Important Information...

ACCREDITATION: College of the Desert is a public community college which is part of the state system in California. COD has full accreditation from the Western Association of Schools and Colleges (WASC). Founded in 1958, College of the Desert has been providing comprehensive programs that lead to university transfer as well as vocational programs for our 10,000 students.

OUR MISSION: The International Education Program (IEP) helps students achieve their educational goals by providing a program of comprehensive support services. The IEP actively supports initiatives that increase multicultural awareness for students, faculty and staff.

MEDICAL INSURANCE: Prior to registration, all international students must purchase the COD medical/health insurance plan. This plan is an accident and illness policy that will provide medical coverage for you while you are in the United States. Information regarding our health insurance plan can be obtained at www.studentinsuranceagency.com.

HEALTH CLEARANCE FORM: Students must submit a completed "Health Clearance Form" verifying Tuberculosis clearance and MMR vaccinations. A completed Health Clearance Form is required in order to register and attend classes at COD and the IEA. This form will be sent to you in the acceptance packet and should be submitted during the orientation program.

GUARDIAN STATEMENT: College of the Desert and the Intensive English Academy will review the admission of minors who have completed their secondary education on a case-by-case basis. We require students who are under the age of 18 to have a guardian over the age of 21 living in California. If you have completed your secondary education and are under the age of 18, you are required to have your parent and designated guardian submit a signed Guardianship Statement establishing legal guardianship. Please contact the International Student Office for more information.

DEPENDENTS: International (F-1) students are eligible to bring their dependents (spouse or children) into the United States. The dependent will be issued an I-20 and will enter on an "F-2 visa" which is affiliated with the F-1 visa. In order to be issued a dependent I-20, the international student must submit additional financial information in the amount of \$3000 per dependent verifying the ability to take care of the dependent. Please contact the International Student Office for more information regarding the process for bringing your dependent(s) with you.

FINANCIAL AID/SCHOLARSHIPS: F-1 students are not eligible for Federal or State financial aid and must be prepared to fully support themselves throughout their education at College of the Desert. Students who have completed 12 units at our institution can apply for scholarships that are available to COD students. Each scholarship offers different award amounts. Although most scholarships are academic/merit based, the requirements vary and students are encouraged to research their options when they arrive.

QUESTIONS: We are happy to answer any questions you may have regarding our programs and services. Most questions can be answered on our website at www.collegeofthedesert.edu/international. If you need additional assistance, please contact the International Student Office at cdelgado@collegeofthedesert.edu, telephone: (760) 776-7205 or fax: (760) 862-1361.
