

# How to find your course shells in CANVAS

## Step 1

Your Dashboard will show the classes you want to see. To find new courses, choose the “Courses” option from your main CANVAS menu.

## Step 2

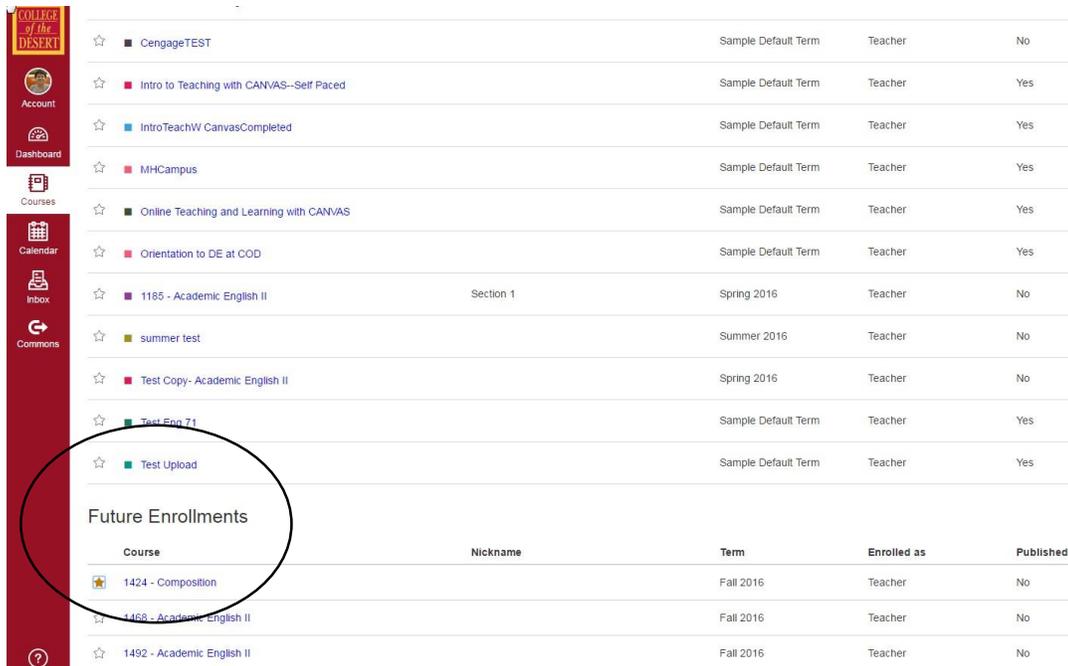

Click on the “All Courses” link.

### Step 3

You will see any course you are currently enrolled in on top. You may need to scroll down to see “Future Enrollments.”

For any course you want to then see back on your Dashboard, click on the star to the left of the course name to change it to solid. Courses with the filled in star will show up on your Dashboard

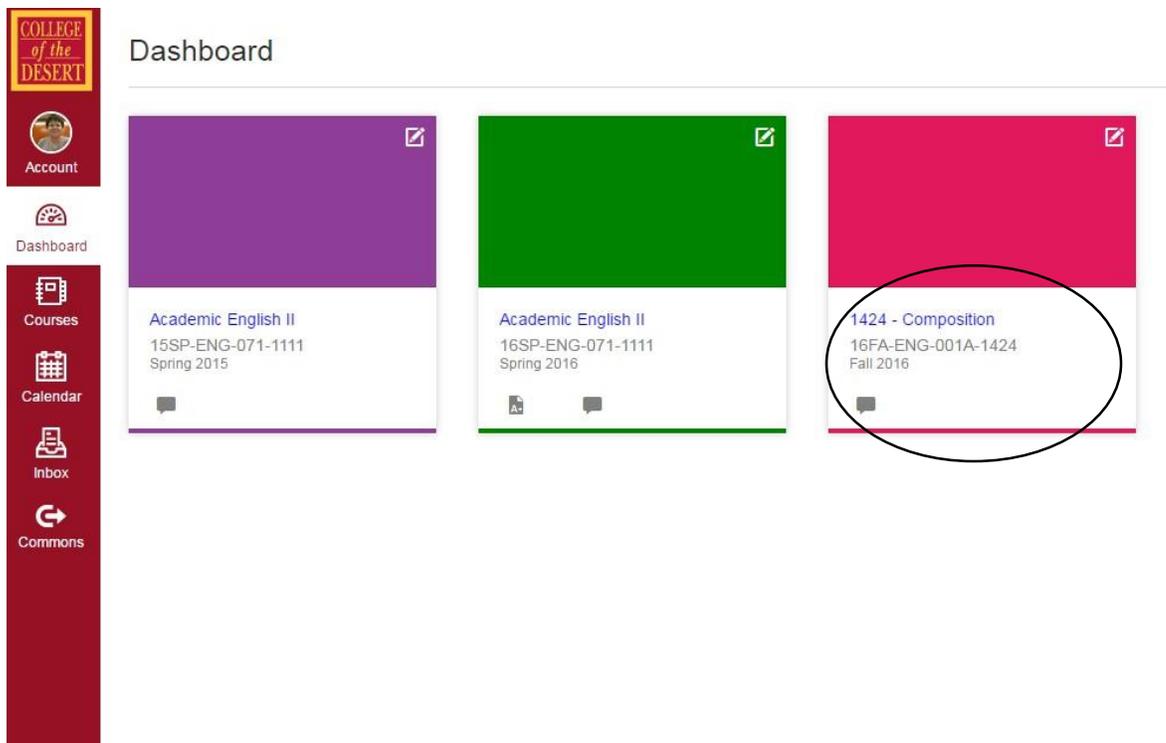

The screenshot shows a list of courses with columns for Course, Nickname, Term, Enrolled as, and Published. A section titled "Future Enrollments" is circled in black. The courses listed are:

1468 - Academic English II		Fall 2016	Teacher	No

### Step 4:

Back on your Dashboard, you should see any course you selected the star for. If you don't want to see an old course, un-fill the star back in the “All Courses” list.

The screenshot shows a dashboard with three course cards. The card for "1424 - Composition" is circled in black. The cards display the course name, ID, and term:
