Addition:
CHARLES HAYDEN (1983 – 2012)
Trustee Emeritus

JUAN LUJAN (1989 – 2012)
Director Emeritus, Education Centers
NEW ASSOCIATE DEGREE effective Fall 2013

POLICE SCIENCE

The Police Science program provides training for careers in law enforcement as well as related fields in corrections, probation, security and community service. The program offers one level of job entry training, as well as an Associate’s Degree designed to enhance professional skills and qualifications. The job entry training level is the Reserve Peace Officer Certificate of Achievement. This level consists of the Peace Officer Standards and Training (POST) certified Module III and Module II. Basic Peace Officer Training courses. Satisfactory completion of these courses establishes eligibility for hire as a Level-III or Level-II Reserve Peace Officer in the State of California.

With the Reserve Peace Officer Certificate of Achievement a Police Science Associate’s Degree is attainable with an additional 18 units of required courses, 18 units of General Education and 5 units of electives.

Basic Peace Officer Training courses are non-traditional courses subject to state regulations prescribed by the California Commission on Peace Officer Standards and Training (POST). Students desiring to enroll in any POST certified Basic Peace Officer Training courses must be 18 years of age, possess a valid driver’s license, be fingerprinted and present a Department of Justice signed clearance letter to possess a firearm on the first day of class. There are also certain physical and moral character requirements for peace officers. Students wanting to register for POST courses at COD who are unsure if they meet the POST requirements are urged to contact the Academy Director or designee prior to enrollment. Please refer to the COD website www.collegeofthedesert.edu for more detailed program information or call (760) 346-8041 Ext. 3765 or 3083.

NEW CERTIFICATE OF ACHIEVEMENT effective Fall 2013

BASIC FIRE FIGHTER CERTIFICATE OF ACHIEVEMENT

This Certificate provides individuals with the knowledge and skills to safely perform, under minimal supervision, essential and advanced fire ground tasks. These shall include basic rescue operations, auto extrication, basic fire suppression, prevention and investigation, a basic knowledge of the “Incident Command System” and an introduction to the potential dangers of hazardous materials. In addition, students will learn to use, inspect and maintain various types of firefighting and rescue equipment.

Completion of this Certificate satisfies the manipulative and academic training requirements as established by the State Fire Marshal to become certified as a Fire Fighter I.
