SHORT-TERM/OPEN ENTRY CLASSES

Regularly scheduled classes meeting less than the full length of the term, or self-paced classes in which students may enroll at various times throughout the semester. Short-term start/end dates can be viewed by clicking on the meeting information link in the section. Look for specific add and drop dates of a course on the College of the Desert homepage-titled Course Deadlines.

Printing your Class Schedule: Your Class Schedule can be viewed in Self-Service in the Student Planning tile. This will include your Academic Program. You may print according to your device - there is no print button. To pay or make payments in Self-Service, click on the Finance tile, then Student Finance for the various options available.

Notice of Disclaimer

Every reasonable effort has been made to determine that everything stated in this schedule of classes is accurate. Because this publication must be prepared well in advance of the period of time it covers, changes in some programs inevitably will occur.

Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Desert Community College District of College of the Desert, and in addition, some courses or programs that are offered may have been canceled because of insufficient enrollment or because of elimination or reduction in programs or because of any other reason considered sufficient by the College Superintendent/President or designee.

Open enrollment policy: Unless specifically exempted by statute, every course, course section, or class which is to be reported for state apportionment, is open for enrollment, and participation by any person who has been admitted to the College and who meets the student success requirements.

College of the Desert

is a two-year California State Community College with an enrollment of approximately 10,600 students per semester. More than 150 Associate degrees and certificate programs are offered.

Students may attend classes in Palm Desert, or off-campus at our East Valley sites in Indio, Mecca/Thermal or Coachella; at our West Valley locations - Palm Springs, and Desert Hot Springs, or through our "distance education" over the Internet.

The College first opened classes in 1962 and remains committed to providing high quality education to students in academic transfer, vocational and occupational, and high school completion programs, as well as basic skills education. All students who are high school graduates, or 18 years of age or older, and no longer enrolled in high school, are eligible to attend.

Located in the desert climate of the beautiful Coachella Valley, the Palm Desert Campus and East and West Valley locations offer enjoyable, educational experiences in year-round sunshine amidst palm trees and warm breezes.

Please contact us if we may be of assistance in your planning at (760) 346-8041.

Mission Statement

College of the Desert is an inclusive, student-centered community college providing high-quality degree, certificate, and transfer programs that are accessible, affordable, and responsive to the diverse needs of students and our community. By preparing workforce professionals and leaders, the College enhances the local economy, closes persistent equity gaps, and improves the quality of life in the Coachella Valley and surrounding communities.

Vision

College of the Desert will provide a culture of diversity, equity, inclusion, and social justice while continually improving community access to relevant training, certificates, degree programs, services, and transfer opportunities.

Values

We fulfill our Vision and Mission by creating and sustaining a community where all are welcomed and valued.

Recognizing the importance of diversity, we acknowledge the rich and unique contributions each person makes to achieve the Vision and advance the Mission of the College. To this end, the following Values will guide our actions:

Access: To fulfill our Mission and achieve our Vision, we commit to ensuring open access to educational opportunities.

Collegiality: We value the thoughts, words and actions of our students, colleagues, and community members. We encourage open dialogue, respectful dissent, and varying opinions in an inclusive forum. We pursue broad understanding, effective dialogue, and inclusive decision-making.

Diversity, Equity, Inclusion and Accessibility (DEIA):

We embrace the diversity of our community and uphold the dignity and worth of the individual. We strive to create safe, equitable, and accessible environments so individuals can learn, grow, and complete their educational goals.

Empathy: We listen to each other compassionately, with open minds, and without judgment.

Values (cont)

Fiscal Accountability: As good stewards of the public trust, we take thoughtful, intentional, and responsible action in allocating resources to fulfill our Mission and Vision. We anticipate and respond to dynamic fiscal conditions through ongoing evaluation, effective planning, reallocating existing resources with an equity lens, and developing and seeking new funds.

Innovation: We create an environment of empowerment, creativity, courage, and exploration to provide a unique student-learning-centered culture that fosters innovation.

Integrity: We take accountability for our actions and adhere to the highest ethical standards in all our professional and personal responsibilities. We communicate openly, honestly, and with authenticity.

Social Justice: We commit to a fair and equal society in which all people and groups are valued and affirmed. We embrace efforts to end systemic racism. We recognize the legacy of past injustices and promote actions in support of restorative justice and full implementation of human and civil rights. (Based on: John Lewis, Institute for Social Justice.)

Student Success: We commit to student learning, goal completion, personal fulfillment, and lifelong learning.

Enrollment Fee Deadline for Fall 2024

- Students are responsible for their tuition and fees. It is important for students to drop themselves by appropriate deadlines.
- Students registering on or after August 26 must pay enrollment fees prior to the last day to drop a course. A financial hold will be placed on all student records that have an outstanding balance for the term that will prevent subsequent registration until paid.
- Drops for non-payment will not be processed once courses begin. Drops for non-payment will not be processed once term begins.
- Students enrolled in courses they do not attend are responsible for enrollment fees and final grades if not dropped by the applicable course deadline. Students that have been awarded financial aid will not be dropped for non-payment.
- Petitions to drop past the deadline, or for refunds of courses not dropped by the deadline, will not be accepted if student fails to drop a course by the deadline.

PAYMENT PLAN OPTION

College of the Desert offers an optional payment plan to assist with the payment of enrollment fees. Please note there is a \$20 nonrefundable enrollment fee per semester for this service. For more information on the payment plan, please go to collegeofthedesert.edu Self Service, Finance.

