PREPARATION OF DISCLOSURE OF CRIME STATISTICS

The College of the Desert (COD) Public Safety Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at www.collegeofthedesert.edu/clery. You will also be able to connect to our site via the home page at www.collegeofthedesert.edu and put “Clery” in as a search or by going to College of the Desert Public Safety and Emergency Preparedness Department homepage. This report is prepared in cooperation with, but not limited to, the local law enforcement agencies surrounding our main campus and alternate sites, Campus Public Safety Authorities, and Campus Public Safety Officers. Data is compiled from the sources and combined to create the crime statistics.

Campus crime, arrest and referral statistics include those reported to the COD Public Safety Department, designated campus officials, and local law enforcement. These statistics may also include crimes that have occurred in private residences or businesses that are near the campus and are not required by law. California law (11160 of the California Penal Code) requires prompt, mandatory reporting to the local law enforcement agency by health care practitioners when they provide medical services to a person they know or reasonably suspects is suffering from wounds inflicted by a firearm or is a result of assaultive or abusive conduct. The Student Health and Wellness Center staff inform their clients of the procedures to report crimes to the COD Public Safety Department on a voluntary and/or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during such a session.

Each semester during orientation new students are given the information on how to access this report as well as an email notification to all students and staff. Printed copies of the report may be obtained from the COD Public Safety Department. Copies of the report may also be found online

STATEMENT ADDRESSING ROLES OF PUBLIC SAFETY OFFICERS

College of the Desert Public Safety Officers have numerous roles on campus. Officers issue parking citations, which are processed from Phoenix Group Information Systems and enforced by the Department of Motor Vehicles. COD Public Safety Officers do not possess powers of arrest. The role of the COD Public Safety Department is to ensure the campus is a safe environment. This is accomplished by patrolling and observing campus facilities, parking lots and adjacent areas; protect persons, property; enforce applicable laws, ordinances; and serve as a deterrent to undesirable activity.

The Riverside County Sheriff's Office (RSO) have jurisdiction on the campus through a written memorandum of understanding (MOU). The Public Safety Department maintains a highly professional working relationship with RSO. All crime victims and witnesses are strongly encouraged to immediately report the crime to the COD Public Safety Department or Riverside County Sheriff's Office. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics.

REPORTING OF CRIMINAL OFFENSES

Faculty, Staff and Students of College of the Desert who are witnesses or victims of a crime should immediately report the crime to the COD Public Safety Department. If you are the victim of a crime and do not want to pursue action within the District's system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the COD Public Safety Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the District can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant and alert the campus community to potential danger. Reports filed in this manner are reported and disclosed in the annual crimes statistics for the institution.

To report a crime:

Contact Campus Public Safety Department at:

“See Something, Say Something”

SEXUAL ASSAULT POLICY STATEMENT

The Desert Community College District, to the fullest extent possible, ensures that students, faculty and staff who are victims of sexual assault committed on or upon the grounds of facilities maintained by the District, shall receive treatment and information to deal with the assault. Sexual assault includes, but is not limited to rape, sodomy, oral copulation, or rape by a foreign object, sexual battery, or threat of sexual assault.

The District recognizes one of the most important ways to assist students, faculty and staff who are victims of sexual assault is to help them regain a sense of control over their lives. The District will make every effort to help make the victim aware of the options and alternatives available as well as to aid the victim in making an informed decision as to a course of action. Applicable state and federal provisions will be applied in maintaining confidentiality in handling of all sexual assault cases. Individual rights to privacy in these matters will dictate District policy, practice and procedure.

During hours of operation, the Student Health and Wellness Center is the referral source for information relating to the rights, options, and services available to a sexual assault victim.

After hours, law enforcement personnel, counselors and public safety officers can also assist with this information.

Upon request, the District will do everything possible to assist the victim with a change in academic schedule.

SEXUAL ASSAULT BILL OF RIGHTS

Federal law entitles sexual assault victims to certain rights.

- The accuser and the accused have the same opportunity to have others present throughout the disciplinary proceedings.
- Both parties shall be informed of the outcome of any disciplinary proceeding.
- Victims shall be informed of their options to notify law enforcement.
- Victims shall be notified of counseling services available on and off campus.
- Victims shall be notified of options for changing academic and living situations.
- The victim and the accused are entitled to both have someone present during the disciplinary hearing.
- Both parties will be informed of the outcome of any sanctions taken as a result of the disciplinary hearing.
- If found guilty of a sex offense the District maintains the right to expel the accused from any and all campus controlled and owned by the Desert Community College District.

