, and landscape management business practices.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AGEH-001

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-009 LANDSCAPE PLANNING AND DESIGN 3 Units**

This course covers skills necessary to analyze human use of outdoor spaces and provide design solutions that best fit people into the developed landscape. Emphasis is placed on residential and commercial properties landscape designs.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AGEH-001 or AGPS-005

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-016 ARBORICULTURE 2 Units**

This course addresses all aspects of tree care. Students learn the morphology, anatomy and physiology of trees. Topics include: plant interactions with soil, air, water, and micro and macro-organisms; human intervention, including pruning, planting, climbing, fertilization, watering, pest control, vandalism and aesthetics. Class instruction prepares students for the International Arborists Certification Exam.

Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AGEH-001 or AGPS-005

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-020 LANDSCAPE CONSTRUCTION 2 Units**

This course covers the fundamentals of landscape construction, including soil preparation, paving and construction materials, hands and power tool use, turf and plant installation, plan reading, estimating and bid preparation.

Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AGEH-001 or AGPS-005

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-024 ADVANCED TURFGRASS MANAGEMENT 3 Units**

This course uses the basic principles of turfgrass science learned in the introductory turfgrass management courses; those principles are applied to golf course maintenance procedures. Golf course operational procedures for the desert environment are emphasized.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AGEH-004

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-027 TURFGRASS & LANDSCAPE PEST MANAGEMENT 3 Units**

This course provides current state of the art and science of turfgrass pest management. The course is designed to provide the student with a comprehensive knowledge of disease, insect, and weed pests. Emphasis is placed on how to identify turfgrass pests, where and why they occur, the damage that they may cause, life cycles of pests; plus cultural, chemical, and other control measures designed to keep pest damage to a minimum.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-030 LANDSCAPE EQUIPMENT 2 Units**

This course covers principles and practices in the maintenance, operation and selection of equipment and power units used in the horticultural field.

Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050

Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**AGEH-033 GOLF CAR MAINTENANCE 2 Units**

Preventive maintenance of golf cars will be studied with an emphasis on batteries and electric switches. Laboratory experience in the maintenance of both electric and gasoline golf cars is included.

Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050

Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
AGEH-034 GOLF COURSE MANAGEMENT  3 Units
This course involves the maintenance and operation of golf courses. It includes the study of equipment, scheduling of maintenance, and directing the staff in the maintenance of golf courses. Heavy emphasis is placed in developing a basic understanding of the turfgrass principles required to produce a championship golf course.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AGEH-046 LANDSCAPE IRRIGATION SYSTEMS  2 Units
This course provides the students with information necessary to design, install, and maintain landscape irrigation systems. Plan reading, design, equipment, installation, trouble-shooting, and cost estimating are addressed.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050 and MATH-057
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AGEH-046L LANDSCAPE IRRIGATION SYSTEMS LABORATORY  1 Unit
This laboratory is intended to supplement the Landscape Irrigation Systems course (AGEH-046) by providing laboratory and field experiences in landscape irrigation subject areas.
Lecture Hours: 0  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AGEH-046 or concurrent enrollment
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AGPS-002 ENTOMOLOGY-GENERAL AND APPLIED  4 Units
This course is a study of insects including external and internal structures, major life systems, growth and development, classification, ecology, behavior, economic importance, and an overview of pest management. Suggested for Biological Science General Education Requirements.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050
Advisory: RDG-050
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C1  CSU GE: B2, B3  IGETC: 5B

AGPS-005 PLANT SCIENCE  3 Units
This course offers an opportunity to learn the basic structure and function of plants, their place in the world of human activity and the methods used to manipulate the botanical world to human advantage. Students can expect to be exposed to plant anatomy, morphology and physiology as well as such practical matters as plant propagation, pruning and fertilization. (Also listed as, and equivalent to, AGEH-001.)
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C1  CSU GE: B2  IGETC: 5B

AGPS-005L PLANT SCIENCE LAB  1 Unit
This laboratory is the companion of AGPS-005. It is intended to provide an introduction to some biological science procedures as well as direct experience with horticultural operations. Included are plant propagation, pruning, anatomy, morphology, taxonomic keys, transplanting and plant use and pesticides. (Also listed as, and equivalent to, AGEH-001L.)
Lecture Hours: 0  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: Concurrent enrollment or prior completion of AGPS-005
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C1  CSU GE: B3  IGETC: 5B

AGPS-001 SOILS AND PLANT NUTRITION  4 Units
This lecture and laboratory course covers soil derivation, classification, texture, structure, water movement and measurement, organic matter, microorganisms, sampling techniques, pH, salinity, reclamation and tillage. Also included are soil survey reports and maps, basic soil chemistry, essential plant nutrients, soil analysis, and fertilizers.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050 and MATH-057
CAN: AG 14
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AGPS-032 PESTICIDE LAWS & REGULATIONS  2 Units
This course covers state and federal laws regulating the use of pesticides and prepares students to take California’s Certified Applicator examinations. Proper and safe methods of applying agricultural chemicals are discussed, along with procedures for calculating the amount of material needed. In addition, students study alternative pest control methods.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
AJ: ADMINISTRATION OF JUSTICE

AJ-001 INTRODUCTION TO THE ADMINISTRATION OF JUSTICE
3 Units
This is a study of the History and Philosophy of Administration of Justice in America. It includes a recapitulation of the system, identification of the various sub-systems, role expectations, and their inter-relationships. It covers theories of crime, punishment, and rehabilitation; ethics, education and training for professionals in the system.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050  Advisory: RDG-050
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2  CSU GE: D0  IGETC: None

AJ-002 CRIMINAL LAW
3 Units
This is a study of the historical development, philosophy of law and constitutional provisions, definitions, classification of crimes, and their application to the system of administration of justice. It includes legal research, study of case law, methodology, and concepts of law as a social force.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-003 LEGAL ASPECTS OF EVIDENCE
3 Units
This course includes a study of the origin, development, philosophy and constitutional basis for the Rules of Evidence. It includes constitutional and procedural considerations affecting search and seizure, the kinds of degrees of evidence and the rules governing admissibility at trial, and judicial decisions interpreting individual rights and case studies.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-004 PRINCIPLES & PROCEDURES OF THE JUSTICE SYSTEM
3 Units
This is an in-depth study of the role and responsibilities of each segment within the Administration of Justice System, Law Enforcement, Judicial and Corrections. It includes exposure to past, present and future sub-system procedures from initial entry to final disposition, and the relationship each segment maintains with its system members and the community.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L

AJ-005A MULTICULTURAL ISSUES WITHIN PUBLIC SAFETY
3 Units
The purpose of this course is to present students with a perspective of major cultural groups in California that transcends the views commonly found in society. The course explores how differences in culture, ethnicity, race, prejudice, and ethnocentrism are addressed in the Justice System.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-006 PRINCIPLES OF INVESTIGATIONS
3 Units
This course includes the study of basic principles of all types of investigations utilized in the Justice System. Coverage includes human aspects in dealing with the public, specific knowledge necessary for handling crime scenes, interviews, evidence, surveillance, follow-up, technical resources, and case preparation.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-007 CRIMINAL SUBSTANTIVE LAW
3 Units
This is an in-depth study of the substantive laws commonly encountered by the municipal, county, or state police officer, investigator or other criminal justice employee. The scope of the course includes misdemeanor and felony violations of the criminal statutes, provides an understanding of California Codified Law, and an overview of case decisions.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-008 CONCEPTS OF ENFORCEMENT SERVICES
3 Units
Topics discussed in this course include: exploration of theories, philosophies, and concepts related to the role expectations of the line enforcement officer which include patrol, traffic, and public service responsibilities.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
AJ-009 TRAFFIC CONTROL 3 Units
Students study basic accident investigation, the use of the State Accident Report Form, the principles of "selective" enforcement, parking and intersection control, basic provisions of the California Vehicle Code governing the operation of motor vehicles, and the responsibilities of the community in traffic control.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-010 JUVENILE LAW & PROCEDURE 3 Units
This course introduces major types of criminal behavior, role careers of offenders and factors which contribute to criminality or delinquency. It covers methods used in dealing with offenders in the justice system; the changing role of law enforcement and judicial, probation, parole and institutions; changes of the law in crime control and treatment processes, and techniques of handling juveniles.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-016 NARCOTICS CONTROL 3 Units
This is a study of the laws relating to narcotics and dangerous drugs as well as the procedures and problems in investigations and the control of violations of narcotic laws. Students learn how to identify narcotics and dangerous drugs, how to assess their effect on users, and how to prepare a case for court presentation.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-017 NATURAL RESOURCES 3 Units
This course provides information relating to enforcement of natural resources and wildlife laws in the United States and California. Topics studied include the relationships between Federal and State natural resources and wildlife laws and regulations, laws as resource and wildlife management tools, conservation and perpetuation of wildlife and other natural resources, review of State and Federal resource management agencies, law enforcement officer qualifications, duties and responsibilities, enforcement procedures, court systems, fines and forfeitures, hunter safety program, public responsibilities, preservation of the environment and conservation of wildlife. (Also listed as, and equivalent to, NR-017.)
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-024 REPORT WRITING 3 Units
This course emphasizes the procedures and practices commonly used to gather data and information and prepare a variety of written reports and records. Students learn to write criminal justice reports that meet statistical, legal, and prosecution requirements of the criminal justice system. The course provides students with abundant practice in writing effective reports, bulletins, memos, letters, and other short papers.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-030 CORRECTIONAL SYSTEMS 3 Units
Criminals and institutional personnel involved in corrections at all levels are reviewed in depth. History, politics, and contemporary correction issues such as punishment, theories, sentencing alternatives, prison experience, and prisoner rights, female and juvenile incarceration problems, over crowding, and 21st century corrections are examined.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: AJ-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AJ-051 LEVEL III - PEACE OFFICER TRAINING, PART I 3 Units
This course provides the arrest and firearms portion for peace officers who do not possess a basic certificate awarded by the Commission on Peace Officer Standards and Training. Topics include basic laws of arrest and firearms, use of firearms, communication and arrest methods. Meets the curriculum standards of the Peace Officer Standards and Training required by Penal Code Section 832. Total of 64 hours as required by P.O.S.T. Certification.
Lecture Hours: 45  Lab Hours: 27  Repeatable: No  Grading: L
Advisory: ENG-050
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

Chapter 9 - Courses of Instruction

ARCH: ARCHITECTURE

ARCH-001 INTRODUCTION TO ARCHITECTURAL PROFESSIONS 3 Units
This course provides students with an overview of professional occupations in Architecture, Construction Management, Building Inspection Technology, City and Regional Planning, Architectural Engineering and Landscape Architecture.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-002 MATERIALS OF CONSTRUCTION 4 Units
This course is an introduction to construction materials and processes. Lab demonstrations in construction techniques and field trips to construction sites will be utilized to assist students' understanding of construction principles and practices. Emphasis on the selection of materials in a design context will help develop students' spatial and three dimensional skills.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-003A ARCHITECTURAL PRACTICE I 3 Units
This is an introductory course in wood construction methods and processes. It focuses on the use of drafting tools, office equipment and references to assist in selection and drawing of architectural details, including foundation, floors, walls and roofs.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DRA-001  Advisory: ARCH-002
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-003B ARCHITECTURAL PRACTICE II 3 Units
This is an advanced drafting course for Architecture, Construction Management and Architectural Engineering majors. It is a comprehensive study of the development of construction documents. It is a continuation of the content and issues introduced in ARCH-003A, plus the systems and integration of CAD technology used to document 2-dimensional designs, i.e.; site plan, floor plans, exterior elevations, roof plan, sections and architectural details.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ARCH-003A
Advisory: Concurrent enrollment in DRA-008
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-005 INTRODUCTION TO DRAWING AND PERSPECTIVE 2 Units
This course is the first in a series of three graphics courses. It is an introduction to basic techniques used for graphic communication in the design professions. It includes the study of orthographic and isometric projections, mechanical and freehand perspectives, shading, shadows and reflection.
Lecture Hours: 0  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: ARCH-003A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-006 ARCHITECTURAL DELINEATION 2½ Units
This course is a continuation of ARCH 5, and is the second in a series of three graphics courses. It focuses on drawing and sketching as a communication tool in the field of environmental design. Student development of basic skills in architectural illustration and proper use of various drawing media are emphasized.
Lecture Hours: 18  Lab Hours: 81  Repeatable: No  Grading: L
Prerequisite: ARCH-005
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-008 ARCHITECTURAL DESIGN FUNDAMENTALS I 3 Units
This course is an introductory study of design problems in three dimension. The concept of space, form, structure, color and materials are studied in addition to the universal principles common to all design disciplines. This course focuses on the analysis of design techniques, and exercises to develop students' skills. Required for all Environmental Design majors.
Lecture Hours: 18  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: ARCH-003A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ARCH-009 ARCHITECTURAL DESIGN FUNDAMENTALS II 3 Units
This is the second in a three-semester sequence of design courses. This course is a case-study application of design theories of the 20th Century and its impact on contemporary spatial and conceptual ideas permeating architecture, art and the environment.
Lecture Hours: 18  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: ARCH-008
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
ARCH-010  ENVIRONMENTAL CONTROL  3 Units
SYSTEMS
This course is an introduction to the physical relationships between people and their environment. It includes a study of the physical phenomena of heat, light, and sound. This course also examines the climatological relationship between vernacular building solutions and the natural conditioning systems of architecture.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ARCH-002
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: CSU Degree Applicable: AA/AS

ARCH-011  ARCHITECTURAL BLUEPRINT  3 Units
READING
This course is a study of basic information for reading blueprints and construction drawings. It is designed for those who must assimilate information found in working drawings and specifications.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: CSU Degree Applicable: AA/AS

ARCH-014  HISTORY OF ARCHITECTURE I  3 Units
This is an introductory course in the history of architecture. It examines Western ideals from the beginning of time to Classical Greece and Rome. The course covers architecture from the birth of Christianity and the Age of Reason, through the discovery of the New Worlds and periods of transition to Modernism and Post-Modernism, to the present.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
COD GE: C5  CSU GE: C1  IGETC: None
Transfer Status: CSU/UC Degree Applicable: AA/AS

ARCH-017  ARCHITECTURAL DESIGN FUNDAMENTALS III  3 Units
This is the final course in a three-semester design series. It focuses on the application of both theoretical and environmental issues involved in the Student Design Competitions. Students study site and environmental issues and architectural programming as design stimulus.
Lecture Hours: 18  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: ARCH-009 and ARCH-010
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: CSU/UC Degree Applicable: AA/AS

ART-001A  BEGINNING DRAWING AND COMPOSITION  3 Units
This course is an introduction to the fundamentals of drawing and composition. Through hands-on assignments, drawing techniques covered include traditional approaches of line application, charcoal shading and ink wash techniques. Throughout the course, emphasis is placed on the use of basic visual elements and organizational principles of compositional structure. These techniques enable the student to communicate visual images as creative statements.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-001A
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: CSU/UC Degree Applicable: AA/AS

ART-001B  INTERMEDIATE TO ADVANCED DRAWING AND COMPOSITION  3 Units
This is an intermediate to advanced course in the methods of drawing and composition with an emphasis on the use of color. Students build on beginning level skills through a continued study of traditional drawing approaches and are then introduced to intermediate through advanced drawing problems. An emphasis on experimental applications with color media such as pen and inks, dry and oil pastel, oil stick, colored pencil and mixed media occurs. Focus is on the development of images that are created through the use of intermediate to advanced applications of technical processes, color theory use and compositional structure. Historical applications of drawing and different conceptual approaches to the mark making process are studied. Under faculty guidance, students develop a pictorial series resulting in a personal portfolio that reflects their individual expression. May be taken for a total of three times.
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: ART-001A
COD GE: None  CSU GE: None  IGETC: None
Transfer Status: CSU/UC Degree Applicable: AA/AS

ART-002A  HISTORY OF ART  3 Units
This survey course examines the art of the ancient world. Slide illustrated lectures and videotapes are used in the study of the architecture, sculpture, painting, and other visual art forms of prehistoric and primitive peoples, as well as the art of the Ancient Near East, Egyptian, Aegean, Greek, Etruscan, Roman, Early Christian and Byzantine cultures.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
COD GE: C3, C5  CSU GE: C1  IGETC: 3A
Transfer Status: CSU Degree Applicable: AA/AS
Transfer Status: ART SEQ A = ART 2A + 2B
Prerequisite: ART-001A
COD GE: None  CSU GE: None  IGETC: None

ART-002B  HISTORY OF ART  3 Units
This survey course examines the art of the Western World from the Early Middle Ages through the Baroque era. Illustrated lectures and videotapes are used in the study of the architecture, sculpture, painting and other visual art forms of the Early Medieval, Romanesque, Gothic, Late Gothic, Early and High Renaissance, Northern Renaissance, Mannerist, Baroque and Rococo periods.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: ART 4; SEQ A = ART 2A + 2B
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: C3, C5  CSU GE: C1  IGETC: 3A

ART-002C  HISTORY OF MODERN ART  3 Units
The art of Europe and America from the nineteenth century to the present is examined in this course. Illustrated lectures on significant movements in painting, sculpture, and architecture of this period include: Romanticism, Realism, Impressionism, Expressionism, Cubism, Dada, Surrealism, Abstract Expressionism, Pop Art, and contemporary directions.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: C3  CSU GE: C1  IGETC: 3A

ART-002D  HISTORY OF POSTMODERN ART  3 Units
(Art Since 1960)
This course examines the art of Europe and America from 1960 to the present. Illustrated lectures and on-site viewing of art works focus on significant movements in painting, sculpture, and architecture of this period which include Pop Art, Op Art, Earth Works, Performance Art, Graffiti Art, Installation Art, Conceptual Art, Environmental Art, New Realism, ethnicity and gender issues.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050
CAN: None
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: C3  CSU GE: C1  IGETC: 3A

ART-003A  BASIC DESIGN AND COLOR  3 Units
This course is an introduction to the fundamentals of two dimensional design. Through hands-on assignments, various traditional and contemporary design techniques are covered which include the use of pencil, paper and paint. Mixed media applications are introduced at the end of the course. Throughout the course, emphasis is placed on the study and use of basic visual elements of line, shape, texture, space, time and color theory and on organizational principles of compositional structure and concept development. These techniques enable the students to gain experience in organizing their thoughts in solving design problems and to communicate visual images as creative statements.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
CAN: ART 14
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: C3  CSU GE: C1  IGETC: None

ART-004A  THREE-DIMENSIONAL DESIGN  3 Units
This course investigates the factors determining the designs of both utilitarian and non-utilitarian objects. Through a study of mass, volume, space and shape, students gain experience solving three-dimensional design problems. Materials are studied through projects in construction, modeling and casting.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
CAN: ART 16
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-005A  LIFE DRAWING  3 Units
This is a basic course in the study of the human figure from a model. Composition and expressive aspects of gesture, weight, and line are investigated through pencil and charcoal exercises.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ART-001A and/or ART-003A
CAN: ART 24
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-005B  INTERMEDIATE TO ADVANCED LIFE DRAWING  3 Units
This is an intermediate to advanced course in the study of the human figure from a model. Students explore a variety of drawing materials and techniques leading toward personal growth and style. May be taken for a total of three times.
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: ART-005A
CAN: None
Transfer Status: CSU/UC
Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-006A  INTERMEDIATE TO ADVANCED DESIGN AND COLOR  3 Units
This is an intermediate to advanced course in the methods and applications of color and design. After further study of basic design and color approaches, students then develop images that are created through the use of progressive applications of color theory and compositional structure. Multiple types of water based media, the use of collage and mixed media applications are investigated. An introduction to book arts is explored through altered books, accordion fold variations and basic book structures. Students develop a personal portfolio that

ART-007I  INTERMEDIATE TO ADVANCED  3 Units
RAKU CERAMICS
This course allows students to explore primitive firing techniques. Students explore the differences between the primitive firing processes of the Japanese, Native American, and contemporary Eastern and Western cultures. Advanced Raku kiln loading and firing techniques, together with the rich cultural philosophies of the Japanese and American Raku ceramic art forms are also studied. Students further explore their personal creative style. May be taken for a total of three times.
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: ART-007F
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-009A  BEGINNING PRINTMAKING  3 Units
This course introduces basic hand processes in printmaking by exploring the four traditional categories: relief, intaglio, stencil, and planograph. Students are introduced to these four categories by hands-on assignments. Students study the history of printmaking and explore contemporary photo printmaking and non-toxic printmaking processes. Emphasis is placed on composition theory, print quality, and concept. These techniques enable the student to communicate visual images as creative statements.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-009A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-009B  INTERMEDIATE TO ADVANCED  3 Units
PRINTMAKING
In this course students build on skills learned in the Beginning Printmaking course. Students create prints using more complex and more technically involved processes. Focus is on edition printing skills, work in series, and multiple color work. With faculty guidance, students develop personal imagery utilizing one or more of the hand printmaking processes. This course may be taken for a total of three times.
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: ART-009A
CAN: ART 20 = ART 9A + 9B
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-010  INTRODUCTION TO ART  3 Units
This course is an introduction to art, techniques and social forces that shape and reflect our visual world. Emphasis is placed on gaining insights and developing an understanding of the variables inherent in planning, organizing, and making a work of art.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3,C5  CSU GE: C1  IGETC: 3A

ART-011A  SCULPTURE  3 Units
This is a basic course in the principles, theories and techniques of sculpture. Students explore three-dimensional forms with a variety of materials and techniques. Additive, subtractive, and assemblage formats are explored.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-011A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-011B  SCULPTURE  3 Units
This is an intermediate course in the principles, theories, and techniques of sculpture. Students explore three-dimensional forms with an emphasis in the additive process and mold making.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-011B
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-011C  SCULPTURE  3 Units
This is an advanced course in the principles, theories, and techniques of sculpture. Students explore three-dimensional forms with an emphasis in the subtractive process.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-011C
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ART-011D  SCULPTURE  3 Units
This course offers special studies of advanced sculptural problems. Student assignments encourage creativity through individual expression and portfolio development.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-011D
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
ART-014A  BEGINNING SCREEN PRINTING  3 Units
This is an introductory course in screen printing. Basic silk screen printing techniques are studied, including stencil formation, edition printing, and various substrate concerns. Class work focuses on attaining competence in direct screen printing processes. Emphasis is placed on composition theory, print quality, concept, and design throughout the course. These techniques enable the student to communicate visual images as creative print statements. Basic drawing skills are recommended.  
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L  
COD GE: None  CSU GE: None  IGETC: None  
Transfer Status: CSU/UC  Degree Applicable: AA/AS

ART-014B  INTERMEDIATE TO ADVANCED  3 Units SCREEN PRINTING
This is an intermediate to advanced course in the study of screen printing. Students study a variety of stencil techniques, materials, and equipment. Students build competence in screen printing skills and aesthetics. With faculty guidance, mastering these skills will lead towards development of personal style. May be taken for a total of three times.  
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L  
Prerequisite: ART-014A  
CAN: None  
Transfer Status: CSU/UC  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

ART-018  INTRODUCTION TO ART AND MUSIC
Students examine parallels in ideas and organizational methods found in art and music of the Western World. A comparison is made of major developments of styles with an emphasis on the roles of the visual and aural arts in society from the Middle Ages to the present. (Also listed as, and equivalent to, HUM-018 and MUS-018.)  
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
Prerequisite: ENG-050  
CAN: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

ART-018A  BEGINNING PAPERMAKING  3 Units
This course in two and three dimensional papermaking compares Eastern and Western papermaking techniques and their cultural influences. Students explore different technical methods and philosophical approaches of hand papermaking leading to uses of the medium as an art form.  
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L  
CAN: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: C3,C5  CSU GE: None  IGETC: None

ART-018B  INTERMEDIATE TO ADVANCED  3 Units PAPERMAKING
This course continues with Eastern and Western multicultural aspects of papermaking techniques. Instruction is given to encourage development of a personal style reflecting either an Eastern or Western technique in hand papermaking and aesthetic perspective. An emphasis on hand papermaking as an art form focuses on Eastern philosophy and Western culture. Historical applications of hand papermaking and the book are studied. May be taken for a total of three times.  
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L  
Prerequisite: ART-018A  
CAN: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

ART-020A  BEGINNING CERAMIC SCULPTURE  3 Units
This course explores the basic techniques of the ceramic sculptural art form. Emphasis is on the understanding of the media of clay, the appreciation of the basic ceramic sculpture modeling processes and glazing techniques. The students will also begin to explore their own personal expression in clay.  
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L  
Advisory: ART-007A  
CAN: None  
Transfer Status: CSU/UC  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

ART-020B  INTERMEDIATE TO ADVANCED  3 Units CERAMIC SCULPTURE
This course expands student knowledge and expertise in the technologies of the ceramic sculpture art form. Students will further study ceramic sculpture modeling techniques, and embellishing techniques. Glaze formulation and glaze application, combined with kiln loading and firing techniques will also be explored. With faculty guidance, students move toward development of a personal creative style. Students will be expected to develop a stronger critique and problem-solving process. May be taken for a total of three times.  
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L  
Prerequisite: ART-020A  
CAN: None  
Transfer Status: CSU/UC  Degree Applicable: AA/AS

**ART-021B  PAINTING/INTERMEDIATE  3 Units**

**TO ADVANCED WATERCOLOR**

This is an intermediate to advanced course in the methods of transparent, opaque, and mixed media watercolor painting. Students build on skills learned in the Beginning Watercolor Painting course through continued study of traditional watercolor painting approaches. Students are then introduced to advanced and experimental applications in water media along with collage techniques. Focus is on the development of images that are created through the use of intermediate to advanced applications of technical processes, color use and compositional structure. Under faculty guidance, students develop a pictorial series resulting in a personal portfolio that reflects their individual expression. May be taken for a total of three times.

Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: ART-021A
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**ART-023A  PAINTING/BEGINNING OIL  3 Units**

This course is an introduction to the fundamentals of oil painting. Through hands-on assignments, painting techniques covered include traditional approaches of opaque, transparent, under and over painting, palette knife and wet-on-wet painting. Using quick oil sketches throughout the course, emphasis is placed on the use of basic visual elements, organizational principles of compositional structure, color theory and concept development. These techniques enable the student to communicate visual images as creative statements. Historical applications of oil painting techniques and different conceptual approaches to painting are studied. Basic drawing skills are recommended.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ART-001A or ART-003A

**TO ADVANCED OIL**

This is an intermediate to advanced course in the methods of transparent, opaque, and mixed media oil painting. Students build on skills learned in the Beginning Oil Painting course through continued study of traditional oil painting approaches. Students are then introduced to advanced and experimental applications in oil media utilizing alkyds, water miscible oils and oil sticks. Focus is on the development of images that are created through the use of intermediate to advanced applications of technical processes, color use and compositional structure. Under faculty guidance, students develop a pictorial series resulting in a personal portfolio that reflects their individual expression. May be taken for a total of three times.

Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: ART-023A
Transfer Status: CSU/UC  Degree Applicable: AA/AS

ART-026 GALLERY DISPLAY MANAGEMENT 3 Units
This course is an introduction in art museum and gallery education. It provides training for those who desire careers in museum education and expertise in the use of museums as education resources for school educators. It also provides basic information for artists who wish to display works of art. The course consists of organizing and designing exhibitions, and the proper caring and handling of works of art.