Please note: Students are responsible for their class schedules and fee payments. Please check the accuracy of your class schedule by going to collegeofthedesert.edu Go to MyCOD, then Self Service.

The following terms are used throughout this Schedule of classes.

SECT/SYNONYM (in Self Service) - SECTION NUMBER:

Every class is identified by a 4-digit section number. This number is critical to correctly register in the section you have selected.

COURSE - COURSE CODE - The course code identifies the department and course level.

TITLE - COURSE TITLE - The course title is the descriptive name of the course.

U - UNITS - This is the number of credit units that will be earned by successfully completing the course.

SHORT-TERM CLASSES - Short-term classes are noted throughout the schedule with starting (First Meeting:) and ending dates (Last Meeting:) listed under the class title in **bold print**. Registration deadline dates for these classes will differ from the published deadlines for full-term classes.

CROSS-LISTED or EQUIVALENT SECTIONS - One or more like courses scheduled at the same time. Enrollments of all cross-listed courses are considered by the registration system, possibly showing "course is filled" when it seems there are available seats.

CLASS SECTIONS IN BOLD PRINT - Evening classes, beginning at 4:00 p.m. or later, are indicated in **bold print**.

TBA TIME - If hours are shown as 2.3 HOURS TBA, then 2 hours and 5 minutes weekly are required (usually lab) and are TO BE ARRANGED by the student during the time the appropriate lab facility is open.

Days -	Meeting Days:
M	MONDAY
MW	MONDAY & WEDNESDAY
T	TUESDAY
TR	TUESDAY & THURSDAY
W	WEDNESDAY
R or Th	THURSDAY
F	FRIDAY
S	SATURDAY
SU	SUNDAY
MTWR	MONDAY through THURSDAY
MTWRF	MONDAY through FRIDAY

CLASS MEETINGS - It is important that students attend the first class meeting, whether or not it is designated as a lecture or a lab, of each course in which they are enrolled.

IGETC courses in this schedule are printed in color, and the IGETC requirement satisfied by each course is listed along with each course prerequisites.

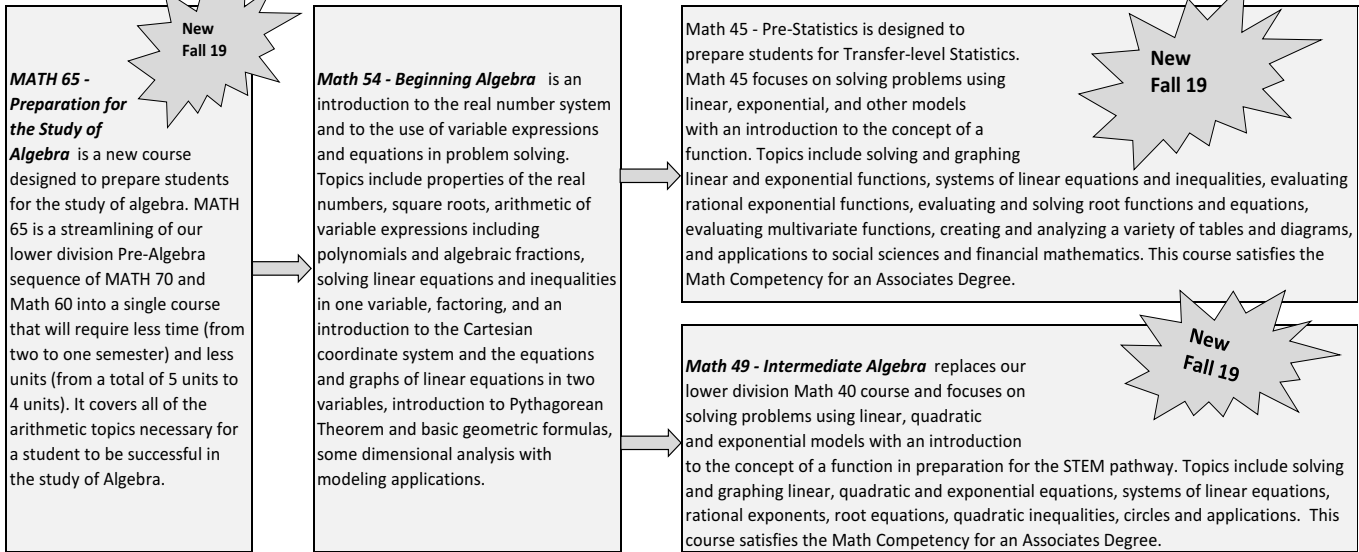

The symbol (▶) in front of a section number (▶2315) denotes an off-campus class.

Assembly Bill (AB) 705

The State of California has enacted a new law affecting community college students. Assembly Bill 705 requires colleges to maximize the probability that students will complete transfer-level English and math within one year. The assessment test for English and math will no longer be administered and all students can now directly enroll in transfer-level English and math courses.

