Attention ALL COD Students!

We have some back to school shopping for you and best yet it is FREE!

Free software is available for ALL current COD students and new COD students from our partnership with Microsoft to support your success.

You are now eligible to install Microsoft's Office 365 on up to 5 devices, including PCs, Macs, smartphones and tablets (Surface and iPad) free of charge. The number of devices is limited.

Using the 1 TB of storage space in OneDrive and the dynamic note-taking software OneNote you will be able to collaborate with ease with your peers. In addition, by installing Microsoft Office 365 you will have access to Word, Outlook, Excel and PowerPoint.

All students will have access once they log into their mycod.us email account.