ART-030A BEGINNING BLACK & WHITE PHOTOGRAPHY 3 Units
This is an introductory course in black and white photography. Basic camera and laboratory techniques are studied, including camera operation, film exposure, film developing, printing, and dry mounting of finished work. Emphasis is placed on composition theory, print quality, concept, and design throughout the course. These techniques enable the student to communicate visual images as creative photographic statements. A 35mm camera with adjustable f-stops and shutter speeds is required.
Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L

COD GE: None
CSU GE: None
IGETC: None

ART-030B INTERMEDIATE BLACK & WHITE PHOTOGRAPHY 3 Units
This course is designed to strengthen darkroom skills and to further explore photography as a means of creative expression and communication. Students develop a greater mastery of exposure and learn archival printing techniques and the window mat method of print presentation. Students explore experimental methods of photographic printing, medium format photography, and studio lighting. Print quality, concept, and design are emphasized throughout the course. A 35mm or larger format camera with adjustable f-stops and shutter speeds is required.
Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: ART-030A, or permission of instructor based on a portfolio presentation of student's previous work

IGETC: None

ART-030C ADVANCED BLACK & WHITE PHOTOGRAPHY 3 Units
This course is designed for advanced students who wish to concentrate on an in-depth individual direction. Students explore and combine an aesthetic and expressive use of the photographic medium to complete projects with developed personal statements. At the beginning of the semester, students are required to present a proposal outlining three specific areas of concentration: Theme, Medium, and Techniques. Faculty members monitor student work and students are required to complete a professional portfolio by the end of the semester. Research and summary of applicable reading assignments will accompany the presentation. This course may be taken for a total of two times.
Lecture Hours: 36 Lab Hours: 54 Repeatable: 1 Grading: L
Prerequisite: ART-030C, or permission of instructor based on a portfolio presentation of student's previous work

IGETC: None
ART-031 DIGITAL PHOTOGRAPHY 3 Units
This course provides an introduction to the tools, materials and techniques of digital photography. Students learn to capture images using a digital camera or camcorder. Topics include the use of digital interfaces, printers and file formats as well as the preparation of images for web use. A digital camera or digital video camcorder is required. (Also listed as, and equivalent to, DDP-031.)
Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

ART-033 HISTORY OF PHOTOGRAPHY 3 Units
This course is a history of photography from its beginning in the mid-nineteenth century to the present time. Illustrated lectures on the technology, application and aesthetics of photography as a fine art form include the significant movements and photographers that contributed to the establishment of photography as one of the major forms of art and communication.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L Prerequisite: ENG-050 CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: C3 CSU GE: C1 IGETC: 3A

ART-040 GRAPHIC DESIGN I 3 Units
Students in this course utilize computers to solve visual communication and design problems using graphic components. Topics covered include typography, logos/marks/symbols/pictographs, corporate identity, graphic techniques (both digital and traditional), introduction to advertising design, digital prepress and press. Adobe Photoshop and Adobe Illustrator software are used to create final images. (Also listed as, and equivalent to, DDP-010.)
Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L Prerequisite: ART-003A or concurrent enrollment Advisory: CIS-082D (strongly recommended) CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

ART-041 GRAPHIC DESIGN II 3 Units
Students in this course utilize computers to solve communication and design problems for traditional and new media using graphic, audio, and animation components. Topics covered include traditional and digital typography, animation, motion graphics, sound, new media as communication, non-linear interactive design, and electronic page design. (Also listed as, and equivalent to, DDP-011.)
Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L Prerequisite: ART-040 CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

ASC: ACADEMIC SKILLS CENTER

ASC-005 TUTOR TRAINING ½ Unit
This course provides the training, practicum, and applied projects necessary for success in peer tutoring.
Lecture Hours: 4 Lab Hours: 16 Repeatable: No Grading: L Prerequisite: Grade of A or B in course being tutored CAN: None Transfer Status: None Degree Applicable: NAA COD GE: None CSU GE: None IGETC: None

ASC-097 SUPPLEMENTAL LEARNING LAB ½ Unit
Lecture Hours: 0 Lab Hours: 27 Repeatable: 3 Grading: K

ASC-098 SUPPLEMENTAL LEARNING LAB 1 Unit
Lecture Hours: 0 Lab Hours: 54 Repeatable: 3 Grading: K
This course provides computer assisted instruction, Internet access, tutoring for writing, reading, and math skills, and materials supplementary to instructor’s classroom and/or laboratory presentation to advance student’s knowledge and academic skills. Students receive a credit/no credit grade mark. May be taken for a total of four times.
Corequisite: Enrollment in a credit course CAN: None Transfer Status: None Degree Applicable: NAA COD GE: None CSU GE: None IGETC: None

ASC 100 SUPERVISED TUTORING 0 Unit
The Tutorial Center is an open entry/open exit environment where college students with learning needs in academic subjects receive tutoring through one-to-one contact and small group instruction. Registration may be completed in the Tutorial Center. Students receive a credit/no credit grade mark.
Lecture Hours: 0 Lab Hours: Open Repeatable: Yes Grading: K CAN: None Transfer Status: None Degree Applicable: NONC COD GE: None CSU GE: None IGETC: None

Chapter 9 - Courses of Instruction
ASL:  AMERICAN SIGN LANGUAGE

ASL-001  ELEMENTARY AMERICAN SIGN LANGUAGE  5 Units
This course presents the fundamentals of American Sign Language in a fast-paced intensive method. ASL is a language that requires visual and manual dexterity skills. Students learn basic grammar and vocabulary of ASL while completing readings on the history of the Deaf from ancient times to current. History's impact on modern American Deaf culture and education is explored. Lectures are primarily conducted in ASL. Completion of ASL-001A and ASL-001B is equivalent to ASL-001.
Lecture Hours: 90  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-001 or ASL-001B or 2 years of high school ASL
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 6A

ASL-001A  ELEMENTARY AMERICAN SIGN LANGUAGE  3 Units
This course presents the fundamentals of American Sign Language. ASL is a language that requires visual and manual dexterity skills. Students learn basic grammar and vocabulary of ASL while completing readings on the history of the Deaf from ancient times to current. History's impact on modern American Deaf culture and education is explored. Completion of ASL-001A and ASL-001B is equivalent to ASL-001.
Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-001A
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: None

ASL-001B  ELEMENTARY AMERICAN SIGN LANGUAGE  3 Units
This course builds upon the fundamentals learned in the previous course. Lectures are primarily conducted in ASL. Students' understanding of ASL grammar and vocabulary is expanded, while completing readings on Deaf culture, written from the Deaf American perspective. Completion of ASL-001A and ASL-001B is equivalent to ASL-001.
Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-001A
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: None

ASL-002  ELEMENTARY AMERICAN SIGN LANGUAGE  5 Units
This course continues to develop material introduced in ASL-001. Increasingly complex grammar and vocabulary are introduced. Culturally appropriate language structures for a variety of situations are taught. Students examine potential sources of cross-cultural miscommunication, and learn to negotiate a cross-cultural signing environment. ASL's historic and contemporary importance to Deaf culture is studied. Completion of ASL-002A and ASL-002B is equivalent to ASL-002.
Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-001 or ASL-001B or 2 years of high school ASL
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

ASL-002A  ELEMENTARY AMERICAN SIGN LANGUAGE  3 Units
This course continues to develop the grammar, vocabulary, and cultural topics introduced in ASL-001A and ASL-001B. Different classroom and realistic situations encourage students to apply appropriate cross-cultural communication techniques. This course explores ASL's historical impact on and current role in Deaf culture. Students increase their awareness of and sensitivity to Deaf values and norms. Completion of ASL-002A and ASL-002B is equivalent to ASL-002.
Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-001 or ASL-001B or 2 years of high school ASL
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 6A

ASL-002B  ELEMENTARY AMERICAN SIGN LANGUAGE  3 Units
This course continues to develop material acquired in ASL-002A. Increasingly complex vocabulary and grammar are introduced. Students learn additional culturally appropriate language structures to negotiate situations involving complaints, requests, narratives, and conversational feedback mechanisms. Potential sources of miscommunication between Deaf and hearing persons are examined. Completion of ASL-002A and ASL-002B is equivalent to ASL-002.
Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-002A
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 6A

ASL-003  INTERMEDIATE AMERICAN SIGN LANGUAGE  4 Units
This course continues to develop material introduced in ASL-002. Students expand their sign vocabulary and idioms, develop normal conversational speed, express and receive complex ASL sentences, comprehend ASL narratives and literature, increase Deaf culture awareness through the study of Deaf cultural texts and other concepts.
Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-002 or ASL-002B
Transfer Status: CSU, UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*
ASL-004  INTERMEDIATE AMERICAN SIGN LANGUAGE  4 Units

This course continues to develop material introduced in ASL-003. Students demonstrate mastery of ASL vocabulary, complex ASL sentences and fingerspelled loan signs. Students attain conversational speed in fingerspelling. Students comprehend, examine, and discuss ASL literature. Sensitivity to Deaf cultural issues will be extended through the study of Deaf cultural texts and related concepts. The ability to navigate Deaf culture will be demonstrated in the classroom and the Deaf community.

Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: ASL-003
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: C3  CSU GE: None  IGETC: None

AUTO-001  AUTOMOTIVE PRINCIPLES I  2 Units

This course covers basic fundamentals and basic knowledge of the automotive repair trade. It includes shop safety, hand tools, fasteners, shop math, and an overview of basic automotive systems.

Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-002  AUTOMOTIVE PRINCIPLES II  2 Units

This course stresses automotive chassis and drive line operation. It provides the student with basic knowledge and skills for the automotive service trade in areas of brake systems, suspension system alignment, transmissions, transaxles, drive lines, and differentials. Students may choose the credit/no credit grading option.

Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: O
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-005  AT POWER TRAIN TECHNOLOGY  4 Units

This is an introductory course for the Alternate Fuel Technician, Tech-Prep program. It covers basic theory, design, and operation of alternate fuel prime movers focusing on internal combustion engines and their subsystems.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050 and RDG-050
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-006  AT CHASSIS PRINCIPLES  4 Units

This course introduces the student to basic principles of vehicle chassis, suspension, and braking systems as applied to environmentally friendly modes of transportation.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-005
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-007  AT VEHICLE ELECTRICAL SYSTEMS  3½ Units

This course is an in-depth study of vehicle related electrical and electronics systems. Emphasis is placed on application of basic theory and the use of test equipment, normally found in the industry, in diagnosis and repair of vehicle electrical components and systems.

Lecture Hours: 54  Lab Hours: 27  Repeatable: No  Grading: L
Prerequisite: AUTO-005
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-008  AT ADVANCED VEHICLE ELECTRICAL SYSTEMS  3 Units

This course provides further study of the automotive electrical system. It covers basic lighting systems, gauges and warning devices, windshield wipers, and other body-related electrical components.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-007
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-009  AT BASIC FUEL CELLS AND HYBRID DRIVES  3 Units

This course provides an introduction to hybrid electric drives that are combined with either an internal combustion engine or fuel cell. Hydrogen fuel cell operation, basic maintenance and applications for vehicle use are covered.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-007 and AUTO-056
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-030  AUTO BRAKE SYSTEMS (NATEF)  2 Units

This course provides basic theory and direct experience in automotive brake system operation, trouble shooting, and repair. This is the basis for the State Brake Inspection License course.
**Courses of Instruction**

**AUTO-033 SUSPENSION & ALIGNMENT  2 Units (NATEF)**
This course provides basic theory and direct experience in automotive suspension systems and wheel alignment. Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L  
**Prerequisite:** AUTO-001 or 1 year trade experience  
Can: None  
Transfer Status: None  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-034 AUTOMOTIVE STEERING  2 units (NATEF)**
This course provides basic theory and direct experience in the service and repair of automotive steering systems including four-wheel steering, electronic, computer controlled, and variable assist steering systems. Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L  
**Prerequisite:** AUTO-001 or 1 year trade experience  
Can: None  
Transfer Status: None  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-051 AT BASIC ENGINE PERFORMANCE  3½ Units**
This is an introductory engine performance course. It covers the ignition and fuel systems to the basic engine computer level. Emphasis is on vehicle tail pipe emissions and their control. Lecture Hours: 54  Lab Hours: 27  Repeatable: No  Grading: L  
**Prerequisite:** AUTO-007  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-052 AT ENGINE PERFORMANCE II  3 Units**
This is a second level Engine Performance II course introducing the theory, operation, testing, diagnosis, and repair of current automotive computer systems. This course prepares students for the State SMOG test and ASE A-8 test. Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L  
**Prerequisite:** AUTO-051  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-053 AT ENGINE PERFORMANCE III  3 Units**
This is an advanced drivability and diagnostics course. This course uses the chassis dynamometer and other tools to diagnose vehicle drivability problems and emission test failure. This course prepares students for the State SMOG test and ASE L-1 test. Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L  
**Prerequisite:** AUTO-051 or AUTO-052  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-054A AT CLEAN AIR CAR COURSE  5 Units**
This course provides the student with the basic training to meet the requirements of the Bureau of Automotive Repair for a SMOG Technician. The course includes the Basic Clean Air Car Course material in addition to the, OBD II Update course, the 2003 Update course, 8 Hour Dynamometer Transition course, and 20 Hour Advanced Diagnostic update course. Lecture Hours: 81  Lab Hours: 27  Repeatable: 5  Grading: L  
**Advisor:** AUTO-053  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-054B AT ADVANCED CLEAN AIR CAR COURSE  2 Units**
This Bureau of Automotive Repair (BAR) approved course provides the Student/SMOG Technician with the necessary course work to upgrade a Basic Area SMOG License (EB) to the Advanced Level SMOG License (EA). The course includes the BAR ’97 Dynamometer Safety and the Advanced Emission Diagnostic update courses. Lecture Hours: 36  Lab Hours: 0  Repeatable: 5  Grading: L  
**Prerequisite:** AUTO-053 or EB class SMOG license  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-056 AT COMPRESSED NATURAL GAS/LIQUEFIED PETROLEUM GAS  4 Units**
This course provides theory and hands-on experience in the operation, service, inspection, and maintenance of Compressed Natural Gas (CNG)/Liquefied Petroleum Gas (LPG) systems. This course prepares students for the ASE Alternate Fuels Test (F-1). Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L  
**Advisor:** AUTO-053  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**AUTO-057 AT LEAN BURN PRINCIPLES  3 Units**
This course provides theory, hands-on experience in the operation, service, inspection, and maintenance of engines running ultra lean combustion system. The course covers gasoline, Compressed Natural Gas (CNG)/Liquefied Petroleum Gas (LPG) systems. Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L  
**Advisor:** AUTO-056  
Can: None  
Transfer Status: CSU  Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None
Chapter 9 - Courses of Instruction

AUTO-058 AT ADVANCED POWER TRAINS 3 Units
This course is an in-depth study of vehicle power trains that are in development or beta testing. It covers system efficiencies, power and fuel conversion methods and their application to various form of transportation. Environmental affects versus cost effectiveness is a prime consideration throughout the course.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: AUTO-057
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-060A AUTO AIR Conditioning I 2 Units
This course provides basic theory and hands-on experience in automotive air conditioning and heating system operation, trouble shooting, and repair. This course is based on NATEF guidelines.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-001 or 1 year trade experience
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-060B AUTO AIR Conditioning II 2 Units
This course provides advanced training and hands-on experience in automotive air conditioning, heating, and climate control systems theory, operation, trouble shooting, and repair. This course is based on NATEF guidelines.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-060A, or 1 year trade experience in air-conditioning
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-063A ENGINE REBUILD I - TOP END 2 Units
This course provides basic theory and practical experience in the disassembly, inspection, machine work, reassembly and adjustment of the cylinder heads and valve train of an internal combustion engine.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-001, or 1 year trade experience
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-063B ENGINE REBUILD II - LOWER END 2 Units
This course provides basic theory and practical experience in the disassembly, inspection, reassembly and adjustment of the cylinder block and related components.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-063A, or 1 year trade experience
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-064A AUTOMATIC TRANSMISSIONS I 2 Units
This course provides an introduction to basic theory and hands-on experience in the operation, diagnosis, servicing, and repair of automatic transmissions for rear wheel drive vehicles.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-001, or 1 year trade experience
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-064B AUTOMATIC TRANSMISSIONS II 2 Units
This course provides basic knowledge and hands-on experience in the operation, diagnosis, servicing, and repair of automatic transaxles. It covers the operation and diagnosis of computer controlled automatic transmissions and transaxles.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-064A
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-065A STANDARD TRANSMISSIONS I 2 Units
This course covers the principles of operation and repair of clutches, three, four, and five-speed manual transmissions, and drive lines and rear axles for rear wheel drive vehicles.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-001, or 1 year trade experience
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-065B STANDARD TRANSMISSIONS II 2 Units
This course covers the principles of operation and repair of clutches, three, four, and five-speed manual transaxles and drive trains for front wheel drive vehicles.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: AUTO-065A, or 1 year trade experience
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-090A AT BAR SMOG LICENSE 1 Unit
UP DATE (2005)
This course will provide the necessary training required by the California Bureau of Automotive Repair (BAR) for SMOG Technicians to meet the bi-annual training requirements for SMOG License Renewal during the 2005 and 2006 calendar year.
Lecture Hours: 18  Lab Hours: 0  Repeatable: 5  Grading: L
Prerequisite: Possess a current SMOG license OR concurrent enrollment in a California SMOG license certification course OR possess a valid ASE A-6, A-8, or L-1 certification or the equivalent.
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

Chapter 9 - Courses of Instruction
AUTO-090B AT BAR SMOG LICENSE  1 Unit
UP DATE (2007)
This course meets the requirements for renewal of the State Smog Inspectors License for technicians whose license expires between January 1, 2007 and December 31, 2008. This course will be required for Initial SMOG license training.
Lecture Hours: 18  Lab Hours: 0  Repeatable: 5  Grading: L
Prerequisite: Possess a current SMOG license OR concurrent enrollment in a California SMOG license certification course OR possess a valid ASE A-6, A-8, or L-1 certification or the equivalent.
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

AUTO-092 AT BIODIESEL: CHARACTERISTIC,  1 Unit
USE, AND PRODUCTION
This course introduces biodiesel, its characteristics, its use and effects on engines operation and vehicles emissions. The course also covers basic productions considerations and specifications of biodiesel.
Lecture Hours: 18  Lab Hours: 0  Repeatable: 2  Grading: L
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

BI-004 ELEMENTS OF BIOLOGY  4 Units
This course is designed to acquaint non-majors with fundamental concepts and principles of biology and background information in the physical sciences. Laboratory gives practical study.
Note: BI-004 meets the Biological Sciences General Education Requirement, but not the requirements for biological science majors. BI-004 is offered for those individuals with little or no background in the biological sciences.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-051
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B2.B3  IGETC: 5B

BI-005 MOLECULAR & CELL BIOLOGY  5 Units
This course presents a survey of basic biological principles with a strong emphasis on biochemistry, cell biology and genetics. Topics include: bio-molecular and cell structure and function, cellular respiration, photosynthesis, DNA replication, protein synthesis, Mendelian genetics, mitosis, meiosis, embryology, tissues, organismal diversity and classification.
This course is primarily designed for students pursuing careers in science, medicine, dentistry, veterinary medicine and other health fields requiring a strong foundation in biology. Together BI-005 and BI-006, Biology of Organisms, provide students with the basic biology core curriculum for transfer.
Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: RDG-051, BI-004 or high school biology, ENG-001A or concurrent enrollment, and CH-001A or concurrent enrollment
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B2.B3  IGETC: 5B

BI-006 BIOLOGY OF ORGANISMS  5 Units
This course covers classification, development, physiology and regulation at the organismal level. Additional topics include population dynamics, community ecology, evolution and population genetics.
This course is primarily designed for students pursuing careers in science, medicine, dentistry, veterinary medicine and other health fields requiring a strong foundation in biology. Together BI-006 and BI-005, Molecular and Cell Biology, provide students with the basic biology core curriculum for transfer.
Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: RDG-051, BI-004 or high school biology, ENG-001A or concurrent enrollment, and MATH-012 or concurrent enrollment
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B2.B3  IGETC: 5B

BI-010 WOMEN'S HEALTH  3 Units
A study of current issues and practices related to women's health. Emphasis is placed on female anatomy and physiology relative to changes which occur in a women's body from youth to old age and the specific aspects of health and disease related to these changes. This course is designed to provide information to make the student medically and scientifically knowledgeable about women's health issues and to be an "informed consumer" of medical information and practices concerning today's female.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-051
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B2.B3  IGETC: 5B

BI-012 BIOLOGY OF CANCER  3 Units
This course examines the molecular, cellular and genetic basis for the more than 100 different diseases called cancer. Topics include the biology of uncontrolled cellular growth, the causes of cancer, symptoms, diagnosis, staging and the psychological effects of cancer. Methods used to access local and national cancer resources are covered. The roles of the family practioner, surgeon, pathologist, medical oncologist and radiation oncologist on the cancer team are considered. This course is designed for anyone with a personal or professional
interest in preventing cancer and learning about cancer from a clinical and practical view. Information covered in this course allows one to be better informed and prepared to deal with the disease of cancer.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L

**Advisory:** ENG-001A, and high school or college biology course is recommended

**CAN:** None

**Transfer Status:** CSU/UC Degree Applicable: AA/AS

**COD GE:** C1  **CSU GE:** E  **IGETC:** None

**BI-013**  **HUMAN ANATOMY AND PHYSIOLOGY I**

This course involves an integrated study of human body organization and function. Topics include anatomical terminology, cells and tissues, the integumentary system, the skeletal system, articulations, the muscular system, the nervous system, and special senses. This is the first part of a two course sequence that studies the fundamental concepts of anatomy and physiology and provides a foundation for advanced study of the human body. Both BI-013 and BI-014 must be taken to study all of the major body systems. This two course sequence is designed to meet the prerequisites for health professional programs, e.g. nursing, physical therapy.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L

**Prerequisite:** ENG-051 and MATH-054  **Advisory:** BI-021

**CAN:** None

**Transfer Status:** CSU/UC  **Degree Applicable:** AA/AS

**COD GE:** C1  **CSU GE:** E  **IGETC:** None

**BI-014**  **HUMAN ANATOMY AND PHYSIOLOGY II**

This course involves an integrated study of human body organization and function. Topics include the endocrine, immune, cardiovascular, respiratory, digestive, urogenital, sensory, nervous, and endocrine systems. This is the second part of a two course sequence that studies the fundamental concepts of anatomy and physiology and provides a foundation for advanced study of the human body. Both BI-013 and BI-014 must be taken to study all of the major body systems. This two course sequence is designed to meet the prerequisites for health professional programs, e.g. nursing, physical therapy.

Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L

**Prerequisite:** BI-013 and CH-004

**CAN:** None

**Transfer Status:** CSU/UC  **Degree Applicable:** AA/AS

**COD GE:** C1  **CSU GE:** E  **IGETC:** None

**BI-015**  **GENERAL MICROBIOLOGY**  **5 Units**

This course is a comprehensive study of the microbial world. It is designed to develop an appreciation and understanding of microorganisms and their relationship to humans and their environment. A knowledge of the principles of microbiology and their practical applications is stressed. Subject matter includes: medical microbiology, microbial physiology, microbial genetics, and industrial microbiology. The laboratory experience explores the development of current methods, techniques, and skills necessary to culture, propagate and identify microorganisms.

Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L

**Prerequisite:** BI-013 or BI-022, CH-004, ENG-051 & MATH-050 or MATH-054

**Advisory:** BI-014 or BI-023

**CAN:** None

**Transfer Status:** CSU/UC  **Degree Applicable:** AA/AS

**COD GE:** C1  **CSU GE:** B2,B3  **IGETC:** None

**BI-021**  **ANATOMY & PHYSIOLOGY**  **4 Units**

This is a course in the structure and functions of human body systems, and fundamental principles of biology demonstrable in human beings. Laboratory gives practical study.

**Note:** BI-021 meets the Biological Science General Education requirement and is recommended to those wishing a ‘human’ approach to satisfying this requirement.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L

**Prerequisite:** ENG-051

**CAN:** None

**Transfer Status:** CSU/UC  **Degree Applicable:** AA/AS

**COD GE:** C1  **CSU GE:** B2,B3  **IGETC:** None

**BI-023**  **HUMAN PHYSIOLOGY**  **5 Units**

This course surveys normal and many abnormal human functions involving integumental, skeletal, muscular, cardiovascular, respiratory, digestive, urogenital, sensory, nervous, and endocrine systems.

**Note:** This course is a required prerequisite for many health sciences majors or it may be used to satisfy a General Education life science requirement. Pre-medicine, pre-dentistry and pre-veterinary students are advised to take the BI 5 and 6 series.

Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L

**Prerequisite:** High school chemistry or CH-004, and BI-022

**CAN:** BIOL 12; BIOL SEQ B = BI 22 + 23

**Transfer Status:** CSU/UC  **Degree Applicable:** AA/AS

**COD GE:** C1  **CSU GE:** B2,B3  **IGETC:** None
BIT: BUILDING INSPECTION TECHNOLOGY

BIT-001 CALIFORNIA BUILDING CODES 3 Units
This course covers California Building, Housing, Energy and Disabled Access Codes used for construction, maintenance, and use of buildings and grounds within the State of California. It emphasizes an understanding and application of code sections and provisions and the relationships between building, housing, energy and disabled access codes.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050, MATH-057, and RDG-050
COD GE: None  CSU GE: None  IGETC: None

BIT-002 BUILDING & MECHANICAL CODES 3 Units
This course covers California Building and Mechanical Codes used for construction, maintenance, and use of buildings and grounds within the State. It emphasizes an understanding and application of code sections and provisions and the relationships between building and mechanical codes.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050, MATH-057, and RDG-050
COD GE: None  CSU GE: None  IGETC: None

BIT-003 BUILDING & PLUMBING CODES 3 Units
This course covers California Building and Plumbing Codes used for construction, maintenance, and use of buildings and grounds within the State. It emphasizes an understanding and application of code sections and provisions, and the relationships between building and plumbing codes.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050, MATH-057, and RDG-050
COD GE: None  CSU GE: None  IGETC: None

BIT-004 BUILDING & ELECTRICAL CODES 3 Units
This course covers California Building and Electrical Codes used for construction, maintenance, and use of buildings and grounds within the State. It emphasizes an understanding and application of code sections and provisions, and the relationships between building and electrical codes.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050, MATH-057, and RDG-050
COD GE: None  CSU GE: None  IGETC: None

BIT-026 BUILDING II & FIRE CODES 3 Units
This course involves building and fire codes used for construction, maintenance, and use of buildings and grounds in the State of California. It places an emphasis on understanding and application of code sections and provisions, and the relation between Fire and Building Codes. It addresses elements of codes in areas of special occupancies, grading, fire and building material standards, and building codes appendices as they apply to both building and fire applications.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050 and MATH-057
COD GE: None  CSU GE: None  IGETC: None

BUAC: Business/ACCOUNTING

BUAC-001A FINANCIAL ACCOUNTING I 3 Units (formerly BUAC-001)
This course expands upon basic fundamentals of the double entry accrual accounting system. It includes accounting for service and merchandising enterprises with special emphasis on receivables, payables, inventories, plant asset depreciation methods, internal controls, payroll and other sub-systems.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Prerequisite: BUAC-006, or demonstrated competence in basic bookkeeping
COD GE: None  CSU GE: None  IGETC: None

BUAC-001B FINANCIAL ACCOUNTING II 3 Units (formerly BUAC-002)
This course emphasizes accounting concepts and principles relating to corporations, departmental and branch systems; and management uses of accounting data which includes financial statement analysis, cash flow statements, and an introduction to cost accounting. There is emphasis on stock and bond transactions.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Prerequisite: BUAC-001A
COD GE: None  CSU GE: None  IGETC: None

BUAC-001C MANAGEMENT ACCOUNTING 3 Units (formerly BUAC-006)
This course is designed to develop the fundamental skills of management accounting, which includes the collection, presentation, and interpretation of data to enable management and control performance. Students learn how to construct accounting information systems that
focus on such items as cost control, inventory management, budgetary monitoring, and capital investment planning.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** BUAC-001B  
CAN: None  
Transfer Status: CSU/UC  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-004 TAX ACCOUNTING I -INDIVIDUALS  3 Units**
This course is designed to provide students with tax information for both personal and career interests. Students learn tax information with the current laws and regulations available for preparation of personal tax returns and tax returns of others. Tax planning issues for the current and later years are considered.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** ENG-050 and MATH-057  
CAN: None  
Transfer Status: CSU  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-005 TAX ACCOUNTING II  3 Units**
This course is designed to provide students with tax information for both personal and professional use. Students learn the latest tax regulations that will allow them to prepare tax returns for their own businesses as well as other businesses and corporations. Tax planning issues for current and later tax years are also considered.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** ENG-050 and MATH-057  
CAN: None  
Transfer Status: CSU  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-008 REAL ESTATE AND CONSTRUCTION ACCOUNTING  3 Units**
This course covers the comprehensive application of accounting principles to the real estate and construction industries. Budgeting and monitoring costs for construction projects are emphasized, as well as rate of return analyses for investment projects. Management Accounting is emphasized over Financial Reporting.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** BUAC-001A  
CAN: None  
Transfer Status: CSU  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-009 HOSPITALITY MANAGEMENT ACCOUNTING  3 Units**
This course is the study of the comprehensive application of accounting principles to the hospitality industry. The course includes an emphasis on accounting practices, financial statements, income/expenditure accounts, and statements, special purpose journals and ledgers. Also included is the application of accounting information when making managerial decisions.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** BUAC-066  
CAN: None  
Transfer Status: CSU  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-010 COMPUTER ACCOUNTING  3 Units**
This course covers introductory material in the processing of accounting data on the micro-computer. Students learn to record and process transactions in the following major accounting activities: Journalizing, preparation of financial statements, budgeting, adjusting entries, receipts and payments, cash flow and payroll. Course work prepares students for actual situations using up-to-date equipment and software.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** BUAC-001B  
CAN: None  
Transfer Status: CSU  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-050 ACCOUNTING IN THE BUSINESS ENVIRONMENT  3 Units**
This course is a comprehensive study of the accountant’s role in providing management with information to assist in the decision making process. Approximately one half of the course emphasizes how the accountant organizes, analyzes, and presents financial information but excludes actual preparation of financial statements. The course incorporates the use of spread sheets in meeting those objectives. The balance of the course introduces students to the integrative nature of business and the cross-functional relationships within the professional environment. Included are the accountants’ role in Human Resources, Entrepreneurship, and small business management.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
Advisory: ENG-050 and MATH-057  
CAN: None  
Transfer Status: None  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None

**BUAC-066 FUNDAMENTAL ACCOUNTING  3 Units**
This course covers the essential elements of bookkeeping practice upon which advanced work in other accounting courses is based. Topics include the basic accounting equation, uses of journals and ledgers, preparation of financial statements, adjusting and closing entries, bank account reconciliation, and payroll.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  
**Prerequisite:** ENG-050 and MATH-057  
CAN: None  
Transfer Status: None  
Degree Applicable: AA/AS  
COD GE: None  CSU GE: None  IGETC: None
BUFI: Business/FINANCE

BUFI-012 MONEY MANAGEMENT & PLANNING FOR THE FUTURE 3 Units
This course provides students with an introductory understanding of economic and financial principles and the environment within which consumer and business decisions are made. It helps those interested in pursuing a career in financial services develop an appreciation for financial concerns of their clients. It also helps students make more informed decisions about setting their own career and financial goals, as well as managing their budget, taxes and investments, protecting their assets against risk, and preparing for retirement. Students may choose the credit/no credit grading option.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

BUFI-013 INVESTMENT OPPORTUNITIES 3 Units
The course provides students with an understanding of the importance of investment in their personal finances as well as various investment opportunities available to them. It presents the features of different types of stocks, corporate bonds, government securities, mutual funds, options, futures, and real estate investments. It also offers students a set of tools and criteria for evaluating these investment instruments in light of their own financial conditions and objectives. Students may choose the credit/no credit grading option.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
CAN: None Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

BUHM: Business/HOTEL & RESTAURANT MANAGEMENT

BUHM-050 INTRODUCTION TO THE HOSPITALITY INDUSTRY 3 Units
This course provides a basic understanding of the hospitality industry including lodging, food service, institutional, and resort operations. The history, growth and development, current trends, and organizational structure of the industry are explored with a focus on employment opportunities and future trends.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

BUHM-063 HOTEL AND RESTAURANT OPERATIONS 3 Units
This course analyzes management’s functions and responsibilities in such areas as administration, organization, communications, accounting, marketing and human relations.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

BUHM-064 HOTEL/MOTEL PERSONNEL MANAGEMENT 3 Units
This course prepares the student for the transition from employee to supervisor, including how to handle difficult employees, implement motivational techniques, and conduct performance evaluations.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 CAN: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

BUMA: Business/MANAGEMENT

BUMA-001 PRINCIPLES OF MANAGEMENT 3 Units
This course is the study of organization design, managerial processes, motivational theories, and current management problems. It is a study of the concepts of management in organizations and the role of manager in a technologically oriented society including planning, organizing, staffing, directing and controlling. The student is provided an opportunity to gain a contemporary knowledge in management design to improve managerial skills and ability.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

BUMA-010 INTRODUCTION TO BUSINESS 3 Units
This course is the study of the formation, structure, objectives, and ethics of contemporary American business enterprises. It emphasizes the significance of the small business organization, the role of large business organizations, and practices for the development of managerial personnel. This course is recommended for students who wish to explore a career in business.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

College of the Desert Catalog 2006-2007
Chapter 9 - Courses of Instruction

### BUMA-020A BUSINESS LAW 3 Units
This course is a study of the social forces and the law, the law of contracts, agency and employment, personal property and bailment, business torts and crimes, sales law, labor law and government regulation of business.