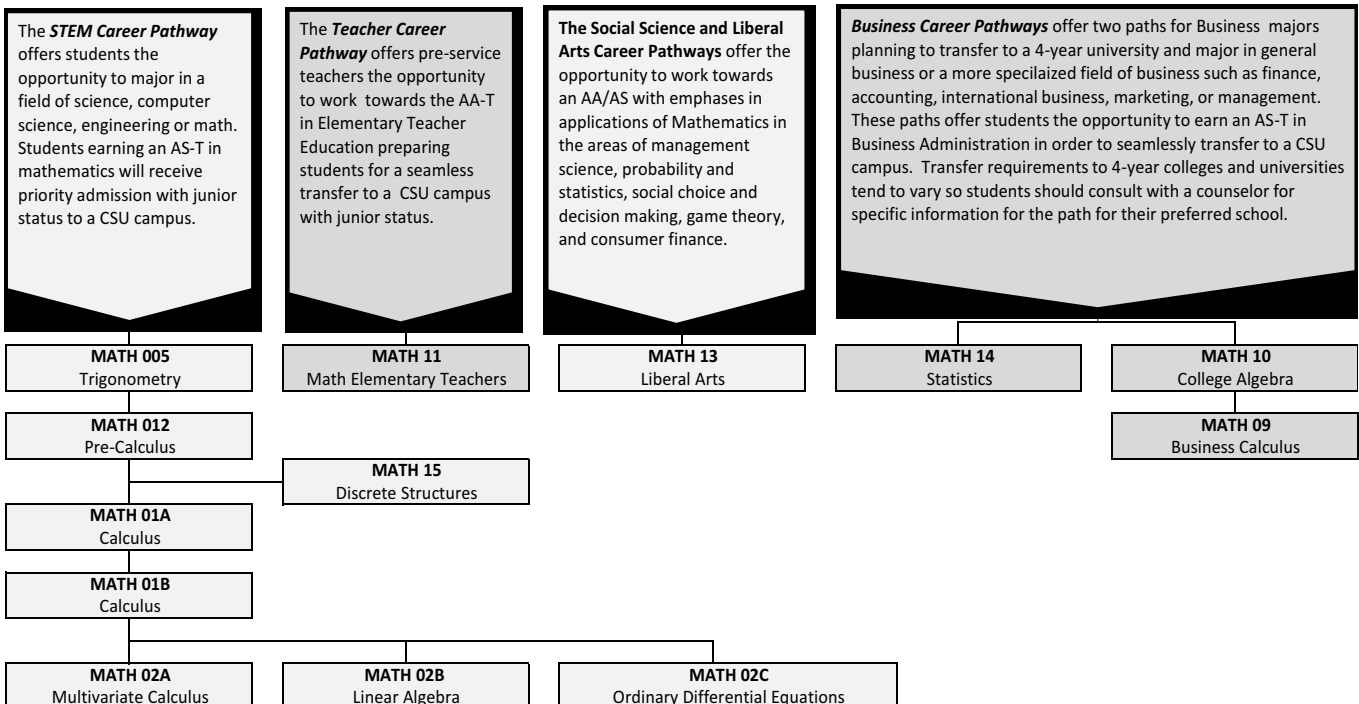

We recommend that you speak with a counselor before registration. Counselors can provide a multiple measures review of your preparation for transfer-level work. Counselors can also inform you about the particular courses that are required to meet your goal. Below is a description of the math courses and math sequences offered at College of the Desert.

Student Registration Has Changed

College of the Desert has transitioned from WebAdvisor to Self-Service for online student access. **Beginning Summer 2023**, students began to use Self-Service to add/drop courses, add themselves to waitlists, and utilize the add authorization process to enroll in closed courses. Important information on Self-Service has been placed in the student portal.

Students will still register according to their registration priority in the student planning area of Self-Service. An instructional How to Register video can be found on the student portal.

WebAdvisor will no longer be available and will be shut down on December 17, 2023.

The add code process has been replaced with Add Authorization via Self-Service to add a course during the *Add Authorization period*. Add Codes are not used.

Faculty, staff, and students may verify if a course requires approval to add a course (authorization to add) by using the tool below which is found in the Student Portal, Faculty Resource Webpage, and in the Catalogs & Schedules webpage.

In Self-Service, once the student receives instructor approval to add a course the authorized section will have a blue “Authorized for Add” flag on their schedule. When a student receives

instructor approval via Self-Service to add a course, the student will need to click the Register button to finish registering. Registration will process assuming all prerequisites and holds have been cleared.

Also, students should make sure to drop a course they have decided not to attend. Faculty are no longer required to drop during the semester. Not dropping a course will result in an FW grade.

1. **Full-term** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class in the same room as the regularly scheduled class location.

2. **Short-term** classes meet as regularly scheduled during final exam week. The final exam is held at the last class meeting.

3. **Off-Site day and night** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class.

4. **West Valley Off-Site** classes meet only once during final exam week, at the first regularly scheduled class starting time, for a two-hour exam.

5. **Saturday classes** meet as regularly scheduled during final exam week. The final exam is given during the last class meeting on Dec 14.

6. **Nursing/Health Sciences** exams are scheduled by Health Sciences.

7. All students are expected to complete a final examination for all their registered courses as assigned by their instructor. All examinations will, so far as practicable, be conducted in writing and a maximum time will be assigned before each examination. Students are required to take the final examination at the appointed time and place. Students who are in need of special accommodations should arrange this with their instructor well in advance of taking the final exam.

Students who miss a final exam due to unforeseen circumstances, such as a sudden illness, should provide documented evidence to the instructor if the student is seeking a make-up exam. Any challenge or exception to this policy must be approved by the Vice President, Student Services or the Vice President's designated representative.

What Is Work Experience Education?

College of the Desert's Work Experience Education is a unique academic program where students apply what they have learned in the classroom to a real work environment - all while earning college credit!

By enrolling in a Work Experience course, students will participate in experiential learning activities that will enhance their skill set and strengthen effective work habits. Additionally, students have the opportunity to be coached and mentored by a faculty advisor as a subject matter expert in the student's field of study.