POLICE INVESTIGATION

Reporting a sexual assault to the police may seem intimidating but there is no need to be afraid. Law enforcement officers are trained to handle such situations with sensitivity and compassion. Reporting can help you regain a sense of personal power and control.

CONSENT

Consent is based on choice. It is informed, freely given, mutually understood, and based on respect and reciprocity. Consent requires an affirmative act or statement by each participant. If coercion, intimidation, threats or physical force are used, there is no consent. If a person is mentally or physically incapacitated or impaired so that they cannot understand the fact, nature or extent of the sexual situation, there is no consent. This includes incapacitation due to alcohol/drug consumption or if a person is asleep or unconscious.

BYSTANDER INTERVENTION

Bystanders play a critical role in the prevention of sexual and relationship violence. They are often the largest group of people involved – outnumbering both the perpetrators and the victims. Bystanders can have a range of involvement in assaults. A person or persons may be aware that a specific assault is happening or will happen, they may see an assault or potential assault in progress, or they may have knowledge that an assault has already occurred. Regardless of how close to the incident they are, bystanders have the power to stop assaults and to get help for people who have been victimized.

RELATIONSHIP ABUSE & DOMESTIC VIOLENCE - RESOURCES

There are many resources for victims who are unsure what to do when dealing with domestic violence. One option is the criminal justice system. Do not be afraid to call the police if you have been abused. The goal of the police and legal system is to provide some measure of safety for victims of violence and to provide information about additional resources, such as temporary living accommodations if necessary. One immediate alternative is to obtain a Temporary Restraining Order. If you have been recently threatened hurt or abused, or are being stalked by your current or former intimate partner, call 9-1-1. Tell the dispatcher that you are in danger and that you need help immediately. The police are required to write an incident report for all domestic violence calls, even if the batterer has already left the scene. Although it is best to make the report as soon as possible, you may call the police anytime, even days or months after you have been abused.

RELATIONSHIP ABUSE

Relationship abuse is a pattern of abusive or coercive behaviors used to maintain power and control over a former or current intimate partner. Abuse can be emotional, psychological, financial, sexual or physical, and can include threats, isolation, and intimidation.

Could you be in an abusive relationship?

- Are you afraid of your partner?
- Do you avoid certain topics of conversation out of fear it will anger your partner?
- Does your partner humiliate or belittle you?
- Does your partner have a bad and or unpredictable manner?
- Does your partner destroy your belongings?
- Does your partner keep you from seeing friends or family?
- Does your partner seem unusually possessive or jealous?
- Does your partner force you to have sex?

If you answered yes to any of these questions – understand that you are not at fault! You deserve to be treated with dignity and respect – Especially by your romantic partner. Emotional abuse is often a precursor to physical violence.

DOMESTIC VIOLENCE

Domestic violence is broadly defined as physical or sexual assault and/or other threatening and abusive behavior including stalking, harassing, or destroying personal property perpetrated against a former or current intimate partner, relative, or person living in the same household.

Call 911 if you have recently been threatened, hurt, or abused, or are being stalked by your current or former intimate partner.

STALKING

Stalking as defined below, is a violation of District policy and a reportable offense under the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

Stalking

Any person who willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family.

Stalking behaviors may include:

- Following or “Cyberstalking” using GPS, Keystroke Capture Devices, etc.
- Unwanted communication
- Unwanted or threatening gifts
- Obsessive behavior
- Appearing at a place of residence, school or work
- Inappropriate approaches, confrontations, or threats

If you believe you are being stalked:

- Report to a public safety officer as soon as possible
- Be clear and assertive in demanding to be left alone
- Document each incident. Include dates, times, locations and a detailed description of what happened. Keep letters, notes and gifts or other objects sent to you. It may be important evidence.

STATEMENT ADDRESSING SEX OFFENDER REGISTRATION

In accordance to the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Family Educational Rights and Privacy Act of 1974, the COD Public Safety Department has provided a link to Megan’s Law (national registered sex offender data base). <https://www.meganslaw.ca.gov/>

Effective September 24, 2004, Penal Code section 290.46 required the Department of Justice to create a web site on or before July 1, 2005. There are four categories of registered sex offenders for purposes of disclosure on the Megan's Law internet web site.

