Called to Order: 2:10 pm

The target date to launch the app is spring 2020. Gatekeepers of the app for future changes will be the Registrar (Curt Luttrell) and Vice President of Student Services (Jeff Baker).

What five applications do we want on the front page of the app?

Discussion on these suggestions:

- Campus maps
- List of programs at each campus
- Notifications
- Registration
- Security
- I Can Afford College
- Financial Support
- Student Services
- Qless
- Important Numbers

Recommendation:

1. Campus maps
2. Registration
3. Important Numbers/Campus Security
  - a. List security numbers for each campus at the top of Important Numbers

4. Notifications
5. Student Services (i.e., Counseling, Financial Aid, A&R, Student Health, EOPS, DSPS, program office hours)

Discussion on list on the next app page:

6. Canvas
7. Self-service
8. Qless
9. List of programs at each campus
10. Student Support Services (bus passes, CalWORKS, EOPS, parking permit, etc.)
11. Counseling

Discussions will continue on refining these lists.