All students who currently work, volunteer, intern, or that have a student worker or federal work study position are eligible to enroll. Credits earned are transferrable to the CSU system. Students may enroll in General Work Experience or an Occupational course based on the student's educational goal and current job-related duties.

General Work Experience (WEG-095A)

WEG – 095A is for students who currently have a position that **does not** relate to the student's occupational/educational goal. 1-5 credits of General Work Experience per semester can be earned per semester providing that the hour requirement is met (see chart on next page).

Occupational Work Experience (XXX-095A)

Occupational courses, such as: AUTO-095A, KINE-095A, BUHM-095A, etc. are for students majoring in the respective field and have a current position that directly aligns with the major/educational goal. If their current position **does** relate to their educational/occupational goal. 1-5 credits in any occupational work experience course can be earned per semester, providing that the hour requirement is met, see chart on next page. Here's a full list of [participating Work Experience programs](#).

Requirements

To enroll in a Work Experience course, students must:

- Have a declared major or career goal
- Have a job, internship, student worker, or volunteer position secured before enrolling
- Commit to the job/internship/volunteer position for the duration of the enrollment term (for example: 16-weeks, 12-weeks, or 8-weeks during summer)
- If you are not a current College of the Desert student, complete your [Application for Admission](#).

Earning College Credit

The number of credits students may earn is based on how many hours the student will work per semester. Use the table on the next page to determine up to how many credits can be earned based work hours. Note that some academic programs, such as Automotive Technology only require 2 credits of Work Experience, others more. See list of participating Work Experience programs to view number of credits required.

Once enrolled via Self Service, students must complete three learning objectives, required course assignments and forms. All course content can be found via Canvas 24/7. Work Experience courses meet a total of four times (Zoom meetings are acceptable).

If student is actively seeking an internship/job, take into consideration school schedule and time-management skills, along with the agency needs to determine hour commitment towards the internship/job throughout the semester.

Use the chart below to help you pre-determine up to how many units you may qualify to earn based on the number of hours you will complete. When registering via Self Service, you must choose from the drop-down menu to select the number of units you qualify for. There are no exceptions to the minimum hour requirement.

(54 hours per unit required)

Units	Total required hours	16 week average weekly hours	12-week average weekly hours
1	54	4	5
2	180	7	9
3	162	11	14
4	216	14	18
5	270	17	23

Available Sessions

- 16 Week Session (full semester) August 26 - December 16, 2024
- 12 Week Session (late starting) September 23 - December 16, 2024

What to Expect Out of a Work Experience Class

- Work Experience classes are non-traditional - the majority of the work is completed at the student's job site!
- Students meet a total of four (4) times during the course; two on campus with their Work Experience Instructor, and two at the student's job site with their Work Experience Instructor and supervisor. (Zoom meetings are acceptable).
- During the course, students will develop and work on three (3) S.M.A.R.T. goals/objectives and have the opportunity to apply and enhance the following 21st-century Employability Skills:
 1. Adaptability
 2. Self-Awareness
 3. Digital Fluency
 4. Communication
 5. Collaboration
 6. Empathy
 7. Analysis/Solution Mindset
 8. Resilience
 9. Entrepreneurial Mindset
 10. Social/Diversity Awareness
- Students will participate in a Final Job Site Evaluation where they will receive constructive feedback from their supervisor related to the completion of the three SMART goals and their application of the 10 Employability Skills listed above.
- All course content is available via Canvas 24/7. Students are expected to log-in on the first day of class.

Note: Due to schedule deadlines, Work Experience sections are not listed in this class schedule. See Self Service for available courses offered in Fall 2024.

Accounting

Do you know that Al Capone was caught by an accountant?

That's right; it actually wasn't Elliot Ness or his legendary team the "Untouchables" that brought the famous mobster to justice. It was a forensic accountant with the U.S. Treasury Department who put together the case for tax evasion that landed the bad guy behind bars.

Most students don't realize the variety of accounting jobs the profession has to offer. For instance, Forensic Accountants merge accounting with investigative legal work, Public Accountants are tasked with accounting, auditing, taxes, and consulting for both business and individuals, Management Accountants provide financial information to decision makers within a company, and Non-Profit/Government Accountants are employed by various public agencies to administer and maintain their financial records.

At College of the Desert students interested in pursuing a career in accounting can earn a Certificate of Achievement in Accounting or an Associate of Science Degree in Accounting. Our accounting program is designed to provide students with the knowledge and skills necessary for employment or advancement in the accounting profession.

Additionally, students can earn a Bachelor's Degree without ever leaving the desert!

Just complete the transfer AA Business Degree at COD and then finish the upper division accounting program at the Palm Desert campus of CSUSB.

Who knows? Maybe you will catch the next Al Capone!

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

**AIR CONDITIONING
HVAC**

The Air Conditioning/HVAC program is a well established curriculum and has long served the desert community by providing highly trained individuals to work in various businesses throughout the Coachella Valley. The program offers a Certificate and Associate of Science degree for employment preparation that is designed to provide a wide range of courses in order to best serve student needs.

In addition, required courses listed in this schedule are derived from the collaboration and dedicated efforts of members of a Technical Advisory Committee and other individuals experienced in the specific occupational areas.

Several certificate programs, as well as degree programs, are offered by the School of Applied Sciences and Business. Students are encouraged to meet with a member of the School's faculty to discuss certificate and/or degree programs prior to registration. It is also helpful for students to review available programs listed in the current College of the Desert Catalog.

Anthropology

Are you interested in biology AND humans?

Check out ANTH-001!