**Lecture Hours:** 54  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Prerequisite:** ENG-050

**Transfer Status:** CSU/UC*  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

### BUMA-020B BUSINESS LAW 3 Units
This course is a study of the law in its relation to business with special emphasis on the law of negotiable instruments (promissory notes, checks, bank drafts, and bills of exchange). It includes the study of suretyship and guaranty, insurance, partnerships, corporations, real property, wills, trusts, and bankruptcy.

**Lecture Hours:** 54  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Prerequisite:** ENG-050

**Transfer Status:** CSU/UC*  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

### BUMA-024 RESORT PERSONNEL & HUMAN RELATIONS 3 Units
This course emphasizes the management of the golf shop and resort personnel from the perspective of the golf professional. Both legal and psychological factors are examined in order to prepare the golf professional for the role of supervisor, leader, and motivator. Special focus on dealing with the particular needs of country club and resort clientele are included.

**Lecture Hours:** 54  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Prerequisite:** ENG-050

**Transfer Status:** None  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

### BUMA-025 GOLF SHOP OPERATIONS 2 Units
This course is the study of the principles and techniques involved in managing the modern professional golf shop: selling techniques, costumer service, and merchandising displays. It emphasizes the principles of organizing, financing, and controlling a small business, such as purchasing, pricing, stock control, store layout, policies, and security.

**Lecture Hours:** 18  **Lab Hours:** 54  **Repeatable:** No  **Grading:** L

**Prerequisite:** ENG-050

**Transfer Status:** None  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

### BUMA-027 MARKETING 3 Units
This course is the study of market structures, channels of distribution, pricing and price policy, and market research. It emphasizes the relationship of human behavior and culture to marketing activities. The student participates in individual and class projects designed to reinforce basic marketing theory and concepts.

**Lecture Hours:** 54  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Prerequisite:** ENG-050

**Transfer Status:** CSU  **Degree Applicable:** AA/AS

**CAN:** BUS 8

**COD GE:** None  **CSU GE:** None  **IGETC:** None

### BUMA-028 SMALL BUSINESS: DEVELOPMENT & MANAGEMENT 3 Units
This course is designed for the prospective as well as the current small business owner/manager. The curriculum is centered on an array of structural, relationship and process elements such as financial and physical assets, leadership/management issues, human resource functions, planning, and marketing. These elements are developed in the course through a diagnosis and prescription process and culminate in the writing of a comprehensive business plan.

**Lecture Hours:** 54  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Advisory:** ENG-050 and MATH-057

**Transfer Status:** CSU  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

### BUSM: Business/SUPERVISION & MANAGEMENT

#### BUSM-070 AFFIRMATIVE ACTION FOR SUPERVISORS 2 Units
This course is the study of techniques involved in conducting affirmative action programs in business and industry. It emphasizes the legal basis for affirmative action positions taken by employers and supervisors in terms of women and minority employment and advancement rights.

**Lecture Hours:** 36  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Transfer Status:** None  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

#### BUSM-071 SAFETY MANAGEMENT 2 Units
This course is the study of basic principles of accident prevention operating and implementing safety programs under Occupational Safety and Health Act (OSHA).

**Lecture Hours:** 36  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Transfer Status:** None  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

#### BUSM-081 QUALITY MANAGEMENT 2 Units
This course studies the meaning of quality control. It includes an analysis of the various techniques involved in the application of quality control to the many departments in modern industrial organizations.

**Lecture Hours:** 36  **Lab Hours:** 0  **Repeatable:** No  **Grading:** L

**Transfer Status:** None  **Degree Applicable:** AA/AS

**CAN:** None

**COD GE:** None  **CSU GE:** None  **IGETC:** None

Chapter 9 - Courses of Instruction

158  BUSM - CART

BUSM-099  COST CONTROL FOR SUPERVISORS  2 Units
This course is a study of the factors involved in cost control. It emphasizes such topics as materials, salvage, waste, time, and quality requirements. Also included is a study of the supervisor's role in controlling costs.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART: CULINARY ARTS

CART-001  SANITATION AND SAFETY  3 Units
This course is a study of the principles of hygiene and sanitation and their application to food service operations. Emphasis is placed on the implementation of proper methods and procedures, and the food handler’s responsibility in maintaining high sanitation and safety standards.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-003  PRINCIPLES OF COOKING  5 Units
This course is a comprehensive study of the physical changes which take place when preparing foods and the safe and sanitary use of hand tools, knives and kitchen equipment. It focuses on “hands-on” experience in the production of stocks, broths, glazes, leading and small sauces, gravies, emulsified sauces, and soups. Cooking methods using moist-heat, dry-heat, and fat, and the art of seasoning and flavoring are also covered.
Lecture Hours: 50.4  Lab Hours: 118.8  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-004  PANTRY  5 Units
This course covers the principles and practices used in producing pantry items in a commercial environment. A variety of menu items are prepared including salads, salad dressings, grill and breakfast items, and sandwiches.
Lecture Hours: 54  Lab Hours: 108  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-005  PRINCIPLES OF BAKING  5 Units
This course provides an understanding of basic characteristics and function of major ingredients. Focus is on the importance and accuracy of weights and measures and hands-on experience in the production of mixing methods of cakes, yeast raised products, Danish, breads, croissants, puff pastry, custards, puddings, and basic cake decorating.
Lecture Hours: 50.4  Lab Hours: 118.8  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-006  GARDE MANGER  5 Units
This course is a comprehensive study of the skills necessary in the preparation and presentation of cold buffets. It focuses on hands-on experience in the production of aspic jellies, chaud froid sauces, forcemeats, pates, gelatin, sausages, mousses, brines, dry cures, marinades, smoked meats, poultry and fish, salt dough display pieces, vegetable flowers, and buffet table and tray centerpieces using fruits, vegetables and ice sculptures.
Lecture Hours: 50.4  Lab Hours: 118.8  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-008  CLASSICAL BUFFET DESSERTS & COMPETITION DISPLAYS  5 Units
This is a comprehensive study of classical desserts for buffet display and competition show pieces. It focuses on “hands-on” experience in the production and display of pastillage, croquant, chocolate, marzipan, royal icing, and spun, pulled, and blown sugar.
Lecture Hours: 50.4  Lab Hours: 118.8  Repeatable: No  Grading: L
Prerequisite: CART-034  Advisory: ENG-050 & MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-010  FOOD PROCUREMENT AND COST CONTROL  3 Units
This course studies the basic principles of purchasing food and beverages, as well as nonfood items, with particular attention to product identification and to the ordering, receiving, storing, and issuing sequence.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
Courses of Instruction

CART-011  MENU PLANNING  3 Units
This course studies the basic principles of menu making for a variety of types of food service operations, considering the factors of clientele, types of operations, economic requirements, nutritional adequacy, skill of personnel, and equipment limitations.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisor: ENG-050 and MATH-057
CAN: None  Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-015  RESTAURANT DESSERTS  4 Units
This course provides students with the knowledge and skills necessary in the production of desserts in a restaurant setting. Emphasis is placed on practicality, efficient production practices, visual appeal and profitability.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Advisor: ENG-050 and MATH-057
CAN: None  Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-028  RESORT FOOD & BEVERAGE OPERATION  3 Units
This course studies the techniques and methods of operating and controlling a food and beverage operation in a club environment. It studies the management techniques necessary for the planning, monitoring and controlling of a food service operation and of the control systems available to insure a profitable operation.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisor: ENG-050 and MATH-057
CAN: None  Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-033  INTRODUCTION TO BAKING  4 Units
This course enables students to learn and practice the skills and methods of production of bread, desserts and other baked goods using quantity production techniques.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Advisor: ENG-050 and MATH-057
CAN: None  Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-034  INTERMEDIATE BAKING  4 Units
This course provides students with the knowledge and skills necessary for the production of cakes, tortes, French pastries and petit-fours utilizing commercial baking techniques.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CART-033  Advisory: ENG-050 & MATH-057
CAN: None  Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CART-035  OPERATIONS MANAGEMENT  4 Units
( PRODUCTION COOKING )
This course covers the principles and practices used in producing menu items in a commercial environment. A variety of menu items are prepared using quantity food preparation equipment and techniques.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CART-003
Advisor: ENG-050 and MATH-057
CAN: None  Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CH:  CHEMISTRY

CH-001A  GENERAL CHEMISTRY  5 Units
This is the first course of a two-semester sequence covering the basic principles and concepts of chemistry with emphasis on chemical calculations. Inorganic chemistry is stressed, and the material includes a discussion of atomic structure, chemical bonding, molecules, reaction types, states of matter, and the properties of solutions. The laboratory part of the course complements the lectures and includes qualitative analysis.
Lecture Hours: 54  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: CH-003 or 1 year high school chemistry
Corequisite: MATH-010 or MATH-012 or prior completion of either course
CAN: CHEM SEQ A = CH 1A + 1B  Transfer Status: None  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1,B3  IGETC: 5A

CH-001B  GENERAL CHEMISTRY  5 Units
This is the second course of a two-semester sequence covering the basic principles and concepts of chemistry with emphasis on chemical calculations. Inorganic chemistry is stressed, and the material includes a discussion of thermodynamics, reaction kinetics, equilibria, electrochemistry and a detailed study of the chemistry of selected elements. There is a brief introduction to organic, biological and nuclear chemistry. The laboratory part of the course complements the lectures and includes half a semester of ion properties and qualitative analysis.
Lecture Hours: 54  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: CH-001A
CAN: CHEM SEQ A = CH 1A + 1B  Transfer Status: None  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1,B3  IGETC: 5A

College of the Desert Catalog 2006-2007
Chapter 9 - Courses of Instruction

CH-003 INTRODUCTORY GENERAL CHEMISTRY 4 Units
This course is the study of the principles of inorganic chemistry. Instruction is given in calculations, atomic theory, Periodic Law, bonding and compounds, nomenclature, states of matter, reaction types, composition, stoichiometry, and acids, bases & pH. Laboratory is a hands-on experience stressing manipulation, procedure, data and outcome calculations. Note: This course should be taken by Liberal Studies majors on the Education track to satisfy the chemistry requirement. It should also be taken as a prerequisite for CH-001A for students who have not had high school chemistry within the past 5 years.
Lecture Hours: 54 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: ENG-051 and MATH-050 or MATH-054
COD GE: C1 CSU GE: B1,B3 IGETC: 5A*
CH-004 FUNDAMENTALS OF CHEMISTRY 4 Units
This course is a survey of basic principles of inorganic, organic and bio-organic chemistry presented on a level for the general student. Note: This course, in conjunction with CH-005, meets the requirements for bachelor degrees in nursing, dental hygiene and allied health programs. The course is transferable as a physical science with laboratory.
Lecture Hours: 54 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: ENG-051 and MATH-050 or MATH-054
CAN: CHEM 6 Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: C1 CSU GE: B1,B3 IGETC: 5A*
CH-005 BIO-ORGANIC CHEMISTRY 4 Units
This course is a survey of organic chemistry and biochemistry with an emphasis on the health sciences. It covers the major functional groups of organic compounds. The biologically active macromolecules and their components are discussed. Bioenergetics and metabolism are a substantial part of this course. The course is intended for health sciences students in dental hygiene, physician’s assistant, and related programs. Note: This course, in conjunction with CH-004, satisfies the requirements for those Health Sciences programs that require one year of chemistry other than general chemistry. This course is offered in the Fall semester of odd-numbered years.
Lecture Hours: 54 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: CH-004
COD GE: C1 CSU GE: B1,B3 IGETC: None

CH-010A ORGANIC CHEMISTRY 5 Units
This course is the first of a two-semester sequence covering the basic principles and concepts of organic chemistry. An in-depth study is made of the bonding of carbon, stereochemistry and the reactivity of alkanes, alkenes and alkynes. Addition, substitution and radical reactions are discussed. Alcohols, ethers, haloalkanes and conjugated unsaturated systems are analyzed. The course is designed for chemistry, biology and pre-professional majors. Note: This course is offered in the Fall semester of even-numbered years.
Lecture Hours: 54 Lab Hours: 108 Repeatable: No Grading: L
Prerequisite: CH-001B
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None
CH-010B ORGANIC CHEMISTRY 5 Units
This course is the second of a two-semester sequence covering the basic principles and concepts of organic chemistry. Spectrophotometry is covered. An introduction is made to biochemical compounds. The course is designed for chemistry, biology and pre-professional majors. Note: This course is offered in the Spring semester of odd-numbered years.
Lecture Hours: 54 Lab Hours: 108 Repeatable: No Grading: L
Prerequisite: CH-010A
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CIS: COMPUTER INFORMATION SYSTEMS

CIS-050 COMPUTER KEYBOARDING I 2 Units
This course is designed for students who need to master computer keyboarding skills. Students develop basic alpha/numeric keyboarding and touch typing skills, and increase their ability to communicate information. No previous electronic keyboard or computer experience is necessary.
Lecture Hours: 18 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: ENG-050
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None
CIS-070A COMPUTER BUSINESS
APPLICATIONS FOR WINDOWS
3 Units

This course is designed for students with no previous computer experience who want to learn how to use an IBM-compatible personal computer with an emphasis on Windows techniques. Using the Windows/graphical user interface approach, students develop basic skills in three applications: word processing, spreadsheets, and database management. Students are also introduced to the INTERNET and Geographic Information Systems (GIS) concepts.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-070B WINDOWS & THE INTERNET
3 Units

This course examines the fundamental concepts of the Windows operating system and the Internet. Students learn to install, configure and use Windows and Internet hardware and software for maximum productivity and efficiency. Emphasis is placed on the ability to find, save and retrieve information.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
Advisory: Additional lab time (CS 97, CS 98, or CS 99) may be required or recommended, depending on the abilities and progress of individual students.
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-070C INSIDE YOUR COMPUTER
3 Units

This course provides information about the physical construction of computers, the installation of new hardware and software, troubleshooting, and upgrading. The three areas of concentration are building the physical system, installing and maintaining Windows x.x, and installing and maintaining application software.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070B
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-072D EXCEL
3 Units

This course provides basic concepts and practical applications using Excel for Windows. Students receive instruction and computer experience using electronic spreadsheets to solve common numerical and accounting-based problems.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-073C ACCESS
3 Units

This course provides beginning and intermediate concepts and practical applications in database management using Windows. Students receive instruction and experience needed to design, create, customize, organize, extract, and store information using Access.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-074 POWERPOINT
3 Units

This course provides basic concepts and practical applications using PowerPoint for Windows. Students receive instruction and computer experience using presentation software to organize and display information in a visual format.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-075 FRONT PAGE
3 Units

This course is an introduction to creating a web page using Microsoft FrontPage. Students learn to design, create, manage, and publish Web sites that incorporate images, hyperlinks, lists, tables, forms and frames.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070B
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-076B WORD
3 Units

This course introduces students to beginning and intermediate microcomputer skills through word processing concepts and procedures in the Word for Windows program. Applications include communicating with the mouse and the keyboard, editing, revising, and printing documents. Document production includes basic business communications, reports, tables, formatting and other basic word processing features.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-082C WEB PUBLISHING I
3 Units

This course teaches students to format World Wide Web pages using Hypertext Markup Language (HTML). Emphasis is placed on development of effective pages.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

College of the Desert Catalog 2006-2007
This course provides an introduction to the process of creating, capturing, and modifying graphical images using the software most commonly found in the graphical design industry today: Adobe Photoshop, Adobe Illustrator, and Macromedia FreeHand. Photoshop is used for the capture and manipulation of images either scanned or digitally photographed; Illustrator and FreeHand are used for the original creation of both type and artwork, with emphasis on layout, color, and content. (Also listed as, and equivalent to, DDP-002.)

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prequisite: CIS-070B  Advisory: ART-003A or ART-040
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CIS-083C  WEB PUBLISHING II/ JAVASCRIPT  3 Units

This course teaches students to incorporate interactive JavaScript elements in Web pages. They learn how to understand and use the Document Object Model; event handlers, variables and functions; browser detection; forms validation; text and image rollovers; and common programming elements, including arrays, loops and logical operations.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prequisite: CIS-082C
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CM: CONSTRUCTION MANAGEMENT

CM-001  INTRODUCTION TO CONSTRUCTION MANAGEMENT  2 Units

This course provides an overview of the construction industry and its markets. The impact, practices, methods and ethics in the construction industry are reviewed.

Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Prequisite: MATH-057
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CM-002  INTRO TO URBAN PLANNING  3 Units

This course provides a critical analysis of the theory and practice of land use planning with an emphasis on the urban context. Also, the historical and legal basis for land use planning, traditional and alternative roles of planning in contemporary society are studied along with the planning process, planning tools and practices.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CM-003  SITE & TERRAIN ANALYSIS  3 Units

This course is an introduction to various methods and techniques used to inventory and analyze landscape features. Students also study mapping, overlay techniques, environmental ethics, case study review and an overall assessment of the function and structure of the natural landscape.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

CM-004  CONSTRUCTION LAW SURVEY  3 Units

This course is a summary of the legal implications of contractor license laws; mechanics lien laws, CAL-OSHA, and Construction Contracts. Laws of liability, worker’s compensation, state and federal laws affecting construction and compliance problems are covered.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
CM-005 CONSTRUCTION PLANNING 3 Units
This course covers the concepts used in planning, scheduling and control of construction projects. Use of graphic charts and the Critical Path Method (CPM) are featured. Also covered are program evaluation and review techniques (PERT), time assignment and computation, diagramming practices, monitoring and updating, and computer utilization.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CS : COMPUTER SCIENCE

CS-072D INTRODUCTION TO NETWORKING 3 Units
This course introduces the basic concepts of computer networks. Subjects discussed include defining, establishing and maintaining peer-to-peer and client server networks. Students learn about cabling and physical configuration options, the requirements for installing and setting up network interface cards, and the concepts of creating and managing peer-to-peer and client server networks. Students study the current operating systems. Students also learn the techniques of troubleshooting common network problems.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: CIS-070B Advisory: CS-086
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CS-073 INTRODUCTION TO COMPUTER SCIENCE 3 Units
This is an introductory course in computer concepts and terminology. Topics covered include: historical development of computers; hardware and software definitions and terminology; categories of system software and application software, including word processing, electronic spreadsheets, and database management; machine language, assembler language, and high-level programming languages; the systems development process; careers in data processing; and legal, moral, and ethical issues associated with computers.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENGL-050 CAN: CSCI 2
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CS-086 VISUAL BASIC PROGRAMMING I 3 Units
This is an introductory course in computer programming concepts. Students design, write and debug programs using the principles of structured programming. Topics covered include: programming language structure and syntax; algorithm development, logic and design considerations and program development tools; error handling and debugging; functions, subprograms and parameter passing; conditional and relational operators, selection and looping structures; array processing; sequential and random file access; and an introduction to object oriented programming.

Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CS-086A VISUAL BASIC PROGRAMMING II 3 Units
This is an advanced course in Visual Basic programming. Students design, write, and debug Visual Basic programs using structured programming concepts. Topics covered include: graphics and animation; interfacing with windows; keyboard and screen control; recursion; object linking and embedding (OLE), dynamic data exchanges (DDE), and dynamic linked libraries (DLL); linking to C language programs; and incorporating sound and multimedia.

Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: CS-086
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CS-087 ASSEMBLER LANGUAGE PROGRAMMING 4 Units
This is an introductory course in assembler language programming. Students design, write, and debug assembler language programs using structured programming concepts. Topics covered include: decimal, binary, and hexadecimal numbering systems; personal computer architecture; memory, addresses and registers; assembler directives; subroutines and the stack; interrupts; string functions; command line parameters; external subroutines, segments, groups and macros.

Lecture Hours: 54 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: CIS-073 and CS-086
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

CS-088 JAVA PROGRAMMING 3 Units
This course focuses on application development using Java. Proper syntax and operating procedures are covered, along with design and programming techniques for object-oriented programs in Java. Additional topics include Applet Programming in Java, exception handling, graphics, font, colors, multithreading, streams, and native methods and libraries.

Lecture Hours: 36 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: CS-086
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

DDP: DIGITAL DESIGN & PRODUCTION

DDP-001 COMPUTER GRAPHICS I  3 Units
This course provides an introduction to the process of creating, capturing, and modifying graphical images using the software most commonly found in the graphical design industry today: Adobe Photoshop, Adobe Illustrator, and Macromedia FreeHand. Photoshop is used for the capture and manipulation of images either scanned or digitally photographed; Illustrator and FreeHand are used for the original creation of both type and artwork, with emphasis on layout, color and content. (Also listed as, and equivalent to, CIS-082D.)
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DDP-002 COMPUTER GRAPHICS II  3 Units
This course provides advanced applications in computer graphics techniques, using the software most commonly found in the graphic design industry today; Adobe Photoshop, Adobe Illustrator, and Quark XPress. Emphasis is placed on the computer as a design tool to assemble type and manipulated images for the printed page and Web publication. (Also listed as, and equivalent to, CIS-083D.)
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DDP-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DDP-010 GRAPHIC DESIGN I  3 Units
Students in this course utilize computers to solve visual communication and design problems using graphic components. Topics covered include typography, logos/marks/symbols/pictographs, corporate identity, graphic techniques (both digital and traditional), introduction to advertising design, digital prepress and press. Adobe Photoshop and Adobe Illustrator software are used to create final images. (Also listed as, and equivalent to, ART-040.)
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ART-003A or concurrent enrollment
Advisory: DDP-001 strongly recommended
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DDP-011 GRAPHIC DESIGN II  3 Units
Students in this course utilize computers to solve communication and design problems for traditional and new media using graphic, audio, and animation components. Topics covered include traditional and digital typography, animation, motion graphics, sound, new media as communication, non-linear interactive design, and electronic page design. (Also listed as, and equivalent to, ART-041.)
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DDP-010
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DDP-020 NEW MEDIA I  3 Units
Students use a computer to create multimedia presentations that synthesize photography, graphics, video, sound, and animation as well as making traditional and web-based interactive presentations.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DDP-001
Advisory: ART-040
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DDP-021 NEW MEDIA II  3 Units
Students use a computer to create advanced multimedia presentations that synthesize photography, graphics, video, sound, and animation as well as making traditional and web-based interactive presentations.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DDP-020
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DDP-031 DIGITAL PHOTOGRAPHY  3 Units
This course provides an introduction to the tools, materials and techniques of digital photography. Students learn to capture images using a digital camera or camcorder. Topics include the use of digital interfaces, printers and file formats as well as the preparation of images for web use. A digital camera or digital video camcorder is required. (Also listed as, and equivalent to, ART 31.)
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
DDP-032  APPLIED DIGITAL PHOTOGRAPHY  3 Units
This course provides intermediate and advanced instruction in applied digital photography. Students expand their basic digital photography skills to produce digital photographs for the web, prints or slide presentations. Emphasis is placed on taking high quality digital photographs, utilizing advanced image editing software and producing images suitable for prints, publication or the web. A digital camera of at least 2 megapixels is required and Adobe Photoshop software is recommended. Students should have access to a computer capable of handling digital photo files, a photo quality printer and USB connections.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DDP-031 or ART-031
Corequisite: DDP-001 or prior completion
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DRA:  DRAFTING, GENERAL & COMPUTER

DRA-001  TECHNICAL DRAFTING I  3 Units
This course introduces students to general and architectural drafting skills. Students learn to differentiate among several drafting techniques. This course prepares students for higher level drafting courses and more complex drawing types.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050 and MATH-057
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DRA-008  AUTOCAD LEVEL I: BASIC DRAWING TECHNIQUES  2 Units
This course covers the basics of computer aided drafting and design including hardware, software, operating systems and development of skills for creating and plotting simple technical and architectural drawings using AutoCAD software.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: CIS-070A
Advisory: DRA-001
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DRA-009  AUTOCAD LEVEL II: ADVANCED DRAWING TECHNIQUES  2 Units
This course covers advanced drawing techniques. Students study productivity techniques, advanced dimensioning, hatching, multiple viewpoint plotting using AutoCAD software. Students develop skills in creating 3D drawing and surface remodeling.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: DRA-008
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

DSPS:  DISABLED STUDENTS PROGRAMS & SERVICES

DSPS-040  SURVEY OF RESOURCES FOR STUDENTS WITH DISABILITIES  2 Units
This course focuses on self-assessment of the student who is disabled. It also introduces the student to the information and skills necessary for success in college. Course topics include development of personal goals, as well as use of services provided by DSPS, other student support services and community resources. Students develop realistic educational plans consistent with their educational goals and learn what accommodations will be necessary to achieve these goals.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: Intended for students with disabilities
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

DSPS-040A  PERSONAL ASSESSMENT FOR STUDENTS WITH DISABILITIES  2 Units
This course teaches students how to explore the personal, educational, and vocational impact of their disability. Emphasis will be to research information regarding the medical/psycho-social aspects of disabilities, accommodations, and resources.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: Intended for students with disabilities
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
This course focuses on the fundamentals of employment and the process of developing goals for future employment of persons with disabilities.

Lecture Hours: 36  Lab Hours: 0  Repeatable: 2  Grading: L
Advisory: Intended for students with disabilities
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

This course provides specialized computer assisted instruction primarily for students with learning disabilities and/or acquired brain injuries. Students with other disabilities may also benefit from this course. Students are provided with strategies and opportunities to maximize their learning potential and increase academic competency.

Lecture Hours: 27  Lab Hours: 27  Repeatable: 0  Grading: L
Advisory: Intended for students with disabilities
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

This course provides specialized hardware and software to students in order to successfully access and utilize a keyboard, mouse and word processing programs.

ECE: EARLY CHILDHOOD EDUCATION

ECE-001 INTRODUCTION TO EARLY CHILDHOOD PROGRAMS 3 Units
This course provides an overview of the field of child development/early childhood education, including the historical and philosophical foundations and how those foundations influence current theory and practice. An exploration of the various types of programs for young children and the job potential for students are included. Students are required to visit and report on five different types of programs in the community.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 or concurrent enrollment
Advisory: ENG-051
CAN: None Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

ECE-010A CHILD GROWTH AND DEVELOPMENT 3 Units
This course studies the developing child with emphasis on the biosocial, cognitive, and psychosocial growth from conception through five years of age. It includes the major theories of development. Observations provide opportunity for integration of theory and practice for typically developing children as well as those with disabilities. It is the basic introductory course for all Early Childhood Education majors, and is required for teacher licensing in private centers, and teacher certification for publicly funded centers.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050 or concurrent enrollment
Advisory: ENG-051
CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

ECE-010B CHILD DEVELOPMENT: SCHOOL AGE & ADOLESCENCE (AGES 6-18) 3 Units
This course studies the developing child with emphasis on the biosocial, cognitive, and psychosocial growth from six years of age through adolescence. Identification of the key concepts, comparison of theoretical perspective, application of empirical generalizations, and analysis of major issues for this age group is of primary concern for this course.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ECE-010A
CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

ECE-012 CHILD, FAMILY & COMMUNITY 3 Units
This course studies the influence of contemporary family and cultural patterns on young children. Emphasis is placed on establishing effective school-parent relationships through conferences and parent meetings. Community resources and agencies that strengthen families are examined. This course is required by the California State Department of Social Services for teachers and directors of preschool programs.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ECE-010A or concurrent enrollment
Advisory: ENG-051
CAN: None Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

ECE-015 EARLY CHILDHOOD LABORATORY 2 Units
Under the supervision of the laboratory teacher or mentor teacher and with the assistance of the Child Development Specialists, students participate in all classroom activities. Students plan developmentally appropriate curriculum that integrates theoretical concepts with classroom practice. Particular attention is given to planning for individual children’s needs and interests and presenting concepts within the cultural context of the children in the environment. Students assess own professional competence and

This course provides an advanced level of administrative and managerial knowledge needed to operate a child care center as a successful business. Emphasis is on leadership, emerging issues in early childhood education, continuous improvement, systems thinking, creating learning communities, advocacy and professionalism.
This course studies creation and application of curriculum and developmentally appropriate activities for children ages six through adolescence. Primary considerations are given to assessment, planning, implementation and evaluation of programs. Standards for quality school-age experience are used to assess quality indicators in the areas of human relationships, indoor and outdoor environments, activities, health, nutrition, safety and administration.

COD GE: None  CSU GE: None  IGETC: None

ECE-045A  LICENSED FAMILY CHILD CARE
This course prepares students to integrate basic principles of child development in establishing a quality child care program within a family home environment. How to set up a record keeping system and files for each child is emphasized. Information about the use of the Family Day Care Rating Scale (RDCRS) as it applies to quality care is reviewed. Establishing good health, safety, nutrition and discipline policies and practices that support all children in a quality home environment are explored. Understanding the principles of developmentally appropriate curriculum in working with children of various ages is also included.

Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

ECE-046  EARLY CHILDHOOD OBSERVATION & ASSESSMENT
This course explores an array of child observation and study methods to understand and articulate developmental needs of each child upon which to base lesson development and child guidance. Applying developmental theory and brain research to design early childhood settings, understanding and guiding child behavior, communicating and interacting with young children through developmentally and culturally appropriate practices for young children are also studied.

ECON: ECONOMICS

ECON-001 PRINCIPLES OF MACROECONOMICS
This course is an introduction to economic theory and analysis with an emphasis on basic economic concepts, national income determination and fluctuations, unemployment, inflation, economic growth, the role of money and banking and monetary theory, and the economic role of government. Current economic issues are also discussed in the context of a global economy.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ECON 2
CAN: ECON 2
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2  CSU GE: D2  IGETC: 4B
ECON-002  PRINCIPLES OF MICROECONOMICS  3 Units
This course is an introduction to economic theory and analysis with an emphasis on the features of a market economy, role and behavior of consumers, businesses, owners of resources, government and the international sector. Efficiencies and deficiencies of a market system are explored and the role of government intervention is discussed.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050 and MATH-057
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2  CSU GE: D2  IGETC: 4B

ECON-011  INTERNATIONAL ECONOMIC RELATIONS  3 Units
The course is the study of international trade, investment, technology transfer, and the international flow of labor. Students become familiar with the principles of international economic relations and its complexities through class lectures, review of current literature, and class discussions.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
CAN: None  Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2, C5  CSU GE: D2  IGETC: 4B

ECON-012  UNDERSTANDING ECONOMIC PRINCIPLES & APPLICATIONS  3 Units
This course provides students with an introductory knowledge of fundamental economic principles and issues. It prepares students to make critical evaluation of economic issues and policies and make more informed decisions as voters. It teaches students how to apply economic principle and analysis to their own economic and financial decisions such as setting career and financial goals and managing their personal finances. It prepares students for taking principles of macro and micro economics. Students may choose the credit/no credit grading option.

