Fall 2019

**Credit Status**

Credit - Degree Applicable

**Subject**

BPOT - Basic Peace Officer Training

**Course Number**

002

**Full Course Title**

Basic Peace Officer Training-Module II

**Short Title**

BASIC PCE OFCR M-II

**Discipline****Disciplines List**

Administration of Justice (Police science, corrections, law enforcement)

**Modality**

Face-to-Face

**Catalog Description**

This course is referred to as the Module II Academy and is designed to meet the minimum requirements of a Level II Reserve Officer as established by the Commission on Peace Officer Standards and Training (POST). It is the second of three components of the Regular Basic Course-Modular Format Academy required to become a full time peace officer. The Module II Academy is a discipline/stress oriented program with an emphasis on Community Relations, Physical Fitness, Cultural Diversity, Arrest Methods/Defensive Tactics, Investigative Report Writing, Chemical Agents training and Firearms/Shotgun training. In addition there are inspections, drill training (formation, facing movements, marching, etc.), and physical exercises (running, push-ups, sit-ups, jumping jacks, etc.). Recruits attend the Academy in full uniform. There is 1 knowledge based examination administered during the course that require a recruit to receive a passing score in order to successfully complete the Module II Academy. Students must also successfully pass Arrest Methods/Defensive Tactics and Firearms testing. There are a total of 268 hours required in this course. A materials fee of \$1,385.00 - \$2,078.00 is required for this course to cover uniforms and supporting gear. Check the program website for additional information.

Objective 5	Analyze the fundamentals necessary to understand the various aspects of police work.
Objective 6	Identify minimum competencies in police functions of most frequent occurrence.
Objective 7	Demonstrate the ability to safely use firearms.
Objective 8	Compare and contrast basic techniques for evaluating and analyzing occupational hazard situations and selection of appropriate response.
Objective 9	Analyze the principles of teamwork as a member of the criminal justice system.

### Student Learning Outcomes

Upon satisfactory completion of this course, students will be able to:	
Outcome 1	Perform the duties and responsibilities of a Police Reserve Officer - Level II in the State of California.
Outcome 2	Identify criminal statutes and their elements.
Outcome 3	Discuss proper application of safe and tactical firearm techniques.
Outcome 4	Identify proper application of the Constitution reference search and seizure.
Outcome 5	Identify proper application of arrest and control techniques.
Outcome 6	Identify the importance of cultural diversity and its impact on policing various communities.

### Methods of Instruction

Method	Please provide a description or examples of how each instructional method will be used in this course.
Demonstration, Repetition/Practice	During the Vehicle Stops, Arrest and Control, and Firearms sections, students have techniques demonstrated to them which they then repeatedly replicate during practice sessions.
Discussion	Students participate in facilitated small group discussions on lecture topics.
Laboratory	Students participate in hands-on learning activities during the Forensics and Crime Scene sections of training.
Lecture	Some basic sections require standard lecture technique supported by facilitated learning activities.
Other (Specify)	Drill and Pattern Practices, Reading P.O.S.T. Materials, Written Assignments, Cooperative Learning Tasks, Handouts.

### Methods of Evaluation

Method	Please provide a description or examples of how each evaluation method will be used in this course.	Type of Assignment
Written homework	Students are required to complete written homework such as their auto-biography and memorandums. These assignments are reviewed for spelling, grammar, and content and graded accordingly.	Out of Class Only
Student participation/contribution	Students are required to participate in specific activities such as the Wall Climb and Drill and Command. Students must complete each of these activities to successfully complete the course.	In Class Only
Mid-term and final evaluations	Final Evaluations: Students are required to pass a written test provided by the Commission on Peace Officer Standards and Training with a score of 80%.	In Class Only

Group activity participation/observation	Students are required to participate in team building activities such as Drill and Command, creation of a class flag, daily inspection, etc. Failure to participate in these group activities results in a failure of the course.	In and Out of Class
Presentations/student demonstration observations	Students are required to participate in the demonstration of learned techniques, such as Vehicle Stops, Arrest and Control, Firearms, and recitation of the Law Enforcement Code of Ethics. Students must successfully complete these presentations and demonstrations to successfully complete the course.	In Class Only
Other	Skills Practice, Reading textbook and other POST reading materials, Team building assignments, Research project.	Out of Class Only

### Assignments

#### Other In-class Assignments

1. Reading textbook and other POST reading material
2. Hands-on laboratory assignments
3. Written assignments

#### Other Out-of-class Assignments

1. Project Research
2. Manipulative Skills Practice
3. Team Building Assignments
4. Reading textbook and other POST reading material
5. Written assignments

#### Grade Methods