Have you ever wondered why we humans are the way we are? Want to learn more about human origins and evolution? Learn about your fellow primates including monkeys and apes. Curious about how humans walk on two feet and about human nutrition. Do you want to fulfill your science GE requirement, not requiring a lab? Take a look at these interesting classes.

Anthropology of Religion, Magic, Witchcraft, and Healing

Check out ANTH-007!

This course is an exciting and fascinating introduction to the anthropological study of religion, and examines the way religion is lived and practiced in diverse cultures, and the role of religious beliefs in human experiences of health and healing.

Why are people religious? What roles do religion and religious beliefs play in health and wellness?

Architecture/ Environmental Design Programs

Architecture/
Environmental Design programs have a common objective - to help prepare students to understand issues related to the betterment of the human physical environment. This format is accomplished by interrelated courses in Architecture, Applied Construction Technology, Landscape Design, Drafting/CAD, and Building Inspection Technology. These courses and programs endeavor to give students a technical background, a set of social values, and a range of occupational skills, which result in creative expression.

Applied Construction Technology

Students completing the certificate or degree requirements for the Applied Construction Technology curriculum will gain proficiency in basic residential construction techniques in conformance with the most current building codes. Competencies are assessed regularly by student performance in both the classroom and hands-on in the construction technology laboratory.

Should I take an Astronomy class, and if so, which one?

Have you ever wondered why and how the planets orbit around the sun? Have you thought about black holes and time travel? If so, then Descriptive Astronomy, A-001 or A-002 will give you an opportunity to learn the answers to all these questions plus learn how COD's state of the art, remotely operated 1-meter telescope at the Mary Reagan Observatory works.

Both A-001 and A-002 fulfill the natural science elective and will transfer to the UCs and Cal States. The only difference is A-002 is a (4) unit class that includes a laboratory component while A-001 is (3) unit lecture only class. Also, if you need a natural science elective with a lab, A-002 fills that requirement.

In addition to a natural science elective, these courses are also worthwhile for science majors who plan to pursue a career in Physics, Astronomy, Astrophysics or Space Science.

28 AUTO - BIO

BI 007 Biology of Mammals and BI 007L Biology of Mammals Lab

BI 007, Biology of Mammals, has been approved for use as a natural science general requirement by the UCs and Cal States.

Lecture and lab are two separate courses so if only lecture is required, the lab does not have to be taken. To take the lab, the lecture has to be currently or previously taken.

For science majors, It provides an additional biology course after completing BI 005 and BI 006.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

BI 005 Molecular & Cell Biology
and
BI 006 Biology of Organisms

are offered in the Fall and Spring

BI 005 & BI 006 are now articulated with UC Riverside as UCR's BIOL 5A, 5B & 5C if both BI 005 & BI 006 are taken at COD. BI 005 is not a prerequisite to BI 006; you may take them in any order.

COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

Why major in Business Administration?

An Associate's degree in business administration prepares graduates to begin or advance their careers in the business world. It can also be a major step towards completing a bachelor's degree. Careers in Business Administration cover a wide range of interests including general management, hospitality management, accounting, marketing, office administration, retail sales, and entrepreneurship.

Why choose the Retail Management Certificate?

The Retail Management Certificate can be completed in as little as one year and will provide you with the valuable skills needed to start or advance your career in the exciting retail industry. Whether you are new to retail or already work in retail, the Retail Management Certificate can be the difference that gets you the position or promotion you are seeking. Plus, the program is designed to meet the needs of the retail industry and is endorsed by leading retailers across the nation, including partner companies of the Western Association of Food Chains and the Food Marketing Institute.

Why choose the Human Resource Generalist Certificate?

This certificate will provide you with a thorough grounding of up-to-date human resource practices at the technical, operational, and strategic management levels. Whether you have HR experience or just want to build your career, our Human Resource Generalist Certificate is designed to prepare you for success.

Did You Know?

CH-001A and CH-001B
General Chemistry
are offered in both
Fall and Spring

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Did You Know?

Beginning in Fall 2023 CH-004 is becoming CH-007. Students who have already taken CH-004 will be allowed to register for BI-014, BI-015 and CH-005 and do not need to take CH-007.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

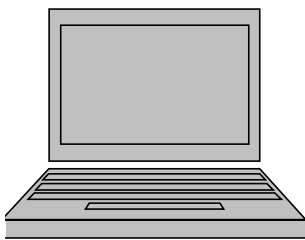

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

Canvas

College of the Desert's online program utilizes the Canvas learning management system software. Online classes are offered over the Internet in a variety of discipline areas, as indicated under the specific course listings in the Schedule of Classes provided each semester. Online courses are as transferable as regularly scheduled classes, have the same prerequisites as traditional face-to-face courses, and uphold identical standards of academic quality.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via email, electronic bulletin boards, and chatrooms. Individual classes may have additional prerequisites as specified in their online syllabi.

Fall classes are being held in person, synchronously via Canvas, or asynchronously.

Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

Distance Education

Fully Online Course**(FULLONLN)**

A Fully Online Course is delivered exclusively over the internet using Canvas. There are no class meetings on campus and all assignments and examinations are submitted online in an asynchronous manner. You must have ready access to a computer with Internet. Students enrolled in an online course should possess apt computer skills.

Proctored Online Course**(PROCONLN)**

All assignments and examinations in a Proctored Online Course will be submitted online in an asynchronous manner, but you will be required to take tests at a proctoring facility. Your instructor will provide proctoring accommodations at COD. Off-site proctoring services could be available at the discretion of the instructor. Contact the individual instructor to learn more about their off-site proctoring policy. You must have ready access to a computer with Internet. Students enrolled in an online course should possess apt computer skills.