HOME ADDRESS CATEGORY The conviction of certain sex offenses requires that the home address of the offender be posted, along with other information about the registrant. 290.46, subd. (b).

CONDITIONAL HOME ADDRESS CATEGORY The conviction of other designated sex offenses, along with the conviction of any other registrable sex offense, requires that the home address be posted, along with other information about the registrant. 290.46, subd. (c).

ZIP CODE CATEGORY Commission of certain other sex offenses requires that information about the offender, including his or her ZIP Code and other information, but not including the home address, be posted on the web site. 290.46, subd. (d).

UNDISCLOSED CATEGORY Finally, there is a category of registered sex offenders that may not be displayed on the internet web site. These are registrants who have been convicted of sex offenses not listed in the above three categories. Offenders in the undisclosed category must still register as sex offenders with local law enforcement agencies and are known to law enforcement.

TIMELY WARNINGS

In the event of an emergency, the Director of Public Safety and Emergency Preparedness Department (or designee), is to be notified and will determine if an emergency notification is to be sent out. In the event of his absence, the COD President or Vice President of Administrative Services will determine if a warning will be issued. Taking into account the safety of the community, the content of the notification and determine how the notification will be issued, unless notification in their professional judgment will comprise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

In the event an emergency notification is necessary, COD can post information on its web page, email students/staff, transmit information via loudspeakers or speakers on telephones. After it is determined the threat is over, COD will provide follow up information in the same manner it was issued.

Anyone with information warranting a timely warning should report the circumstances immediately to the Campus Public Safety Officers, by phone at 760-341-2111 or in person at the Public Safety Department located at the South Annex of campus across from the Cravens Student Services Building.

EMERGENCY NOTIFICATION

The Director of the COD Public Safety Department (or designee) or other senior COD officials will, without delay, utilize the emergency notification system to issue an **immediate notification** to the campus community upon first responder confirmation of any emergency or dangerous situation that poses an ongoing or continuing threat to the health or safety of the campus community. The nature of the incident will determine which of the following methods will be employed:

The notification will be sent to all students, faculty, and staff in the COD community (or an appropriate segment of the community if the event is limited to a defined area of the campus) using Emergency Notification System unless issuance of the notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or contain,

respond to, or otherwise mitigate the emergency. The content of the message will vary dependent on the situation, but will typically include the incident time, location, type, and recommended actions for safety.

Individuals authorized to initiate an Emergency Notification include the Director of the COD Public Safety Department (on-scene Incident Commander or designee), or other senior COD official.

STUDENT EMERGENCY NOTIFICATIONS

In the event of an actual emergency the campus community will be notified via notification on the Portal, notification on the College Web page, Campus Paging System, announcement to campus phones (activated speakers), broadcast via HILB speakers to outside open areas on campus, and/or campus email and/or student email. In order to receive campus-wide-email announcements, students must have a college email account. Students can obtain an email account by signing up on College of the Desert's homepage. Help is available by contacting the Counseling Center: 760-346-8041 ext. 2521 or Student Life: 760-346-8041 ext. 1311.

Additionally, our mass notification system includes RAVE. This system sends alerts in via text. All student phone numbers that are used during registration will be uploaded into the system for mass notification text messaging. Should a student no longer wish to receive a text, a student must "opt-out."

College of the Desert Fire Safety Policy

It is the Desert Community College Districts' policy that any fire that is a result of negligence or purposely set requires the fire department as well as public safety to be contacted. The COD Public Safety Department will be responsible to follow up with the local police department to file a report.

The cause of fire will be determined by the appropriate fire department personnel. The report will include the cause of the fire as well as the estimated value of property damage. The property damage will include the value of the loss of structure and contents, in terms of the cost of replacement. It is COD Public Safety Department's responsibility to request a copy of the report 10 days after the incident and maintain a copy for their file as well as provide a copy to the appropriate College personnel.

Responsibility of Supervisors, Managers, and Faculty

The supervisor, manager, and instructor are to supervise the clearing of his/her area during an emergency evacuation, in an orderly manner using the designated evacuation paths to the designated safety areas. Attendance will be taken from each area evacuated with a class roster. The Dean of each department will be responsible to ensure that all instructors have a copy of their class roster.

