

ADMINISTRATIVE

PROCEDURE

5010

DESERT COMMUNITY COLLEGE DISTRICT

ADMISSIONS

Admission Eligibility

The authority to oversee the admission of eligible students is delegated to the Dean of Enrollment Services under the direction of the Vice President of Student Services.

Students eligible for regular admission to the College must be 18 years of age or older and possess a high school diploma, GED, certificate of proficiency or equivalent. Additionally, any other person who is over 18 years of age who, in the judgment of the Dean of Enrollment Services, is capable of profiting from instruction offered at the College may be admitted.

Students who are 18 years of age without a high school diploma must meet the College's ability to benefit criteria, which may be satisfied by a passing score on the Districts assessment test.

The Vice President of Instruction shall be responsible for evaluating the validity of a student's high school completion if the college or the United States Department of Education has reason to believe that the high school diploma is not valid or was not obtained from an entity that provides secondary school education.

Admission deadlines and processes are published on the college website. Deadlines can be found in the College Catalog and current Schedule of Classes.