Hybrid Course**(HYBRID)**

Hybrid Courses meet both on campus and online. A portion of the traditional face-to-face on campus meetings are replaced with online activities. The schedule of classes will indicate the times and dates of the meetings you are required to attend. Access to a computer with Internet access is required.

Web Enhanced Course

Web Enhanced Courses are traditional face-to-face classes that make routine use of the Canvas system. These courses hold all their meetings on campus. The instructor will post required course materials and/or activities online and may require assignments be turned in online. Access to a computer with Internet access is required.

DISABLED STUDENTS PROGRAMS & SERVICES (DSPS) 760 773-2534

DSPS at College of the Desert is committed to providing students with documented disabilities equal access to a community college education. Through the utilization of specialized instructional programs and disability related support services, DSPS encourages and fosters independence and assists students in attaining their educational and vocational goals.

DSPS course offerings will vary each semester. DSPS instructional support trainings and lab assistance are offered both virtually and in person through the High Tech Center. The High Tech Center provides students access to adaptive hardware and software to support their academic needs.

WorkAbility III is a jointly funded program between the State Department of Rehabilitation and California Community Colleges to assist students/clients with disabilities in job placement.

Adapted Kinesiology classes are offered during some terms for students with disabilities. Adapted courses can include: Tennis, Badminton, Golf, Yoga, Physical Activity (weight training and fitness), and Fitness Aquatics.

New Course in Fall 2024

English Composition Plus ENG-001X

This course focuses on the elements of academic writing, including genre, audience, purpose, and argumentation.

Students learn critical thinking, textual analysis, and research techniques, as they apply to the writing process. They will compose essays using proper documentation, following MLA and/or APA rules.

This course also includes a laboratory component during which students will work on reading and writing assignments and will practice academic literacy skills that are directly linked to essay and other assignments.

Offered in person at the Palm Desert and Indio campuses.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via Canvas.

The pEDGE program provides 2024 high school graduates (or equivalent) from the Coachella Valley with two full years of tuition and fees at College of the Desert!

Participating students will complete at least one EDGE non-credit course to prepare for college and college-level coursework or a credit summer course to be eligible for pEDGE. EDGE non-credit courses: English EDGE (ENG-300), Math/Statistics EDGE (MATH-300 or SOC-300), or Student Development EDGE (COUN-300).

Students must also have a completed Financial Aid file, commit to full time enrollment, maintain good academic standing and participate in career preparation and community service. For more information, please contact the pEDGE office at (760) 636-7970 or edge@collegeofthedesert.edu

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering three ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

**English As A
Second Language
Non-Credit (ESLN)**

The English as a Second Language Non-Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory as needed.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Students may register in person for all ESLN classes. Registration is on an open entry, space available basis. Please call (760) 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios se determinará el nivel en que se le coloque. Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información llamar al (760) 776-7348.

** Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

62 ESLN - ETHN

Ethnic Studies

Ethnic Studies is the interdisciplinary study of race and racism utilizing intersectional, comparative, relational, and transnational approaches that focus on the histories, experiences, cultures, and struggles of historically minoritized ethno-racial groups in the United States.

The field focuses primarily on Indigenous/Native American studies, Black/African American studies, Latinx/Chicanx studies, and Asian American/Pacific Islander studies, while also engaging in analysis of other racialized ethnic groups in the U.S.

Ethnic Studies also investigates how race and ethnicity intersect with class, gender, ability, and sexuality in order to help students develop a critical understanding of the complex and intersecting historical struggles and movements for social transformation, resistance, and liberation in the U.S. and beyond.

Fire Technology

College of the Desert offers courses in the Fire Technology field that will count toward a certificate or Associate in Science Degree. These courses are designed for students that plan to transfer to a four-year institution, gain employment in the Fire Technology field or as a refresher for those currently employed in some area of Fire Technology. The approved list of courses include those accredited by the California Fire Service Training and Educational System for State Board of Fire Technology certification.

Basic Firefighter Academy BFFA 063A Part 1

FIRE-063A (Basic Firefighter Academy Part 1) is the first required course of a sequential two semester accredited SFM Basic Firefighter Academy designed to provide fire cadets with a basic knowledge of fire service operations and the entry level skills required by most fire departments.

Successful completion of both FIRE-063A and FIRE-063B Basic Firefighter Academy are required to be eligible to receive the State Firefighter I Certificate.

Additional information may be obtained by contacting the Fire Academy Coordinator.

Due to schedule deadline, BFFA-063A is not listed in this class schedule, however it will be in Self Service and available for registration for Fall 2024.

G 010 : The Earth Sciences and G 001: Physical Geology

The Earth Sciences (G-010) is intended for students with a strong science background. This rigorous, fast-paced course is a survey of astronomy, meteorology, climatology, oceanography, and geology.

Physical Geology (G-001) serves as an introduction to the field for majors and those looking to fulfill their general education requirement. Subject matter for this course includes Earth materials and processes such as minerals, rocks, plate tectonics, earthquakes, and volcanoes.

The lecture and lab for both courses are designed to fulfill the natural science elective and have been accepted for transfer to the UC and CSU systems in addition to meeting the requirements of IGETC.

Due to the demanding course load of The Earth Sciences (G-010), the Physical Geology (G-001) may be a better option unless G-010 is required for certificate or degree completion.

