

SECURITY BEST PRACTICES

Passwords

Use complex passwords to protect your computer, network & website login information by including:

- Capital letters
- Lower-case letters
- Numbers
- Special Characters - !@#\$%&*
- At least 12 characters total

Don't use same password at multiple sites!

How to make strong passwords

- The longer the password, the harder it is to crack. Consider a 12-character password or longer.
- Avoid names, places, and dictionary words.
- Mix it up. User variations on capitalization, spelling, numbers, and punctuation.

Crackers use different dictionaries: English words, names, foreign words, phonetic patterns and so on for roots; two digits, dates, single symbols and so on for appendages. They run the dictionaries with various capitalizations and common substitutions: "\$" for "s", "@" for "a", "1" for "l" and so on. This guessing strategy quickly breaks about two-thirds of all passwords.

Take a sentence and turn it into a password. The sentence can be anything memorable for you. Take the words from the sentence, then abbreviate and combine them in unique ways to form a password.

Examples:

WOO!TBwontSB = Whoo! The Broncos won the Super Bowl!

PPupmoarC@O@tgs = Please pick up more Cheerio's at the grocery store.

Do you use a laptop or tablet?

Confidential information should not be stored on laptops. Confidential information includes first name/initial and last name along with data fields like SSN, address, birthdate, credit card number, or grades.

INFORMATION TECHNOLOGY SERVICES

Mission Statement

As a team of information systems and educational technology professionals, we are dedicated to delivering both an efficient computing environment and quality customer service to support the mission and goals of the Desert Community College District.

Vision

We envision the Information Technology Services department as a team of information technology experts working in partnership with the institution.

We are committed to:

- ♦ An effective technological environment that maximizes the flow of information throughout the district, its affiliates and the community at large.
- ♦ A proficient user community continuously increasing its own knowledge and productivity.
- ♦ Information technology as a strategic element in the ongoing success of the Desert Community College District.

California Community Colleges Management Information System (MIS)

California Community Colleges has an unusually rich and robust management information system about students, courses, student services, outcomes, faculty and staff.

How is MIS data used?

- ◆ Matriculation (now Student Success) Justification
- ◆ EOPS / DSPS Funding
- ◆ EOPS/ DSPS Program Justification
- ◆ VTEA (Vocational and Technical Education Act) (now Perkins)
 - ⇒ VTEA Core Indicator Reports
 - ⇒ VTEA Allocations
- ◆ BOGW Administrative Funding
- ◆ Federal Integrated Postsecondary Education Data System (IPEDS) Reporting
- ◆ CCC Data Mart

Research Questions

- | | |
|---|-------------------------------------|
| • Legislative Analyst Office | • Department of Finance |
| • California Postsecondary Education Commission | • California Student Aid Commission |
| • Public Policy Institute | • UC/CSU |
| • Legislature – Committees and individual members | • Community College Organizations |
| • Newspapers | |

REMINDER: While Information Technology submits MIS data on behalf of College of the Desert, the data is owned by the respective departments. The accuracy and timeliness of entry reflects on the quality of the data submitted.

Q & A: Phones

How to call an extension from off-campus:

To reach an extension from off campus, dial our main campus number **760.346-8041**, #, and **4 digit extension**.

Note: Some extensions may be reached via a direct-dial number.

Search the [Campus Directory](#) online for the person or department you are trying to reach.

<http://collegeofthedesert.edu/directory/Pages/default.aspx>

How to access voice mail from off-campus:

