Did You Know?

Beginning in Fall 2023 CH-004 is becoming CH-007. Students who have already taken CH-004 will be allowed to register for BI-014, BI-015 and CH-005 and do not need to take CH-007.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Students at off-campus sites should allow sufficient travel time to arrive on time and remain for the duration of the class. Non-Participation and excessive absences may be grounds for being dropped from a course.

English As A Second Language Non-Credit (ESLN)

The English as a Second Language Non-Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory as needed.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Students may register in person for all ESLN classes. Registration is on an open entry, space available basis. Please call (760) 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios se determinará el nivel en que se le coloque. Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información llamar al (760) 776-7348.

** Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

Students at offcampus sites should allow sufficient travel time to arrive on time and remain for the duration of the class. Non-Participation and excessive absences may be grounds for being dropped from a course.