Fire Drills

Fire drills are important because they prepare you for what you should do in a real emergency. When you hear an alarm go off, you may not know for sure whether it is a drill or an emergency, so treat every drill like it is the real thing.

Fire Safety System

College of the Desert's Palm Desert campus uses Simplex as its fire system. The Simplex 4100 fire system has 4 general functions.

1. It monitors fire alarm initiating points (smoke detectors, heat detectors, and pull stations).
2. It activates fire alarm notification appliances (horns, strobes, audio evacuation messages) when an initiating point activates.
3. It monitors and controls auxiliary building equipment (fan dampers, relays, security devices).
4. It contacts appropriate departments and outside public safety agencies.

Students who violate this policy could be in violation of the Student Code of Conduct and subject to disciplinary action ranging from a formal warning to expulsion.

Weapons on Campus

All weapons are prohibited on the College of the Desert Campus. Except for sworn law enforcement officials, it is a felony to bring or possess ANY firearm on any California school campus (§626.9 PC). It is also a felony to possess any air gun – including pellet and BB guns that utilize air, CO2, or spring pressure to propel a metallic projectile (§626.10 PC). Knives with a blade length of over 2.5 inches, dirks, daggers, and ice picks are also illegal. Individuals with Carry Concealed Weapon (CCW) permits may not carry a weapon on campus without written permission from the Director of the COD Public Safety Department.

Violence Prevention

Education, communication, collaboration, resource coordination, and early intervention are the cornerstones of College of the Desert's violence prevention efforts. The single most important component of violence prevention is the timely communication of concerning behavior to the appropriate resources.

DRUG FREE WORKPLACE AND CAMPUS

The District intends to maintain a safe, healthful and productive work and learning environment for all employees and students. To accomplish this, the District will act to eliminate any drug abuse, which increases the potential for accidents, absenteeism, low academic and work performance, poor employee and student morale and damage to the District's reputation. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or the unlawful possession, use or distribution of alcohol is prohibited in all buildings, property, facilities, service areas, off-campus sites of the District, or in any location where any District activity is occurring.

The District shall discipline a student, up to and including expulsion, for the unlawful manufacture, distribution, dispensation, or possession of controlled substances (as defined by Federal and State laws) on the District's property or as part of any of its activities.

Though marijuana has been legalized in the State of California, it is prohibited on all District property. The District shall discipline a student, up to and including expulsion, for the use, manufacture, distribution, dispensation, or possession of marijuana on the District's property or as part of any of its activities.

Students who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Student Health and Wellness Center. While the District will be supportive of those who seek help voluntarily, the District will be equally firm in identifying and disciplining those students who continue to be substance abusers and do not seek help or continue to abuse drugs or alcohol after treatment or counseling.

Materials and information on counseling, treatment and rehabilitation resources, health risks, and uses and effects of controlled substances are available the Student Health and Wellness Center.

CRIME STATISTICS DEFINITIONS

Locations

Campus: Statistics include the academic and research areas and the academic reserve open space.

Non-Campus: Statistics include any building or property owned or controlled by the District that is used in direct support of, or in relation to, the District's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of District properties.

Public Property: Statistics include incidents on streets, sidewalks, and parking facilities contiguous to, but not within, the campus. These statistics were provided by the law enforcement agency having jurisdiction where the property is located and Campus Security Authorities, where applicable.

Crime Categories

Murder / Non-negligent Manslaughter: The willful killing of one human being by another.

Negligent Manslaughter: The killing of another person through gross negligence.

Sex Offenses: Any sexual act directed against another person, forcibly or against that person's will. Includes forcible rape (totaled separately), forcible sodomy, sexual assault with an object, and forcible fondling. Also including instances where the victim is incapable of giving consent. This definition includes male and female victims.

a. Rape: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim, including when the victim is incapable of giving consent because of temporary or permanent mental/physical incapacity. This definition includes any gender of victim or perpetrator. This definition of rape now includes "sodomy" and "sexual assault with an object" crime definitions.

b. Fondling: The touching of the private body parts of another person for the purpose of sexual gratification without consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or temporary or permanent mental or physical incapacity.

This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. An incident must meet three conditions to be classified as a burglary: (1) there must be evidence of unlawful entry (trespass).
