Dear COD Community,

My name is Stephanie Bell and I am a new adjunct professor in the Arts & Media department, teaching film production courses. I am an Emmy-nominated and award-winning producer with over 25 years of entertainment industry experience.

The Arts & Media Department is offering the following new classes that I will be teaching. They include:

Film 010A (Scheduling)

Film 010B (Budgeting)

Film 010C (Set Management), and

Film 010D (Location Management)

New Production Management Certificate

These classes are currently a part of the **new the Production Management Certificate. Starting in Fall 2021, these classes will be required** for the Film AS Degree and the Advanced Film Production Certificate of Achievement.

Having knowledge of these important areas of filmmaking will set up **those of you interested in a career in the entertainment industry.** You'll be exposed to how all of the departments in a film interact with, and are dependent upon, each other - something that you'll need to consider even if you are writing, directing, or filming/designing.

I will also be bringing guest speakers from the film industry to speak to the class!

Late Starting Classes

These classes are held on Tuesdays and Thursdays, starting March 2 from 9:00 am to 1:15 pm.

Synchronous/Zoom Classes

These classes are being offered via Zoom.

If you are interested or for more information, please feel free to contact me at ext 7068 or via email at sbellveneris@collegeofthedesert.edu and I will provide you with the necessary waiver form to register for the class.

Accommodations for this event are available for people with disabilities. Early requests will help us meet your access needs. Students, please contact the [DSPS Office](#) at 760.773.2534. Everyone else, please contact Human Resources at 760.773.2529
