

Online Survey — Provide input on the next draft of College of the Desert's 2015 Strategic Master Plan

Strategic Planning is the way the college finds answers to the questions posed by the future. With current changes and challenges taking place at COD, we need to determine where we want to be in the future and how best we can obtain and reach our goals within a clear strategic context.

Everyone's input is vital to insure that the strategic plan appropriately represents all of our college community. Take the online survey!

To take the survey:

1) Go to www.collegeofthedesert.edu

2) Click on the  button

3) Click on the orange survey button (English and Spanish versions) on the right hand side of the *Strategic Master Plan* webpage. Data resources can also be access on this webpage.
