### What Is Work Experience?

A course that allows students to apply their education to the real world. Students create and accomplish three measurable learning objectives that are new and/or expanded responsibilities at their workplace. This ultimately empowers students to become better employees, work on new projects, add to their resume, and enhance their job skills. All students who currently work, volunteer, intern, or that have a student worker or federal work-study position are eligible. Units earned are transferrable to the CSU system and the class fits easily into the student's work and school schedule. Students may enroll in General Work Experience or an Occupation course.

### General Work Experience (WEG-095A)

Students may enroll in **General Work Experience (WEG – 095A)** if the student's current position **does not** relate to their occupational/ educational goal. Students can earn **1 - 6 units** of General Work Experience per semester (if hour requirement is met, see below).
All General sections will be listed under Work Experience.

### Occupational Work Experience (XXX-095A)

Students may enroll in an Occupational course if their current positon **does** relate to their educational/occupational goal. Occupational courses vary depending on students major and are listed under the corresponding academic program as (XXX – 095A), i.e. CIS-095A, BUMA-095A, FIRE-095A, etc. Students may earn **1-8 units** in any occupational work experience course (if hour requirement is met, see below).

### Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

### Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Summer classes are being held either synchronously via Canvas, or asynchronously. Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

The symbol (▶) in front of a section number (▶1942) denotes an off-campus class.

### Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

Summer classes are being held either synchronously via Canvas, or asynchronously. Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

**Students not attending the first class meeting may be replaced by other students.**

COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

## Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

## Department of Public Safety 760 341-2111 or EXT 2111

Public Safety officers are on duty 24 hours a day, 7 days a week. If you need assistance or wish to report a crime, please call the Public Safety number. On campus call 2111, off campus or on a cell phone, call 760 341-2111. The office is located in the South Annex, room 16. If the office is locked, you may contact the on duty Public Safety Officer via phone or by using the call box next to the office door. If you press the call button, it will call the on duty officer via their cell phone.

If an emergency exists that is severe or life threatening, call (911), then the Department of Public Safety. If you have questions about the Department, stop in the office and your questions can be answered.
