Denim Day 2023

"Wear jeans with a purpose."

Join the Office of Student Life in collaboration with Partners Against Violence as we participate in Denim Day during Sexual Assault Awareness Month. This event aims to support survivors, raise awareness of sexual assault issues, and combat victim blaming.

Originating from an Italian court case, Denim Day occurred after the justices ruled a victim helped their perpetrator because she was wearing tight jeans which implied consent. Make a social statement and protest violence by wearing denim at this event.

Wednesday, April 26th | 1 - 3 pm | Outdoor Amphitheater

Pledge to end sexual violence while learning more about Partners Against Violence and enjoy light refreshments!

Hosted by The Office of Student Life and Partners Against Violence
