MISSION

College of the Desert provides excellent educational programs in basic skills, career and technical education, certificate, transfer preparation, associate degrees, noncredit and distance education, which are continuously evaluated and improved. Our programs and services contribute to the success, learning and achievement of our diverse students and the vitality of the Desert Community College District, surrounding areas and beyond.

K-14 Education Consortium UPDATES

Friday, December 2, 2016

College of the Desert

- The 2017-2018 Enrollment Services Calendar has been approved. Two significant changes:
 - Our Summer Sessions will start a week later than in previous years. This will allow 15 of our local valley high school's students to join us for our Summer Sessions. Without pushing back the start of our Summer Sessions only one of our area high school's students could have joined us during the Summer Sessions.
 - Summer 2017 and Fall 2017 registration has been combined just as we now have our Winter Intersession and Spring Semester registrations combined. Summer 2017 and Fall 2017 registration will open on May 8th. (Copy of calendar attached)

- Photovoltaic Solar Class starts January 24, 2017. (Flyer attached)