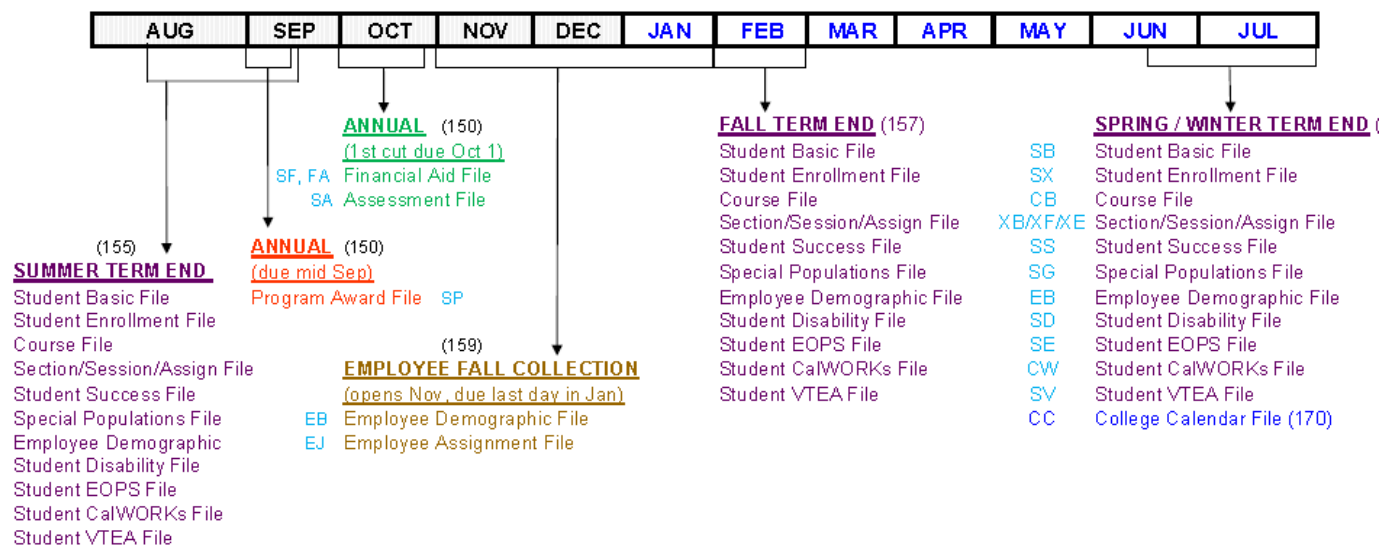

1. Dial 760.568.3098
2. Enter your 4-digit extension, followed by #
3. Enter your 4-digit pin number, then press #
4. Follow prompts to repeat, save & delete messages.

How to use conference call feature on Cisco phone:

To create a conference call:

1. From a connected call, press **Confrn** or **Conference**. (You may need to press the **more** softkey to see **Confrn**.)
2. Enter the participant's phone number
3. Wait for the call to connect.
4. Press **Confrn** or **Conference** again to add the participant to your call.
5. Repeat to add additional participants.

MIS DATA SUBMISSION TIMELINE

All term-end files are due within one month after the end of each term.

THE LAST DAY TO RESUBMIT:

- Summer, Fall, Winter, Spring term-end files for allocation purposes is the first Monday in August (by 5:00 PM)
- Financial Aid data for VTEA allocation purposes is the second Friday in February (by 5:00 PM).

FACULTY / STAFF DISCOUNT PROGRAMS

A variety of links are available on the IT webpage for discounts on software, technology equipment, & cellular services. From the COD home page, click on Faculty & Staff, then scroll down and click on Information Technology, then [Faculty/Staff Discount Programs](#) (<— click link). Here are just a few:

Under the [Microsoft Office Home Use Program](#), COD employees may purchase **Office Suite** at a discounted cost (\$9.95) to install and use on a home computer. Be sure to use listed **Program Code 25CFD734AC**. You must use your COD email account to verify eligibility. A link will be emailed to you from Microsoft for purchase and download.

With the [Dell Member Purchase Program](#) you can get your best price on Dell PC's & Tablets. Log-in to get the best price guarantee, member-exclusive offers, electronics & accessories discounts, and Dell Advantage. Be sure to use **Member ID# US115573324**

At Apple Educational Store, Faculty/Staff member may access directly into College of the Desert's Custom dedicated Apple store where you'll receive a discount on all items including a range of content that covers every subject, from great collections of apps to countless free learning resources.

[CollegeBuys.org](#) is brought to you by the Foundation for California Community Colleges. This site offers exclusive savings on software and more for faculty & staff as well as students.. Select "Customer Type," "State," & "College" before proceeding to their shopping site.

Discounts on cell phone services are provided by the following:

[Verizon Wireless](#) - Up to 15% off the monthly access fee on qualifying voice plans with a monthly access fee of \$34.99 or higher. Up to 25% off accessories.

[Sprint Store](#)—Save 50% on most Verizon, AT&T and T-Mobile rate plans, plus get an extra \$100 as a perk because of where you work. Enter your work, school or organization email address at <http://now.sprint.com/save/> to see if you are eligible or contact Sprint (866-639-8354) for possible discounts listed under "California Community Colleges."