**Global Studies
GS 010
Introduction to
Globalization**

Students pursuing a degree in Global Studies will acquire a broad knowledge of the interdisciplinary field of global studies. Students will understand the impact of globalization on politics, culture, and economics. They will also assess key global issues, including but not limited to, the environment, human needs, human rights, population growth and migration, economic development, and global governance.

Golf Management

Interested in joining the eighty-four-billion-dollar golf industry? Take classes in the Golf Management Program at COD, where you can build the skills and knowledge necessary to become a golf professional running the day to day golf operation at one of the Coachella Valley golf courses.

Learn how to teach golf and give lessons that will improve the golf games of your own students, and work on the fundamentals of your golf swing. Find your niche in a wonderful career where your work will feel like play and receive hands on training from PGA Certified Professionals.

Golf management is the study of all aspects pertaining to the operation and the responsibilities of the golf professional in managing a public or private golf facility. Career paths chosen by students pursuing Associate of Arts Degree in Golf Management commonly include assistant golf professionals, head golf professionals, teaching professionals, as well as merchandising and membership sales at public and private facilities. Learn the foundations that will help you on your journey to becoming a PGA Professional.

**General Nutrition
HS-013
You Are
What You Eat!**

General Nutrition is a study of the chemical composition of foods and how the body utilizes those foods. How does good nutrition and diet relate to physical and mental health? These are just some of the topics covered. Students learn valuable consumer information, including how to read food labels and use the USDA Food Guide. Students will explore personal lifestyle habits and evaluate how closely they meet the newest Dietary Guidelines for Americans.

General Nutrition is a class you can't live healthy without taking. Offered in Fall online, in person and and hybrid.

**CRIMINAL
BACKGROUND
CHECK
REQUIREMENT**

College of the Desert Health Sciences courses with patient care contact in a JCAHO accredited facility require criminal background checks of enrolled students. This is a national standard for health care facilities designed to protect the health and safety of its patient population. The student shall be responsible for paying a criminal background check fee of up to \$60.00 at registration. A Social Security card is required.

PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Maker Space

Are you familiar with maker-spaces? Do you like to tinker? Enroll in one of the MAKR courses this fall and explore your creative side.

MAKR 700 will teach about the history of makerspaces and allow students to take their ideas and bring them to life.

MAKR 301/302 will provide students the opportunity to train on the equipment available in the COD makerspace called Roadrunner Makers. The maker movement welcomes students of all majors!

COD-registered students are provided free access to Roadrunner Makers, so come visit South Annex-4 during our open lab hours:

- Tuesday: 1:00 pm - 3:15 pm
- Wednesday: 1:00 pm - 3:15 pm

MyMathLab/
Math XL,
Enhanced Web Assign

provides a rich and flexible set of course materials in mathematics and statistics. Students can use online tools, such as video lectures, animations, and a multi-media textbook to independently improve their understanding and performance.

When purchasing materials, students should check in the bookstore to determine if any of the above systems are required for their class(es).

Stay on task in Math and Science with TASC Tutors! Tutoring support for Math and Science is offered in the Tutoring and Academic Skills Center located in the Hilb building, 2nd floor or call (760) 776-7241 for more information.

Have you heard about **CANVAS**?

Curious what it is? CANVAS is COD's Learning Management System.

If you take online classes or use CANVAS in any of your face-to-face classes, then you need to learn about CANVAS!

CANVAS has a variety of resources to help you and you can find everything you need to get started at:

<http://www.collegeofthedesert.edu/canvas>

Get your CANVAS on now!

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Gender and Sexual Diversity Pride Center

College of the Desert proudly supports our LGBTQIA+ campus community.

A variety of services and programs are offered through the Gender and Sexual Diversity (GSD) Pride Center located in South Annex 5 of the Palm Desert campus and through the GSD Pride Center's Canvas group. The college also has over 130 Safe Zone trained faculty and staff, as well as an active Sexuality and Gender Alliance (SAGA) student club.

For more information about LGBTQIA+ student programming, counseling services, financial support, community connections and other resources, please contact the GSD Pride Center at gsdpridecenter@college-ofthedesert.edu

86 NURS**PATIENT HEALTH CARE**

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Fall Textbooks \$5.00

**College of the Desert
Textbook Rental
Pilot program**

Select textbooks available for rent for \$5.00.

College of the Desert is launching a textbook rental pilot program to make education at COD even more accessible and affordable.

Thanks to the generous donations of the COD Friends of the Library and Lisa Wendel Memorial Foundation, select textbooks will be available for rent for \$5. The Rental Assistance Program is making select books available for \$5 for the Fall 2024 semester.

For further information, please contact the Bookstore at (760) 773-2564.

COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

Evening Classes appear in BOLD print throughout this schedule

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center (TASC) provides students with many academic resources to help them succeed in their courses. Students can seek help at any TASC location (Palm Desert, Indio, Palm Springs, Mecca/Thermal, and Coachella) for academic skill support. Services include Canvas and student portal navigation, computer and technology help, study skills advice, and campus resource referrals. Students can also find study spaces and computers equipped with webcams and academic software (Office, SPSS, etc.) at each location.

For students looking for more specific subject support, they can work with peer tutors at the Palm Desert and Indio TASC sites. All TASC tutoring is drop-in; no appointments needed. To view tutoring subject offerings by campus, tutor schedules, and online tutors' Zoom links, visit the TASC Tutoring Schedules page on the TASC Canvas.

Finally, NetTutor is available as additional virtual support. From the NetTutor Student Hub page, students can view all available tutoring options, including drop-in or by appointment.