CAN: None  
Transfer Status: CSU/UC  Degree Applicable: AA/AS  
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

**ENG-014 SHAKESPEARE 3 Units**
This course is a study of selected histories, comedies, and tragedies of William Shakespeare.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L

**Prerequisite:** ENG-001A
CAN: None  
Transfer Status: CSU/UC  Degree Applicable: AA/AS  
COD GE: C3  CSU GE: C2  IGETC: 3B

College of the Desert Catalog 2006-2007
ENG-015  THE SHORT STORY  3 Units
This course introduces the student to the techniques and
development of fiction by the discussion and criticism of
short stories from countries throughout the world.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A  Advisory: ENG-001B
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

ENG-016  LITERATURE OF THE DESERT  3 Units
This course surveys non-fiction, fiction, and poetry written
about the desert, inspired by the desert, and by authors
living in the desert, with emphasis on the desert literature
of the southwestern United States. The course includes an
introduction to the desert environment, and appeals to the
individual student’s relation to the desert. Field trips may be
required.

ENG-022  INTRODUCTION TO AFRICAN AMERICAN LITERATURE
This course provides an introduction to folk, traditional and
contemporary African American literature with critical
analysis of representative works in the essay, the short
story, the novel, poetry and drama. It includes a historical
overview from the seventeenth century through the present.
Through varied reading selections and learning about the
history and culture of African Americans in the United
States, the student better understand and appreciate the
richness and diversity of African American literature.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

ENG-023  INTRODUCTION TO AUTOBIOGRAPHY
This course introduces students to the different forms and
theories of autobiography and personal narrative. It also
provides the opportunity for them to begin to write
their own life stories. Students read and analyze different
eamples of the genre, such as memoirs, diaries, and
journals, as well as book-length autobiographies. The
course fulfills an English elective for the English
Composition major.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: None

ENG-024  NATIVE AMERICAN LITERATURE  3 Units
A survey of Native American literature, from oral tradition
through European contact, assimilation, and
contemporary narrative.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: None

Courses of Instruction

ENG-031   THE BIBLE AS LITERATURE: THE OLD TESTAMENT
This course provides a survey of the Old Testament of the Bible, from a literary and philosophical point of view, with attention also paid to the ancient Near-Eastern texts and to the Jewish Apocrypha. It introduces the great characters and events in the context of the developmental nature of this literature.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

ENG-032   THE BIBLE AS LITERATURE: THE NEW TESTAMENT
This course provides a survey of the New Testament of the Bible, from a literary and philosophical point of view, with attention also paid to the Dead Sea Scrolls material and 1st and 2nd century writings related to the New Testament. It introduces the great characters and events in the context of the developmental nature of this literature.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

ENG-035   MYTH AND LEGEND
This course provides an introduction to the mythological and legendary literature from various world cultures, with special reference to Judeo-Christian, Oriental, Native American, Northern European, and classical Greek and Roman mythologies.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

ENG-041   TECHNICAL AND PROFESSIONAL WRITING
This course teaches students to write effectively within the business environment. Specifically, they study common types of business or office written communication and techniques for producing standard professional final copy. Students also learn to write business letters, status reports, grant proposals, memos, researched formal reports and manuals.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-051
COD GE: C4  CSU GE: None  IGETC: None

ENG-050   BASIC WRITING SKILLS
This course provides extensive study of basic writing skills in preparation for higher level writing courses. Students write paragraphs and short essays and develop an awareness of correct grammar, usage, and mechanical skills. Students may choose the credit/no credit grading option. (Equivalent to ESL-050B.)
Lecture Hours: 54  Lab Hours: 36  Repeatable: No  Grading: O
Prerequisite: ENG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

ENG-051   INTRODUCTION TO EXPOSITORY WRITING
This course helps students improve their skills in expository writing, including a review of grammar and sentence skills to prepare them for college level courses. Students may choose the credit/no credit grading option. (Equivalent to ESL-051.)
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: O
Prerequisite: ENG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

ENG-055   FUNDAMENTS OF GRAMMAR
This course is designed to provide students with intensive study and application of the fundamentals of English grammar and structure in preparation for further collegiate level writing courses. Concurrent enrollment in or completion of ENG-050 is recommended. Students may choose the credit/no credit grading option.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: O
Prerequisite: ENG-050
Advisory: ENG-050
COD GE: None  CSU GE: None  IGETC: None

ENG-097A-D   WRITING CENTER
Writing Center Laboratory is an open entry/open exit environment designed to provide opportunities for students in all segments of the college community to develop their writing skills. Emphasis is placed on the one-to-one tutorial approach, computer-assisted instruction, word composing/processing and audio-visual. Students receive a credit/no credit grade mark.
Corequisite: Any ENG & RDG course except ENG-050 & RDG-050
COD GE: None  CSU GE: None  IGETC: None

ENG-098A-D   WRITING CENTER
Writing Center Laboratory is an open entry/open exit environment designed to provide opportunities for students in all segments of the college community to develop their writing skills. Emphasis is placed on the one-to-one tutorial approach, computer-assisted instruction, word composing/processing and audio-visual. Students receive a credit/no credit grade mark.

FIRE-003    FIRE PROTECTION EQUIPMENT AND SYSTEMS   3 Units
This course provides information relating to the features of design and operation of fire detection and alarm systems, heat and smoke control systems, special protection and sprinkler systems, water supply for fire protection, and portable fire extinguishing equipment; protection systems for special hazards; sprinkler systems and fire detection and alarm systems. This course is designated Fire 3 by the California State Board of Fire Services and the State Fire Marshal and is part of the designated core curriculum.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Advisory: ENG-050

FIRE-004    BUILDING CONSTRUCTION FOR FIRE PROTECTION   3 Units
This course provides the fundamentals of building design and construction with emphasis on fire protection features including: building equipment facilities, fire resistant materials and high rise.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Advisory: ENG-050
CAN: None
Transfer Status: CSU   Degree Applicable: AA/AS
COD GE: None   CSU GE: None   IGETC: None

FIRE-005    FIRE BEHAVIOR & COMBUSTION   3 Units
This course explores and analyzes the fundamentals and specific principles of fire behavior, combustible materials, extinguishing agents, hazardous and toxic material, forms of energy and fire prevention/suppression techniques. This course is designated Fire 5 by the California State Board of Fire Services and the State Fire Marshal and is part of the designated core curriculum.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Advisory: ENG-050
CAN: None

COD GE: None   CSU GE: None   IGETC: None

FIRE-006    HAZARDOUS MATERIALS/ICS   3 Units
This course introduces the student to the world of hazardous chemicals, including their physical properties, uses in industry, and characteristics when involved in spills, fires and accidents. Basic information is covered regarding emergency procedures, legal requirements, compliance to regulations, health effects and treatment, and fire department protocols and responsibilities. This course is designated F6 by the State Board of Fire Services and California State Fire Marshal.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Advisory: ENG-050
CAN: None
Transfer Status: CSU   Degree Applicable: AA/AS

College of the Desert Catalog 2006-2007
FIRE-010  WILDLAND FIRE TECHNOLOGY  3 Units
This course meets the minimum requirements for employment as a wildland fire fighter with State and Federal fire suppression agencies. Basic interagency courses, (I-110, 130, 190, S-212) are included. This course includes the care, maintenance and general use of power and hand crosscut saws and other fire fighting hand tools for fire line construction. This course stresses field performance and teamwork, along with fireline techniques, procedures, and safety. Wildland fire behavior safety is presented throughout the course. (Also listed as, and equivalent to, NR-010.)
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: RDG-050
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-070  CONFINED SPACE-AWARENESS  ½ Unit
This course provides instruction in identifying permit and non-permit required confined spaces, hazards associated with confined spaces, state regulations, communications, and equipment requirements. This course does not qualify participants to enter confined spaces. This course is approved by the California State Fire Marshal and California Fire Service Training and Education System (CFSTES).
Lecture Hours: 9  Lab Hours: 0  Repeatable: No  Grading: L
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-071  CONFINED SPACE-OPERATIONAL  1½ Units
This course presents a review of confined space rescue definitions and operating restrictions and principles, then moves the student through a series of drills and scenarios for practical application of the skills and techniques presented. This course is approved by the California State Fire Marshal and California Fire Service Training and Education System (CFSTES). A minimum of 40 hours is required.
Lecture Hours: 18  Lab Hours: 27  Repeatable: No  Grading: L
Prerequisite: FIRE-070
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-072  TRENCH RESCUE  ½ Unit
This course is designed to train fire service personnel in hands-on application of the techniques necessary to safely complete a rescue from an excavation or trenching cave-in. Topics include critical considerations while responding to trenching emergencies, evaluation of cave-in scenes, basic life support procedures and temporary protection for victims, specialized tool usage, shoring techniques, and below grade rescue safety. This course is approved by the California State Fire Marshal and California Fire Service Training and Education System (CFSTES).
Lecture Hours: 4  Lab Hours: 16  Repeatable: No  Grading: L
Advisory: Regular or volunteer fire fighter
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-073  AUTOMOBILE EXTRICATION  ½ Unit
This course focuses on rescue fire operations techniques requiring vehicle extrication equipment. This course includes team organization; rescue and safety considerations; use of hand tools; use of hydraulic tools; use of pneumatic tools; use of wood cribbing and air bags; vehicle and victim stabilization techniques; and scene management. This course is approved by the California State Fire Marshal and California Fire Service Training and Education System (CFSTES).
Lecture Hours: 4  Lab Hours: 16  Repeatable: No  Grading: L
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-090A  FIRE PREVENTION 1A  2 Units
This course provides a broad, technical overview of fire prevention codes, ordinances, key hazards, and fire prevention practices. This is a California State Fire Marshal and California Fire Service Training and Education System (CFSTES) approved course.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-090B  FIRE PREVENTION 1B  2 Units
This course focuses on the codes, ordinances and statutes that pertain to fire prevention practices in California. This is a California State Fire Marshal and California Fire Service Training and Education System (CFSTES) approved course.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: FIRE-090A
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

FIRE-091A  FIRE COMMAND 1A  2 Units
This course is designed for fire fighters and those seeking a career in the fire service. This course provides information and experience in command and control techniques used at the scene of an emergency. It emphasizes decision-making, the act of commanding, authority, personnel, organization structure, preplanning
Courses of Instruction

and training techniques. This is a California State Fire Marshal and California Fire Service Training and Education System (CFSTES) approved course.
Lecture Hours: 36 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None
FIRE-091B FIRE COMMAND 1B 2 Units
This course provides instruction in the art of command as related to tactical fire problems. Topics include pre-planning and attack utilizing simulator, chemical and pesticide emergencies, shipping papers, and environmental considerations. This is a California State Fire Marshal and California Fire Service Training and Education System (CFSTES) approved course.
Lecture Hours: 36 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: FIRE-091A
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None
FIRE-092 FIRE MANAGEMENT 2 Units
(Supervision)
This course prepares first line fire supervisors with the concepts, processes and techniques of organizational management. It is designed to prepare or enhance first line supervisors’ abilities to supervise subordinates. It introduces key management concepts and practices utilized in the California fire services. Discussions about decision making, time management, leadership styles, personnel evaluations and counseling guidelines are included. This is a California State Fire Marshal and Fire Service Training and Education System approved course.

FL: FOREIGN LANGUAGE
FL-097A-D FOREIGN LANGUAGE LAB ½ Unit
Lecture Hours: 0 Lab Hours: 27 Repeatable: No Grading: K
FL-098A-D FOREIGN LANGUAGE LAB 1 Unit
Lecture Hours: 0 Lab Hours: 54 Repeatable: No Grading: K
Foreign Language Lab is an open entry/open exit environment designed to provide opportunities for students in all segments of the college community to develop their foreign language communicative skills in understanding, speaking, reading, and writing. Emphasis is placed on the one-to-one tutorial as well as the computer-assisted, audiotape and videotape monitoring approaches. Cultural materials are also provided in multimedia formats. This course is to supplement the course laboratory requirements of a foreign language course. Students receive a credit/no credit grade mark.
Corequisite: Any Foreign Language course

Chapter 9 - Courses of Instruction

**FR-002 ELEMENTARY FRENCH 5 Units**
This course continues the development of the skills and essentials of the French language begun in FR 1 or FR 1B. Fluency in understanding, speaking, reading, and writing within the context of the French society, history, and culture is emphasized. Completion of FR 2A and FR 2B is equivalent to FR 2.

Lecture Hours: 90  Lab Hours: 18  Repeatable: No  Grading: L

Prerequisite: FR-001 or FR-001B or 2 years high school French

CAN: FREN 4; FREN SEQ A = FR 1+2 or FR 1A+1B+2A+2B or FR 1A+1B+2B or FR 1A+1B+2

Transfer Status: CSU/UC*  Degree Applicable: AA/AS

COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

**FR-002A ELEMENTARY FRENCH 3 Units**
This course continues the development of the skills and essentials of the French language begun in FR 1 or FR 1B. Fluency in understanding, speaking, reading, and writing within the context of the French society, history, and culture is emphasized. Completion of FR 2A and FR 2B is equivalent to FR 2.

Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L

Prerequisite: FR-001 or FR-001B or 2 years high school French

CAN: FREN 4; FREN SEQ A = FR 1+2 or FR 1A+1B+2A+2B or FR 1A+1B+2B or FR 1A+1B+2

Transfer Status: CSU/UC*  Degree Applicable: AA/AS

COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

**FR-002B ELEMENTARY FRENCH 3 Units**
This course continues the development of the skills and essentials of the French language begun in FR 2A. Fluency in understanding, speaking, reading, and writing within the context of the French society, history, and culture is emphasized. Completion of FR 2A and FR 2B is equivalent to FR 2.

Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L

Prerequisite: FR-002A

CAN: FREN 4; FREN SEQ A = FR 1+2 or FR 1A+1B+2A+2B or FR 1A+1B+2B or FR 1A+1B+2

Transfer Status: CSU/UC*  Degree Applicable: AA/AS

COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

**FR-003 INTERMEDIATE FRENCH 4 Units**
This course strengthens the students’ communication skills in the spoken and written language. Emphasis is on the customs and culture of France and the francophone world. French literature is introduced.

Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L

Prerequisite: FR-002 or FR-002B

CAN: FREN 8; FREN SEQ B = FR 3+4

Transfer Status: CSU/UC  Degree Applicable: AA/AS

COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

**FR-004 INTERMEDIATE FRENCH 4 Units**
This course expands the students’ ability to communicate in French. Emphasis is on the discussion of socio-cultural selections and literature of the French-speaking world.

Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L

Prerequisite: FR-003

CAN: FREN 10; FREN SEQ B = FR 3+4

Transfer Status: CSU/UC  Degree Applicable: AA/AS

COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

**G: GEOLOGY**

**G-001 PHYSICAL GEOLOGY 4 Units**
This course includes the study of the origin and composition of rocks and minerals; landscape development by water, ice, and wind; earthquakes; the Earth’s interior; the nature of mountains and their development; the movement of continental and oceanic plates, and environmental aspects of geology. The laboratory portion includes 3 hours of local field trips and constitutes a practical application of aspects of the above subject areas.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L

Prerequisite: ENG-050 and MATH-057

Advisory: ENG-051 and MATH-050

CAN: GEOL 2

Transfer Status: CSU/UC*  Degree Applicable: AA/AS

COD GE: C1  CSU GE: B1.B3  IGETC: 5A

**G-005 ENVIRONMENTAL GEOLOGY 4 Units**
This course surveys geologic hazards such as flooding, landslides, earthquakes, and volcanic eruptions that affect humanity and studies means by which they may be mitigated. Geologic resources such as groundwater, surface water, and soil are studied to assess supply, conservation practices, and contamination mitigation. Mineral, fossil fuel, and alternate energy resources are examined for potential and for environmental assessment of production and consumption. Land-use planning and environmental impact analysis integrate the foregoing.

The laboratory portion applies, on a practical basis, aspects of the above in the classroom and in approximately 16 hours in the field.

Note: This course is suggested for students in any major which deals with human interactions with the physical environment, such as architecture, engineering, environmental studies, city planning, natural resources, geography, and atmospheric science.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L

Prerequisite: ENG-050 and MATH-057

Advisory: ENG-051 and MATH-050

CAN: None

Transfer Status: CSU/UC  Degree Applicable: AA/AS

COD GE: C1  CSU GE: B1.B3  IGETC: 5A
Courses of Instruction

G-006  GEOLOGY OF CALIFORNIA  3 Units
This course presents the physical and historical geology of the natural provinces of California. The mineral deposits, stratigraphic and rock units, tectonic structures, fossils, geomorphology, and environmental issues within each province are examined. One or more field trips are conducted.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-051 and MATH-057
Advisory: ENG-051 and MATH-057
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: None  IGETC: 5A

G-007  INTRODUCTION TO GEOLOGY  4 Units
This course is a general survey of the fields of physical and historical geology. It is designed to give a broad general understanding and appreciation of the composition, structure, geologic processes, origin, and development of the Earth and its inhabitants. The laboratory portion provides hands-on experience with minerals, rocks, fossils, topographic maps, geologic maps, and structure sections. One required all-day field trip provides an opportunity to directly experience local physical and historical geology.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: ENG-051 and MATH-057
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1  IGETC: 5A*

G-008  GEOLOGY OF NATIONAL PARKS AND MONUMENTS  3 Units
This course provides a survey of the physical and historical geology of National Parks and Monuments, particularly those in the western states, to illustrate the geologic evolution of the regions in which these parks occur. Surface shaping processes such as volcanism, plutonism, deformation, sedimentation, glaciation, and fluvial activity are studied, using slides and other visual materials. Optional field trip(s) may be conducted.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-051 and MATH-057
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1  IGETC: None

G-010  THE EARTH SCIENCES  4 Units
This course is a general survey of the Earth Sciences of Geology, Oceanography, Meteorology, Climatology, and Astronomy. It is designed to provide a broad general understanding and appreciation of these sciences and to bring into perspective the uniqueness of our planet, the interrelationships of its systems, and the influences of humanity upon these systems. The laboratory portion studies aspects of each area on a practical, applied basis. Field trips emphasize study of local geology.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050 and MATH-057
Advisory: ENG-051 and MATH-050
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1,B3  IGETC: 5A

GEOG: GEOGRAPHY

GEOG-001  PHYSICAL GEOGRAPHY  3 Units
This course examines the major features of the natural environment including land, water, air and life forms. The relationship between humans and their natural environment is emphasized, and map-reading skills are developed.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: GEOG 2
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1  IGETC: 5A

GEOG-001L  PHYSICAL GEOGRAPHY LABORATORY  1 Unit
This course introduces the student to the methods and techniques used in the geographic study of the natural environment focusing on the earth’s atmosphere, continents, oceans and life forms. Students observe, record, and analyze this information both in class and on field trips in the local environment.
Lecture Hours: 0  Lab Hours: 54  Repeatable: No  Grading: L
Corequisite: GEOG-001 or prior completion
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B3  IGETC: 5A

GEOG-002  CULTURAL GEOGRAPHY  3 Units
This course focuses on the distribution of and interrelationships between features of humankind’s modern cultural environment. Among the topics discussed are world population, forms of livelihood, territoriality, urbanization, and material culture. Emphasis is also placed on the development of map-reading skills.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: GEOG 4
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2,C5  CSU GE: D5  IGETC: 4E
## GEOG-007 REGIONAL GEOGRAPHY 3 Units
This course describes and explains the major cultural characteristics of the earth’s diverse geographic regions. Emphasis is placed on the development of regional patterns through time and the processes responsible for the existing patterns. The development of map-reading skills is an essential aspect of this investigation.

- **Lecture Hours:** 54
- **Lab Hours:** 0
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** ENG-050
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GEOG-010 GEOGRAPHY OF CALIFORNIA 3 Units
This is a study of the natural and cultural environments of California including its climate, topography, biogeography, economy, urbanization and population diversity. Emphasis is placed on people and the environment, map interpretation and their changes over time. Both topical and regional formats are introduced.

- **Lecture Hours:** 54
- **Lab Hours:** 0
- **Repeatable:** No
- **Grading:** L
- **Advisory:** ENG-050
- **Prerequisite:** None
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GER-001 GERMAN 5 Units
This course presents the fundamentals of German. Fluency in understanding, speaking, reading and writing within the context of the German society, history, and culture is emphasized. Completion of GER 1A and GER 1B is equivalent to GER 1.

- **Lecture Hours:** 90
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** GER-001A
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GER-001A ELEMENTARY GERMAN 3 Units
This course presents the fundamentals of German. Fluency in understanding, speaking, reading and writing within the context of the German society, history, and culture is emphasized. Completion of GER 1A and GER 1B is equivalent to GER 1.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** GER-001A
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GER-001B ELEMENTARY GERMAN 3 Units
This course continues the development of the skills and essentials of the German language begun in GER 1A. Fluency in understanding, speaking, reading, and writing within the context of the German society, history, and culture is emphasized. Completion of GER 1A and GER 1B is equivalent to GER 1.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** GER-001A
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GER-002 ELEMENTARY GERMAN 5 Units
This course continues the development of the skills and essentials of the German language begun in GER 1 or GER 1B. Fluency in understanding, speaking, reading, and writing within the context of the German society, history, and culture is emphasized. Completion of GER 2A and GER 2B is equivalent to GER 2.

- **Lecture Hours:** 90
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** GER-001 or GER-001B or 2 years high school German
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GER-002A ELEMENTARY GERMAN 3 Units
This course continues the development of the skills and essentials of the German language begun in GER 1 or GER 1B. Fluency in understanding, speaking, reading, and writing within the context of the German society, history, and culture is emphasized. Completion of GER 2A and GER 2B is equivalent to GER 2.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** GER-002A
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

### GER-002B ELEMENTARY GERMAN 3 Units
This course continues the development of the skills and essentials of the German language begun in GER 2A. Fluency in understanding, speaking, reading, and writing within the context of the German society, history, and culture is emphasized. Completion of GER 2A and GER 2B is equivalent to GER 2.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** GER-002A
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS

**HS-064 NURSE ASSISTANT 6 Units**

This course includes basic nursing principles used in the care of clients in long-term care facilities. The content addresses the basic needs of clients; concepts of ethics and confidentiality; techniques of communication; reporting and recording of observations and basic assessments; performance of special treatments, procedures, and skills required for client care. Successful completion of the course results in eligibility to take the state-approved test that leads to certification as a nursing assistant.

Lecture Hours: 72  Lab Hours: 108  Repeatable: No  Grading: L
Prerequisite: ENG-050
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**HS-066 HOME HEALTH AIDE 2 Units**

This course expands on the content taught in the nursing assistant course to provide preparation for care of residents in home care settings. Content emphasizes personal care, basic communications, safety, meal planning, and maintaining a healthful environment.

Lecture Hours: 27  Lab Hours: 27  Repeatable: No  Grading: L
Prerequisite: HS-064 or CNA
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

**HS-067 INTRODUCTION TO MED/DOSAGE CALCULATIONS 1 Unit**

This course provides a basic foundation for the study of pharmacology and covers the general principles of drug administration with a review of arithmetic and the calculation of math dosages. It utilizes a nursing process approach which focuses on the understanding of pharmacological principles, medication administration, and the evaluation of a client’s responses in the health care setting. This course is designed for the beginning vocational nursing student and other allied health care disciplines.

Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050 and MATH-057
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**HS-070 INTRO TO HEALTH SCIENCES 1 Unit**

This course is strongly recommended for all students entering the VN or ADN programs offered at College of the Desert. It is designed to provide students interested in Health Sciences programs with detailed information about program requirements and career objectives.

Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050 and RDG-050
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

**HS-081 BASIC ARRHYTHMIAS 2 Units**

This course is designed for persons working with patients who require cardiac monitoring. It provides a review of anatomy and physiology of the heart. The normal and abnormal rhythms of the heart are studied with an emphasis on treatment for abnormal rhythms. This course is applicable for LVN, RN, and CNA Continuing Education Units (CEUs).

Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

**HS-098 NURSING SKILLS LAB ½ Unit**

Lecture Hours: 0  Lab Hours: 27  Repeatable: 3  Grading: K

**HS-099 NURSING SKILLS LAB 1 Unit**

Lecture Hours: 0  Lab Hours: 54  Repeatable: 3  Grading: K

**HSAD: HUMAN SERVICES/ALCOHOL & DRUG STUDIES**

**HSAD-001 INTRODUCTION TO ALCOHOL/DRUG STUDIES 3 Units**

This is a survey course that examines, interprets and evaluates the significant terms and definitions used in the study of drugs, addiction and alcoholism as a family affair. It looks at the causes and consequences of alcohol/drug use and abuse (i.e. psychological, sociological, physiological, economic, and political), as well as the myths, images and stereotypes of substance abuse and substance users. It examines the modalities utilized in education, prevention, intervention, treatment, recovery, and relapse. This is the basic prerequisite for the Alcohol/Drug Studies Certificate.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
HSAD-002  INTRODUCTION TO HUMAN SERVICES COUNSELING  3 Units

This is an intensive, exploratory, communication/counseling course that introduces the student to the principles, strategies and practices of helping skills as useful tools. Through the use of problem solving simulation, the student learns how to support coping skills in a client. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050

HSAD-004  PERSONAL AND PROFESSIONAL GROWTH  2 Units

This course covers the professional aspects of alcohol and drug counseling as a career. It deals with such problematic areas as burnout, recovery, certification and credential requirements, professional associations and personal and professional growth. It introduces problems and possible solutions that will be thematic in many courses in this program. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
Corequisite: HSAD-001 or prior completion

HSAD-020  BIOMEDICAL-PHARMACOLOGY  3 Units

This course investigates the effects of alcohol and drugs on human behavior. Models and biomedical principles of the disease process and treatment are presented. Interpretations and evaluations of the strategies utilized in recovery by various treatment modalities are studied. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
Corequisite: HSAD-001 or prior completion

HSAD-022  CASE MANAGEMENT  3 Units

This course presents case management from the initial intake and assessment of an individual, to recovery planning, record keeping, aftercare, follow-up and referral. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: HSAD-002

HSAD-024  LAW/ETHICS: COMMUNITY RESPONSES  3 Units

This course is the study, interpretation, and practice of legal and ethical responsibilities and liabilities encountered when providing and utilizing human services. Special focus is placed on privileged relationships, counseling, and confidentiality. It also deals with community agencies responsible for outreach, education, and referrals. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
Corequisite: HSAD-001 or prior completion

HSAD-030  INDIVIDUAL, GROUP, AND FAMILY COUNSELING  3 Units

This is a survey course that addresses the differences and similarities of individual and group counseling with special emphasis on the functional alcohol/drug family situations. It traces the development of individual and group counseling and explores its dynamics. It interprets and assesses the impact on individuals and on their relationships. In addition, it interprets and assesses the impact on society and on its institutions. Practical strategies and experiential exercises are utilized. Skills development in counseling the family unit is addressed. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
Corequisite: HSAD-001 or prior completion

HSAD-032A  SUPERVISED PRACTICUM I  2 Units

This course gives direction, interpretation, guidance, and evaluation to assist the student in making the transition from the college to job placement via the Supervised Internship I (HSAD-033A). Values, knowledge, and skills applied in the practical setting are essential to professional dependency counseling. Special attention is given to individual, group, and family approaches to counseling. This is a required course for the Alcohol/Drug Studies Certificate.

Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: Eight (8) HSAD core courses
Corequisite: HSAD-033A

Chapter 9 - Courses of Instruction
HSAD-032B SUPERVISED PRACTICUM II 2 Units
This course concludes the work begun in Supervised Practicum I (HSAD-032A). This is a required course for the Alcohol and Drug Studies Certificate.
Lecture Hours: 36 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: HSAD-032A
Corequisite: HSAD-033B
Can: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

HSAD 33A SUPERVISED INTERNSHIP I 3 Units
This course is a supervised fieldwork internship that actively involves students at a supervised chemical dependency service site. Students apply and integrate the values, knowledge, and skills learned in the classroom through direct, hands-on experience in the area of chemical dependency counseling. Special attention is given to individual, group, and family counseling. This is a required course for the Alcohol and Drugs Studies Certificate.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: Eight (8) HSAD core courses
Corequisite: HSAD-033A
Can: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

HSAD-033B SUPERVISED INTERNSHIP II 3 Units
This course concludes the fieldwork begun in Supervised Internship I (HSAD-033A). This is a required course for the Alcohol/Drug Studies Certificate.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: HSAD-033A
Corequisite: HSAD-032B
Can: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

HSAD-034 DUAL DIAGNOSIS 3 Units
This course prepares the student to meet the challenge to mental health workers and substance abuse counselors in dealing with clients who have psychiatric disorders coexisting with drug dependency. The focus is on the diagnosis, assessment, treatment and aftercare of such clients. This is a required course for the Alcohol/Drug Studies Certificate.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
Corequisite: HSAD-001 or prior completion
Can: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

HSAD-036 COUNSELING DIVERSE POPULATIONS 3 Units
This is a counseling course that introduces the student to population subgroups and unique helping skills used to support diverse populations. The course surveys the history of underrepresentation of each subgroup and describe current challenges for counselors.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Advisory: ENG-050
Can: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

HUM-008 AMERICAN MUSIC 3 Units
This course is a general survey of music in the United States, beginning with Native American songs and chants and continuing to the present through musical traditions and styles introduced by America’s multi-cultural populations. The American public’s infatuation with “star” performers and its effect on musical economics are also explored. (Also listed as, and equivalent to, MUS-008.)
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Advisory: ENG-050
Can: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C3 CSU GE: C1 IGETC: 3A

HUM-018 INTRODUCTION TO ART AND MUSIC 3 Units
Students examine parallels in ideas and organizational methods found in art and music of the Western World. A comparison is made of major developments of styles with an emphasis on the roles of the visual and aural arts in society from the Middle Ages to the present. (Also listed as, and equivalent to, ART-018 and MUS-018.)
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
Can: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C3 CSU GE: C1 IGETC: 3A
**ITAL: ITALIAN**

**ITAL-001 ELEMENTARY ITALIAN 5 Units**
This course presents the fundamentals of Italian. Fluency in understanding, speaking, reading, and writing within the context of the Italian society, history, and culture is emphasized. Completion of ITAL 1A and ITAL 1B is equivalent to ITAL 1.

Lecture Hours: 90  Lab Hours: 18  Repeatable: No  Grading: L  
CAN: ITAL SEQ A = ITAL 1 or 1A+1B + 2 or 2A+2B  
Transfer Status: CSU/UC  
COD GE: C3  CSU GE: C2  Degree Applicable: AA/AS

Transfer Status: CSU/UC  
COD GE: C3  CSU GE: C2  Degree Applicable: AA/AS  
IGETC: 3B*, 6A*

**ITAL-003 INTERMEDIATE ITALIAN 4 Units**
This course strengthens the students' communication skills in the spoken and written Italian language and builds upon the topics of vocabulary, grammar, structure, and Italian culture introduced in previous levels 1 and 2. Emphasis is on the customs and culture of Italy. Italian literature is introduced.

Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L  
Prerequisite: ITAL-002 or ITAL-002B  
CAN: None  
Transfer Status: CSU/UC  
COD GE: C3  CSU GE: C2  Degree Applicable: AA/AS  
IGETC: 3B*, 6A*

**ITAL-004 INTERMEDIATE ITALIAN 4 Units**
This course is the continuation of ITAL 3. It expands the students’ ability to communicate in Italian. Emphasis is on discussion of socio-cultural selections and literature of the Italian-speaking world.

Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L  
Prerequisite: ITAL-003  
CAN: None  
Transfer Status: CSU/UC  
COD GE: C3  CSU GE: C2  Degree Applicable: AA/AS  
IGETC: 3B*, 6A*
J-003A NEWS REPORTING & WRITING  3 Units
This is a beginning course in news writing that provides instruction and practice in the fundamentals of news reporting. The course focuses on the writing of news with an introduction into feature writing. Included in the course are such topics as interviewing, story organization and structure, the style and language of journalism, and journalistic law and ethics.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Preerequisite: ENG-001A
CAN: JOUR 2
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

J-004A BASIC NEWSPAPER PRODUCTION  3 Units
This lecture and laboratory course provides initial practical experience in working on the staff of the college newspaper. Students concentrate on editorial production, advertising, and circulation activities but are expected to participate in all facets of the operation.

Lecture Hours: 18  Lab Hours: 108  Repeatable: No  Grading: L
Pre requisite: J-003A or concurrent enrollment
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

J-004B INTERMEDIATE NEWSPAPER PRODUCTION  3 Units
This lecture and laboratory course continues to provide practical experience in working on the staff of the college newspaper, building on experience initiated in the basic course. Students assume a leadership role, whether in editorial, production, or advertising activities, in producing the newspaper. Students become familiar with the use of desktop publishing programs.

Lecture Hours: 18  Lab Hours: 108  Repeatable: No  Grading: L
Pre requisite: J-004A
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

J-004C ADVANCED NEWSPAPER PRODUCTION  3 Units
This lecture and laboratory course continues to provide practical experience in working on the staff of the college newspaper, building on experience gained in J-004A and J-004B. Students serve as editor, production supervisor, advertising director, photo editor, and circulation director—whether solely or on an alternating basis—and otherwise help, direct, and guide new students in producing a newspaper.

Lecture Hours: 18  Lab Hours: 108  Repeatable: No  Grading: L
Pre requisite: J-004B
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

J-010 MAGAZINE WRITING AND PRODUCTION  3 Units
This course focuses on strategies and techniques of literary magazine production and produces the college literary magazine. Students select the materials, edit materials, plan the format, typeset, paste-up and prepare the magazine for publication. The course also focuses on the procedures involved in transforming a literary magazine to an online format.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Pre requisite: ENG-051
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

JPN: JAPANESE

JPN-001A ELEMENTARY JAPANESE  3 Units
This course introduces students to elementary communication skills of understanding, speaking, reading, and writing Japanese. Emphasis is on fundamentals of grammar and pronunciation, practical vocabulary and useful phrases and idioms. The honorific, polite, and humble forms of vocabulary and expressions are introduced and analyzed. This course also exposes students to social, cultural, political and historical aspects of Japan.

Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
CAN: JPN SEQ A = JPN 1A+1B+2A+2B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: None

JPN-001B ELEMENTARY JAPANESE  3 Units
This course introduces students to elementary communication skills of understanding, speaking, reading, and writing Japanese. Emphasis is on fundamentals of grammar and pronunciation, practical vocabulary and useful phrases and idioms. The honorific, polite, and humble forms of vocabulary and expressions are introduced and analyzed.

Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Pre requisite: JPN-001A
CAN: JPN SEQ A = JPN 1A+1B+2A+2B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 6A

JPN-002A ELEMENTARY JAPANESE  3 Units
This course continues the development of the skills and essentials of the Japanese language begun in JPN 1B. Fluency in understanding, speaking, reading, and writing within the context of the Japanese society, history, and culture is emphasized.

Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Pre requisite: JPN-001B or 2 years high school Japanese
CAN: JPN SEQ A = JPN 1A+1B+2A+2B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*
Chapter 9 - Courses of Instruction

JPN-002B ELEMENTARY JAPANESE 3 Units
This course continues the development of the skills and essentials of the Japanese language begun in JPN 2A.
Fluency in understanding, speaking, reading, and writing within the context of the Japanese society, history, and culture is emphasized.
Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: JPN-002A
CAN: JAPN SEQ A = JPN 1A+1B+2A+2B
Transfer Status: Degree Applicable: AA/AS
COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*

MATH: MATHEMATICS

MATH-001A CALCULUS 5 Units
This course is a study of the meaning, computation and analysis of the derivative with an introduction to the integral. Topics include the definitions and analysis of the derivative, limits, methods for differentiating polynomial, rational, exponential, logarithmic and trigonometric functions, applications of the derivative, and an introduction to the integral.
Lecture Hours: 90  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-051 and MATH-012, or MATH-010 & MATH-005
CAN: MATH 18; SEQ B = MATH 1A+1B; SEQ C = MATH 1A+1B+2A
Transfer Status: Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: 2A

MATH-001B CALCULUS 5 Units
This course is a study of the meaning, methods and applications of integration and infinite series. Topics include the definition of the definite integral, the Fundamental Theorem of Calculus, techniques of integration, applications of integration, first order separable differential equations, modeling exponential growth and decay, infinite series and approximation of functions using Taylor series with remainder.
Lecture Hours: 90  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-001A
CAN: MATH 20; SEQ B = MATH 1A+1B; SEQ C = MATH 1A+1B+2A
Transfer Status: Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: 2A

MATH-002A MULTIVARIATE CALCULUS 5 Units
This course extends the concepts of differentiation and integration introduced in the first two semesters of calculus to functions of several variables. Topics include solid Euclidean geometry, vector algebra in 3 dimensions, line and surface integrals, multiple integration in rectangular, cylindrical and spherical coordinates, extreme values, parameterized space curves and surfaces, divergence, directional derivatives, gradients, Gauss', Green's and Stokes' theorems.
Lecture Hours: 90  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-001B
CAN: MATH 22; SEQ C = MATH 1A+1B+2A
Transfer Status: Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MATH-002B LINEAR ALGEBRA 4 Units
This course is a standard introductory course in linear algebra. Topics include vectors in \( \mathbb{R}^n \), matrices and systems of linear equations, determinants, vector spaces, linear independence, linear transformations, eigenvalues, eigenvectors, and diagonalization of certain quadratic forms.
Lecture Hours: 72  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-001B
CAN: None
Transfer Status: Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MATH-002C ORDINARY DIFFERENTIAL EQUATIONS 4 Units
This is a standard introductory course in solving differential equations and using differential equations to model dynamic phenomena. Topics include first, second and higher order differential equations; systems of first order equations, linear, homogeneous and nonhomogeneous differential equations; solutions by power series; numerical methods, LaPlace transforms; and applications.
Lecture Hours: 72  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-001B
CAN: MATH 24
Transfer Status: Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MATH-005 TRIGONOMETRY 5 Units
This course is the first of a two semester sequence preparing students for Calculus. In this course, students will study functions with an emphasis on the trigonometric functions along with topics in analytic geometry. Topics will include a review of plane and coordinate geometry, functions including function notation, transformations and inverses, definitions and graphs of the trigonometric functions, modeling periodic behavior, solving triangle problems with the Law of Sines and Cosines, the conic sections, parametric equations and vectors.
Lecture Hours: 90  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-030 and MATH-040  Advisory: ENG-051
CAN: MATH 8
Transfer Status: Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: None
MATH-010 COLLEGE ALGEBRA 4 Units
This is a function oriented course including the concept of a function and function notation. The course includes an in depth investigation of polynomial, rational, exponential, and logarithmic functions, including their equations, graphs, and behavior. Other topics include the binomial theorem, conic sections, and matrices as they apply to systems of linear equations.
Lecture Hours: 72  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-040
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: 2A*

MATH-012 PRE-CALCULUS 5 Units
This course is the second in a two semester sequence preparing students for Calculus. In this course, students will extend the concept of a function to polynomial, rational, exponential and logarithmic functions as well as studying analytic trigonometry. Topics include recognizing, graphing and solving equations and word problems involving polynomial, rational, exponential and logarithmic functions, trigonometric identities, inverse trigonometric functions, and solving trigonometric equations.
Lecture Hours: 90  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: MATH-005  Advisory: ENG-051
CAN: MATH 16
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: 2A*

MATH-013 LIBERAL ARTS MATHEMATICS 4 Units
This course is designed for students whose major does not require calculus. This course emphasizes applications of Mathematics in the areas of management science, probability and inferential statistics, social choice and decision making, weighted voting systems analysis, game theory principles, growth trends, pattern analysis, and use of mathematical modeling in consumer finance.
Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: MATH-040 and ENG-051
CAN: MATH 2
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: 2A

MATH-014 STATISTICAL METHODS 4 Units
This course is an introduction to descriptive and inferential statistics; how to use measures of central tendency and dispersion among population samples to draw inferences about a population and to compare two or more populations. Discrete and continuous probability density distributions are analyzed including the binomial, normal, Student-t, chi-squared, and F-distributions. Confidence intervals for population means, proportions and variance are set. Additional topics include regression and correlation analysis and techniques of hypotheses testing, including ANOVA, and use of calculator and software applications.
Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: MATH-040  Advisory: ENG-051
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: B4  IGETC: 2A*

MATH-030 PLANE GEOMETRY 3 Units
This course includes fundamentals of plane geometry, including topics in solid and coordinate geometry, developed by both inductive and deductive processes.
Lecture Hours: 54  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: MATH-054
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MATH-040 INTERMEDIATE ALGEBRA 4 Units
This course focuses on solving problems using linear, quadratic and exponential models with an introduction to the concept of a function. Topics include solving and graphing linear, quadratic and exponential equations, systems of linear equations, rational exponents, root equations, quadratic inequalities, circles and applications.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: MATH-054
Advisory: ENG-051 and RDG-051
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: C4  CSU GE: None  IGETC: None

MATH-050 ELEMENTARY ALGEBRA 4 Units
This course is an introduction to the real number system and to the use of variable expressions and equations in problem solving. Topics include properties of the real numbers, arithmetic of variable expressions including polynomials and algebraic fractions, solving linear equations and inequalities in one variable, factoring, and an introduction to the Cartesian coordinate system and the equations and graphs of linear equations in two variables.
Lecture Hours: 72  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: MATH-057
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
MATH-054  BEGINNING ALGEBRA        4 Units
This course is an introduction to the real number system and to the use of variable expressions and equations in problem solving. Topics include properties of the real numbers, square roots, arithmetic of variable expressions including polynomials and algebraic fractions, solving linear equations and inequalities in one variable, factoring, and an introduction to the Cartesian coordinate system and the equations and graphs of linear equations in two variables. Also, the proper use of math notation is emphasized along with an introduction to Pythagorean Theorem and basic geometric formulas, some dimensional analysis with modeling applications is included.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: K
Prerequisite: MATH-057 or MATH-058
CAN: None
Transfer Status: None  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MATH-057  COLLEGE ARITHMETIC        3 Units
This course provides an understanding of and competency in the basic operations of elementary arithmetic. Topics include adding, subtracting, multiplying, and dividing whole numbers, decimals, and fractions. Other topics include: ratios and proportions, percent, arithmetic with signed numbers, the metric system including conversion of units, and elementary geometry concepts such as perimeter, area, and volume.
Lecture Hours: 54  Lab Hours: 27  Repeatable: No  Grading: L
Advisory: RDG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-058  FUNDAMENTALS OF ARITHMETIC  2 Units
This course provides an understanding of and competency in the basic operations of elementary arithmetic. Topics include adding, subtracting, multiplying, and dividing whole numbers, decimals, and fractions. Other topics include: ratios and proportions, percent, arithmetic with signed numbers, the metric system including conversion of units. Students receive a credit/no credit grade mark.
Lecture Hours: 54  Lab Hours: 72  Repeatable: No  Grading: K
Advisory: RDG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-060A  INTRODUCTION TO THE GRAPHING CALCULATOR  1 Unit
This course explores the link between the graphing calculator and mathematics. Students are guided through exploration of topics in Algebra using the graphing calculator. This course prepares students to competently employ the graphing calculator in future mathematics courses. Students may choose the credit/no credit grading option.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: K
Advisory: ENG-050 and MATH-050 or MATH-054
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-061  MATH ANXIETY REDUCTION  1 Unit
This is a comprehensive, multifaceted course to aid students in math-anxiety reduction and ease re-entry into a Math program. Topics include reduction of internal psychological stumbling blocks, confidence building, visualization, learning-style enhancement, and effective study and test-taking skills. Students receive a credit/no credit grade mark.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: K
Advisory: ENG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-064  CONVERSION, MEASUREMENT, & INTRODUCTION TO GEOMETRY  1 Unit
This course provides an understanding of and competency in the basic operations of elementary arithmetic. Topics include: ratios and proportions, the metric and American system of measurement, including the conversion of units, and elementary geometry concepts such as perimeter, area, and volume. Students receive a credit/no credit grade mark.
Lecture Hours: 18  Lab Hours: 9  Repeatable: No  Grading: K
Advisory: RDG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-065  DECIMALS AND PERCENTS  1 Unit
This course provides an understanding of and competency in the basic operations of elementary arithmetic. Topics include adding, subtracting, multiplying, and dividing decimals. Other topics include percents and their applications. Students receive a credit/no credit grade mark.
Lecture Hours: 18  Lab Hours: 9  Repeatable: No  Grading: K
Advisory: RDG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None
Courses of Instruction

MATH-066  INTEGERS AND FRACTIONS  1 Unit
This course provides an understanding of and competency in the basic operations of elementary arithmetic. Topics include adding, subtracting, multiplying, and dividing whole numbers, signed numbers, and fractions. Students receive a credit/no credit grade mark.
Lecture Hours: 18  Lab Hours: 9  Repeatable: No  Grading: K
Prerequisite: MATH-067  Advisory: RDG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-067  WHOLE NUMBERS  1 Unit
This course provides an understanding of and competency in the basic operations of elementary arithmetic. Topics include adding, subtracting, multiplying, and dividing whole numbers, with an emphasis placed on memorizing basic number facts. Students receive a credit/no credit grade mark.
Lecture Hours: 18  Lab Hours: 9  Repeatable: No  Grading: K
Advisory: RDG-050
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-071  MESA/CCCP ORIENTATION  1 Unit
This course assists students in acquiring the knowledge and skills necessary to reach their educational objectives in engineering, mathematics, and science-related fields. Topics include: career decisions and strategies, educational and personal enrichment, study skills and habits, time management, academic preparation, and success in college. Field trips may be required. Students receive a credit/no credit grade mark.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: K
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MATH-087  MATH/SCIENCE STUDY CENTER LAB  ½ Unit
Lecture Hours: 0  Lab Hours: 27  Repeatable: 1  Grading: K

MATH-088  MATH/SCIENCE STUDY CENTER LAB  1 Unit
Lecture Hours: 0  Lab Hours: 54  Repeatable: 1  Grading: K
The Study Center is an open entry/open exit environment which provides opportunities to develop mathematical and scientific skills, notation, and language. It is open to all students enrolled in a credit mathematics or science course. Emphasis is on guided/assisted independent study. Instructor assistance, computer aids and audio visual aids are available. Students receive a credit/no credit grade mark. May be taken for a total of four times.
Corequisite: Enrollment in a credit mathematics or science course
CAN: None
Transfer Status: None  Degree Applicable: NAA
COD GE: None  CSU GE: None  IGETC: None

MC: MASS COMMUNICATION

MC-001  MASS MEDIA IN AMERICAN CULTURE  3 Units
This course introduces students to the influences and contributions of the mass media in American popular culture. It traces the historical development of mass media from early technological advances that pioneered the way to today’s exciting new age information processing technologies. This course surveys the Information Age showing how it developed and where it is going.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2,C5  CSU GE: D7  IGETC: 4G

MC-005  INTRODUCTION TO PUBLIC RELATIONS  3 Units
This course offers students an overview of the public relations field with a practical approach to the handling and planning, of public relations campaigns. This course is offered on an irregular basis.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

College of the Desert Catalog 2006-2007
### Chapter 9 - Courses of Instruction

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Title</th>
<th>Units</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>MUS-001</td>
<td>MUSIC THEORY I</td>
<td>4</td>
<td>This course is a study of the basic materials of music and how those materials combine to create musical structures. Activities include analysis of representative compositions combined with creative work in counterpoint and harmony (triads and dominant 7th chords.) Lab activities include sight singing, ear training, dictation and the playing of scales and chord progressions at the keyboard. Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L  Prerequisite: MUS-012  Advisory: Concurrent enrollment in MUS-021A, or MUS-021B, or another music performance class  CAN: MUS 2  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: None  IGETC: None</td>
</tr>
<tr>
<td>MUS-002</td>
<td>MUSIC THEORY II</td>
<td>4</td>
<td>This course continues concepts introduced in Music Theory I; the study of basic materials of music and how those materials combine to create musical structures. Activities include analysis of representative compositions combined with creative work in counterpoint, orchestration and harmony (including modulation, secondary dominants, 9th, 11th, 13th chords and non-dominant harmony.) Lab activities include sight singing, ear training, dictation and the playing of scales and chord progressions at the keyboard. Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L  Prerequisite: MUS-001  Advisory: Concurrent enrollment in MUS-021A, or MUS-021B, or another music performance class  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: None  IGETC: None</td>
</tr>
<tr>
<td>MUS-003A</td>
<td>MUSIC HISTORY &amp; LITERATURE I</td>
<td>3</td>
<td>- ANCIENT THROUGH BAROQUE  This course explores the history of music in Western civilization from Antiquity through the Baroque Era. Stylistic analysis of musical literature is emphasized. Designed for music majors and others with a serious interest in the Arts and Humanities. Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-051  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: C1  IGETC: 3A</td>

<td>MUS-003B</td>
<td>MUSIC HISTORY &amp; LITERATURE II</td>
<td>3</td>
<td>- CLASSICAL THROUGH MODERN  This course explores the history of music in Western civilization from the beginning of the Classical Era through modern times. Stylistic analysis of musical literature is emphasized. Designed for music majors and others with a serious interest in the Arts and Humanities. Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-051  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: C1  IGETC: 3A</td>
</tr>
<tr>
<td>MUS-005</td>
<td>HISTORY OF ROCK 'N' ROLL</td>
<td>3</td>
<td>This course is a survey of rock music. The focus is on rock music, the musician, and the manner in which the sociological, political, and economic conditions merged in the evolution of this musical art form. Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3,C5  CSU GE: C1  IGETC: 3A</td>
</tr>
<tr>
<td>MUS-008</td>
<td>AMERICAN MUSIC</td>
<td>3</td>
<td>This course is a general survey of music in the United States, beginning with Native American songs and chants and continuing to the present through musical traditions and styles introduced by America’s multi-cultural populations. The American public’s infatuation with “star” performers and its effect on musical economics are also explored. (Also listed as, and equivalent to, HUM-008.) Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3,C5  CSU GE: C1  IGETC: 3A</td>
</tr>
<tr>
<td>MUS-010</td>
<td>INTRODUCTION TO MUSIC</td>
<td>3</td>
<td>This course is a general survey of musical style, form and materials designed to acquaint students with the development of music from the Middle Ages to the present. Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-050  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: C1  IGETC: 3A</td>
</tr>
<tr>
<td>MUS-012</td>
<td>FUNDAMENTALS OF MUSIC</td>
<td>3</td>
<td>This is a basic course in music theory designed to develop an understanding of notation, rhythm, pitch, keys, scales, intervals, triads and music terminology. Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: C1  IGETC: 3A</td>
</tr>
<tr>
<td>MUS-018</td>
<td>INTRODUCTION TO ART AND MUSIC</td>
<td>3</td>
<td>Students examine parallels in ideas and organizational methods found in art and music of the Western World. A comparison is made of major developments of styles with an emphasis on the roles of the visual and aural arts in society from the Middle Ages to the present. (Also listed as, and equivalent to, ART-018 and HUM-018.) Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L  Advisory: ENG-051  CAN: None  Transfer Status: CU/UC  Degree Applicable: AA/AS  COD GE: C3  CSU GE: C1  IGETC: 3A</td>

Courses of Instruction

MUS-020A SINGERS' DICTION AND REPERTOIRE: ENGLISH & ITALIAN
This course explores the preparation and interpretation of classical vocal repertoire in English and Italian. Designed for singers and accompanists with a serious interest in art songs and arias. Offered fall semester only.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-020B SINGERS' DICTION AND REPERTOIRE: GERMAN & FRENCH
This course explores the preparation and interpretation of classical vocal repertoire in German and French. Designed for singers and accompanists with a serious interest in art songs and arias. Offered spring semester only.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-021A BEGINNING CLASS PIANO 2 Units
Group work in developing piano keyboard facility and reading primary level piano music. Opportunity provided for individual attention and in-class performance. Subsequent enrollment in MUS-021B provides the student an opportunity for additional skill and competency development within the subject matter.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-021B INTERMEDIATE/ADVANCED CLASS PIANO 2 Units
Group work in developing piano keyboard facility and reading intermediate to advanced level piano music. Opportunity provided for individual attention and in-class performance. Repeating the course will provide additional skills and competency within the subject matter. May be taken for a total of three times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: MUS-021A
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-022 CLASS VOICE 2 Units
This course involves group study of the foundations of vocal production, technique, diction and interpretation and their application to all styles of singing from pop to classical. It is designed for the non-music major. May be taken for a total of four times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 3  Grading: L
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-023 BROADWAY VOICE 2 Units
This course explores the techniques and practices of singing musical theatre repertoire. While applying principles of healthy vocal technique, students investigate various singing and presentation styles. May be taken for a total of four times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 2  Grading: L
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-025A BEGINNING CLASS PERCUSSION 2 Units
This is a beginning course designed for the non-music major covering fundamentals of percussion instruments and reading basic musical notation. Emphasis is on beginning sound production for percussion instruments. Subsequent enrollment in MUS-025B provides the student an opportunity for additional skill and competency development within the subject matter.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-025B INTERMEDIATE/ADVANCED CLASS PERCUSSION 2 Units
This is an intermediate to advanced course designed for the non-music major that continues the development of percussion techniques introduced in MUS-025A. Emphasis is on intermediate and advanced techniques and sound production for percussion instruments. Repeating this course provides additional skills and competency within the subject area. May be taken for a total of three times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: MUS-025A
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-026 INSTRUMENTAL CHAMBER ENSEMBLE 2 Units
Group rehearsal and public performance of standard music literature for small instrumental ensemble including woodwinds, brass, percussion, strings and keyboards. Repeating this course provides additional skills and competency within the subject area. May be taken for a total of four times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 3  Grading: L
Prerequisite: Audition is required to determine eligibility for enrollment
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

College of the Desert Catalog 2006-2007
MUS-034  VOCAL ENSEMBLE  2 Units
This course involves study and performance of a diverse array of music literature for small vocal ensembles. Public performances are required. May be taken for a total of four times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 3  Grading: L
Prerequisite: Vocal audition to determine eligibility
Advisory: MUS-012
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-036  OPERA WORKSHOP  2 Units
This course provides training in solos and small ensembles from the light opera and operatic repertoire and culminates in public performances of this repertoire in fully staged scenes. May be taken for a total of four times.
Lecture Hours: 0  Lab Hours: 108  Repeatable: 3  Grading: L
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3  CSU GE: None  IGETC: None

MUS-037  OPERA PERFORMANCE  2 Units
This course provides instruction in the study and performance of operatic solo and/or ensemble roles in original language or English translation, culminating in full production public performance. Students expand acting and movement skills, develop advanced strategies for preparation, are acquainted with various contexts of the opera under preparation, and think critically about artistic choices. Audition to determine casting. May be taken for a total of four times.
Lecture Hours: 0  Lab Hours: 108  Repeatable: 3  Grading: L
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-039A  BEGINNING CLASS GUITAR  2 Units
This is a beginning course designed for the non-music major covering fundamentals of guitar technique and reading basic musical notation. Emphasis is on beginning sound production for guitar. Music from Classical, Flamenco, Latin, and popular songs will be covered.
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: MUS-012
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-039B  INTERMEDIATE/ADVANCED CLASS GUITAR  2 Units
This is an intermediate to advanced course designed for the non-music major that continues the development of guitar technique introduced in MUS-039A. Emphasis on perfecting sound production and mastery of all aspects of the guitar. Music from Classical, Flamenco, Latin, and popular songs will be covered. Repeating this course provides additional skills and competency within the subject area. May be taken for a total of three times.
Lecture Hours: 18  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: MUS-039A  Advisory: MUS-012
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-078A  INTRODUCTION TO COMPUTERS & MUSIC  3 Units
This course is an introduction to the history, theory and practice of using computer music software, synthesizers and MIDI (Musical Instrument Digital Interface.) Activities include completing exercises and creating original compositions using synthesizers, computers and computer music software.
Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Advisory: MUS-021A
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-078B  APPLICATIONS OF COMPUTERS AND MUSIC  3 Units
This course provides practical experience in computer-based audio and MIDI (Musical Instrument Digital Interface) recording. Activities include the creation of original music compositions and multimedia presentations using synthesizers, microphones, audio mixers, audio processors, computers and computer music software. Repeating this course provides additional skills and competency within the subject area. May be taken for a total of three times.
Lecture Hours: 36  Lab Hours: 54  Repeatable: 2  Grading: L
Prerequisite: MUS-078A  Advisory: MUS-021A
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

MUS-099  APPLIED MUSIC PERFORMANCE  1 Unit PRACTICUM
This course is the required performance practicum and recital period for all music majors. May be taken a total of four times.
Lecture Hours: 0  Lab Hours: 54  Repeatable: 3  Grading: L
Prerequisite: Music major
Corequisite: MUS-026 or MUS-034
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
Courses of Instruction

N: NURSING

N-001 BASIC CONCEPTS IN NURSING PRACTICE 8 Units
This course introduces students to the organizing framework of the program and to the nursing process. The focus is on optimum wellness. Basic care concepts and skills common to promoting, maintaining or restoring health are presented in the classroom and practiced in college and clinical laboratories. Care is focused on the needs of medical, surgical and geriatric clients.
Lecture Hours: 72  Lab Hours: 216  Repeatable: No  Grading: L
Prerequisite: ENG-001A, BI-013, BI-014, BI-015, MATH-050 or MATH-054 and acceptance to the program
CAN: None
Transfer Status: CSU
COD GE: None  CSU GE: None  IGETC: None

N-002 CONCEPTS OF NURSING PRACTICE FOR COMMONLY OCCURRING ALTERATIONS IN HEALTH 9 Units
This course builds on concepts introduced in Nursing 1 with emphasis on commonly occurring alterations in health in the medical, surgical, and pediatric client. Students receive lectures on campus and gain clinical skills in both the campus laboratory and in a local hospital.
Lecture Hours: 90  Lab Hours: 216  Repeatable: No  Grading: L
Prerequisite: N-001
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

N-003A CONCEPTS OF NURSING PRACTICE FOR COMPLEX ALTERATIONS IN HEALTH 9 Units
This course focuses on promoting, maintaining or restoring health of clients with alterations in psychological functioning and clients during the childbearing process. Previously learned principles of medical surgical nursing are applied. Clinical experience is provided in psychiatric, obstetrical and medical/surgical settings.
Lecture Hours: 72  Lab Hours: 270  Repeatable: No  Grading: L
Prerequisite: N-002
Corequisite: N-003B
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

N-003B ISSUES IN NURSING ½ Unit
This course introduces the student to the non-clinical aspects of nursing and discusses professional, credentialing, collective bargaining, nursing organizations, and legal, ethical and bioethical issues frequently encountered by the new graduate. This course may be used for continuing education credit.
Lecture Hours: 9  Lab Hours: 0  Repeatable: No  Grading: L
Transfer Status: CSU
COD GE: None  CSU GE: None  IGETC: None

N-004A CONCEPTS OF NURSING PRACTICE FOR ACUTE COMPLEX ALTERATIONS IN HEALTH 9 Units
In this course students gain knowledge and experience with clients whose optimum level of wellness is altered by acute and complex conditions. Experience is provided in medical and surgical units of the hospital and in intensive, critical care and emergency departments.
Lecture Hours: 72  Lab Hours: 270  Repeatable: No  Grading: L
Prerequisite: N-003A
Corequisite: N-004B
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

N-004B MANAGEMENT CONCEPTS IN NURSING ½ Unit
This course introduces students to beginning management concepts in nursing. Students learn to organize time, delegate responsibilities, teach and supervise those with lesser educational preparation, and use performance evaluation. Decision-making is emphasized. (Experience in supervision of others will be provided during the clinical portion of N-004A.)
Lecture Hours: 9  Lab Hours: 0  Repeatable: No  Grading: L
CAN: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None
NR: NATURAL RESOURCES

NR-001 CONSERVATION OF NATURAL RESOURCES

This environmental science course encompasses a study of general ecological principles including biological energy relationships, biogeochemical cycles, population dynamics, limiting factors, biotic communities, principles of ecosystem sustainability, ecosystem change, and biodiversity. Environmental issues are examined from an ecological perspective and include such topics as: water availability and quality, fossil fuels and renewable energy resources, air pollution, global atmospheric issues, hazardous materials, and human population growth. Emphases are placed on the effects of environmental problems upon all living organisms, and the role of human beings in reducing their impact on this planet. Suggested for Biological Sciences General Education Requirements.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
Advisory: RDG-050 and concurrent enrollment in NR-001L
COD GE: C1 CSU GE: B2 IGETC: 5B
Transfer Status: CSU Degree Applicable: AA/AS

NR-001L CONSERVATION OF NATURAL RESOURCES LABORATORY

A laboratory designed to supplement the Conservation of Natural Resources course (NR-001) by providing laboratory and field experiences in environmental subject areas. Suggested for Biological Sciences General Education Requirements.

