TRIO
Programs

We welcome COD students who plan to graduate and transfer to four year universities to apply to the TRIO SSS Academic Counseling and Educational Services (ACES) program.

The ACES Program Mission Statement:

"To assist first generation, and low-income students, and college students with disabilities, in the graduation and transfer process from College of the Desert, and to strengthen their preparation for the successful completion of their Bachelor's degree goal."

What is TRIO ACES-SSS?

The ACES-SSS (Student Support Services) Program is federally funded under the U.S. Department of Education's TRIO Programs. ACES is designed to support participants in meeting the challenges of graduating from College of the Desert and transferring to a four-year university. ACES emphasizes academic, career, personal counseling and educational services to help students meet their goals.

STUDENT BENEFITS:

- One-on-One Academic/Educational Counseling
- Priority One Registration every semester
- Major and Career Planning
- Student Educational Plan (SEP) preparation
- Graduation and University Transfer Advising
- Free Tutoring
- Financial Aid/Scholarship Advising/Application Assistance
- College Tours/Cultural Events

Minimum Federal Income Requirements for ACES Applicants:

Your family must fall at or below the following:

SIZE OF FAMILY UNIT	YEARLY TAXABLE INCOME
1	\$19,320
2	\$26,130
3	\$32,940
4	\$39,750
5	\$46,560
6	\$53,370