Have questions about TASC resources? Feel free to call (760) 776-7241.

COD Roadrunner Radio

The national award-winning COD Roadrunner Radio provides students with opportunities to dream up new and innovative ideas for radio programs and podcasts while gaining hands-on broadcasting and producing experience.

The station plays a variety of music and discovers new artists for your college radio soundtrack. Students participate in broadcasting, radio production, podcasting, events, management, news, sports, programming, social media, deejaying, and more using the latest in digital audio technology.

Join the team by enrolling in the RTV-007 Radio Production classes, RTV-005 Broadcast Writing and/or RTV-002 Broadcast Announcing.

COD Roadrunner Radio is streaming 24/7. You can listen at codroadrunnerradio.com or on the TuneIn App.

COD Roadrunner Radio also offers internships through the Work Experience academic program at College of the Desert. If you are looking for a career in media, you can develop your skills working at the station while earning college credit.

For more information contact Radio Manager Scott Colwell at scolwell@collegeofthedesert.edu

What Spanish Courses to Take

The following information will help you select the Spanish course you need to take according to your proficiency level.

Spanish as a Foreign Language Track

A student can take Spanish as a Foreign Language if he/she is a native speaker of English or another foreign language. If a student has never taken Spanish, he/she must be enrolled in SPAN 001-Elementary Spanish I (5 units). If a student has taken 1, 2, or more years of Spanish in high school or another institution, he/she may take the Spanish placement exam to determine his/her proficiency level. He/she may be placed in SPAN 002-Elementary Spanish II (5 units), SPAN 003-Intermediate Spanish I (4 units), or SPAN 004 – Intermediate Spanish II (4 units).

Spanish for Heritage Speakers Track

A student can be considered as a heritage speaker of Spanish if Spanish and English are spoken at home and/or Spanish is spoken very often. If a student can ask and answer questions orally in Spanish but he/she does not know how to read and write in Spanish, he/she must be enrolled in SPAN 021-Spanish for Heritage Speakers I (5 units). If a student can ask and answer questions orally in Spanish and have basic knowledge of how to read and write in Spanish, he/she must be enrolled in SPAN 022-Spanish for Heritage Speakers II (5 units).

Spanish Placement Test

To ensure the correct placement in a Spanish course, students can self-enroll in the Spanish Placement Test on CANVAS on April 8, 5:00pm-7:00pm, April 26, 5:00 pm-7:00pm, May 6, 5:00pm-7:00pm, May 17, 5:00pm-7:00pm, June 3, 12:00pm-2:00pm, June 7, 12:00pm-2:00pm, August 19, 5:00pm-7:00pm, August 28, 5:00pm-7:00pm, September 11, 5:00pm-7:00pm, October 9, 5:00pm-7:00pm, November 13, 5:00pm-7:00pm, December 4, 5:00pm-7:00 pm. PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Did You Know?

Beginning in Fall 2023 CH-004 is becoming CH-007. Students who have already taken CH-004 will be allowed to register for BI-014, BI-015 and CH-005 and do not need to take CH-007.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Students at off-campus sites should allow sufficient travel time to arrive on time and remain for the duration of the class. Non-Participation and excessive absences may be grounds for being dropped from a course.

Emergency Medical Technician

An Emergency Medical Technician (EMT) is an emergency responder trained to provide emergency medical care to the critically ill and injured. Depending on where they work, EMTs may be solely responsible for the treatment and transportation of their patients.

EMT 084 provides students with the medical knowledge and skills to become an EMT. Competencies are assessed regularly by student performance in the classroom, in the hands on skills lab and during the clinical and field internship.

Students successfully completing the course will be eligible to take the National Registry Emergency Medical Technician exam and become a nationally certified EMTs.

This course meets the EMT prerequisite for the Basic Firefighter Academy.

English As A Second Language Non-Credit (ESLN)

The English as a Second Language Non-Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory as needed.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Students may register in person for all ESLN classes. Registration is on an open entry, space available basis. Please call (760) 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios se determinará el nivel en que se le coloque. Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información llamar al (760) 776-7348.

** Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

Students at off-campus sites should allow sufficient travel time to arrive on time and remain for the duration of the class. Non-Participation and excessive absences may be grounds for being dropped from a course.

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center (TASC) provides students with many academic resources to help them succeed in their courses. Students can seek help at any TASC location (Palm Desert, Indio, Palm Springs, Mecca/Thermal, and Coachella) for academic skill support. Services include Canvas and student portal navigation, computer and technology help, study skills advice, and campus resource referrals. Students can also find study spaces and computers equipped with webcams and academic software (Office, SPSS, etc.) at each location.

For students looking for more specific subject support, they can work with peer tutors at the Palm Desert and Indio TASC sites. All TASC tutoring is drop-in; no appointments needed. To view tutoring subject offerings by campus, tutor schedules, and online tutors' Zoom links, visit the TASC Tutoring Schedules page on the TASC Canvas.

Finally, NetTutor is available as additional virtual support. From the NetTutor Student Hub page, students can view all available tutoring options, including drop-in or by appointment.

Have questions about TASC resources? Feel free to call (760) 776-7241.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Self Service

College of the Desert has transitioned to a new way of registering and making changes to your class schedule.

Self Service is available for Summer and Fall registration.

Check out the information on page 9 of this class schedule. Watch the COD website for more details.

Directions to: **COD - Desert Hot Springs** located at the Edward Wenzlaff Education Center, 11625 West Drive.