Lecture Hours: 0 Lab Hours: 54 Repeatable: No Grading: L
Prerequisite: NR-001 or concurrent enrollment
COD GE: C1 CSU GE: B2 IGETC: 5B
Transfer Status: Degree Applicable: AA/AS

NR-003 INTRODUCTION TO WILDLIFE MANAGEMENT

This course covers the principles of wildlife biology as related to wildlife management. Students will be introduced to basic skills involved in wildlife conservation, and develop an understanding of the relationships between wildlife, people and outdoor recreation. Subjects to be covered include: basic ecological concepts; population dynamics; wildlife habitats and nutrition; wildlife identification and natural history; field methods; fish and game laws; and career opportunities.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: NR-001
COD GE: None CSU GE: None IGETC: None
Transfer Status: Degree Applicable: AA/AS

NR-004 INTRODUCTION TO ECOSYSTEM MANAGEMENT

This course covers ecological, socioeconomic, and institutional factors involved in the management of ecosystems. The history of ecosystem management, terminology, examples of successful and unsuccessful techniques, applications towards forest, chaparral, desert, and grassland management, and the interfacing of science, people, and governments for successful programs, along with job opportunities in public and private natural resources management agencies are discussed.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Advisory: NR-001
COD GE: None CSU GE: None IGETC: None
Transfer Status: Degree Applicable: AA/AS

NR-010 WILDLAND FIRE TECHNOLOGY

This course meets the minimum requirements for employment as a wildland fire fighter with State and Federal fire suppressions agencies. Basic interagency courses (I-110, 130, 190, S-212) are included. This course includes the care, maintenance and general use of power and hand crosscut saws and other fire fighting hand tools for fire line construction. This course stresses field performance and teamwork, along with fireline techniques, procedures, and safety. Wildland fire behavior safety is presented throughout the course. (Also listed as, and equivalent to, FIRE-010.)

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: RDG-050
COD GE: None CSU GE: None IGETC: None
Transfer Status: Degree Applicable: AA/AS

NR 17 NATURAL RESOURCES LAW ENFORCEMENT

This course provides information relating to enforcement of natural resources and wildlife laws in the United States and California. Topics studied include the relationships between Federal and State natural resources and wildlife laws and regulations, laws as resource and wildlife management tools, conservation and perpetuation of wildlife and other natural resources, review of State and Federal resource management agencies, law enforcement officer qualifications, duties and responsibilities, enforcement procedures, court systems, fines and forfeitures, hunter safety program, public responsibilities, preservation of the environment and conservation of wildlife. (Also listed as, and equivalent to, AJ-017.)

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
COD GE: None CSU GE: None IGETC: None
Transfer Status: Degree Applicable: AA/AS

**NR-050 WINTER BIRDS 1 Unit**
This course introduces students to the principles and techniques of bird taxonomy. Emphasis is placed upon the identification of birds that winter locally at the Salton Sea. Saturday field trips to the Salton Sea are required. Students may choose the credit/no credit grading option.

**NR-051A MIGRANT BIRDS - FALL 1 Unit**
This course introduces students to the principles of bird taxonomy. Emphasis is placed upon the identification of birds that migrate south through our local mountains. Two Saturday field trips are required. Students may choose the credit/no credit grading option.

**NR-051B MIGRANT BIRDS - SPRING 1 Unit**
This course introduces students to the principles of bird taxonomy. Emphasis is placed upon the identification of birds that use local desert oases as stopover points during spring migration. Two Saturday field trips to local migrant “traps” are required. Students may choose the credit/no credit grading option.

**PE-001 FIRST AID AND SAFETY 3 Units**
This course includes theory and practice in immediate and temporary care given in case of accident or sudden illness, until service of a trained medical professional can be obtained. Upon successful completion, certificates in first aid and C.P.R. are awarded.
PE-002  SPORTS OFFICIATING  3 Units
This course provides instruction in the qualifications, duties, mechanics, and interpretations of officiating football, basketball, baseball, softball, track & field, cross country, volleyball, soccer, swimming, tennis and golf. Emphasis is on NCAA and California Community College rules.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-005  FOUNDATIONS OF COACHING  3 Units
This course introduces the student to the profession of athletic coaching. Emphasis is on a comprehensive approach to the art and science of coaching including developing a coaching philosophy, sport psychology, sport pedagogy, sport physiology, and sport management. Subject matter includes coaching objectives and style, communication skills, principles of reinforcement, motivation, teaching sport skills, principles for training, team management and self-management.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-008  INTRODUCTION TO HEALTH AND PHYSICAL EDUCATION  3 Units
This course introduces the student to the professional field of physical education and health as related to the teaching and coaching profession. It brings forward the present curriculum involved with all levels of education, professional organizations, and literature requirements supporting this profession. It includes evaluation of teaching methods, strategies, and skill testing commonly needed by professional physical educators, coaches, and recreation leaders.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-015  INTRODUCTION TO CHOREOGRAPHY  2 Units
This course is an introduction to the fundamental elements of choreography and their practical application in creating dance composition. (Equivalent to DANC-010 and TA-011.)
Lecture Hours: 18  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None  CSU GE: C1  IGETC: None

PE-040  AEROBICS, TOTAL BODY FITNESS  1 Unit
This course provides instruction in the latest exercise techniques and principles for students interested in improving their cardiovascular fitness, muscular strength and endurance, flexibility, agility, and body composition levels. It includes a variety of different aerobic exercises, strength training, and flexibility techniques to train the muscular and cardiorespiratory systems. The most current and up-to-date fitness principles and aerobic exercises are taught to provide the students with a large variety of training. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-041  CORE CONDITIONING  1 Unit
This course provides instruction in the latest exercise techniques and principles for students interested in improving core strength, posture, flexibility, speed, muscular strength and endurance. The course includes a variety of exercises aimed to strengthen the following muscle groups of the core region: Rectus abdominus, transverse abdominus, external and internal obliques and the spinal erector, muscles. This course offers additional exercises to strengthen the core pillar strength areas including the following: shoulders, hip, gluteus maximus, and hamstring muscles. The course covers the most current and up to date methods of training to enhance fitness and athletic performance. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
CAN: None
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-042  ADAPTED BADMINTON  1 Unit
Badminton for students with disabilities offers instruction and practice in adapted skills, strategies, and rules of singles and doubles badminton designed to meet individual needs. May be taken for a total of eight times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 7  Grading: L
Advisory: Designed for students with disabilities
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-043  BADMINTON  1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in the skills, strategies, and rules of singles and doubles badminton. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
CAN: None
Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-053 **DANCE, MODERN (Jazz)** 1 Unit
This course provides beginning, intermediate, and advanced instruction in jazz dance technique emphasizing optimum body placement and improved body mechanics and coordination. May be taken for a total of four times. (Equivalent to DANC-073 and TA-073.)
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-054 **DANCE, STEP AEROBIC** 1 Unit
This course provides beginning, intermediate, and advanced instruction in principles, techniques, and practices of aerobic conditioning by means of “step” platforms. Toning and strength exercises may also be used for upper and lower body strengthening. May be taken for a total of four times.
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-055 **DANCE, TAP** 1 Unit
This course provides beginning, intermediate, and advanced instruction in basic tap dance steps and simple choreography forms for the improvement of coordination and physical conditioning. May be taken for a total of four times. (Equivalent to DANC-075 and TA-075.)
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-056 **DANCE, BALLET** 1 Unit
This course provides beginning, intermediate, and advanced instruction in ballet technique, vocabulary, history, current events, and appreciation of ballet as an art form. May be taken for a total of four times. (Equivalent to DANC-076 and TA-076.)
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-057 **FENCING** 1 Unit
This course provides beginning, intermediate, and advanced instruction and performance in fencing skills, and bodily development pertinent thereto, in each of the three competitive weapons: the foil, the sabre, and the epee. May be taken for a total of four times.
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-059 **FLEXIBILITY & AGILITY, SPORT PERFORMANCE** 1 Unit
This course provides beginning, intermediate, and advanced instruction for students interested in improving “complete” physical strength, muscular endurance, anaerobic endurance and increased muscular elasticity while reducing connective tissue injuries. Students are required to participate in strenuous physical activity and testing. May be taken for a total of four times.
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L
Prerequisite: Varsity player/prospect or coach’s permission
CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-060 **FOOTBALL CONDITIONING** 1 Unit
This course provides beginning, intermediate, and advanced intensive conditioning and preparation for intercollegiate football. May be taken for a total of four times.
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L
Prerequisite: Varsity player/prospect or coach’s permission
CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-061 **FOOTBALL, SPRING** 1 Unit
This course provides beginning, intermediate, and advanced field and classroom preparation for performance oriented students who demonstrate a high degree of skill and interest in intercollegiate football. May be taken for a total of four times.
Lecture Hours: 9 Lab Hours: 27 Repeatable: 3 Grading: L
Prerequisite: Varsity player/prospect or coach’s permission
CAN: None
Transfer Status: CSU/UC+ Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

PE-062 **GOLF** 1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in the skills and strategies of golf. May be taken for a total of four times.

</tbody>
</table>
PE-077  SELF-DEFENSE  1 Unit
This course provides an introduction to practical self-defense. Various aspects of the combined arts that are emphasized include history and philosophy of Asian fighting arts, nature of self-defense (origin-development-function), common sense self-defense, precautionary measures, psychology, physical conditioning, women and special problems, and aesthetic appreciation of form and motion. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-078  SELF-DEFENSE, MARTIAL ARTS  1 Unit
This course provides beginning, intermediate, and advanced instruction in martial arts with an emphasis on physical conditioning, sport, philosophy, and aesthetic appreciation of form and motion. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-079  SOCCER-TOUCH FOOTBALL  1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in skills and strategies of soccer and touch football. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-080  SOFTBALL  1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in skills, strategies and rules of softball. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-082  SWIMMING  1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in the various swimming techniques. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-086  TENNIS  1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in skills, strategies, and rules of tennis. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-091  VOLLEYBALL  1 Unit
This course provides beginning, intermediate, and advanced instruction and practice in skills, offensive and defensive strategies, and officiating of volleyball. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-093  WATER FITNESS  1 Unit
This course emphasizes physical fitness and flexibility through resistance exercises in the water. The pool is only 4 feet deep. You do not need to know how to swim. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-094  WELLNESS AND FITNESS  1 Unit
This course is designed to provide instruction on basic fitness activities such as powerwalking, running, aerobics, flexibility, and strength training exercises along with basic fitness principles to support a healthy lifestyle. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

PE-096  WEIGHT TRAINING  1 Unit
This course provides practical application of kinetic strength training principles for the beginner, intermediate, and advanced participant. Physical development and improvement are attained through the use of resistance machinery, free weight apparatus and other selected physical conditioning methods. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
COD GE: None  CSU GE: None  IGEC: None

Transfer Status: CSU/UC* Degree Applicable: AA/AS

Chapter 9 - Courses of Instruction
Courses of Instruction

PE-097  WEIGHT TRAINING, FOOTBALL  1 Unit
This course provides practical application of kinetic strength training principles for the beginner, intermediate, and advanced varsity football participant/prospect. Physical development and improvement are attained through the use of resistance machinery, free weight apparatus and other selected physical conditioning methods. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
Prerequisite: Varsity football player/prospect or coach's permission
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PE-098  YOGA  1 Unit
This course is designed for individuals of all fitness levels who would like to increase their body/mind/spirit connection during movement. Students are introduced to the basic alignment and strength concepts of the body via the techniques of Iyengar’s method of hatha yoga. Special focus is placed on developing strength, endurance and correct body alignment in addition to flexibility and relaxation. May be taken for a total of four times.
Lecture Hours: 9  Lab Hours: 27  Repeatable: 3  Grading: L
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PH: PHYSICS

PH-001  INTRODUCTORY PHYSICS  4 Units
This course is an introduction to the basic concepts, theories, and principles of physics. Topics include mechanics, properties of matter, heat, electricity and magnetism, waves, and modern physics.
Note: This course is designed for students in general education who need to satisfy a laboratory requirement in the physical sciences, and for those in technical programs who need an introduction to physical concepts.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-051 and MATH-050 or MATH-054
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1.B3  IGETC: 5A*

PH-002A  COLLEGE PHYSICS  4 Units
This is an algebra and trigonometry-based physics course designed for any majors not seeking a degree in engineering or the physical sciences. This course is the first semester of the Physics 2 sequence. Physics 2A covers mechanics, sound, fluids and wave motion.
Note: The Physics 2 sequence satisfies the physics requirement for pre-professional and biology students.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: PH-004A, and MATH-001B or concurrent enrollment
CAN: PHYS SEQ A = PH 2A+2B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1.B3  IGETC: 5A*

PH-002B  COLLEGE PHYSICS  4 Units
This is a calculus-based physics course designed for any majors not seeking a degree in engineering or the physical sciences. This course is the second semester of the Physics 2 sequence. Physics 2B covers electricity, magnetism, heat, optics, and atomic and nuclear physics.
Note: The Physics 2 sequence satisfies the physics requirement for pre-professional and biology students.
Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: PH-002A
CAN: PHYS SEQ A = PH 2A+2B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1.B3  IGETC: 5A*

PH-004A  ENGINEERING PHYSICS  5 Units
This is the first semester of the two-semester calculus-based physics sequence for scientists and engineers including those entering the computer fields. Topics include mechanics, fluids, wave motion, sound and special relativity.
Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: MATH-001A
CAN: PHYS SEQ B = PH 4A+4B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1.B3  IGETC: 5A*

PH-004B  ENGINEERING PHYSICS  5 Units
This is the second semester of the calculus-based physics sequence for scientists and engineers including those entering the computer fields. Topics include electricity, magnetism, thermodynamics and optics.
Lecture Hours: 72  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: PH-004A, and MATH-001B or concurrent enrollment
CAN: PHYS SEQ B = PH 4A+4B
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1.B3  IGETC: 5A*
PH-005  COMPUTER PROGRAMMING I: 3 Units
C++ FOR THE SCIENCES AND ENGINEERING

This course is an introduction to the use of C++ for the solution of problems in the physical sciences and engineering through the structured implementation of algorithms on digital computers. The course emphasizes good programming principles and the development of substantial programs. It introduces the use of computer-based software development tools and systems. The course includes numerical methods such as histogramming, Monte-Carlo Methods for modeling experiments, statistical analysis, curve fitting, and numerical algorithms.

Lecture Hours: 36  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: ENG-050 and MATH-010 or MATH-012
CAN: None
Transfer Status: CSU/UC*  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PH-006A  ELECTRIC CIRCUITS FOR 4 Units
ENGINEERING AND SCIENCE

This course is the first semester of a one year course designed to provide students with a broad knowledge of the theoretical background and experimental application of modern electronic devices and circuitry. The first semester course covers basic electronic concepts, solid state devices such as diodes and transistors and an introduction to basic analog and digital circuit design and analysis emphasizing practical applications including Ohm’s Law and Kirchhoff’s laws; nodal and loop analysis; analysis of linear circuits; network theorems; transients in RLC circuits; sinusoidal steady-state analysis and application of PSPICE to circuit analysis.

Lecture Hours: 54  Lab Hours: 54  Repeatable: No  Grading: L
Prerequisite: MATH-001A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: None  IGETC: None

PH-010  STATICS 3 Units

This course is an introduction to the analysis of forces on engineering structures in equilibrium. Vector algebra is utilized to study two- and three-dimensional frames, machines and trusses. Principles of friction, centroids, center of gravity, and moment of inertia for areas and masses are applied to analyze complex real-world problems.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: PH-004B and MATH-001B
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: None  CSU GE: None  IGETC: None

PH-017  INTRODUCTION TO METEOROLOGY  3 Units

This course includes the study of the earth’s atmosphere, its composition and vertical structure, energy budgets, air pollution and global warming, clouds and precipitation, weather systems and forecasting, severe weather, and atmospheric optics.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-051, RDG-051 and MATH-050 or MATH-054
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C1  CSU GE: B1  IGETC: 5A

PHIL: PHILOSOPHY

PHIL-006  INTRODUCTION TO PHILOSOPHY 3 Units

This course surveys the traditional philosophical problems of knowledge, logic, ethics, aesthetics, religion and metaphysics. These problems are viewed as interrelated dimensions of a struggle to understand the nature and meaning of existence - a struggle which is both collective and individual. Students develop an understanding and appreciation of traditional and contemporary issues in philosophies.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: PHIL 2
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

PHIL-007  IDEAS OF THE GREAT PHILOSOPHERS 3 Units

Students are introduced to the practice of philosophy as revealed through analysis of selected original writings of some of the great philosophers. Topics include the nature and existence of God, free will and determinism, skepticism and knowledge, morality, ethics and society, logical empiricism, ordinary language philosophy and existentialism.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C3,C5  CSU GE: C2  IGETC: 3B

PHIL-010  GENERAL LOGIC 3 Units

In this course, students are introduced to both deductive and inductive logic. Emphasis is placed on the principles of sound argumentation and the identification of common formal and informal fallacies. Statistical reasoning and the scientific method are also emphasized.

Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A and MATH-057
CAN: PHIL 6
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: A3  IGETC: None
Courses of Instruction

**PHIL-011 FORMAL LOGIC 3 Units**
This course is the study of the methods characteristic of modern formal logic. It includes the symbolic representation of arguments from both truth-functional and predicate logic, the study of validity, the use of truth-tables, truth-trees and other techniques of meaning specification and proof. Computer applications are also explored.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-001A and MATH-057
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C4 CSU GE: A3 IGETC: None

**PHIL-012 RELIGIONS OF THE WORLD 3 Units**
This course is an historical introduction to the world’s religious philosophies - Hinduism, Jainism, Buddhism, Sikhism, Taoism, Confucianism, Shinto, Zoroastrianism, Judaism, Christianity and Islam - with an examination of their original writings and subsequent commentaries.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C3,C5 CSU GE: C2 IGEC: 3B,4G

**PHIL-013 PERSPECTIVES ON DEATH AND DYING 3 Units**
In this course, pertinent insights from other cultures, literature, art, law, medicine, psychology, religion and philosophy will be presented, analyzed and critically evaluated. Students are encouraged to develop an understanding of death and dying, terminal illness, and attitudes and practices related to death.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C2,C3,C5 CSU GE: C2,E IGEC: 3B

**PHIL-014 INTRODUCTION TO ETHICS 3 Units**
This course is a systematic examination of the concepts of moral right and wrong and the application of moral values and principles.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
CAN: PHIL 4
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C3,C5 CSU GE: C2 IGEC: 3B

**PHIL-016 PHILOSOPHY IN THE HISPANIC WORLD 3 Units**
A survey of the historical and conceptual development of philosophy in Spain and Latin America, focusing mainly on the period from the sixteenth century through contemporary times. Developments in ethics, metaphysics, epistemology, and logic are stressed.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Advisory: ENG-001A, plus one previous course in Philosophy
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C3,C5 CSU GE: C2 IGEC: 3B

**PHIL-017 MONOTHEISM IN CONFLICT 3 Units**
An in-depth examination of some significant commonalities and major differences among and between the three great Western monotheistic religions: Judaism, Christianity, and Islam. Particular attention will be paid to the logical analyses of some distinctive doctrines endorsed by each faith, and how these doctrines may have reinforced and exacerbated historic and contemporary civilizational conflicts.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-051 and RDG-051
Advisory: PHIL-012 and ENG-001A
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C3,C5 CSU GE: C2 IGEC: 3B

**PS: POLITICAL SCIENCE**

**PS-001 INTRODUCTION TO GOVERNMENT 3 Units**
This course is an introduction to the principles, organization and politics of the National Government of the United States, including the study of State and local government. In considering government at the State level, specific emphasis is given to the government of the State of California. Throughout the course, current issues in American and State politics are stressed.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
CAN: GOVT 2
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C2 CSU GE: D8 IGEC: 4H

**PS-002 INTRODUCTION TO COMPARATIVE GOVERNMENTS 3 Units**
This course is a comparative study of constitutional principles, governmental institutions and political problems of selected governments. Particular attention is given to the contemporary problems of established and emerging nations.

Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: PS-001 or HIST-017 or HIST-018
CAN: None
Transfer Status: CSU/UC Degree Applicable: AA/AS
COD GE: C2 CSU GE: D8 IGEC: 4H

College of the Desert Catalog 2006-2007
Chapter 9 - Courses of Instruction

**PSY: PSYCHOLOGY**

**PSY-004**  **INTRODUCTION TO INTERNATIONAL RELATIONS**  3 Units
This course is an introduction to the nature of political relations among nations, including the basic factors which influence international relations. Emphasis will be placed on an examination of contemporary world politics.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: PS-001 or HIST-017 or HIST-018
Can: None
Transfer Status: CSU/UC
COD GE: C2, C5  CSU GE: D8  IGETC: 4I

**PSY-001**  **GENERAL PSYCHOLOGY**  3 Units
This course is an introduction to principles and theories governing animal and human behavior. Topics include developmental psychology, consciousness, psychotropic drugs, learning, motivation, emotion, intelligence, personality, stress, and social psychology, psychotherapy, and psychological disorders.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050  Advisory: ENG-051
Can: PSY 2
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2, C5  CSU GE: D9  IGETC: 4I

**PSY-003**  **DEVELOPMENTAL PSYCHOLOGY**  3 Units
This is a life span course that focuses on the behavioral patterns found at each level of normal human development, including the interrelationships of psychological, sociological, cognitive, and physical development from birth to senescence. The implications for both personal development and professional practice are considered.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050  Advisory: ENG-051 & PSY-001
Can: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2  CSU GE: D9  IGETC: 4I

**PSY-010**  **PSYCHOLOGICAL ASPECTS OF MARRIAGE AND FAMILY**  3 Units
This course is designed to develop the student's repertoire of behavioral skills and an understanding of the principles governing successful marriage and family life. Included are areas such as communication, decision-making, human sexuality, divorce, single parenting, alternative family lifestyles and coping with stress.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050  Advisory: ENG-051 & PSY-001
Can: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: C2, C5  CSU GE: D9  IGETC: 4I

**PSY-012**  **HUMAN SEXUALITY**  3 Units
This course examines the development and practice of human sexuality through exploration of the psychological, social, cognitive, and physiological dimensions of human behavior.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: PSY-001
Can: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C5  CSU GE: E  IGETC: None

**PSY-020**  **ADOLESCENT PSYCHOLOGY**  3 Units
This course is an introduction to both research and theory related to the growth and development of adolescents. Major areas emphasized include physical and psychological growth, adolescents and their families, the influence of peers, youth subcultures, sex roles, sexual behavior, self-image and the impact of society at large. A special emphasis is placed on practical techniques useful to parents and professionals who work with adolescents.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050  Advisory: ENG-051 & PSY-001
Can: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: C2  CSU GE: D9  IGETC: None

**PSY-023**  **PSYCHOLOGY OF WOMEN**  3 Units
This course presents an overview of the social and personality development of the female. More specifically, the course examines the physiological and psychological differences characteristic of women, as well as those resulting from gender linked cultural values.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-051
Can: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C2, C5  CSU GE: D9, D11  IGETC: 4I

**PSY-033**  **PERSONAL AND SOCIAL ADJUSTMENT**  3 Units
This course examines the development of personality and places emphasis upon the problems of adjustment encountered in such areas as school, family, vocation and community. In particular, the course focuses on understanding the causes of frustration and the process of learning adequate methods of coping in problematic situations.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: PSY-001
Can: None
Transfer Status: CSU  Degree Applicable: AA/AS
COD GE: C2  CSU GE: D9  IGETC: None
Courses of Instruction

**RDG: READING**

**RDG-001A CRITICAL READING 3 Units**
This course freshman course focuses on critical reading and thinking. Students read, analyze, and respond to college level readings of cultural and historical significance.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-051
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

**RDG-050 BASIC READING 3 Units**
This course is designed to provide extensive study and practice of basic reading skills including vocabulary development, comprehension improvement, and oral reading ability. Students may choose the credit/no credit grading option.
Lecture Hours: 54 Lab Hours: 36 Repeatable: No Grading: O
Transfer Status: None Degree Applicable: NAA
COD GE: None CSU GE: None IGETC: None

**RDG-051 ANALYTICAL READING 3 Units**
This course is for students who have a vocabulary base for college-level reading but need practice in analytical reading and critical thinking skills. The focus of this course is on improving comprehension. Students read college-level selections from different disciplines and content areas.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: RDG-050
Transfer Status: None Degree Applicable: NAA
COD GE: None CSU GE: None IGETC: None

**RE: RECREATION**

**RE-001 INTRODUCTION TO COMMUNITY RECREATION 3 Units**
This is a theory course which teaches leadership of recreation activities with emphasis on the social development and integration of individuals into group programs; mechanics of planning, techniques of presentation; and a repertoire of social activities as tools for social recreation. Students actively participate in the planning and production of various intramural and other special events.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-050
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

**RE-002A RECREATION FIELD WORK 1 Unit**
This course gives practical experience to students who are training for careers in the physical education, recreation, and athletic field. Course requirements at various facilities, both on and off campus. May be taken a total of four times.
Lecture Hours: 18 Lab Hours: 0 Repeatable: 3 Grading: L
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

**RE-002B RECREATION FIELD WORK 2 Units**
This course gives practical experience to students who are training for careers in the physical education, recreation, and athletic field. Course requirements at various facilities, both on and off campus. May be taken a total of two times.
Lecture Hours: 36 Lab Hours: 0 Repeatable: 1 Grading: L
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

**RE-002C RECREATION FIELD WORK 3 Units**
This course gives practical experience to students who are training for careers in the physical education, recreation, and athletic field. Course requirements at various facilities, both on and off campus.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: L
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

**RE-002D RECREATION FIELD WORK 4 Units**
This course gives practical experience to students who are training for careers in the physical education, recreation, and athletic field. Course requirements at various facilities, both on and off campus.
Lecture Hours: 72 Lab Hours: 0 Repeatable: No Grading: L
Transfer Status: CSU Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

**RESL: READING ENGLISH AS A SECOND LANGUAGE**

**RESL-050 ESL READING 3 Units**
This introductory ESL reading course provides students with extensive reading opportunities. Students study syntactical and contextual strategies while they read and analyze various types of genres, including novels, short stories, essays, and poetry. Examples of different multicultural literature are included. Students may choose the credit/no credit grading option.
Lecture Hours: 54 Lab Hours: 0 Repeatable: No Grading: O
Advisory: ESL-050A
Transfer Status: None Degree Applicable: NAA
COD GE: None CSU GE: None IGETC: None
Chapter 9 - Courses of Instruction

RTV: RADIO-TELEVISION

RTV-002 RADIO AND TELEVISION 2 Units
ANNOUNCING

This course offers microphone/broadcast announcing techniques and style for commercial delivery, newscasts, music shows, interviews, public service programs, sports and weather segments. There are also some assignments on writing copy for broadcast-news and commercials. This course is offered every Fall semester.
Lecture Hours: 18   Lab Hours: 54   Repeatable: No   Grading: L
CAN: None
Transfer Status: CSU   Degree Applicable: AA/AS
COD GE: None   CSU GE: None   IGETC: None

RTV-004A MOTION PICTURE/TELEVISION 3 Units
PRODUCTION

This course introduces the student to the techniques, procedures, equipment and computer technologies required to produce video motion pictures. Actual production experience is gained through student projects. Field trips to local television stations and a motion picture studio may be included in the course.
Lecture Hours: 18   Lab Hours: 108   Repeatable: No   Grading: L
Prerequisite: ENG-050
CAN: None
Transfer Status: CSU   Degree Applicable: AA/AS
COD GE: None   CSU GE: None   IGETC: None

RTV-004B ADVANCED MOTION PICTURE/ 3 Units
TELEVISION PRODUCTION

This course is for students who possess proven basic motion picture/video production skills. The course focuses on advanced production of longer or more specialized videos using nonlinear computer editing.
Lecture Hours: 18   Lab Hours: 108   Repeatable: No   Grading: L
Prerequisite: RTV-004A
CAN: None
Transfer Status: CSU   Degree Applicable: AA/AS
COD GE: None   CSU GE: None   IGETC: None

RTV-005 RADIO & TELEVISION 3 Units
WRITING

This course provides an introduction to the analysis and preparation of radio and television commercials, public service announcements, promotional and dramatic announcements, documentaries, and full-length entertainment scripts. The students develop an understanding of the techniques and elements utilized in script writing. This course is offered every Spring semester.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Advisory: ENG-051
CAN: None
Transfer Status: CSU   Degree Applicable: AA/AS
COD GE: None   CSU GE: None   IGETC: None

SOC: SOCIOLOGY

SOC-001 INTRODUCTORY SOCIOLOGY 3 Units
This course is a survey of the characteristics of social life, the processes of social interaction, and the tools of sociological investigation.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Prerequisite: ENG-050
CAN: SOC 2
Transfer Status: CSU/UC   Degree Applicable: AA/AS
COD GE: C2,C5   CSU GE: D0,D3   IGETC: 4J

SOC-002 SOCIAL PROBLEMS 3 Units
An application of sociological principles and concepts in an analysis of the family, religion, education, minorities, crime and delinquency, urban society, industry, and politics. Special attention is given to the interpretation of relevant quantitative data.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Prerequisite: SOC-001
CAN: SOC 4
Transfer Status: CSU/UC   Degree Applicable: AA/AS
COD GE: C2,C5   CSU GE: D0,D3   IGETC: 4J

SOC-003 FUNDAMENTALS OF STATISTICS 3 Units
This course is a study of the fundamental concepts and techniques of statistical analysis which are encountered in all areas of application. Emphasis is placed upon precise mathematical reasoning coupled with a thorough understanding of the rationale underlying the statistical methods employed. The course encompasses both descriptive and inferential concepts and techniques, including the mathematical principles of probability theory and their application to parameter estimation and hypothesis testing. Published reports representative of the many ways in which statistical methods/data are employed in support of specific conclusions are examined with respect to both the appropriateness of their use and interpretation.
Lecture Hours: 54   Lab Hours: 0   Repeatable: No   Grading: L
Prerequisite: ENG-051 and MATH-040
CAN: None
Transfer Status: CSU/UC   Degree Applicable: AA/AS
COD GE: C4   CSU GE: B4   IGETC: 2A*

SOC-004 SOCIOLOGICAL ANALYSIS AND CRITICAL THINKING 3 Units
This course provides instruction in the principles of critical analysis and the composition of reasoned, written responses to a variety of social issues. These include issues falling within the scope of sociology, anthropology, economics, education, politics, criminology, biology and the physical sciences. Both deductive and inductive forms of reasoning are studied, including common formal
Courses of Instruction

SP-001 INTRO TO INTERPERSONAL COMMUNICATION 3 Units
The course enables students to understand and demonstrate interpersonal communication skills. Students focus on knowledge of communication theories, self-concept, methods of resolving conflict, issues of human perception, non-verbal communication and improvement of listening skills. Significant writing and research assignments are an integral part of the course.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A or concurrent enrollment
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4,C5  CSU GE: D0,D3  IGETC: 4C,4J

SP: SPEECH

SP-002 ORAL INTERPRETATION OF LITERATURE 3 Units
This course encourages student growth in the comprehension, analysis, and evaluation of all major forms of literature, prose, poetry, and drama. The study of literary genres, styles of composition, techniques of characterization, approaches to literary criticism, performance skills, and editing techniques are included. The course provides students an opportunity to synthesize classroom material through performance and presentation.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: None
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C5  CSU GE: None  IGETC: None

SP-004 PUBLIC SPEAKING AND LEADERSHIP 3 Units
This course emphasizes theory and the practice of basic techniques for successful public communication. Students learn to develop an effective interpersonal style of public communication. Informative, expository, persuasive, extemporaneous, and impromptu forms of speaking are covered.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: SPCH 4
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: A1  IGETC: 1C

SP-005 GROUP DISCUSSION AND LEADERSHIP 3 Units
This course provides students the opportunity to examine and practice the basic principles of group interaction. Students focus on leadership, use of power, physical environment, conflict resolution, conformity, group change and growth.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: SPCH 10
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: A1  IGETC: None

SP-007 DECISION MAKING/ADVOCACY 3 Units
This course focuses on the process of decision making as it relates to attitudes, values and cultural beliefs. The course covers argumentation skills, persuasion, and the effective use of evidence. Students learn these skills through practice and the analysis of media, propaganda, as well as current and historical political speeches.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-001A
CAN: SPCH 6
Transfer Status: CSU/UC  Degree Applicable: AA/AS
COD GE: C4  CSU GE: A3  IGETC: None
### SP-001 ELEMENTARY SPANISH 5 Units

This course presents the fundamentals of Spanish. Fluency in understanding, speaking, reading, and writing within the context of Hispanic society, history, and culture is emphasized. Completion of SPAN 1A and SPAN 1B is equivalent to SPAN 1.

- **Lecture Hours:** 90
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN-001A CAN: SPAN 2; SPAN SEQ A = SPAN 1+2 or SPAN 1A+1B+2A+2B or SPAN 1A+1B+2A+2B Transfer Status: CSU/UC* Degree Applicable: AA/AS COD GE: C3
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 6A

### SPAN-001A ELEMENTARY SPANISH 3 Units

This course presents the fundamentals of Spanish. Fluency in understanding, speaking, reading, and writing within the context of Hispanic society, history, and culture is emphasized. Completion of SPAN 1A and SPAN 1B is equivalent to SPAN 1.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN-001A CAN: SPAN 2; SPAN SEQ A = SPAN 1+2 or SPAN 1A+1B+2A+2B or SPAN 1A+1B+2A+2B Transfer Status: CSU/UC* Degree Applicable: AA/AS COD GE: C3

- **CSU GE:** C2
- **IGETC:** None

### SPAN-001B ELEMENTARY SPANISH 3 Units

This course presents the fundamentals of Spanish. Fluency in understanding, speaking, reading, and writing within the context of Hispanic society, history, and culture is emphasized. Completion of SPAN 1A and SPAN 1B is equivalent to SPAN 1.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN-001A CAN: SPAN 2; SPAN SEQ A = SPAN 1+2 or SPAN 1A+1B+2A+2B or SPAN 1A+1B+2A+2B Transfer Status: CSU/UC* Degree Applicable: AA/AS COD GE: C3
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 6A

### SPAN-002 ELEMENTARY SPANISH 5 Units

This course builds upon the material presented in SPAN 1 and further develops the conversational skills in confirming and correcting information and using correct response behaviors. Fluency in understanding, speaking, reading and writing within the context of Hispanic society, history and culture is emphasized. Completion of SPAN 2A and SPAN 2B is equivalent to SPAN 2.

- **Lecture Hours:** 90
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN 1 or SPAN 1B or 2 years high school Spanish CAN: SPAN 2; SPAN SEQ A = SPAN 1+2 or SPAN 1A+1B+2A+2B or SPAN 1A+1B+2A+2B Transfer Status: CSU/UC* Degree Applicable: AA/AS COD GE: C3
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 3B*, 6A*

### SPAN-002A ELEMENTARY SPANISH 3 Units

This course builds upon the material presented in SPAN 1 or SPAN 1B and further develops the conversational skills in confirming and correcting information and using correct response behaviors. Fluency in understanding, speaking, reading and writing within the context of Hispanic society, history and culture is emphasized. Completion of SPAN 2A and SPAN 2B is equivalent to SPAN 2.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN-002A CAN: SPAN 2; SPAN SEQ A = SPAN 1+2 or SPAN 1A+1B+2A+2B or SPAN 1A+1B+2A+2B Transfer Status: CSU/UC* Degree Applicable: AA/AS COD GE: C3
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 3B*, 6A*

### SPAN-002B ELEMENTARY SPANISH 3 Units

This course builds upon the material presented in SPAN 2A and further develops the conversational skills in confirming and correcting information and using correct response behaviors. Fluency in understanding, speaking, reading and writing within the context of Hispanic society, history and culture is emphasized. Completion of SPAN 2A and SPAN 2B is equivalent to SPAN 2.

- **Lecture Hours:** 54
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN-002B CAN: SPAN 2; SPAN SEQ A = SPAN 1+2 or SPAN 1A+1B+2A+2B or SPAN 1A+1B+2A+2B Transfer Status: CSU/UC* Degree Applicable: AA/AS COD GE: C3
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 3B*, 6A*

### SPAN-003 INTERMEDIATE SPANISH 4 Units

This course strengthens the students’ communication skills in the spoken and written language. Emphasis is on the customs and culture of the Hispanic world. Hispanic literature is introduced.

- **Lecture Hours:** 72
- **Lab Hours:** 18
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** SPAN-002 or SPAN-002B CAN: SPAN 8; SPAN SEQ B = SPAN 3+4 Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: C3
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 3B*, 6A*
Courses of Instruction

**SPAN-004 INTERMEDIATE SPANISH  4 Units**
This course expands the students' ability to communicate in Spanish. Emphasis is on the discussion of socio-cultural selections and literature of the Hispanic-speaking world.
Lecture Hours: 72  Lab Hours: 18  Repeatable: No  Grading: L
Prerequisite: SPAN-003
COD GE: C3  CSU GE: C2  IGETC: 3B*, 6A*
CAN: None

**STDV: STUDENT DEVELOPMENT**

**STDV-010 CAREERS IN TEACHING  1 Unit**
This course provides students with an overview of the teaching profession. The course surveys the history of the teaching profession, nature of the work, career options, academic preparation, credentialing, and supply and demand for teachers. Career assessments and goal setting principles are utilized to help students formulate an educational plan. Students are required to complete a field based assignment requiring visitation to an approved educational institution. The course is designed for students considering a career in teaching.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050
COD GE: None  CSU GE: None  IGETC: None

**STDV-012 CAREER/LIFE PLANNING & PERSONAL EXPLORATION  3 Units**
This course is designed to cover theories and concepts of values, interests, skills, and personality as applied to the career and life planning process. It assists students to establish life, career, educational, and personal goals and to develop plans and strategies to meet those goals. Students may choose the credit/no credit grading option.
Lecture Hours: 54  Lab Hours: 0  Repeatable: No  Grading: L
Advisory: ENG-050 and RDG-050
COD GE: C2  CSU GE: E  IGETC: None

**STDV-049 CAREER DEVELOPMENT  ½ Unit**
This course assists students in the process of career decision making. The focus on self assessment and career information provides students with an on-going system for implementation of career goals.
Lecture Hours: 9  Lab Hours: 0  Repeatable: No  Grading: L
COD GE: None  CSU GE: None  IGETC: None

**STDV-053 STRATEGIES FOR COLLEGE TRANSFER  1 Unit**
This course provides students with a concrete plan for understanding and succeeding in transferring to a four-year college or university. Topics include the following: identifying long-term educational and career goals, using technology for college and career search (i.e., assist.org, Eureka), selecting a transfer institution, completing applications for transfer admission, and applying for financial aid and scholarships.
Lecture Hours: 18  Lab Hours: 0  Repeatable: No  Grading: L
Prerequisite: ENG-050
COD GE: None  CSU GE: None  IGETC: None

**STDV-055A PRINCIPLES OF STUDENT LEADERSHIP  2 Units**
This course assists students in improving leadership skills in student government and prepares them for future leadership positions and supervisor careers. Students observe and practice parliamentary procedures in ASCOD meetings. They study organizational structure and governance models in both the private and public sector. Course topics include interpersonal communication, decision-making, problem solving, goal setting, change management, time management, and team building through small group discussions, team activities, and committee participation.

**STDV-051A COLLEGE SURVIVAL SKILLS FOR EOPS STUDENTS  2 Units**
This course provides EOPS students with information critical to their success at COD. Student support services programs, EOPS and college expectations are discussed in detail. Students become familiar with the college as a whole and are able to ascertain what specific programs are useful to their own specific needs. Completion of the course prepares students for employment as a Peer Advisor or as a work-study student.
Lecture Hours: 36  Lab Hours: 0  Repeatable: No  Grading: L
COD GE: None  CSU GE: None  IGETC: None
### Chapter 9 - Courses of Instruction

**STDV-062  INTRODUCTION TO SCHOLARSHIPS**

This course introduces students to books, software and Internet sites that offer scholarships. Instruction is given on writing a personal statement, developing a scholarship résumé, requesting materials and letters of recommendation, completing application forms and creating appropriate thank you letters. Students are guided on setting up a system of organization of materials. Students may choose the credit/no credit grading option.

- **Lecture Hours:** 18
- **Lab Hours:** 27
- **Repeatable:** No
- **Grading:** O

**Prerequisite:**
- ENG-050

**Advisory:**
- Basic knowledge of the Internet, basic word-processing

TA-030 PLAY PRODUCTION - TECHNICAL 1 Unit
This course permits progressive participation and instruction in technical play production. Students have hands-on experience in execution of technical roles for actual productions, such as set construction, prop building, scene painting and running crew. Students learn the safe and proper use of power tools, and the various skills, and techniques used in technical theatre. Repetition of the course work will require the student to expand their focus in the various areas of technical theatre. May be taken for a total of four times.
Lecture Hours: 0 Lab Hours: 54 Repeatable: 3 Grading: L CAN: None Transfer Status: CSU/UC Degree Applicable: AA/AS COD GE: None CSU GE: None IGETC: None

TA-031 PLAY PRODUCTION - TECHNICAL 2 Units
This course permits progressive participation and instruction in technical play production. Students have hands-on experience in execution of technical roles for actual productions, such as set construction, prop building, scene painting and running crew. Students learn the safe and proper use of power tools, and the various skills, and techniques used in technical theatre. Repetition of the course work will require the student to expand their focus in the various areas of technical theatre. May be taken for a total of four times.

### Courses of Instruction

#### TA-050 THEATRE DANCE 1 Unit
This course includes progressive practical training in Ballet, Modern, Jazz and Tap for stage performance as well as basic theory and application of various choreographic techniques for musical theater productions. May be taken for a total of four times.

- **Lecture Hours:** 9
- **Lab Hours:** 27
- **Repeatable:** 3
- **Grading:** L
- **Advisory:** ENG-050
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None

#### TA-051 THEATRE DANCE 2 Units
This course includes progressive practical training in Ballet, Modern, Jazz and Tap for stage performance as well as basic theory and application of various choreographic techniques for musical theater productions. May be taken for a total of four times.

- **Lecture Hours:** 18
- **Lab Hours:** 54
- **Repeatable:** 3
- **Grading:** L
- **Advisory:** ENG-050
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None

#### TA-069A DRAMATIC LITERATURE 3 Units
This course presents a survey of the masterworks of the theater from the Greek classics to the Nineteenth Century. Students read and analyze the various elements of the plays in relation to their cultural background.

- **Lecture Hours:** 54
- **Lab Hours:** 0
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** ENG-050
- **Advisory:** ENG-051
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 3B

#### TA-069B DRAMATIC LITERATURE 3 Units
This course presents a survey of the masterworks of the theater from the Nineteenth Century to the present. Students read and analyze the various elements of the plays in relation to their cultural background.

- **Lecture Hours:** 54
- **Lab Hours:** 0
- **Repeatable:** No
- **Grading:** L
- **Prerequisite:** ENG-050
- **Advisory:** TA-069A
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS
- **COD GE:** C3
- **CSU GE:** C2
- **IGETC:** 3B

#### TA-070 DANCE, MODERN 1 Unit
This course provides beginning, intermediate, and advanced instruction in modern dance techniques as a vehicle for creating original movement. May be taken for a total of four times. (Equivalent to PE-050 & DANC-070.)

- **Lecture Hours:** 9
- **Lab Hours:** 27
- **Repeatable:** 3
- **Grading:** L
- **Transfer Status:** CSU
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None

#### TA-073 DANCE, MODERN (Jazz) 1 Unit
This course provides beginning, intermediate, and advanced instruction in jazz dance technique emphasizing optimum body placement and improved body mechanics and coordination. May be taken for a total of four times. (Equivalent to PE-053 and DANC-073.)

- **Lecture Hours:** 9
- **Lab Hours:** 27
- **Repeatable:** 3
- **Grading:** L
- **Transfer Status:** CSU
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None

#### TA-075 DANCE, TAP 1 Unit
This course provides beginning, intermediate, and advanced instruction in basic tap dance steps and simple choreography forms for the improvement of coordination and physical conditioning. May be taken for a total of four times. (Equivalent to PE-055 and DANC-075.)

- **Lecture Hours:** 9
- **Lab Hours:** 27
- **Repeatable:** 3
- **Grading:** L
- **Transfer Status:** CSU
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None

#### TA-076 DANCE, BALLET 1 Unit
This course provides beginning, intermediate, and advanced instruction in ballet technique, vocabulary, history, current events, and appreciation of ballet as an art form. May be taken for a total of four times. (Equivalent to PE-056 and DANC-076.)

- **Lecture Hours:** 9
- **Lab Hours:** 27
- **Repeatable:** 3
- **Grading:** L
- **Transfer Status:** CSU
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None

#### TA-080 THEATRE MAKE-UP 3 Units
This course teaches the basic principles and application techniques of theatrical, film, print, television and special effect make-up. It executes the learned skills in a laboratory atmosphere utilizing current sanitation rules and regulations as established by the state of California. Students create an accurate pictorial dictionary, a "morgue", and use it as a reference in creating makeup executions. Students learn to create characters from scripts using design, timeline plots, visual renderings and written descriptions. Students learn facial anatomy and its relationship to make-up placement and color. Students learn product knowledge, including how to access appropriate materials. Other topics include pre and post production responsibilities of a make-up designer/artist applicable to various venues. May be taken for a total of two times.

- **Lecture Hours:** 36
- **Lab Hours:** 54
- **Repeatable:** 1
- **Grading:** L
- **Transfer Status:** CSU/UC
- **Degree Applicable:** AA/AS
- **COD GE:** None
- **CSU GE:** None
- **IGETC:** None
Stage presence and performance techniques are emphasized. This course includes performance in a Musical Theatre production. May be taken for a total of four times.

**Prerequisites:** TA-092 or Audition

**Advisory:** MUS-022, TA-002, TA-050

**Transfer Status:** CSU/UC

**Degree Applicable:** AA/AS

This course introduces concepts related to the role of the vocational nurse, basic legal and ethical considerations, and communication and confidentiality. Using a nursing process format, the basic skills that maintain optimum wellness are presented. A foundation in normal growth and development and pharmacology are included with an emphasis on the special needs and health care concerns of the geriatric client. Students are introduced to alterations in the integumentary system.

Lecture Hours: 90 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: ENG-051, HEC-013, HS-062 and acceptance to the program
Corequisite: VN-001L & HS-067, if HS-067 not previously completed
CAN: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

This course provides an opportunity for the practice and application of skills needed to meet the geriatric clients' basic needs and the maintenance of optimum wellness. Students care for clients with common alterations in the function of the integumentary system. Learning experiences are provided in the on-campus lab and in the skilled nursing facilities. Emphasis is placed on introduction to the nursing process and client assessment. Students receive a credit/no credit grade mark.

Lecture Hours: 0 Lab Hours: 215 Repeatable: No Grading: K
Prerequisite: HS-062, HEC-013 and acceptance to the program
Corequisite: VN-001 & HS-067, if HS-067 not previously completed
CAN: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

Building on the concepts presented in VN-001, this course discusses content related to alteration in function of the musculoskeletal, respiratory, cardiac, peripheral-vascular, endocrine, upper and lower gastrointestinal, urinary, reproductive, and sensory/neurological systems, including cerebral vascular alterations. Students also care for clients with alterations in function related to surgery. Emphasis is placed on the nursing process and on client assessment. Students receive a credit/no credit grade mark.

Lecture Hours: 0 Lab Hours: 378 Repeatable: No Grading: K
Prerequisite: HS-067, VN-001 and VN-001L
Corequisite: VN-002 & PSY-001, if PSY-001 not previously completed
CAN: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

This course introduces students to team leading and the skills that licensed vocational nurses will need to be successful managers in selected health care settings. The theoretical content focuses on the health needs and identifiable responses of women, their partners, and families to real or potential health problems associated with childbearing and childrearing. In the second half of the semester, the developing fetus from conception to birth and acute alterations in the function of body systems for the pediatric client are covered.

Lecture Hours: 162 Lab Hours: 0 Repeatable: No Grading: L
Prerequisite: PSY-001, VN-002 and VN-002L
Corequisite: VN-003L
CAN: None
Transfer Status: None Degree Applicable: AA/AS
COD GE: None CSU GE: None IGETC: None

This course is a continuation of skills that were acquired in VN-001 and 002. Students apply concepts of team leading and management skills to care for clients of all ages. Students meet the needs for the hospitalized child and clients experiencing labor, delivery, and postpartum. Students receive a credit/no credit grade mark.

Lecture Hours: 0 Lab Hours: 378 Repeatable: No Grading: K
Prerequisite: PSY-001, VN-002 and VN-002L
Corequisite: VN-003
CAN: None
Transfer Status: None Degree Applicable: AA/AS

Guided by a profound belief in and respect for the inherent dignity and worth of each individual in the culturally diverse community we serve, the faculty at College of the Desert endeavor to:

♦ place as their highest priority excellence in teaching, continually striving to improve scholarly and professional competence, maintaining personal and academic integrity, and accepting the role of intellectual guide and facilitator;

♦ encourage the free pursuit of learning, honoring the confidential nature of the relationship between instructor and student, avoiding exploitation of students for private advantage, and holding before them high scholarly standards for their discipline and appreciation and respect for others;

♦ accept accountability for maintaining honest academic conduct, high standards of performance, and evaluation that reflects the true merit of students, courses, programs, and services;

♦ accept the obligations associated with membership in a community of scholars that includes practicing, fostering and defending intellectual honesty, freedom of inquiry and instruction, social responsibility, and respect for the opinion of others;

♦ acknowledge the rights and obligations associated with the role of citizen within the community ensuring that views expressed within that society are represented as those of a private citizen rather than those of a spokesperson for the College.

Professor, Auto Mechanics  
A.A. 1966, Laney College, California  
B.A. 1974, California State Polytechnic University, San Luis Obispo  
M.A. 1975, California State Polytechnic University, San Luis Obispo

MARIA G. De SANTIAGO (2004)  
Counselor, EOPS/CARE  
A.A. 1998, San Diego College  
B.A. 2000, University of California, Berkeley  
M.S. 2002, San Francisco State University

MILFORD CHARLES DECKER (1996)  
Professor, Computer Information Systems  
A.S. 1979, The University of the State of New York, Albany  
B.S. 1981, The University of the State of New York, Albany  
M.B.A. 1985, Golden Gate University, California

CLAUDIA LUCAS DERUM (1997)  
Reference Librarian  
A.A. 1968, Riverside City College, California  
B.A. 1971, California State University, Fullerton  
M.L.S. 1991, San Jose State University, California

DENISE DIAMOND (2002)  
Assistant Professor, English  
B.S. 1975, Lewis & Clark College, Portland  
M.Ed. 1993, National-Louis University, IL  
M.A. 1998, Framingham State College, MA

AMY L. DiBELLO (2002)  
Associate Professor, English  
B.A. 1990, University of Redlands  
M.F.A. 1993, University of California, Irvine

ANTHONY F. DISALVO (2006)  
Dean, Communication  
B.A. 1985, Rutgers, NJ  
M.A. 1987, Rutgers, NJ

STEVE E. DOSTAL (1985)  
Professor, Mathematics  
B.A. 1979, Humboldt State University, California  
M.A. 1984, California State University, Los Angeles

KIMBERLY S. DOZIER (2005)  
Assistant Professor, English  
B.A. 1991, University of California, Riverside  
M.A. 1994, California State University, Sacramento  
Ph.D. 1998, Illinois State University

CLAUDIA EBERLY (1973)  
Health Service Nurse  
B.S.N. 1972, Indiana University, Pennsylvania  
M.A. 1976, California State University, Long Beach

LINDA EMERSON (2005)  
Assistant Professor, Psychology  
B.A. 1995, California State University, SanBernardino  
M.A. 1998, California State University, SanBernardino

SAUNDRA EMERSON (1999)  
Dean, Health Sciences and Early Childhood Education  
B.S.N. 1970, University of Nevada  
M.S.N. 1992, University of Nevada

RON R. EVANS (1971)  
Professor, Art  
A.A. 1968, College of the Desert  
B.A. 1970, San Diego State University  
M.A. 1973, San Diego State University

JOSEPH C. FARMER (2000)  
MESA Program Director  
B.S. 1974, California State University, Fresno  
M.S. 1975, California State University, Fresno  
Ph.D. 1982, University of Arizona, Tucson

MICHELLE A. FERGUSON (2000)  
Cooperative Work Experience Coordinator  
B.S. 1990, Oregon State University  
M.Ed. 1994, Oregon State University

WENDY J. FLINT (1999)  
Contract Education Coordinator  
A.A. 1975, Clark College, Washington  
B.A. 1996, Marylhurst College, Oregon  
M.P.A. 1998, Washington State University  
Ph.D. 2004, Capella University

Chapter 10 - Faculty and Administration
MICHELE GAINES (2002)
Professor, Theatre Arts
B.A. 1971, California State University, Northridge

DAVID A. GEORGE (1986)
Professor
B.A. 1964, Arizona State University, Tempe
M.P.A. 1969, Syracuse University, New York
Ed.D. 1977, University of Massachusetts, Amherst

L. THOMAS GILLMAN (1989)
Professor, Computer Sciences
Coordinator, Virtual Valley Center
A.B 1966, Duke University, North Carolina
M.B.A. 1968, Stanford University, California

ADRIAN GONZALES (1998)
Dean, Student Support Programs and Services
B.A. 1994, University of California, Los Angeles
M.P.A. 1996, University of Washington

LAURA D. GRAFF (1996)
Associate Professor, Mathematics
B.S. 1993, California State University, San Marcos
M.S. 1995, University of California, Riverside

JO ANNE L. GRUNOW (2006)
Director, Nursing and Allied Health
A.A. 1968, Clemson University, Clemson, SC
B.S. 1976, University of South Carolina, Columbia
M.N. 1978, University of South Carolina, Columbia
Ph.D. 1991, Rush University Medical Center, Chicago

WILLIAM A. GUDELUNAS (1990)
Professor, Political Science and American History
B.S. 1967, West Chester State University, Pennsylvania
M.A. 1968, Lehigh University, Pennsylvania
Ph.D. 1973, Lehight University, Pennsylvania

GEOFFREY HAGopian (1989)
Professor, Mathematics
B.A. 1982, University of California, Santa Cruz
M.A. 1986, University of California, Davis

ELLEN T. HARDY (2002)
Associate Professor, Anthropology
B.A. 1981, University of California, Los Angeles
M.A. 1983, University of California, Los Angeles
Ph.D. 1992, University of California, Los Angeles

SANDRA D. HAUF (2005)
Counselor
A.A. 1999, San Bernardino Valley College
B.A. 1999, California State University, San Bernardino
M.A. 2001, University of Redlands

CYNTHIA HAY (2000)
Associate Professor, Nursing
A.S.N. 1978, Pacific Union College
B.S.N. 1982, Pacific Union College
M.S.N. 1986, California State University, Los Angeles

CRAIG C. HAYS (1997)
Professor, Health, Physical Education, Recreation & Athletics
B.A. 1979, California State University, Long Beach
M.A. 1996, California State Polytechnic University, Pomona

KHANH Q. HOANG (1998)
ACES Counselor
A.A. 1990, Cypress College, California
B.A. 1992, California State University, Fullerton
M.A. 1997, California State University, Dominguez Hills

JEANNE HOWARD (2006)
Director, Matriculation & Articulation
A.A. 1992, Citrus College
B.S. 1994, University of La Verne
M.S. 1998, University of La Verne

KATHLEEN HUDGINS (2006)
Assistant Professor, Nursing
B.A. 1981, California State University, Dominguez Hills
M.B.A. 1984, California State University, Dominguez Hills
M.S. 1999, California State University, Dominguez Hills

RICHARD L. IMMenHAUSEN (1966)
Professor, Business
B.S. 1955, Carthage College, Wisconsin
M.A. 1962, Sacramento State University

BINA S. ISAAC (1997)
Dean, Information Systems and Educational Technology (Chief Technology Officer)
B.A. 1978, Sarah Tucker College, Madurai Kamaraj University, India
M.A. 1980, Madurai Kamaraj University, India
M.Ed. 1981, University of Toledo, Ohio
M.B.A. 1985, University of Toledo, Ohio
Professor, Developmental Education
A.A. 1976, College of the Desert
B.A. 1978, Seattle Pacific University, Washington
M.A. 1982, Claremont Graduate School
M.A. 2002, California State University, San Bernardino

Maria C. Jasso (1996)
Counselor
A.A. 1981, College of the Desert
B.A. 1990, California State University, San Bernardino
M.S. 1995, California State University, San Bernardino

Patricia J. Keller (1995)
Professor, Nursing
B.S.N. 1968, St. Louis University School of Nursing
M.S.N. 1982, University of San Diego

elise d. king (1996)
Counselor
A.A. 1982, Pasadena City College, California
B.A. 1985, California State University, Fullerton
M.S. 1995, California State University, Fullerton

Daniel Kleinfelter (2005)
Assistant Professor, Mathematics
A.S. 1996, Grossmont College
B.A. 1999, San Diego State University
M.A. 2001, San Diego State University

Charles Douglas Kroll (2001)
Assistant Professor, History
B.S. 1971 U.S. Coast Guard Academy, New London, CT
M.Div. 1980, Luther Theological Seminary, St. Paul
M.A. 1985, University of San Diego
Ph.D. 2000, Claremont Graduate University

Monica Langella (1999)
Assistant Professor Vocational Nursing
B.S.N. 1995, Southern Connecticut State University

irene m. larsen (1995)
Associate Professor, Nursing
B.S.N. 1965, Hunter College of the City University of NY
M.S.N. 1993, Loma Linda University, California

Carol Lasquade (2005)
EOPS Coordinator/Counselor
A.S. 1981, Northern Essex Community College, MA
A.B. 1985, Smith College, MA
A.M. 1988, Mount Holyoke College, MA

Linda L. Lawliss (1998)
Associate Professor, English Composition
B.A. 1988, Brigham Young University, Utah
M.A. 1996, San Diego State University, California

Thang D. Le (2002)
Assistant Professor, Mathematics
B.A. 1996, University of California, Riverside
M.A. 1997, University of California, Riverside
Ph.D. 2002, University of California, Riverside

Kurt M. Leuschner (1999)
Associate Professor, Natural Resources
B.A. 1988, University of California, Santa Barbara
1994, Master of Forest Resources and Conservation, University of Florida

Dean, Center for Training and Development
B.A. 1981, California State University, San Bernardino
M.S. 1983, Chapman College

Dean, Enrollment Services
B.A. 1987, California State University, San Bernardino
M.A. 1991, California State University, San Jose

Assistant Professor, Ornamental Horticulture
B.S. 1988, California State Polytechnic University, Pomona

Gaither D. Loewenstein (2005)
Dean, Social Science and Arts
B.S. 1979, University of the Pacific, Stockton, CA
M.A. 1980, Wichita State University, Wichita, Kansas
Ph.D. 1983, University of Delaware

Juan M. Lujan (1989)
Dean, Off-Campus Programs
A.A. 1966, College of the Desert
B.A. 1972, University of California, Riverside
M.A. 1975, University of California, Riverside

Paul Maag (2000)
Alternative Media Specialist/Counselor
B.A. 1975, Seattle University
M.S. 2002, San Diego State University
Associate Professor, Physics
B.A. 1980, Hampshire College, Amherst, MA
Ph.D. 1993, University of California, Santa Cruz

Michael Manis (1985)
Professor, Business
B.A. 1965, Stanford University, California
M.B.A. 1970, Harvard University, Massachusetts

Anthony Manzoni (1986)
Professor, Golf Management

Frank Marfai (2005)
Assistant Professor, Mathematics
A.A. 1995, Glendale Community College
B.A. 1997, Occidental College
M.A. 2003, California State University, San Bernardino

Félix J. Marhuenda-Donate (2006)
Instructor, Mathematics
B.S. 1999, Universidad del Sagrado Corazon
M.A. 2006, University of California, Riverside

James I. Matthews (1997)
Associate Professor, Mathematics
B.S. 1992, University of San Francisco
M.A. 1997, University of California, Davis
M.A.T. 1997, University of California, Davis

D. Clayton Mayes (2003)
Associate Professor, Administration of Justice
A.A. 1968, East Los Angeles College
B.S. 1972, Pepperdine College, California
M.P.A. 1973, Pepperdine College, California

Counselor, International Education Program
A.A. 1993, College of the Desert
B.A. 1995, California State University, San Bernardino
M.A. 1997, California State University, San Bernardino

Assistant Professor, Mathematics
A.S. 1997, Santa Rosa Junior College
B.S. 1998, Sonoma State University
M.S. 2001, Cal Poly, San Luis Obispo

Nancy E. Moll (2002)
Associate Professor, Geology
B.A. 1976, The Johns Hopkins University
M.A. 1976, The Johns Hopkins University
M.S. 2000, University of Nevada, Reno
Ph.D. 1981, University of Washington, Seattle

Christopher E. Nelson (1996)
Coordinator, Academic Skills Center
A.A. 1979, San Diego Community College
B.A. 1982, University of California, Los Angeles
M.F.A. 1984, University of California, Irvine
M.A. 1988, University of California, Irvine

Ruth M. Nolan (1999)
Associate Professor, English Composition
A.A. 1985, Victor Valley College
B.A. 1988, California State University, San Bernardino
M.A. 1995, Northern Arizona University

Craig S. Norman (1991)
Associate Professor, English As A Second Language
B.A. 1986, California Lutheran University, Thousand Oaks
M.A. 1989, San Francisco State University
Ph.D. 2003, Claremont Graduate University and San Diego State University

Michael J. O’Neill (1990)
Professor, Special Education
Coordinator, Disabled Students Programs & Services
B.S. 1968, Edinboro State College, Pennsylvania
M.A. 1971, San Francisco State University

Reynaldo F. Ortiz (1978)
Counselor
B.A. 1971, University of San Francisco
M.A. 1981, California State College, San Bernardino
Ph.D. 2003, University of California, Riverside

Slavica Ostojic-Covert (2005)
Assistant Professor, Human Anatomy and Physiology
Doctor of Medicine, 1991, Universitet u Beogradu

Dean, Mathematics and Science
B.S. 1971, Dijon University, France
M.S. 1972, Dijon University, France
Doctorate de 3-ieme, Cycle, 1973, Dijon University, France
Ph.D. (Doctorat d’Etat) 1975, Dijon University, France
BS-MS (IFRICS) 1988, Clarkson University, Potsdam, New York

College of the Desert Catalog 2006-2007
Assistant Superintendent/
Vice President, Administrative Services
B.S. 1972, Southwest Missouri State University
B.A. 1976 Central Bible College, Springfield, MO
M.B.A. 1980, Southwest Missouri State University

JEFFREY W. PLACE (1997)
Professor, Turfgrass Management and
Ornamental Horticulture
A.A. 1973, College of the Desert, California
B.S. 1975, California Polytechnic University, Pomona

BARTLOMIEJ S. PODLESNY (2006)
Assistant Professor, Mathematics
B.S. 2002, California State Polytechnic University,
Pomona
M.S. 2004, University of California, Riverside

RICHARD W. POST (1974)
Dean, Applied Science and Business
Director, Vocational Education
A.A. 1967, College of the Desert
B.S. 1972, California State University, Hayward
M.B.A. 1973, California State University, Hayward
J.D. 1981, University of Laverne, California

DIANE NORTHROP RAMIREZ (1974)
Vice President, Student Services
B.F.A. 1967, Ohio State University
M.A. 1971, California State University, Los Angeles
Ed.D. 1987, University of Southern California

RICHARD W. RAWNSLEY (1999)
Associate Professor, Basic Writing Skills
A.A. 1976, College of the Desert
B.A. 1989, California State University, San Bernardino
M.A. 1995, California State University, San Bernardino

EDWIN A. REED (2006)
Assistant Professor, Speech
B.S. 1995, Bradley University, Peoria, IL
M.S. 1997, Illinois State University, Normal, IL

VICTOR RIOS, JR. (1999)
Professor, Sociology
B.A. 1974, Texas Arts and Industries University
M.A. 1977, University of Notre Dame, Indiana
Ph.D. 1983, University of Notre Dame, Indiana

DARLENE ROMANO (1988)
Professor, Music
B.M. 1970, San Francisco State University
M.A. 1972, San Francisco State University
D.M.A. 1994, University of Southern California

MARGARET K. ROSE (1994)
Associate Professor, Nursing
A.A. 1974, L.A. Pierce College, California
B.S.N. 1989, California State University, San Bernardino
M.S.N. 1997, California State University,
Dominguez Hills

ANNE G. SADDINGTON (1995)
Professor, Human Services and Sociology
B.A. 1985, University of California, Irvine
M.A. 1988, University of California, Irvine
Ph.D. 1994, University of California, Irvine

WENDY J. H. SANDERS (2005)
Professor, Early Childhood Education
B.S. 1974, University of Wisconsin, Madison
M.A. 2004, Bethel Seminary, St Paul, MN

FREDERICK SANGIORGIO (2006)
Counselor
A.A. 1997, Lake Tahoe Community College
B.A. 2000, California State University, SanFrancisco
M.S. 2003, California State University, San Francisco

RODNEY T. SCHILLING (2006)
Disabled Students Programs and Services
Counselor/Specialist
A.A. 1999, College of the Redwoods
B.A. 2001, California State University, Chico
M.S. 2003, California State University, Sacramento

STEVEN H. SCHMIDT (1999)
Associate Professor, Music
B.M. 1989, California State University, Fullerton
M.M. 1994, University of Southern California

TERRY L. SCHUKART (2002)
Dean, Physical Education and Athletics
B.S. 1970, Oregon State University, Corvallis
M.Ed. 1973, Oregon State University, Corvallis

HUSHANG SHAHIDI (1989)
Professor, Economics and Finance
B.S. 1969, Tehran University, Iran
M.A. 1973, Mankato State College, Minnesota
Ph.D. 1977, Colorado State University

College of the Desert Catalog 2006-2007
FAYE R. CASTILLEJA (1972-1994)
Professor Emeritus, Nursing
A.A. 1969, College of the Desert

JOHN R. COEFIELD (1963-1995)
Professor Emeritus, Health, Physical Education and Recreation
B.S. 1952, Slippery Rock State College of Pennsylvania
M.S. 1955, University of Oregon
Ed.D. 1964, University of Oregon

JOHN COLLIGAN (1987-1999)
Professor Emeritus, English and Reading, Copper Mountain Campus
B.A. 1956, La Salle College, Pennsylvania
M.A. 1957, La Salle College, Pennsylvania
M.A. 1962, Villanova University, Pennsylvania
M.A. 1968, Manhattan College, New York
Ph.D. 1974, Arizona State University

LUIIS CORONA (1975-2000)
Councilor Emeritus
A.A. 1959 Riverside City College
A.B. 1962, California State College, Long Beach
M.A. 1964, California State College, Long Beach

JOHN D. CRAIG (1972-1983)
Professor Emeritus, Engineering, Copper Mountain Campus
A.A 1975, College of the Desert

PAUL D. BOWIE (1970-2006)
Professor Emeritus, Biology and Botany
B.S. 1966, University of Redlands
M.S. 1970, University of Arizona

JUDITH BRAE (1988-2006)
Councilor Emeritus, Physical Disabilities
B.A. 1968, San Diego State University
M.S. 1975, San Diego State University

Professor Emeritus, English
A.B. 1964, San Francisco State College
M.A. 1970, University of Florida, Gainesville
Master of Letters, 2002, Middlebury College, Vermont

LaVONNE ABRUZZI (1987-1998)
Associate Professor Emeritus, Nursing
B.S.N. 1961, Jamestown College, North Dakota
M.A. 1996, California State University, San Bernardino

JOHN A. ANELLO (1980-1987)
Professor Emeritus, Music
B.A. 1950, Montclair State College, N.J.
M.A. 1967, Trenton State College, N.J.
Ed.D. 1972, Brigham Young University, Utah

JANICE BROWN BARNETT (1990-2000)
Coordinator Emeritus, Child Development Training and Resource Center
A.A. 1954, Sierra College, California
B.A. 1958, California State University, Los Angeles
M.A. 1975, University of Redlands

Professor Emeritus, Microbiology
B.S. 1956, Bowling Green State University, Ohio
M.S.Ed. 1961, University of Toledo, Ohio
M.S. 1967, Virginia State College

Professor Emeritus, Chemistry
B.S. 1943, Rutgers University, New Jersey
M.S. 1949, Purdue University, Indiana
Ph.D. 1974, University of Arizona

BARBARA ANNE BOLAÑOS (1971-1995)
Professor Emeritus, Sociology
A.A. 1967, College of the Desert
B.A. 1969, California State College, San Bernardino
M.A. 1970, University of California, Riverside

JUDITH BRAE (1988-2006)
Councilor Emeritus, Physical Disabilities
B.A. 1968, San Diego State University
M.S. 1975, San Diego State University

Professor Emeritus, English
A.B. 1964, San Francisco State College
M.A. 1970, University of Florida, Gainesville
Master of Letters, 2002, Middlebury College, Vermont

FAYE R. CASTILLEJA (1972-1994)
Professor Emeritus, Nursing
A.A. 1969, College of the Desert

JOHN R. COEFIELD (1963-1995)
Professor Emeritus, Health, Physical Education and Recreation
B.S. 1952, Slippery Rock State College of Pennsylvania
M.S. 1955, University of Oregon
Ed.D. 1964, University of Oregon

JOHN COLLIGAN (1987-1999)
Professor Emeritus, English and Reading, Copper Mountain Campus
B.A. 1956, La Salle College, Pennsylvania
M.A. 1957, La Salle College, Pennsylvania
M.A. 1962, Villanova University, Pennsylvania
M.A. 1968, Manhattan College, New York
Ph.D. 1974, Arizona State University

LUIIS CORONA (1975-2000)
Councilor Emeritus
A.A. 1959 Riverside City College
A.B. 1962, California State College, Long Beach
M.A. 1964, California State College, Long Beach

JOHN D. CRAIG (1972-1983)
Professor Emeritus, Engineering, Copper Mountain Campus
A.A 1975, College of the Desert

PAUL D. BOWIE (1970-2006)
Professor Emeritus, Biology and Botany
B.S. 1966, University of Redlands
M.S. 1970, University of Arizona

JUDITH BRAE (1988-2006)
Councilor Emeritus, Physical Disabilities
B.A. 1968, San Diego State University
M.S. 1975, San Diego State University

Professor Emeritus, English
A.B. 1964, San Francisco State College
M.A. 1970, University of Florida, Gainesville
Master of Letters, 2002, Middlebury College, Vermont
MARCELINO DIAZ, JR. (1972-2005)
Coordinator Emeritus, EOPS & CARE Programs Counselor
B.A. 1966, New Mexico Highlands University
M.A. 1969, New Mexico Highlands University
M.A. 1973, New Mexico Highlands University

WALLACE G. DOHMAN (1969-1992)
Professor Emeritus, English
Copper Mountain Campus
B.S. 1953, Winona State College, Minnesota
M.A. 1956, University of Minnesota

KAREN DOSTAL (1985-2006)
Professor Emeritus, Mathematics
B.S. 1983, Pacific Lutheran, Washington
M.S. 1985, California State Polytechnic University, San Luis Obispo

ROBERT F. ESCUDERO (1974-1987)
Professor Emeritus, Spanish
A.B. 1968, University of California, Los Angeles
M.A. 1969, University of California, Los Angeles
Ph.D. 1974, University of California, Los Angeles

CHARLES B. FLATT (1964-2001)
Professor Emeritus, Sociology and Philosophy
B.A. 1958, Pasadena College, California
M.A. 1959, University of Idaho

ELIZABETH BAILEY FRINCKE (1977-1998)
Professor Emeritus, Drafting and Interior Design
B.S. 1962, University of Tennessee
M.S. 1987, University of Tennessee

LEANORA R. FURR (1962)
Professor Emeritus, English
A.B. 1926, Washington University
A.M. 1928, Washington University
Ph.D. 1940, Cornell University, New York

JOSEPHINE GUERENA GALLEGOS (1967-2001)
Director Emeritus, Vocational Education
B.S. 1961, Arizona State College
M.A. 1966, Northern Arizona University

FRANK J. GARCIA (1968-1998)
Professor Emeritus, Health, Physical Education and Recreation
A.A. 1956, Diablo Valley Jr. College, California
B.A. 1959, Sacramento State College
M.A. 1965, Sacramento State College

DEEANN GERKEN (1992-2006)
Professor Emeritus, Nursing
B.A. 1968, John Carroll University, Ohio
B.S.N. 1982, Michigan State University
M.S.N. 1989, Azusa Pacific University, California

RICHARD OWEN GILlick (1975-1987)
Director Emeritus, Business/Institutional Services, Copper Mountain Campus
B.S. 1952, University of Wisconsin
M.S. 1973, Shippensburg State College, Pennsylvania

ALDEN N. GODFREY (1991-2006)
Adjunct Instructor Emeritus, Journalism
B.S. 1950, Boston University School of Public Relations
M.S. 1951, University of Minnesota

RALPH T. GRANNAN (1973-1997)
Professor Emeritus, Physics
B.A. 1959, University of California, Riverside
M.A. 1973, University of California, Riverside

CHARLES RONALD GREEN (1966-1997)
Dean Emeritus, Student Services and Relations
B.S. 1958, Brigham Young University, Utah
M.A. 1960, Arizona State University

EILEEN C. HACKETT (1993-2006)
Professor Emeritus, Nursing
B.S. 1966, New York University
M.A. 1970, New York University

EUGENE KENNETH HANSON (1969-1992)
Professor Emeritus, Philosophy and Religion
B.A. 1953, Westmar College, Iowa
M.A. 1970, Claremont Graduate School, California
M. Div. 1975, Luther Seminary, Minnesota
Th.D. 1978, School of Theology, Claremont, California

DONALD HARRISON (1971-1988)
Professor Emeritus, Business
A.A. 1951, Pasadena City College, California
B.A. 1956, University of Southern California
M.S. 1960, University of Southern California
Ed.D. 1981, United States International University, California
Professor Emeritus, Nursing
Division Chair, Health Sciences
Director of ADN, VN, CNA and EMT Programs
B.S. 1965, University of Washington, Seattle
M.N. 1968, University of Washington, Seattle

BEVERLY A. HARTNETT (1968-1994)
Professor Emeritus, Nursing
B.S. 1960, University of Washington
M.A. 1976, Azusa Pacific College, California

Professor Emeritus, Psychology
B.A. 1959, University of Utah
M.A. 1961, University of Utah
Ph.D. 1967, Brigham Young University, Utah

DEAN W. HOOVER (1973-1992)
Professor Emeritus, Reading
B.A. 1950, Drury College, Missouri
M.A. 1972, Adams State College, Colorado
Ph.D. 1973, University of Oklahoma

JAMES M. HOPP (1974-2001)
Professor Emeritus, English
B.A. 1967, University of Redlands
C. Phil. 1973, University of California, San Diego

JOSEPH B. IANTORNO (1974-1986)
Dean Emeritus, Student Services
A.A. 1949, Long Beach City College
B.A. 1952, California State College, Long Beach
M.A. 1953, California State College, Long Beach
Ed.D. 1969, University of Southern California

PHYLISS JONES (1987-1999)
Professor Emeritus, Nursing
B.S.N. 1973, Loma Linda University
M.S.N. 1975, Loma Linda University

MARIAN M. KATZ (1967-1992)
Professor Emeritus, Nursing
B.S.N. 1956, Walla Walla College, Washington
M.A. 1960, Walla Walla College, Washington

DORIS F. KELLY (1973-1987)
Professor Emeritus, Nursing

AUSTIN KILIAN (1970-1987)
Professor Emeritus, Art
Chairperson, Art
B.A. 1942, Augustana College, South Dakota
M.F.A. 1949, University of Iowa

WILLIAM A. KOHL (1976-2006)
Professor Emeritus, Art
B.A. 1962, Illinois Wesleyan University
M.F.A. 1965, University of Michigan

PAULA N. KROONEN (1984-2001)
Adjunct Instructor Emeritus, Japanese and ESL
A.A. 1956, Sacred Heart College, Japan
B.A. 1958, Western Washington College of Education, Bellingham
M.A. 1965, San Diego State College

WILLIAM R. KROONEN (1969-2001)
Superintendent/President Emeritus
A.A. 1958, University of California, Riverside
B.A. 1960, University of California, Riverside
M.A. 1966, University of New Mexico
Ed.D. 1974, University of Southern California

KEN LaMONT (1986-2006)
Counselor Emeritus
B.A. 1965, California State University, Northridge
M.Ed. 1966, Oregon State University, Corvallis

Professor Emeritus, English
B.A. 1954, University of Rhode Island
M.A. 1970, University of Tennessee

Professor Emeritus, Mathematics
Copper Mountain Campus
B.A. 1938, University of California, Los Angeles
M.S. 1941, University of Southern California

Professor Emeritus, Health, Physical Education and Recreation
Director, Athletics
Division Chair, Health, Physical Education and Recreation
B.S. 1963, Midland College, Texas
M.Ed. 1964, University of Arizona
ELEANOR MARTIN (1977-1989)
Counselor Emeritus
B.A. 1963, Baylor University, Texas
M.S. 1968, University of Southern California

ELIZABETH MARTIN (1979-1994)
Professor Emeritus, Nursing
B.S. 1962, Walla Walla College, Washington
M.S. 1970, University of California, San Francisco

JOHN W. MARZICOLA (1972-1985)
Professor Emeritus, Mathematics
B.S.M.E. 1967, University of Southern California
M.S.M.E. 1972, University of Southern California

Professor Emeritus, Psychology
B.A. 1961, Duke University, North Carolina
M.A. 1965, The American University, Washington D.C.
Ph.D. 1985, University of Maryland

ASHLEY T. McDERMOTT (1964-1999)
Professor Emeritus, Astronomy and History
B.A. 1961, San Diego State College
M.A. 1967, San Francisco State College

MARTIN McKELL (1965-1985)
Professor Emeritus, Business
B.A. 1959, University of California, Berkeley
M.A. 1963, George Washington University, District of Columbia

DONNA JOY McLAIN (1968-1996)
Professor Emeritus, Health, Physical Education and Recreation
B.S. 1958, Northern Illinois University
M.A. 1963, California State University, Long Beach

JOHN ROLLAND McMILLAN (1967-1982)
Director Emeritus, Admissions and Records Services
B.S. 1950, Grove City College, Pennsylvania
M.A. 1964, Arizona State University
Ph.D. 1970, Arizona State University

STEVEN R. McWILLIAMS (1971-2002)
Professor Emeritus, Geography and Anthropology
B.A. 1961, University of Colorado
M.A. 1966, University of Oregon

Professor Emeritus, History
Copper Mountain Campus
B.A. 1956, Westmar College, Iowa
M.A. 1964, University of South Dakota

GEORGE L. MEYER (1969-2002)
Professor Emeritus, Geology
B.A. 1961, University of California, Santa Barbara
M.A. 1967, University of California, Santa Barbara

ALFRED D. MILLER (1971-1993)
Counselor Emeritus
Copper Mountain Campus
B.A. 1958, University of Northern Iowa
M.A. 1960, University of Northern Iowa

JAMES A. MILLS (1973-1992)
Professor Emeritus, Administration of Justice
B.A. 1943, Erskine College, South Carolina
J.D. 1949, University of South Carolina

MATTEO MONICA III (1973-2006)
Counselor Emeritus, Financial Aid
A.A. 1968, College of the Desert
B.A. 1970, California State University, Northridge
M.A. 1971, California State University, Northridge

Counselor Emeritus
B.S. 1965, Manhattan College, New York
M.Ed. 1967, Teachers College Columbia University, NY
Ed.D. 1974, Teachers College Columbia University, NY

LINDA A. MORANTE (1993-2005)
Associate Professor Emeritus, English
B.A. 1966, College of Mt. St. Vincent, New York
M.A. 1982, Seton Hall University, New Jersey

HOVAK NAJARIAN (1966-1994)
Professor Emeritus, Art
B.S. 1952, Bob Jones University, South Carolina
M.A. 1957, Columbia University, New York

JOHN L. NORMAN (1962-1999)
Professor Emeritus, Music
B.A. 1950, Northeastern State College, Oklahoma
M.M. 1957, University of Oklahoma
Ph.D. 1968, Michigan State University
BETTY J. OEDING (1967-1992)
Professor Emeritus, Nursing
B.S. 1964, Loyola University, Chicago
M.S. 1967, Loyola University, Chicago

JAMES C. ONEY (1970-1997)
Professor Emeritus, Mathematics
B.S. 1962, New Mexico Western University
M.A. 1970, California State College, Long Beach

ROSEMARY ORTEGA (1972-2005)
Professor Emeritus, Developmental Education
B.A. 1971, San Diego State College

Dean Emeritus, Educational Services
Copper Mountain Campus
B.S. 1957, California State College, Pennsylvania
M.A. 1959, West Virginia University

Professor Emeritus, Mathematics
B.S. 1957, Illinois State University
M.S.T. 1965, University of Arizona
Ph.D. 1971, Arizona State University

WILLIAM H. PIVAR (1971-1994)
Professor Emeritus, Business
B.S. 1953, University of Wisconsin
J.D. 1965, University of Wisconsin

SAMUEL HART PLUMER (1975-1986)
Counselor Emeritus, Handicapped
B.S. 1943, Ohio State University
M.Ed. 1972, Bowling Green State University, Ohio

LANCE READ (1964-1996)
Counselor Emeritus
A.B. 1951, University of California, Los Angeles
M.Ed. 1958, University of California, Los Angeles

BRETT ROMER (1964-2002)
Professor Emeritus, Physics and Mathematics
Division Chair, Science and Mathematics
B.S. 1963, New Mexico Highlands University
M.S. 1964, New Mexico Highlands University

DAVID WILSON SALTER (1975-2004)
Professor Emeritus, Biology
B.S. 1964, University of Nevada
M.S. 1966, University of Nevada
Ph.D. 1970, University of Arizona

RHODA G. SCHWANKE (1973-1983)
Professor Emeritus, Nursing
Coordinator Emeritus, Student Health Service
B.A. 1967, Sacramento State College, California
M.A. 1971, Sacramento State College, California

GEORGE SMITH, JR. (1973-1994)
Professor Emeritus, Agriculture
B.A. 1950, Chico State College, California
M.S. 1976, California State Polytechnic University, San Luis Obispo

GWENDOLYN JEAN SMITH (1980-1992)
Professor Emeritus, Nursing
B.S.N. 1959, University of California, Berkeley
M.A. 1976, Azusa Pacific College, California

FERN D. STOUT (1964-1987)
Superintendent/President Emeritus
B.S. 1947, New Mexico State University
M.A. 1957 Eastern New Mexico University
Ed.D. 1962, University of New Mexico

JOHN C. TAMULONIS (1971-2004)
Professor Emeritus, Automotive Technology
A.A. 1971, Mt. San Jacinto Junior College, California

DONALD D. THOMPSON (1965-1996)
Professor Emeritus, Physical Education
A.A. 1953, Pasadena City College, California
B.S. 1961, Moorhead State University, Minnesota
M.A. 1962, University of South Dakota

NORMAN THU (1975-2001)
Professor Emeritus, Political Science
B.A. 1961, Moorhead State University, Minnesota
B.S. 1961, Moorhead State University, Minnesota
M.A. 1962, University of South Dakota

LESLEY TODD (1995-2006)
Professor Emeritus, Nursing
A.D.N. 1976, Los Angeles Valley College
B.A. 1972, California State University, Northridge
M.P.H. 1975, California State University, Northridge
CHRISTINE J. TOMLINSON (1976-1982)
Professor Emeritus, Music
A.A. 1941, Springfield College, Illinois
B.M. 1972, Redlands University, California
M.M. 1975, Redlands University, California

JOYCE WADE-MALTAS (1966-1999)
Professor Emeritus, English and Speech
B.A. 1954, Wilmington College, Ohio
M.A. 1956, Ohio State University
Diploma in Audio-Visual Aids, 1964, University of London, England
Ph.D. 1981, University of California, Riverside

Professor Emeritus, English and Composition
B.A. 1973, Stetson University, Florida
M.A. 1978, California State University, Fullerton

ANNE M. WALKER (1984-2005)
Adjunct Instructor Emeritus, Mathematics
B.S. 1971, University of California, Davis

DOUGLAS J. WALKER (1971-2005)
Professor Emeritus, Agriculture and Natural Resources
A.A. 1963, Bakersfield College, California
B.S. 1966, University of California, Davis
M.S. 1969, University of California, Davis

HARRY WALTHALL (1962-1994)
Librarian Emeritus
B.A. 1953, Ottawa University, Kansas
M.S. 1956, Kansas State Teachers College, Emporia

Coordinator Emeritus, Library Services
B.A. 1968, San Francisco State University
M.A. 1971, San Jose State University
M.L.S. 1988, San Jose State University

STAN Le ROY WILSON (1967-1994)
Professor Emeritus, Mass Communication and Journalism
A.A. 1955, Modesto Junior College, California
A.B. 1958, California State University, Fresno
M.A. 1966, California State College, Stanislaus
Ed.D. 1973, University of Southern California

COD has a legacy of excellent faculty members, the best of whom are inducted into the ranks of Faculty Emeriti upon retirement. John Norman, left, was one of the college’s original faculty when COD opened in 1962. The music professor retired in 1999.
HORTENSIA "SANDY" ALWAN (1984-2001)
Adjunct Instructor Emeritus, Spanish
B.A. 1960, University of Texas, El Paso
M.A. 1965, University of Arizona, Tuscon

MARION BLONDIS (1965-1976)
Professor Emeritus, Nursing
A.B. 1958, San Francisco State College
M.A. 1970, United States International University, California

DAN A. BURKE (1966-1985)
Professor Emeritus, Developmental Education
B.A. 1961, Arizona State University
M.A. 1964, Northern Arizona University

BRYAN R. BURRE (1973-2004)
Professor Emeritus, Biology, Anatomy and Zoology
A.B. 1956, University of California
M.S. 1966, San Diego State University
Ph.D. 1972, University of Stellenbosch, Cape Province, Republic of South Africa

EDGAR L. De FOREST (1962-1978)
Professor Emeritus, English and Speech
Theatre Arts Diploma, 1937, Leland Powers School of Theatre, Massachusetts
B.S. 1940, Boston University, Massachusetts
M.A. 1941, University of Southern California
Ph.D. 1955, Columbia University, New York

Professor Emeritus
Past Dean of Business Services
A.B. 1947, University of Redlands
M.A. 1953, Claremont Graduate School, California
Ed.D. 1957, University of Southern California

L. CAROLYN FISHER (1963-1982)
Professor Emeritus, Counseling
B.A. 1951, University of Redlands
M.A. 1963, Syracuse University, New York

WENDELL C. FORD (1965-1989)
Media Specialist Emeritus
B.A. 1956, San Jose State University, California
M.A. 1957, San Francisco State University, California

LAWRENCE FREDERICK (1962-1981)
Professor Emeritus, Mathematics
B.S. 1942, Pennsylvania State University
M.S. 1948, Iowa State University
Ed.D. 1955, University of Missouri

GEORGE D. GOODWIN (1962)
Professor Emeritus, Philosophy and Religion
A.B. 1939, West Virginia Wesleyan
D.D. 1956, West Virginia Wesleyan
S.T.B. 1942, Boston University, Massachusetts
S.T.M. 1952, Boston University, Massachusetts
Ph.D. 1965, Boston University, Massachusetts

ROBERT M. GRIFFIN (1966)
Professor Emeritus, Special Education
Coordinator of Special Education
Director, Reading Laboratory
A.B. 1935, University of the Pacific
M.A. 1939, University of California, Berkeley
Ph.D. 1943, University of California, Berkeley

ROY HUDSON (1962)
Professor Emeritus, Rhetoric and Public Address
B.A. 1948, Fresno State College
M.A. 1949, University of Oregon
Ph.D. 1953, Cornell University

EDWIN T. INGLES (1960-1974)
Professor Emeritus
Past Dean of Instruction, College of the Desert
A.B. 1929, Pacific University, Oregon
M.A. 1935, University of Oregon
Ed.D. 1947, University of Oregon

ROBERT B. JORDAN (1966-2004)
Professor Emeritus, Psychology
B.S. 1962, New Mexico State University
M.A. 1964, New Mexico State University

ROY MALLERY (1962)
Associate Professor Emeritus, Fine Arts
Chairman, Art
B.S. 1938 George Peabody College for Teachers
M.S. 1943, University of Oregon
Faculty Emeriti in Memoriam

J. R. MASTERS, JR. (1964)
Professor Emeritus, Speech
Director of Forensics
B.A. 1951, Humboldt State College
J.D. 1954, Williamette University
M.A. 1964, San Francisco State College

ROY C. McCALL (1959-1973)
Professor Emeritus
Past President, College of the Desert
Past Superintendent, Coachella Valley Community College District
A.B. 1930, University of Redlands, California
M.A. 1931, University of Iowa
Ph.D. 1936, University of Iowa

BARBARA McFADYEN (1965-1987)
Professor Emeritus, Political Science
B.A. 1944, University of Colorado
M.A. 1945, University of Colorado
M.A. 1957, University of Colorado
Ph.D. 1965, University of Colorado

KIM R. MILTENBERGER (1982-1999)
Adjunct Instructor Emeritus, Speech
B.S. 1978, Ball State University, Indiana
M.S. 1980, Southern Illinois University at Carbondale

KATHLEEN MUCHNIK (1972-1987)
Associate Professor Emeritus, Nursing
Assistant Chairperson, Nursing and Allied Health
B.S. 1971, Fairleigh Dickinson University, New Jersey
M.A. 1975, Azusa Pacific College, California

GEORGE J. NELSON (1963-1974)
Professor Emeritus, Chemistry
B.S. 1932, Andrews University
M.S. 1939, University of Colorado
Ph.D. 1947, University of Colorado

SEAMUS NUNAN (1962-1982)
Professor Emeritus, History
B.S. 1941, New York University
M.A. 1947, Columbia University, New York
Ed.D. 1958, University of Southern California

WILLIAM M. REESKE (1969-1999)
Professor Emeritus, English
Copper Mountain Campus
A.A. 1951, Mt. San Antonio College
B.A. 1957, Los Angeles State College
M.A. 1965, California State University, Los Angeles

Professor Emeritus, Business
B.S. 1947, Oklahoma State University
M.S. 1949, Oklahoma State University

ANTHONY A. SAIITTA (1967-1978)
Associate Professor Emeritus, Business
M.B.A. 1958, Air Force Institute of Technology
M.A.O.M. 1966, University of Southern California
M.S. 1967, University of Southern California

Professor Emeritus, Engineering Technology
M.S.E. 1967, Colorado State University

STEPHEN SIMONSEN (1979-1997)
Professor Emeritus, Communication
A.A. 1974, Chaffey College, California
B.A. 1976, Pomona College, California
M.A. 1978, California State Polytechnic University, Pomona
M.A. 1979, California State Polytechnic University, Pomona
Ph.D. 1988, University of California, Riverside

FREDERICK THON (1962-1974)
Professor Emeritus, Drama
A.B. 1931, Harvard University
M.F.A. 1940, Yale University School of Drama, Connecticut

RAYMOND L. TRAYNOR (1974-1987)
Professor Emeritus, Developmental Education
Copper Mountain Campus
B.A. 1946, Creighton University, Nebraska
M.A. 1966, San Francisco State University

FRANCES De LONG WILSON (1969-1984)
Professor Emeritus, Developmental Education
A.B. 1946, University of California, Berkeley

NOTICE OF DISCLAIMER

Every reasonable effort has been made to determine that everything stated in this 2006-2007 Catalog is accurate. Because this publication must be prepared well in advance of the period of time it covers, changes in some programs inevitably will occur.

Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the Desert Community College District or College of the Desert, and in addition, some courses or programs that are offered may have to be cancelled because of insufficient enrollment or because of elimination or reduction in programs or because of any other reason considered sufficient by the College President or designee.

The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies or procedures.
